THE ALCHEMIST'S WALK

PRIVATE WALKING TOUR

FLORENCE

3 H

Discover a unique angle on Florence in this delightful visit of one of the most stunning gardens in Italy, the Boboli gardens. You'll stroll through its arbors and cypress lined pathways, discovering ancient grottos and mysterious sculptures. This isn't any old park, it was mysteriously built upon alchemical principles and our academic, alchemist guide will lead you through its mystical history and unique architectural features. Then you'll wander down to the San Niccolò neighborhood of artisans, entering the studios of two unique alchemists, a perfumer and jeweler who mingle their craftsmanship with their own interpretations of alchemy. You'll conclude with glass of wine at sunset.
