

**VIAGGIO  
AZZURRO  
CALDERA CRUISES**

## ISLAND FULL DAY

Hop on other Aegean Islands up to 6 persons including snack and wine on boat and transfer from/to hotel

### MYKONOS-DELOS

Excursion to the world-famous "Island of the Winds", Mykonos. You will have free time to visit some of the famous beaches of the island. Just a few miles away it's an ark of history, Delos. The entire island is designated as an archaeological site, to be precise, a UNESCO world heritage site.

### PAROS-ANTIPAROS

High on the list of top Greek holiday destinations, explore its great beauty, the long beaches with crystal-clear waters and its impressive landscapes. The islet of Antiparos, lying southwest of Paros, is ideal for a relaxed and serene holiday.

### NAXOS

Naxos is the biggest and most fertile island in the group, located right in the centre of it. Portara, Naxos' most popular landmark, lies on the neighbouring Palatia islet; it is the marble gate of an unfinished ancient Greek temple dedicated to god Apollo.

### IOS

The island of Ios, or Nios as locals call it, is a charming Cycladic island. It offers a plethora of lovely bays and beaches. The sights you shouldn't miss out on are the lighthouse at the port entrance as well as the open air theatre "Odysseas Elytis".

### ANAFI

The island of Anafi is a pristine destination with beautiful beaches with crystal clear waters.

### MILOS-KIMOLOS

Milos is a volcanic Greek island in the Aegean Sea. Visit breathtaking beaches such as Sarakiniko and Kleftiko. Visit picturesque Kimolos, for swimming, it's an island full of white rocks.

### FOLEGANDROS-SIKINOS

Folegandros is a place that will steal your heart away the moment you set foot on it. Sikinos is a typically Cycladic island, with numerable chapels dotting a scenery bathed by the wonderful blue waters of the Aegean.

## MINOR CYCLADES CRUISE (KOUFONISIA-IRAKLIA-SCHINOUSA- DONOUSA)

**KOUFONISIA** is the name of two little islands in the Lesser Eastern Cyclades: Ano Koufonisi and Kato Koufonisi are separated from each other by a 200 m. wide narrow strait. a place with golden-coloured sandy beaches sheltered from the wind, small natural seawater pools with turquoise waters.

**IRAKLIA** is the largest and westernmost island in the Minor Cyclades island group, a charming destination in the heart of the Aegean Archipelago, which you must absolutely add to your travelling experiences.

**SCHINOUSA** Island is a popular destination, with golden-coloured sands, and boisterous feasts and festivals. You don't need a car here, as the island covers a mere 9 sq.km. area and you can explore it on foot within one and a half hour tops.

**DONOUSA** was named after Dionysus, the ancient Greek God of wine who offered Ariadne a hiding place on the island from Theseus. The 13.65 sq. km island is great for hiking among the thick scent of wild Greek herbs which fill the air. Donousa's land has plenty of coves where you can relax on some magnificent sandy beaches.
