TITAN ARENA

The Titan Arena

Voxie Tactics presents the new and one-of-a-kind game mode: **Titan Arena**! The arena launched on Tuesday, **February 18th, 2025** and marked the birth of a new in-game currency called **Voxite** and 21 new Voxie characters known as **Titans**. Players who enter Titan Arena will experience new gameplay, new maps, and more ways than ever before to earn VOXEL rewards!

The Titan Arena (Continued)

Titan Arena Features

Select up to 3 out of 21 **Titan Voxies**, equipped with the same Titan gear!

Titan choices are based on the classes of the Starter Voxies or any Voxies that players may Own or Rent, but only 1 Titan Voxelie per class can be selected.

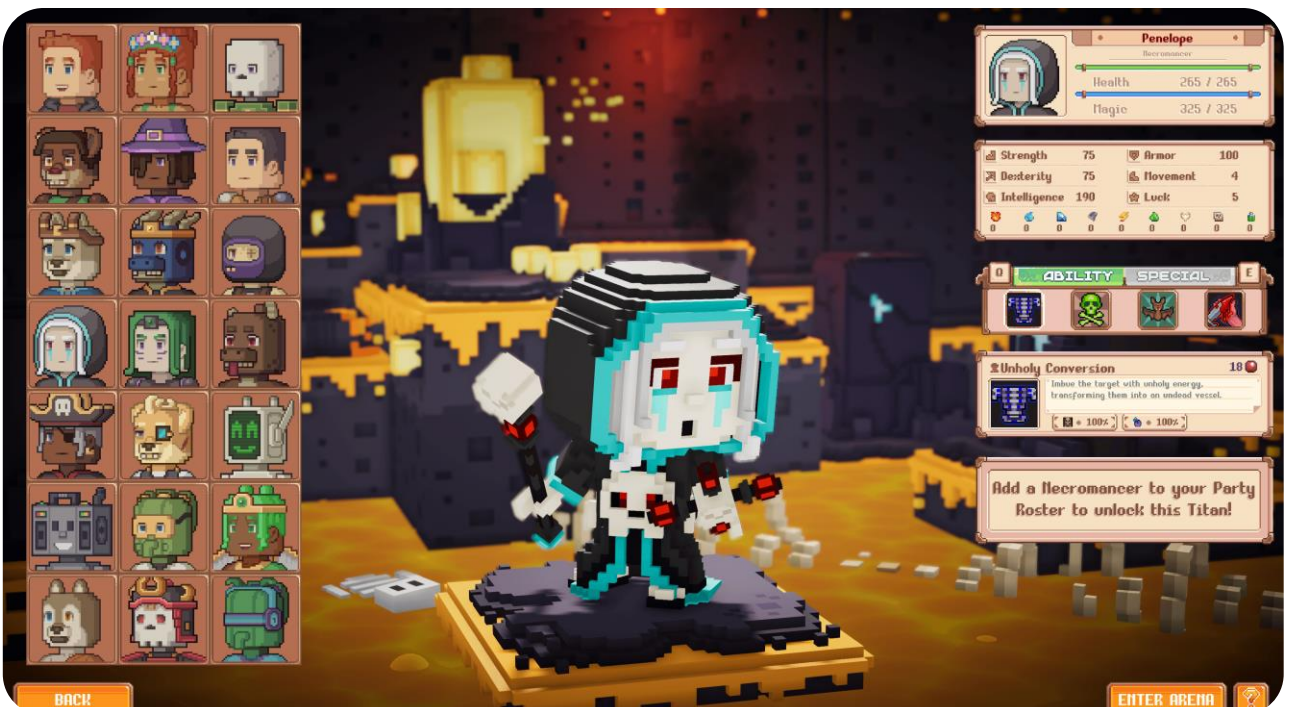

Voxite is the new in-game currency that can be used as entry fee and won in the Titan Arena. Both players pay 400 Voxite (Blue, Gold or combination) as entry fee and the winner will get 720 Gold Voxite, equivalent to 7.2 VOXEL!

THE TITANS

21 **Titans** to forever reshape Voxelie Tactics. Each unique Voxelie represents a Class and holds their own backstory, relationships, and abilities in-game! [Meet the Titans on page 9.](#)

Voxite allows users to win larger amounts of VOXEL: The Titan Arena costs 400 Voxite to enter, with a reward of 720 Voxite (7.2 VOXEL) for the winner. The goal is to enable users to play and win even bigger amounts in the near future. The team sees 400 Voxite (4 VOXEL) entry fee as a great starting point to encourage new players to start earning and collecting Voxite while playing in the Draft Arena. At the same time, this will enable a fair and accessible entry to the more competitive Titan Arena.

Double VOXEL Weekend!

Voxie Tactics players enjoyed double rewards for 96 hours (4 days) during the **Double VOXEL Weekend** event from Friday, February 14th, 11AM ET to Tuesday, February 18th, 11AM ET! Initially planned for 3 days, the event was extended to 4 days in an announcement on February 17th.

Players got double the VOXEL that they would typically get at the end of each battle and it applied to both the Draft, Pro and Extreme arenas.

Marketplace Updates in February 2025

Marketplace Transactions Update – February 18th

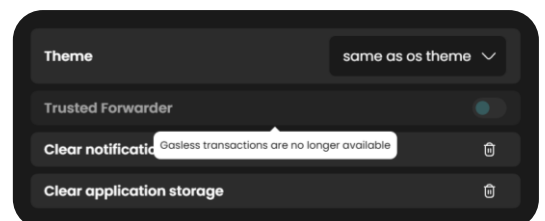

Players are now required to log in with both their wallet (e.g., Metamask) and their **Voxie Tactics Game Account**. This change was implemented to ensure proper attribution of transactions for players' safety, security, and a smoother experience when managing and transacting with their assets.

Note: Browsing items on the Marketplace will remain the same—no login is required to view items.

If you have any issues or concerns with logging in on the Voxies website, please send an email to support@alwaysgeekygames.com.

Discontinuation of Gasless Transactions for Voxies Marketplace

Gasless transactions (Trusted Forwarder) are no longer available on the Voxies Marketplace. This change is due to the service provider discontinuing the gasless transaction service for all users.

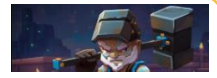

Players will need a small amount of POL (Polygon) for gas to complete transactions on the marketplace.

Future Solution: The team is currently testing the new Voxies Custodial Wallet solution, which will reintroduce gasless transactions when ready. This new wallet will provide a seamless experience, eliminating the need for gas fees during transactions.

Another episode of my attempt to get the Unidentified Item exclusive item (Titan Forge), but this time I **failed** since I ran out of Unidentifieds.
