A letter from the Executive Director

Hello friends! I hope you and your family are having a wonderful and adventurous summer filled with visits to our 44 parks, splashes at Bartlett Aquatic Center and strolls in nature at Bartlett Nature Center. While you might wish for an endless summer, soon the leaves will begin to change and the warm, spicy fragrances of cinnamon, clove and Starbucks pumpkin spice lattes will fill the air.

No matter if you call it autumn or fall, we've got it ALL! The Bartlett Park District team has planned hundreds of exciting programs, activities and events for you, our community. Please join me and my good friend Navi Gator as we guide you to FUN this autumn!

While Caitlin Clark and Michael Jordan will not be present, in August, your child can take the court at Bartlett Hawks Travel Basketball tryouts. Information can be found on page 46. Golf is also in full swing at both Apple Orchard and Villa Olivia Golf Courses. Don't be wrong and be sure to take advantage of some special rates and create memories with family and friends on the links. As the great Ty Webb once said, two wrongs don't make a right but three rights make a left.

October is a busy month! The Park District will host an inaugural Pickleball Tournament on Saturday, October 11, at Bartlett Community Center. With both a recreational and competitive division you're guaranteed to have a mystical time as you relish a day on the court. Bartlett Nature Center will be hosting Fall Fest on Saturday, October 18. Bring your family out to discover, learn and explore! Experience a day of hayrides, a pumpkin patch and animal encounters. More details can be found on page 7. On Friday, October 24, Villa Olivia will be hosting, "I Love the 80's to Death," a staged, interactive murder mystery dinner. Enjoy a delicious meal specially prepared by our Executive Chef as you and your posse enjoy and participate in a totally gnarly, tubular and rad evening of 80's mystery and intrigue. Please see page 8 for more details.

If you're puzzled on what program, activity or event to register for, Navi Gator is here to help you pick-up the pieces. Gather your family and get ready for Puzzle Palooza Family Edition on Friday, November 21, in the Oak Room. Or, take your best shot and aim to participate in an archery class taught by our certified staff. It's a bow-tiful day for archery so get straight to the point and visit page 40 to learn more.

Included in this autumn guide on pages 38-39 is the fiscal year 2024-25 Spotlight, shining a light on all the ways Bartlett Park District has Created Fun during the year. We are proud of our many accomplishments and the new programs, improvements and renovations brought to the community; and we share with enthusiasm all that's in store for fiscal year 2025-26.

I also want to take the opportunity to thank our numerous Park District volunteers who are listed on page 21. Thank you for choosing to share your time and talent with us making a difference in the community.

Lastly, this summer and autumn the Park District is engaging upon an exciting improvement project at Sunrise Park. The existing playground will be replaced, the basketball court reimagined and Bartlett's first pump track installed. The project will also include improvements to the bike path, disc golf course and fishing access. The situation will definitely call for you and your family to visit once complete!

On behalf of the Park Board of Commissioners, team members and Navi Gator thank you for your support and we look forward to Creating Fun for you and your family this autumn!

Sincerely,

Kevin Romejko, MBA
Executive Director

Before and After School Recreation

We are dedicated to providing a fun, safe, and engaging recreational program for children before and after school. Our program is thoughtfully designed to offer a relaxed and enjoyable environment that helps children unwind and recharge after a busy school day, striking a healthy balance between academics and recreation. Whether it's a quiet moment of creative expression or active playtime with friends, we ensure that each child has the opportunity to participate in a variety of activities that promote relaxation, social interaction, and personal growth.

Our qualified and caring staff are not only experienced in working with children, but they are also highly attentive to the unique needs of both the participants and their parents. We understand that every family has different schedules and requirements, so we aim to provide flexibility and personalized care to ensure every child's experience is positive and fulfilling.

The Before and After School Recreation program runs on all full days of school, making it a convenient and reliable option for parents. However, to ensure the program remains available, we require a minimum of 8 participants. Be sure to register early to guarantee your child's spot—if the minimum isn't met, the program may be in jeopardy of cancellation.

Fees for the program are based on the cost of the entire program, not the individual days a child attends, which allows us to offer a comprehensive and well-rounded experience for all participants. Take advantage of our early registration discount. Save \$25 off the advertised price by signing up at least one week before the start of school. For the Fall session, be sure to register by August 4 to secure your child's place and enjoy this special savings offer and Dec. 29 for the Winter session. **(AW)**

Payment Options: We offer two options for our Before and After School Recreation program – full payment at the time of registration, or Electronic Funds Transfer (EFT), from your credit card or checking account. EFT payments are processed on the 15th of each month.

If you wish to participate in the Electronic Funds Transfer (EFT), a \$50 per child/per section deposit is required as your down payment, which will be subtracted from your remaining total. Monthly payment amounts will vary depending on the number of days per week a child will attend, and the date the registration is received.

There is a \$3/per month administrative fee that will be charged for any EFT payment. Complete either the BSR and/or ASR registration form, sign the waiver, fill out the EFT form and submit a voided check or credit card information. To be involved in the month's EFT process, registrations need to be received before the 10th of the month. **(MP)**

REGISTRATION/SCHEDULING PROCESS

Due to the progressive nature of private voice/music lessons, all continuing students are given priority in class placement. **Returning students must register by August 18 for Session I and October 6th for Session II to be given priority placement.** Once returning students are placed in the schedule, the instructor contacts new students in the order in which they registered. New students will receive a call as soon as space becomes available in the schedule. The instructor does his best to accommodate all new students, but space is limited. (CB)

Intermediate and advanced students will work on tone, style, technique and advanced rhythms. All students are invited to bring in their band music from school as well as any other scale or rhythm assignments. Adults who may have played an instrument in the past and want to re-learn some basic techniques or refine their skills are welcome. Resident Financial Aid Program

Bartlett Park District recognizes that families and individuals due to circumstances beyond their control can experience severe financial problems. For this reason the Resident Financial Aid Program was created enabling residents to participate in recreational programs at a reduced fee. The Resident Financial Aid Program is made available, in part, through a funding partnership with Bartlett Parks Foundation.

To apply: Complete and submit a Financial Aid Application (available at Guest Services or Bartlett Park District website - click on Registration - Financial Aid) and supply the required documentation requested on the application. For more information, contact Kim Kaeseberg at 630-540-4865.

Bartlett Park District is proud to be a member of Northwest Special Recreation Association (NWSRA). Throughout the northwest suburbs, NWSRA is the leader in providing outstanding recreational opportunities for children and adults with disabilities. NWSRA's team of full-time Therapeutic Recreation professionals and trained part-time staff offer a multitude of year-round program

offerings including sports, camping, social programs and much more. Having fun, being included, making friends, learning new things and going new places are just a few of the benefits of NWSRA programs.

Inclusion assistance is provided by NWSRA to those individuals who wish to participate in their home park district program. When registering, the parent of an individual with a disability should inform the park district (and NWSRA, if desired) of any accommodation needed in order for the individual to successfully participate in the program. The park district staff will then contact NWSRA for assistance with the accommodation.

Special Leisure Services Foundation, the fundraising arm of NWSRA, partners with public and private corporations, foundations and individuals to support and promote outstanding recreational opportunities for children and adults with disabilities. Throughout the year, the organization hosts a variety of fundraising events that help support accessible transportation, general programs, inclusion opportunities, the Kevin T. Kendrigan Memorial Scholarship program and NWSRA Lightning Athletes.

For more information on NWSRA, brochures may be picked up at the park district main office or at the NWSRA office at Park Central, 3000 W. Central Road in Rolling Meadows. NWSRA may be contacted at 847-392-2848 (voice), 392-2855 (TTY) or 392-2870 (fax). Check out NWSRA and SLSF on the internet at nwsra.org or at facebook.com/nwsra.

Special Accommodations: ADA Compliance

We ask individuals with special needs for inclusion into programs to notify us of their needs at least two weeks in advance. This will allow us time to make sure that proper staffing, equipment, and facilities are in place for a successful and safe program. By informing us early, you are helping us to work toward a smooth inclusion for everyone's benefit.

Americans with Disabilities Grievance Procedures

Bartlett Park District has established an internal grievance system for prompt and equitable resolution of grievances alleging any action by Bartlett Park District that would be prohibited by the A.D.A. or the applicable Title II Rules. Grievances should be directed to:

Youth Basketball League

GET IN THE GAME THIS FALL:

Volunteer coaches introduce participants to the fundamentals of playing basketball through weekly practices and weekend games. The league empathizes proper techniques, knowledge of the rules, team strategy, participation and FUN.

Volunteer Coaches: This league is dependent on volunteer coaches for each team. If you are interested in coaching a team you can contact Andy at adunfee@bartlettparks.org. Volunteer coaching forms can be found at bartlettparks.org. **We do ask that no more than two coaches per team for grades 5th - 8th grade.**

Uniforms: Each player will be provided a reversible jersey. Team jerseys must be worn at all games and coaches may encourage players to wear the reversible jersey at practice.

Practices: Practices will take place at Bartlett Community Center or at a U-46 School District School. Practices will be one night a week at least two weeks prior to the first games. Practices will be assigned by the volunteer coach.

Games: Games will be played Friday – Sunday at Bartlett Community Center or a surrounding community if the league is in an inter-village league (Past years girls basketball grades 3rd – 8th participated in an inter-village league).

Team Formation for Grades Kindergarten – 4th

Teams are formed by Bartlett Park District staff based on the following criteria:

- School Attended
- Balance of Gender (if co-ed)
- Roster Size
- Mutual carpool/Friendship request

Our goal is to keep players from the same school on the same team. Should enrollment number and roster maximums not accommodate the schools may be combined to form teams. Team maximums are based on enrollment numbers at the time of the registration deadline.

Evaluation Nights and Team Formation process for Grades 5th–8th

- Players enrolled in grades 5th – 8th grade will be asked to attend an evaluation night. Those nights will be posted below each registration ID#.
- Teams will be chosen by a coach's draft, with all players being placed on a team. If a player cannot attend the evaluation night, they will be placed on a team in a blind draw at the conclusion of the draft.
- Volunteer coaches must attend the evaluation night. The draft will take place the same night as the evaluation night.

Team Sports Cancellation Policy: Cancellations requested after the registration deadline will be granted only if a replacement is found and registered. A \$5 administrative cancellation fee is charged per person.

Questions: For additional information please contact Andy Dunfee at (630) 540-4831 or adunfee@bartlettparks.org

Instructor Highlight: Hot Shots Sports

Hot Shots Sports was founded in 1994 by Steve Duman and has been bringing its message of positive, growth-focused Coaching to the Midwest and beyond ever since. Our goal from the beginning was to provide a place for passionate people to have careers coaching kids, and to help kids find passion for sports. We dedicate our lives to providing the best instruction possible to you and your family. We pride ourselves at being the most professional organization both on and off the court. Coaching is a way of life for us, something that does not turn off when we leave the gym or field. Our dedicated staff are driven to impact your community, family, and child's life for the better.

Because each child is unique, we understand that every program is as well. We train our staff with "flex curriculums" allowing them to engineer game plans specifically tailored to the participants in their class. Regardless of their skill level, your child will improve and be pushed to discover the best player and teammate they possibly can be. Unlike other organizations, we have Full Time Coaches and Managers to ensure Quality Control and consumer expectations are met, and with our innovative Coaching strategy are constantly training our staff on new ways to motivate the kids in our program.

We understand the importance of customer service, both to the player and to the parents, and strive to grow every day, the same way we encourage our players. Find a program today that works for you so we can help your child find the champion inside themselves!

Aqua Fit

A low-impact cardiovascular workout for muscle toning and improved range of motion. Designed for all fitness levels. This class takes place in the shallow end of the pool. You do not have to be a swimmer to participate.

Date	Please see the group fitness class schedule available at bartlettparks.org.
Sept.-Dec.	

Water Walkers

Water Walkers is an easy way to strengthen your body. You can walk forwards, backwards, and sideways using the natural resistance of the water which makes your muscles work harder to move forward. The water provides a natural buoyancy helping to reduce strain on your joints resulting in little to no impact. Brisk water walking is more strenuous than it initially looks and can provide an excellent aerobic walking workout, burning 300-500 calories per hour. Changing your water walking routine keeps it interesting while allowing you to work different muscles as part of the exercise. Water weights and noodles are available to use. This program is not led by an instructor.

Building Confident Swimmers One Level at a Time

Learning to swim is unique to each person. Some people are visual learners and can learn through the “watch me method”, some are auditory learners and are able to transfer the direction someone gives into what they need to do, some are experience based and need to “practice, practice, practice” and some are a mixture of them all. Our swim academy instructors will provide all of these methods to teaching your student. Our teaching is based upon a natural progression of mastery of skills that provide a successful transition to the next level. This creates a foundation for each student to build upon and achieve success. Whether you are looking for a program to provide water safety or if you are looking for a program to build the foundation for the next Olympic Athlete, Bartlett Swim Academy is the answer. (LC)

REGISTRATION CLOSES FIVE DAYS PRIOR TO START OF CLASS.

Important information for your first day of the Swim Academy
