OVERVIEW OF MY SCHOOL DC

My School DC is the common application and public school lottery for all participating public and public charter schools in the District that serve PK3 – Grade 12. While there is no advantage to applying first, applicants must apply by the application deadlines.

2026-27 SCHOOL YEAR LOTTERY DEADLINES:
February 2: Grades 9-12 | **March 2:** PK3 – Grade 8

There are three steps to My School DC:

1. **LEARN:** Consider what is most important to you and your child, make a list of those priorities and research school options to identify which schools best align with your priorities.
2. **APPLY:** Go to **MySchoolDC.org** to create your family account and start your application, rank your school choices in the order you like most, and submit your application by the application deadlines.
3. **ENROLL:** Once your child receives an offer to enroll, prepare all required documents and enroll your child with their matched school by May 1, 2026.

Who needs My School DC?

Submit an application if you want your child to be a **NEW** student at a:

- PK3 or PK4 program at any DCPS school (including your DCPS in-boundary school)
- DCPS school outside your boundary or feeder pattern* (PK3 – Grade 12), including DCPS citywide schools
- Dual-language strand at any DCPS in-boundary elementary school (PK3 – Grade 5)
- DCPS selective high school or program (Grades 9-12)
- Participating public charter school (PK3 – Grade 12)

You **DO NOT** need to submit a My School DC application if your child will:

- Remain in their current school (contact your school to re-enroll)
- Enroll at their DCPS in-boundary or feeder school* (Grades K-12)
- Enroll at their public charter feeder school (all grades)

If you moved out-of-boundary from your DCPS school and lost your right to the middle or high school feeder school, you will need to apply to it. See DCPS Enrollment and Lottery Handbook for details.

The My School DC lottery application opens on December 15, 2025. The application is available in **English** and **Spanish**. Application guides are available for download in **Amharic**, **Chinese**, **Vietnamese**, and **French**. Call the My School DC Hotline at (202) 888-6336 for application assistance in your language, Monday – Friday, 8 a.m. – 5 p.m.

! **IMPORTANT:** The order in which you rank your schools matters! The lottery attempts to match all applicants to their top ranked (#1) school first. Students can only be matched with up to one school and are waitlisted only at the schools they ranked higher than the school where they are matched or enrolled.

Questions for Parents by Parents

With the many public school options available in the District, parents and guardians must ask a variety of questions to find the school their child will call MY School. Parent representatives from the My School DC Parent Advisory Council (PAC) created this list of questions to help you get started. Visit schools' online profiles at **MySchoolDC.org** to get basic information, and then put a checkmark ☑ next to the questions you'd like to ask of school staff. Make sure to take them with you to EdFEST, school fairs and school open houses too!

Questions about school policies and support services

☐ Do you offer before and after care? How do I apply to your before and after care program? Is there enough room for all families interested in it?

☐ Are your before and aftercare programs managed by the school or an external organization? How does the programming align with the school's curriculum?

☐ What are your school uniforms or dress codes? Do you help families with the cost of the uniform?

☐ Are there added costs to your school programming that we should consider when thinking about your school as an option?

☐ If my child needs tutoring, is it available to them? Do you partner with external organizations to provide students with additional support (e.g., Higher Achievement, Reading Partners)?

☐ What types of sports, clubs and other extracurricular activities do you offer? Are they available to all students, including students with disabilities? Are there costs associated with these activities in order for students to participate in them? Are there limited slots or is there open availability?

☐ Do you have summer programming? If so, how much does it cost? Are vouchers accepted? Is it available for all students?
