SEPTEMBER IS
THYROID CANCER
AWARENESS MONTH

HOW IS THYROID CANCER TREATED?

• The initial therapy for thyroid cancer is surgery. Thyroid hormone therapy is needed after surgery if the entire gland is removed. When cancer appears more aggressive, radioactive iodine may be used following surgery. The process of receiving radioactive iodine typically involves raising your thyroid stimulating hormone (TSH) level, eating a low iodine diet, and sometimes getting other blood tests or imaging prior to treatment. Radioactive iodine is usually well-tolerated, with few side effects.

Cameron Spencer's Guide to the Autumn-est Gilmore Girls Episodes Ever!

By Cameron Spencer

Let's not mince words here, okay – I'm among the many self-proclaimed fall folk out there. Apple picking, pumpkin patches, football season, fall scents, flavors, and colors, they just soothe my soul like chicken soup on a sick day. I'm an avid lover of all things spooky, have a tendency to throw on Gilmore Girls at the first hint of a fall breeze (very 'I Smell Snow' of me, isn't it fellow Gilmore Girlies?). In fact, before you're even reading this, I will have already hosted the annual Autumn Solstice dinner with my family to celebrate! This year I realized that not everyone in my family has seen Gilmore Girls, and that, my friends, is a problem. So, this autumn, we're going full throttle into Stars Hollow, and I'm taking you with me! Sit back, grab your favorite cozy blanket, your Harvard sweatshirt, a warm cup of coffee (maybe in a Luke's mug), and get ready for Cameron Spencer's Guide to the Autumn-est Gilmore Girls Episodes Ever!

Obviously, if you're going with Gilmore Girls: A Year in the Life, then 'Fall' will be your autumn-est episode, but if you're watching the classic, original Gilmore Girls series, I've got you covered! If you have never seen this series, beware: spoilers ahead!

Season 1, Episode 7: Kiss and Tell

Amid the backdrop of Stars Hollow's Autumn Festival, and the arguments between Taylor and Luke about décor, Rory shares her first kiss with Dean and navigates telling Lorelai. Also, we get to see Rory and Lane dressed as pilgrims!

Season 2, Episode 4: Road Trip to Harvard

This episode sees Lorelai and Rory leaving Stars Hollow for the weekend after the fallout between Lorelai and Max. Featuring the ever-kooky Cheshire Cat B&B and an alluring, if not near criminal, visit to Harvard, this episode is quintessential Gilmore Girls!

Season 3, Episode 4: One's Got Class and the Other One Dyes

Luke and Lorelai are invited to speak at Stars Hollow High for Career Day, but Lorelai struggles when she is bombarded with questions about getting pregnant in high school; Lane takes drastic measures while delving into her first foray into the band. All amid haystacks and pumpkins and twinkle lights, in True Gilmore Girls Fashion!

Season 3, Episode 7: They Shoot Gilmores, Don't They?

Dance. Marathon. Need I say more?

Season 3, Episode 8: Let the Games Begin

After secretly arranging a meeting for Rory at Yale, Richard upsets Lorelai and Rory's goals begin to shift. This episode is full of autumn charm, old-world decorum, tailgates, and Yale football allure!

Season 3, Episode 9: A Deep-Fried Korean Thanksgiving

Thanksgiving-O-Rama! Lorelai and Rory's mad dash to multiple Thanksgivings – it may not get more fall than this!

Season 4, Episode 7: The Festival of Living Art

Stars Hollow's Festival of Living Art, where the townspeople get made up as famous renditions of art pieces and exhibition themselves in a theatrical, cozy display in the town square.

Season 5, Episode 6: Norman Mailer, I'm Pregnant

While Rory is covering the beat on a mysterious Yale club, Lorelai and Sookie are excited to spot Norman Mailer at the Dragonfly. Rife with ridiculousness, humor, and the twinkle lights fall lovers deserve this episode delivers autumnal charm and surprising secrets!

Season 5, Episode 7: You Jump, I Jump, Jack

While I wouldn't necessarily call this the most fall-centric episode of the season or the series, it's a classic for the series and a must-see on every rewatch!

Season 5, Episode 10: But Not As Cute As Pushkin

Lorelai's first fight with her latest boyfriend ensues, while Rory's hosting of a prospective Yale student ends in an epic failure – but pumpkins and fall foliage abound!

Season 6, Episode 6: Welcome to the Dollhouse

We open with a town meeting, get snippets from the Harvest Festival, and see Richard admit wrongdoing and seek amends with Lorelai RE: What the Heck is Rory Doing?

Season 6, Episode 7: Twenty-One is the Loneliest Number

Rory's 21st birthday – during her estrangement from Lorelai – while Morey and Babbett prepare for Halloween. A somber reminder that life doesn't always work out the way you plan for it to, but if you skip on over to S6E9, you'll get to see

Honoring Lives, Fostering Hope: Introducing Our Suicide Awareness Tribute Pages

At **OKLAHOMA'S Choice WEEKLY**, we believe in the power of community, empathy, and remembrance. In our ongoing commitment to supporting mental health and suicide prevention, we are proud to announce the launch of our new Suicide Awareness Tribute Pages on our website and app.

Suicide is a complex and heartbreaking issue that touches countless lives. It leaves behind a ripple effect of grief, questions, and an urgent need for understanding and support. Our tribute pages are designed to be a compassionate space where individuals can honor the memory of those lost to suicide, celebrate the strength of survivors, and collectively shine a light on this critical conversation.

A Place for Remembrance and Resilience:

These tribute pages offer a unique opportunity for anyone to share a free submission, creating a lasting memorial for a loved one. Whether you wish to:

Remember someone who has succumbed to suicide: Share their story, their passions, and the joy they brought to the world. Let their memory live on and remind us all of the preciousness of life.

Acknowledge and uplift a survivor: For those who have bravely faced suicide attempts and continue their journey of healing, these pages are a testament to their strength and resilience. It's a space to share messages of hope and encouragement.

By providing this platform, we aim to:

Break the Silence: Encourage open dialogue around suicide, reducing stigma and fostering an environment where seeking help is normalized.

Build Community: Connect individuals who have been impacted by suicide, creating a network of shared understanding and support.

Offer Solace: Provide a dedicated space for grief, remembrance, and the sharing of heartfelt tributes.

Inspire Hope: Highlight stories of resilience and recovery, reminding everyone that help is available and healing is possible.

We understand the sensitivity surrounding this topic and have created these pages with the utmost respect and care. Our hope is that by coming together, sharing our stories, and supporting one another, we can contribute to a future where mental health is prioritized, and lives are saved.

Visit our website or app today to learn more and submit a tribute. Together, we can make a difference.

CONTINUED FROM PAGE 4

Rory and Lorelai move into reconciliation, though episode 9 is admittedly low on the autumnal cheer scores.

Season 7, Episode 6: Go Bulldogs!

Christopher tries a little too hard with the members of the Yale Daily News, but the back-to-school vibes are off the charts! Luke goes on a date with April's swim coach.

Season 7, Episode 9: Knit, People, Knit!

The Stars Hollow Knit-A-Thon is on, and once again a certain someone tries too hard and ends up ruining things. Is Christopher actually Meredith Grey?

I hope each of you reading is able to find a stormy Sunday afternoon available this autumn to throw on a pot of coffee, freshen the batteries in your twinkle lights, wrap up in a cozy cashmere throw blanket and head into Connecticut via the Netflix route! I'll meet you under the gazebo with a fiesta burger and chili cheese fries for two.
