MODELS, FINISHES AND COLOURS

Here in PUNT we work constantly on the improvement of our products so we reserve the right to amend the measurements, materials, colours, etc. of our products with the aim of improving their quality, service, strength or price. If the products that you have ordered present some variation with respect to our current catalogue and prices, we will inform you previously to check that you are still interested.

Finishes: All the finishes that we offer (natural, stained or lacquered wood, lacquered or anodised metal), even though they are protected, can gradually change their original colour over time due to sunlight exposure. Wood boards and wood pieces, because of their natural origin, present different and non-homogeneous patterns and tones. In PUNT we select each element of a piece of furniture to make these differences aesthetically pleasing.

Colours: The actual appearance of the nice colours of our products may differ slightly from the ones you have seen on a screen or a catalogue.

MODELOS, ACABADOS Y COLORES

En PUNT trabajamos continuamente en la mejora de los productos por lo que nos reservamos el derecho a rectificar dimensiones, materiales, colores, etc, de los mismos con el fin de mejorar la calidad, prestación, solidez o precio. Si los productos que has solicitado incorporan algún cambio respecto al catálogo o tarifa vigente, te lo comunicaremos previamente para que nos confirmes que sigues interesado en los mismos.

Acabados: Todos los acabados que te ofrecemos, ya sean maderas naturales, teñidas o lacadas; metales lacados o anodizados, aún protegidos, pueden ir corrigiendo su color original con el paso del tiempo y la exposición a la luz solar. Las maderas, por su origen natural, presentan mallas y tonos no homogéneos de un tablero a otro y a una pieza maciza. En PUNT seleccionamos para ti cada pieza para que esas diferencias, dentro de un mismo mueble, sean agradables.

Colores: Puede que nuestros bonitos colores una vez los aprecies en la realidad, no sean exactamente iguales a los que puedas haber visto en una pantalla o en un catálogo.

FURNITURE CLEANING AND MAINTENANCE

For a proper preservation, the piece of furniture must be kept in a dry space. You must remove any spillage or stain immediately so it doesn't penetrate or damage the protective varnish layer. Every furniture material must be wiped with slightly damp non-abrasive cloths or cleaned with non-acid cleaning agents except paint thinners such as acetone. You mustn't use cleaning agents containing alcohol on wood with a water-based coating. After cleaning, dry the surface with a dry cloth.

MANTENIMIENTO Y LIMPIEZA DE LOS MUEBLES

Para una correcta conservación del mueble debes mantenerlo en un espacio no húmedo. Debes retirar cualquier vertido o mancha de forma inmediata para que no atraviесе o dañe la capa de barniz protectora. Para cualquiera de los materiales del mueble debes utilizar paños no abrasivos ligeramente humedecidos o con productos de limpieza que no sean ácidos ni disolventes de pinturas como la acetona. En las maderas acabadas al agua nunca utilices productos de limpieza con contenido en alcohol. Tras limpiar la superficie sécala con un paño seco.

NATURAL TEAK

PUNT uses teak wood of Asian origin, sourced from sustainably managed forests. We do not apply any artificial protective products to the teak to maintain its natural finish. Also, because it is a naturally oily wood, it is not suitable for painting or varnishing as any product will not adhere properly and after a period of time will start to flake off. Due to environmental conditions or the action of the sun and rain, teak can expand and contract generating fine cracks or it can also take on a greyish colour due to a natural oxidation process, in neither case will it affect its structural integrity.

The frequency of maintenance of our furniture will depend on the climate and location.

TECA NATURAL

PUNT utiliza madera de teca de origen asiático, procedente de bosques sostenibles de talas controladas. No aplicamos ningún producto protector artificial a la teca para mantener su acabado natural. Además, debido a que se trata de una madera naturalmente aceitosa, no es adecuado pintar ni barnizar ya que cualquier producto no se adherirá correctamente y después de un tiempo comenzará a desprenderse. Debido a las condiciones ambientales o la acción del sol y la lluvia, la teca puede dilatar y contraer generando grietas finas o también puede tomar un color grisáceo debido a un proceso de oxidación natural, en ninguno de los casos afectará a su integridad estructural.

La periodicidad del mantenimiento de nuestros muebles dependerá del clima y la localización en la que se encuentren.

This year Punt takes another step forward to consolidate its leadership as a benchmark in the manufacture of furniture with unique designs. In addition to the indoor collections, *Ombra*, the new adventure that the firm has embarked on with designers Mario Ruiz and Arik Levy, has been added. A commitment to good design and contemporary craftsmanship, this time at the service of covered outdoor spaces. A new collection that makes our customers dream of terraces and porches where they can enjoy long days outdoors.

Ario, Stockholm and Coral are in charge of introducing a new concept and new materials that further enhance Punt's know-how. Art, Craftsmanship and Design that embraces the outdoors.

Este año Punt da un paso más para consolidar su liderazgo como referente en la fabricación de muebles con diseños únicos. A las colecciones de interior se suma *Ombra*, la nueva aventura que inicia la firma de la mano de los diseñadores Mario Ruiz y Arik Levy. Una apuesta por el buen diseño y la artesanía contemporánea, esta vez, al servicio de los espacios exteriores cubiertos. Una nueva colección cómplice de hacer soñar a nuestros clientes con terrazas y porches en los que poder disfrutar de largos días al aire libre.

Ario, Stockholm y Coral son las encargadas de introducir un nuevo concepto y nuevos materiales que ponen todavía más en valor el buen saber hacer de Punt. Arte, Artesanía y Diseño que abrazan el exterior.

MATERIALS
MATERIALES

- Top and base in MDF E1 (low formaldehyde content) with natural oak or walnut veneer.
- Handleless doors with Push Pull system.
- Handleless drawers with full-extension runners.
- Frame (16x16mm) and shelf (16mm) in thermo-lacquered steel.
- Wheels in polyamide with high resistance to abrasion and chemical agents.
- Fixed metallic shelves.

- Tapa y base de tablero MDF E1 (bajo contenido en formaldehído) aplacado en madera de roble o nogal natural.
- Puertas sin tiradores son sistema Push Pull.
- Cajones sin tiradores con guías de extracción total.
- Estructura (16x16mm) y estantes (16mm) de acero termo-lacado.
- Ruedas en poliamida de alta resistencia a abrasión y a agentes químicos.
- Estantes metálico fijos.

INTERIOR DIMENSIONS DIMENSIONES INTERIORES

STABILITY ESTABILIDAD

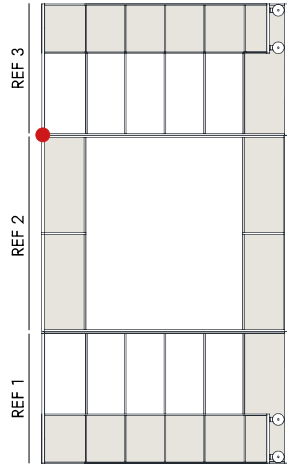

The bookcase set must be fixed to the wall to ensure optimal stability. If you wish to use it as a partition, it is mandatory to use a container module for each shelf column and place the heaviest objects on the lower shelves.

Las composiciones de estantería deben fijarse a pared para lograr una estabilidad óptima. Si se desea utilizar como divisoria es imprescindible utilizar un módulo contenedor por columna de estantes y depositar los objetos más pesados en las partes bajas.

MODULARITY MODULARIDAD

The Literatura Open shelving collection allows different references to be joined together.

La colección de estanterías Literatura Open permite unir diferentes referencias.

● Detail of the union of the structures.
Detalle unión de las estructuras.

SHELVES ESTANTES

Choice of Open shelves (black metal structure and shelves) or Selection shelves (black metal structure and oak or natural walnut wood shelf).

Posibilidad de elegir entre estantes Open (estructura y estantes metálicos negros) o estantes Selection (estructura metálica negra y estante en madera de roble o nogal natural).

Top & Legs

Top Sobre

MATERIALS
MATERIALES

E1 (low formaldehyde content) MDF board top veneered in natural walnut wood with solid wood beveled edge. Dekton or tempered glass top. Upper union plate between legs and glass top in stainless steel. The legs are fixed to the glass top rotating an anchoring system.

The table legs are made of natural walnut veneered plywood board with rounded edges.

This table can be electrified.

Sobre de tablero MDF E1 (bajo contenido en formaldehído) aplacado en madera de nogal natural con canto biselado de madera maciza.

Sobre de Dekton o vidrio templado. Placa superior de unión entre patas y el sobre de vidrio en acero inoxidable.

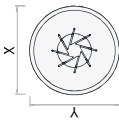

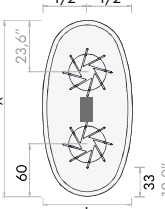

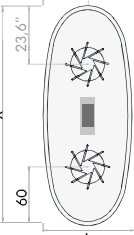

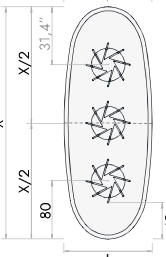

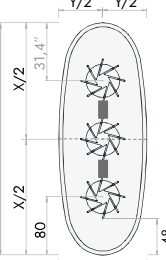

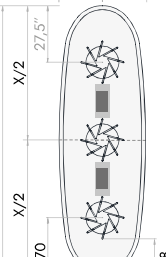

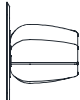

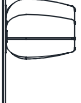

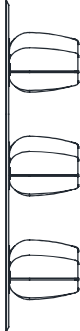

Los patas se fijan al sobre de vidrio mediante un sistema de anclaje giratorio.

Las patas de las mesas están fabricadas en tablero de contrachapado chapado en madera de nogal natural con canto redondeados.

Esta mesa puede ser electrificada.

About the partnership. Sobre la colaboración

With this collaboration Punt aims to support such an innovative project as CREAVALO. A new firm that emerges with the aim of creating value through sustainability, developing elegant and functional design pieces but with a strong environmental awareness. All the products in the collection are made with waste-based materials, both textile and from the automotive sector, which are recycled to promote circularity.

This collection is proof that waste is not waste but raw material waiting to be reused.

Con esta colaboración Punt tiene como objetivo apoyar un proyecto tan innovador como es CREAVALO. Una nueva firma que surge con el objetivo de crear valor a través de la sostenibilidad, desarrollando piezas de diseño elegantes y funcionales pero con una fuerte conciencia medioambiental. Todos los productos de la colección están realizados con materiales a base de desechos, tanto textiles como del sector de la automoción, que se reciclan para impulsar la circularidad.

Esta colección es la prueba de que los residuos no suponen un desperdicio sino materia prima a la espera de ser reutilizada.

FINISHES ACABADOS

WHITE NUVOL
NUVOL BLANCO

BLACK NUVOL
NUVOL NEGRO

MATERIALS MATERIALES

White finish: Combination of automotive waste + white textile microfiber waste.

Black finish: Combination of white textile sheet waste + black textile microfiber waste.
12-15% Binder (PU).

Acabado blanco: Combinación de residuos de automoción + residuos de microfibra textil de color blanca.

Acabado negro: Combinación de residuos textiles de sábanas blancas + residuos microfibra textil negra.
12-15% Aglutinante (PU).

MATERIALS
MATERIALES

Solid oak wood frame.

Headboard of E1 (low formaldehyde content) MDF board with oak wood veneer or upholstered on a board covered with fire-resistant expanded polyurethane according to BS regulation (33kg y 40kg).
Adjustable feet.

Optional slats base made of a metallic frame with fiberglass slats.

The gap for use with another type of base is 7 cm - 2.7".

Estructuras en roble macizo.

Cabezal en tablero de MDF E1 (bajo contenido en formaldehído) aplacado en madera de roble o tapizado sobre un tablero revestido de poliuretano expandido ignífugo según normativa BS (33kg y 40kg).

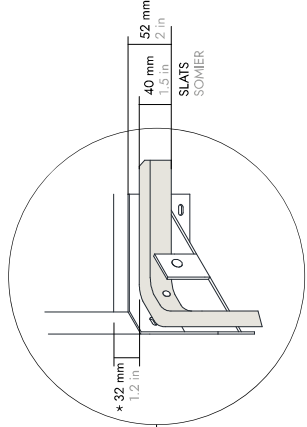

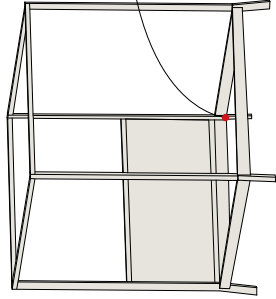

Pies regulables.

Sommier opcional fabricado en estructura metálica con lamas en fibra de vidrio.

El hueco para utilizar otro tipo de sommier es de 7 cm - 2.7".

WITH CANOPY CON DOSEL

The canopy beds are fitted on the inside corners with fittings consisting of a support where the corners of the bed base are fitted and supported. To fix the bed base, it is adjusted by means of a screw.

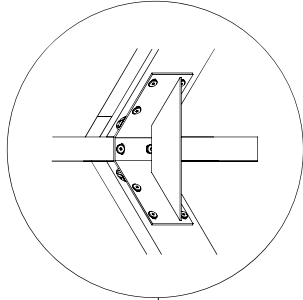

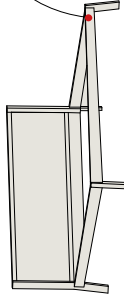

FITTINGS HERRAJES

★ Distance between the wooden ring of the bed and the top of the bed frame. Distancia entre el aro de madera de la cama y la parte superior del somier.

WITHOUT CANOPY SIN DOSEL

The beds without canopy are fitted on the inside corners of the canopy with a bracket to which the corners of the bed base are attached and supported.

MARBRE SAHARA
SAHARA-MÁRMOR
MÁRMO SAHARA

Marble pieces, because of their natural origin, present different and non-homogeneous patterns and tones.

Los mármoles, por su origen natural, presentan mallas y tonos no homogéneos de una pieza a otra.
