# Welcome to WOLFSBLUT.

For almost 20 years the WOLFSBLUT brand has stood for proper, nutritionally balanced dog food: The combination of high-quality meat or fish as the chief ingredient and selected fruit, vegetables and superfoods comes the closest to the natural diet of a wolf. And thus also the needs of our dogs.

As a pioneer in the industry, we returned to an original and nutritious diet in 2006. Because we know what dogs and owners need for a long, healthy and happy coexistence – and what they don't.

## What we stand for

- ✓ Modelled on the wolf  
**Species-appropriate dog food**
  - ✓ Plenty of meat or fish  
**Original flavours**
  - ✓ Grain-free/gluten-free recipe  
**The wolf does not hunt for cereals**
  - ✓ Valuable superfoods  
**With nutrient-rich ingredients**
- 

## The WOLFSBLUT quality promise

- ✓ No artificial ingredients  
(apart from essential vitamins  
and minerals)
- ✓ Natural raw materials in tested quality
- ✓ Individual raw material procurement  
from selected companies
- ✓ High food standards in production
- ✓ Regularly tested according to the latest  
nutritional knowledge

## Dry food

Limited to nine ingredients for food-sensitive dogs – and for all others.

Max.  
**9**  
INGREDIENTS

**Welcome to the world of WOLFSBLUT Limited  
INGREDIENTS** – the dry food that focuses on the  
essentials.

We understand the challenge many dog owners face when it comes to finding out what their pet is sensitive to. Our Limited INGREDIENTS dry food is therefore based on the conviction that less is more. This is why, based on customer feedback, we at WOLFSBLUT Limited INGREDIENTS deliberately use a reduced number of ingredients in proven WOLFSBLUT quality.

Our unique recipe contains a maximum of nine high-quality ingredients: The first ingredient is the protein source. In the case of WILD DUCK, this consists of high-quality duck and duck fat combined with duck broth. Supplemented by a carefully selected mix of seven varieties of colourful fruits and vegetables – our RAINBOW BLEND. As colourful as the rainbow itself, this unique RAINBOW BLEND ensures that your dog is provided with optimum nutrients despite the reduced number of ingredients.

**RAINBOW BLEND**  
**FRUITS &  
VEGETABLES**

Our **RAINBOW BLEND**, which consists of fruit and vegetables and is inspired by the colours of the rainbow, guarantees a needs-oriented diet and provides your four-legged friend with essential vitamins, vital substances, antioxidants, and trace elements.

---

**The result is a maximum  
quality of minimal – but specifically  
selected – ingredients.**

Of course, we have remained true to our WOLFSBLUT motto of a species-appropriate and original diet and use only raw materials in the usual WOLFSBLUT quality and no grain.

# **RAINBOW BLEND**

## **Yellow:**

Turmeric has antioxidant, detoxifying, and anti-inflammatory properties.

## **Orange:**

Sweet potato is packed with valuable nutrients and vital substances. It is rich in vitamins A and C as well as B vitamins.

## **Blue:**

Spirulina contains a lot of high-quality protein as well as chlorophyll and vital substances. This algae has antioxidant and anti-inflammatory effects that support skin, coat, and muscle health.

---

**As colourful as the rainbow,  
our mixture of seven varieties of fruit and  
vegetables ensures a complete and  
nutritionally balanced diet.**

---

---

**Red:**

Cranberries contain valuable antioxidants for the heart and urinary tract.

---

**Green:**

Peas have a particularly high protein and fibre content.

---

**Purple:**

Blueberries are rich in vitamins C, E, and K, which support the immune system.

---

**Brown:**

Lentils are rich in phytochemicals (polyphenols) as well as potassium, magnesium, iron, and zinc, which promote heart, skin, and coat health.

---

# Limited INGREDIENTS PUPPY

**As few as possible and as many as necessary.**

This is the philosophy behind the ingredients of **WOLFSBLUT Limited INGREDIENTS.**

Thanks to the targeted and limited selection of ingredients, this dry food is particularly suitable for nutrition-sensitive puppies.

✓ **Maximum of nine ingredients::**

A small number of natural ingredients that are well tolerated and digestible for every puppy

✓ **Perfect for nutritionally sensitive puppies:**

With only one protein source as the main ingredient in the recipe, the risk of allergies can be minimised

✓ **RAINBOW BLEND:**

7 varieties of fruit and vegetables as colourful as the rainbow for a complete and nutritionally balanced diet

✓ **Grain-free recipe:**

For a species-appropriate and original diet

✓ **Recyclable packaging**

**Welcome to the world of WOLFSBLUT Limited  
INGREDIENTS** - the snacks that focus on the essentials.

Our FREEZE-DRIED snack is based on the WOLFSBLUT Limited INGREDIENTS dry food concept for a healthy and species-appropriate diet that includes meat and nutritious fruit and vegetables. The gentle production process of freeze-drying naturally preserves vitamins and nutrients whilst retaining the flavour of the ingredients. This makes our FREEZE-DRIED snack particularly popular. Thanks to the targeted and limited selection of ingredients, this snack is particularly suitable for nutrition-sensitive dogs.

The snack is ideal as a reward or a small snack between meals. It consists of just one high-quality protein source and a maximum of three other ingredients, which are inspired by the colours of the rainbow.
