

BATAVIA

Fabrics for your Lifestyle

Batavia Exim Pvt Ltd

About our Company

Complete solution to the hospitality sector right from customisation of home furnishing fabrics to custom stitch of curtains

Batavia are pioneers in weaving of fabrics for home furnishings along with curtain stitching setup offering end to end services to the customers. Located at Bangalore, South of India. With Over 10 plus years of experience in weaving & 4 plus years of curtain manufacturing Batavia has executed multiple projects for the customers across the world.

Fabric customization, made ups, curtains, bed duvets. These are few of the services that we are offering

We offer more than thousands of designs from our design archive, one can also get the design customized and the same could be woven on the fabrics.

We use all kinds of yarns for weaving furnishing fabrics. From weaving light weight sheers to heavy jacquards

Fabric
