Xenof's Winter Wonders

Xenof's Winter Wonders Approaches

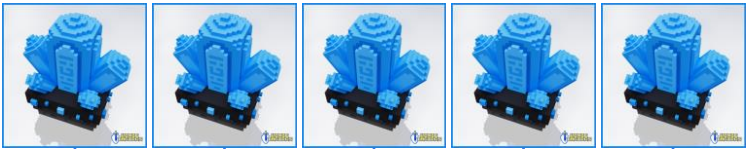

Xenof brings a rush of nostalgia and cheer with the Winter Wonders' **Nostalgia Boxes**, featuring Winter-themed gear from past events and a new limited-time pet!

- The event features 2 lootboxes that can be crafted in the Forge using 2 Legendary Crystals and 30 VOXEL: the **Holiday Nostalgia Box** (80% chance) and **Golden Holiday Nostalgia Box** (20% chance). Both boxes can be opened in the Forge for 20 and 30 VOXEL, respectively.
- The lootboxes contain **nostalgic gear** from the Voxies Merch Shop promotion in January 2023 and the Search for the Snow Crystal event in December 2023.
- Opening the Golden Holiday Nostalgia Box has a 20% chance of rewarding the new **Holiday Penguin pet**, having the Penguin Peck ability which fires tactical icicles at a distant enemy to inflict damage and 50% chance to proc Frozen.
- All of the rewards from the Nostalgia Boxes feature **new set bonuses**. The complete legendary gear and Snow Crystal sets allow the use of certain abilities of the Titans Meadow, Pawkit, Dash and Flint.

\$VOXEL Update: Building the Future of Voxies

AlwaysGeeky Games, the company behind Voxie Tactics, published a letter on December 9th, 2025 addressing the \$VOXEL token delisting from Binance on December 17th and the future of the project.

Building the Future of Voxies

We're writing to share an important update and, more importantly, our exciting path forward.

Effective December 17, 2025, \$VOXEL will be delisted from Binance. Our partnership with Binance began in December 2021, and earlier this year we entered into discussions to ensure both parties could fulfill their commitments moving forward. Despite our best efforts to find common ground, we were unable to reach an agreement that aligned with our vision for the community and the game.

During these discussions, a monitoring tag was placed on \$VOXEL without prior notice. We want to be clear: our token trading volume has consistently met contractual obligations and continues to perform well relative to similar tokens. We've maintained strong token security, steady development progress, and transparent communication throughout. However, as a small independent studio, we have less leverage in negotiations with larger platforms like Binance.

The good news? \$VOXEL remains listed on all other major exchanges, where the majority of trading already occurs. This change does not impact our operations, our development timeline, or our commitment to you.

What matters most is what we're building.

2025 has been a landmark year for Voxies. We launched on iOS and Android app stores in August, introduced Titan Arena in February, a competitive battleground that energized our community, and implemented Voxite as a

\$VOXEL Update: Building the Future of Voxies (Continued)

new in-game currency. These weren't minor updates; they represent our commitment to delivering a world-class gaming experience.

We're not slowing down. Currently in development: a comprehensive Mobile UI/UX overhaul for an even better player experience, Voxie Quests (an exclusive new browser-based game), and enhanced Crafting features for our marketplace. Looking ahead, we're excited about PVE and Single Player Modes, expanded lore releases with Tales from Stumpton, and daily quests that will deepen engagement with the Voxie universe.

Our full roadmap is available at voxies.io/roadmap, we encourage you to explore what's coming.

AlwaysGeeky Games is an independent studio, and we're proud of it. We build games for players who love tactical strategy and immersive worlds. Our community on Discord, X, Telegram, and Voxies.io continues to grow, and your passion fuels everything we create.

Thank you for being part of this journey. The best is yet to come.

The AlwaysGeeky Games Team

Although \$VOXEL was delisted from Binance, the token continues to be traded on several cryptocurrency exchanges (CEX) such as Coinbase, Crypto.com, KuCoin, Gate, MEXC, BitMart and LBank.

Moonscaper here! I'm a Voxies and Voxie Tactics Items NFT holder and I've been a part of the Voxies community since June 2021.

Here's a meme that I made for the meme contest but didn't submit since I felt the base meme is not familiar to many people. While making this meme, I found out that the companion Penguin pet in the Voxies NFT image has a different design vs the in-game penguin.

I also made another and hilarious video meme featuring the Bard, but it was not related to Christmas so it's on standby for now.
