Avani Beerbul 8A's, Carol Xinrui Cui 6 A's, Justin Guedes~1.

# Principal's Report

## Academics

I would firstly like to thank everyone who worked hard at making tonight possible and this includes the governing body, headed by Mr Kennedy, Mrs Peacock, Ms Biggs, Mr Govender, Mr Crighton and Mrs de Villiers. The on-going support of the governing body has been incredible and much of the success of the school is due to their commitment and dedication.

My first year as principal of Bryanston High has been incredibly busy but I am honoured and privileged to lead a school, like Bryanston, and to be supported by a wonderful staff. We are very fortunate indeed to have the calibre of staff that we have and we will always strive to meet the highest academic expectations. We are also very fortunate that our staff spend many hours on extra-mural activities which makes the school a very special place indeed. I would like to briefly highlight some of the success stories of 2013.

Academically, we had 100% Matric pass rate at the end of 2012 and are hoping for this to be repeated at the end of 2013. We were named the 'top school in the Northern suburb' by the GDE. Our learners excelled in the Olympiads and we saw the likes of Tim Denton and Keolyn Naicker coming in the top ten in South Africa in different Olympiads. We also awarded a record number of white blazers, twenty-four in total, most of which were for six distinctions. We also hope to have a record number of distinctions in the Matric finals at the end of this year.

On the sports field, we have achieved much including the amount of caps that were awarded, both in Netball, Hockey and Rugby. We had three boys who represented the Golden Lions U18 team in Rugby and we also hosted an Australian and an English Rugby team this year. Cayley and Blaire Jorgensen made it into the Gauteng Tennis Squad, as well as our under 14 player, Martin Dijkhuis. We had two learners, Brandon & Luke Schlebusch who represented South Africa in a Duathlon in Canada. Robin Gast, a grade 10 learner, represented the South African National Karate team in Liverpool and was ranked seventh in the world.

One of the concerns that educators currently have is that the participation and involvement in sport in most schools has radically dropped but at Bryanston High we are fortunate that we have staff and learners who believe in a culture of participation. We, however, would like to urge parents to support their children on the sportsfields and cultural events as parental absence has been a grave concern of mine this past year.

On the cultural front, we had another fantastic musical production and we have already introduced music as an additional subject, and will be introducing drama as an additional extramural activity, as well as an optional additional matric subject in 2014. Our grade 8 and grade 10 debating teams competed provincially and were recognised at the Model United Nations conference.

# Principal's Report

As educators we cannot stress enough the importance of tours and excursions as they bring a whole new dynamic to teaching and education. Over the past year, Bryanston High had Netball and Rugby tours to Margate and Durban; our Hockey boys and girls went on a tour to Bloemfontein; and our Cheerleaders competed at provincial level in Polokwane. We had two international tours, one was a World Challenge tour to Thailand. This was a tour to help under-privileged people in Thailand. The other tour was a European Tour which included countries, such as Poland, Italy and Germany. The grade 8, 10 and 11 self-empowerment camps were positive and most valuable and again, I would like parents to support these camps as they play a vital role in each child's development.

We have had a lot of special events this year which included a grade 8 carnival day, plays festivals and the introduction of the 'True Blue' day.

We always pride ourselves on our community involvement and this year was no exception with the 'Stop Rape' campaign, the 'Winter Warmer Blanket' drive, the 'Slipper Day' and the '67 minutes for Mandela' day.

This year also saw Bryanston High hosting a successful high school symposium and we won the '94.7 School of Cool'. A number of our councillors attended conferences and our President, Keolyn Naicker, was invited to the FNB 'Man in the Making' conference.

It is always good to hear of past pupils' achievements and one of past pupils, Elon Musk, was named in Time Magazine on the '100 most influential people's list'.

We at Bryanston High have been very fortunate to have a stable staff but, unfortunately this year we lost two of our educators, Mr & Mrs Grobler, who have emigrated to Australia. We are fortunate that our staff are dedicated and committed and have not moved to other schools.

My message to parents tonight, will be: 'Get involved, support us, support your children and support the teachers in all their endeavours at Bryanston High School'.

In conclusion, I would like to thank our governing body, my academic staff, admin staff and grounds staff for all their support and dedication in making Bryanston High a very special school indeed. To Mr Kennedy, thank you for your continued guidance.

**JOHN SKELTON**

# Chairman's Report

2013... an exciting new year and another new beginning.

The year kicked-off with our new Principal Mr John Skelton being appointed...

Our swimming pool lane dividers were replaced, new shade cloth, general repairs and re-painting of the entire area - just in time for us to use the area to entertain our guests from Highveld Stereo who celebrated our "School of Cool" award; and simultaneously, the GDE confirmed our status as the Top School in the northern suburbs.

...and things haven't slowed down since.

Mrs Weir got her totally re-vamped tennis courts a few years ahead of our original plans and our cricket pitches and fields are ready for the summer.

We are a great school and should not be distracted by the furore surrounding the Rivonia Primary court case, but rather continue to focus on what we do best – provide a Holistic Academic, Sporting, Cultural and Social education to our local community. We must continue to tell our success stories and ensure that we continue to recruit good families to our school. For the first time ever, we had parents in our carpark overnight to ensure that they got a place at our school.

Over the past decade, several of our surrounding secondary schools experienced marked growth in pupil numbers as the urban densification and building of cluster and high density residential areas continued unhampered. A large percentage of these were occupied by the "single mom with kids" families, while our neighbours aged, their kids moved out and they kept their traditionally larger pieces of Bryanston land undivided.

However, the environment in which we find ourselves is ever-changing, and it appears we've entered a new cycle for which we must plan and prepare. A few additional clusters are possible in some areas and as the current generation of school children age and leave, the school-going population is expected to decline. Add to this a new Secondary School in Northriding and it's likely that some schools will now enter a declining phase. A quick drive around our community and a glance at the re-zoning applications being processed and it's clear that our neighbours are starting to sell and subdivide, and that a "cluster" boom is beginning closer to us. As a result, we can expect our numbers to once again climb above the 1,000 mark in the coming years.

Ironically, as we approach our 50th birthday, we'll be experiencing a youthful resurgence and we must therefore make our plans with this in mind. On-going maintenance, preventative repairs and painting are critical to avoid delayed expenses at a time when we may well require additional classrooms and facilities.

As is always the case, we've lost some staff and teachers this year as they've moved-on to pursue their own lives, and we've gained some too. At the time of change, it often feels like things are going to get worse... but they seldom do. To all our new family members, welcome, looking around at the number of people who have committed so much of their valuable time to our school, I just know you'll be happy here for many years to come. Sadly, sometimes the loss of people is through their passing, and sometimes they do leave a gaping hole. The recent and unexpected passing of Mrs Lorraine Stafford, after 30+ years of being involved with us, is a devastating blow, and I know she'll be missed by many of her old friends. It's a little strange visiting the school and not having Mrs Stafford telling John and I exactly how we should be doing things.

Our Governing Body has been superb these past years and it is with much sadness that we bid farewell to 5 of our members. Ian Schwartz, Debra Wooley, John Wood, Maboe Maphaka and Karen Biggs – thank you for your time and selfless contribution. Welcome to a few new faces, particularly Tyrone Govender whose fresh insights have been most welcome during the recent budgeting process.

While on the budget, I want to say a huge thank you to Mrs Peacock for her incredible and on-going efforts, and to Andy for his assistance, as well as to all people responsible for preparing their budgets so diligently. The tough

# Chairman's Report

start last year of drafting 3 year budgets paid dividends this year and made the process far easier. Thank you also to Liz Edwards for grabbing Collections by the scruff of the neck and working so tirelessly to spread our Culture of Payment and achieving such incredible results that benefit us all.

This year's budget is a good one, realistic and in line with inflation despite above-average increases in some input costs. It's a budget that ensures that we can continue to provide a quality education while preparing for the future. A budget that takes cognisance of the realities we live in and the tough challenges we face during the economic crisis that has clearly not yet run its course.

There are too many highlights this past year for me to list individually. Footloose was awesome, Matric Dance was amazing and before I run out of superlatives, some incredible achievements on the sports fields with several pupils getting more than 50 first team caps. Add to this the outstanding Olympiad achievements, a record number of White Blazers and a beautiful Valediction evening - and it's easy to see that the Blue Flame is burning as bright as ever. Our Matrics are ready and are writing their final exams, our planning for 2014 is already well underway and a fresh group of eager young bodies and minds will shortly be here to receive the benefit of an education at the Coolest and Top school.

Mr Skelton, Deputies and Vices, SMT Members, HODs, Grade Controllers, Teachers, Admin and Support staff, Parents and of course our Pupils themselves.... Thank you to each and every one of you for your valuable and appreciated contribution to our on-going success story and well done to each and every one of you.

A special mention has to go to Sandy De Villiers without whom we'd all feel lost – Thank you Sandy.

I'm very proud to be part of Bryanston High. Our collective challenge is preparing children for a workplace of careers that don't yet exist – now that's exciting.

I look forward to seeing you all continue to excel at doing just that.

Thank you

**GAVIN KENNEDY**

Tamara Tesoriero Gr8

# Staff Report

## Academics

2013 heralded a new era. Mr Skelton took over the reins of the school and immediately stamped his own personal style onto the physical appearance and ethos of the school.

The new structure of the academic staff was introduced. Deputies are Mrs Weir, Mr Lawrence and Mr Crighton. The Vice Principals are Mrs Cook and Mr de Lange.

The Governing Body revamped the offices and the foyer of the school. This bright new environment brings the school into the twenty-first-century. The crisp white walls and the marble surfaces give all visitors an inkling of the modern dynamic organisation that is Bryanston High School.

At the staff awards Mr Dave Robinson was able to say a formal goodbye to all the staff members. We were all delighted that he had made a complete recovery and was enjoying his retirement. At the first colours assembly Mr Robinson received a prestigious white blazer award for services to the school.

Also honoured at these awards were Malcolm Gillespie and Eli Pretorius who have served the school for 25 and 30 years respectively. The Governing Body and the teaching fraternity salute these fine dedicated educators.

The staff continues to provide an excellent service as educators, sports coaches and administrators. Our matric results in 2012 were excellent and this bears testament to the educator input from Grade 8 to Grade 12.

The staff participated with enthusiasm in the "Cool School Event" the "Rape Protest" and "True Blue Day". In each of these events the school stood as one and showed the Blue Flame of commitment. The LIA continued to raise much needed funds for the school as well as building leadership and spirit throughout the year.

The teacher complement remains steady. Congratulations to all the teachers who got married this year - Mrs Mackrory and Mr Mc Intyre. Congratulations to the Grade 12 controllers Mr and Mrs van der Merwe who have welcomed another beautiful daughter into their family.

This busy year draws to a close with exams and the sporting calendar closes. Teachers earn their December break to start all over again in 2014.

## Staff Long Service

# President's Final Speech

After tonight we end our high school career to begin the rest of our lives. All of our dreams are now set loose and it is our chance to catch them.

Tonight is not a night of goodbyes or sadness, tonight is a night for celebration because the Matric's of 2013 have conquered school. Twelve years of sitting in the classroom, running around on the sports field or acting on the stage. Tonight is the night that we look back on all those memories we have created together and we smile because we have achieved! Each matriculant sitting in this hall has achieved. We have all grown and matured, from little girls to ladies and from boys to men.

I think we can all agree that a couple of years ago we were sitting on the couch watching shows like "Power Rangers" or "Spongebob" and playing hide and seek outside, never worrying about anything. We didn't have to do very much because our parents made all the hard decisions for us. Of course they will always be there to help and guide us with those difficult decisions we have to make, but now it is our job to pave out the path we will follow for the rest of our lives.

Tonight marks the end of one journey but it also marks the beginning of another.

So what if you didn't get 80% for every subject, so what if you didn't receive a white blazer, so what if you didn't get a trophy tonight. Thomas Edison was considered "too stupid to learn anything" but that didn't worry him. So what if you didn't get into the University of your dreams, Steven Spielberg was rejected from the college of his dreams 3 times and he still succeeded. So what if you didn't have the easiest life, Oprah Winfrey was born into poverty to a teenaged single mother. She experienced considerable hardship during her childhood. But that didn't stop Oprah as she has been ranked the richest African-American of the 20<sup>th</sup> century and the greatest black philanthropist in American history. Don't let what you didn't achieve in these past 12 years of school stop you from achieving your goals.

Bryanston has been my home away from home for nearly 5 years. And throughout that time many great memories have been created by special people and I would like to thank each and every person who has influenced me. Thank you for making my life special and keeping my blue flame burning.

It would be impossible to thank everyone who has made a difference to my life at Bryanston, but I would like to mention a few:

- To all the teachers that have helped me, given me advice and guidance thank you. Especially Mrs Hughes and Mrs Tolstrup who have guided me and the councillor body this year, always standing behind us and helping us achieve our goals.
- Mrs Weir - Thank you for making a difference to my life and encouraging me at every turn.
- To all the councillors with whom I have worked so closely this year, thank you for being so supportive and always being ready to do more. But most importantly thank you to my partner in crime, Keolynn. You definitely are one of the most noble and humble people I have ever met, always trying to do better and achieve your goals. I know you are going great places with your motivation and dedication.
- To every single parent sitting in this hall. Without you, your daughter or son would not be sitting here tonight. Thank you for all the effort and support you have given to Bryanston.
- My family. You have been my guiding light. I don't know how I would have overcome the difficulties of life without you. I would never have been able to achieve as much as I have without your unconditional love and support, always being there to hear what I have to say and helping me through any tough decision I have to make. Thank you

# President's Final Speech

• And last, but definitely not least to every matric here tonight. Friendships which began 5 years ago and memories which we have created will last forever. Tonight I am not saying goodbye, I am saying good luck. Every single one of you has the ability to achieve your dreams. Choose to live life the way you want to instead of a life defined by what's on TV or how the people around you say you should live. Ultimately how you choose to deal with everything is completely up to you. But live your life, not someone else's. Always remember who you are and where you came from and never let that blue flame stop burning.

Matric's this is our time to shine so let's go out there and do nothing less but shine.

**"This is our school, the blue flame burns here!"**

**CAYLEY JORGENSEN**  
**PRESIDENT - 2013**

**Academics**

# President's Final Speech

A very wise, intelligent, gorgeous and dapper young man once said, "cut my veins open and I will bleed Bryanston Blue. Yes it was me." Good evening Mr. Skelton, honoured guests, staff, parents, and the most important people of the evening, the people who are stressed out of their minds, the Matrics of 2013.

Tonight we honour those who have spent the past five years of their lives, determined to uphold the Blue Flame, we focus on the Matrics of 2013 and their ambition to make this school a better place for those who follow. Like the great American golfer, Arnold Palmer once said, "the road to success is always under construction." I'm sure the teachers will agree with me when I say our grade has continued to build on the foundation laid by those before us. We have built many roads and avenues that have led to unity and success and on this road we have left behind our own traditions, spirit and pride that will continue to fuel the blue flame.

Bryanston has taught us that constantly being involved in a variety of activities provided, can give you that sense of family and belonging away from home. Being part of this Bryanston team has helped us to establish relationships and acquire skills that we will carry with us for the rest of our lives. It has taught us responsibility, loyalty, self-discipline and time management. It has also strengthened our character.

Although we strive to excel in extra mural activities, we are also recognized for our high academic standards. I personally believe that the reason we have been so successful on the sports field and in the classroom has been because of the person sitting next to you. We have pushed each other from grade 8 knowing our potential and what we could achieve and that is the reason the other grades and other schools look up to us. You will never find this kind of support system and unity at another school. We have made ourselves true blue.

Family traditions counter alienation and confusion. They help define who we are; they provide something steady, reliable and safe in a confusing world. My parents and sister were the backbone to my success and accomplishments and still are. It is so important to have family and to know that no matter what you do in life, they will always be there to lend you a shoulder to rest on when you need it. I know my family will always be there for me... my mum's probably crying again...but I owe everything to you, and no amount of words will ever describe the respect and love I have for you.

To the councillors: thank you for being ever so enthusiastic and passionate whilst getting people to sit down or telling people to keep quiet even when they stare at you blankly. Cayley, thank you for all the support and encouragement through the years. You have done everyone proud by achieving so much and by being the person that you are. All I have to say is good luck to the next head girl who has to live up to the high standards that you have set.

Teachers, we thank you for being our moms and dads away from home. You have taught us that this world isn't all sunshine and rainbows and no matter how tough you are it will beat you to your knees and keep you there permanently... if you let it. But you have also taught us that it isn't about how hard you hit, it's about how hard you can get hit and keep moving forward. You have changed some of us for the better and we will certainly take not only the lessons you have taught us in the classroom, but also those that you have taught us about life and living.

Matrics, throughout my high school career, some of you have been my inspiration and you all have been my motivation.

We find that life is all about a game of inches. But what we fail to see is that the inches we need are everywhere around us. They are the opportunities that life grants us with every day. Bryanston has taught us that no matter what we put our minds to, we can achieve, and we will achieve together as a grade. Thank you for the memories, the support and motivation you have given me. I will always hold each and every one of you close to my heart.

**"This is my school, the blue flame burns here."**

**KEOLYN NAICKER  
PRESIDENT - 2013**

# Final Assembly

In the words of the great Cameron Bescoby: "Why does every Bryanston speech start with a quote?"

As a Bryanstonian I know what it feels like to be a bored audience member. To listen to someone drone on in the background while you blankly stare up at the name of the 1982 girl's hockey captain. So just to ensure that I have your undivided attention, I would like to ask all of you simply

to place your arms out in front of you and then turn them to face me. Now raise them above your head; and then back down in front ...

As my time at Bryanston High draws to a close, I am filled with a great sense of nostalgia for the school that has shaped me. This privileged place in which we all sit granted me the experience of a lifetime. I truly felt the vibrant atmosphere and passion for life here every day and the more the school moulded me, the more I came to realise that life is not about waiting for the storm to pass, it's about dancing in the rain. Even if your dance is "Ross' white-boy fist pump!"

If I could give you one genuine piece of advice in this speech, I'd encourage you to find balance in your life. A good motivational speech might urge you to work hard all day, every day. But even though I may contradict many of the other speeches today, I'd like to advise you to pause and enjoy life occasionally. So spend time with loved ones, marvel at that sunset and sleep in; after all, it is the early worm that gets eaten by the bird!

Finally, to those great people up in the gallery: where would I be without you? You helped me change from a quiet little nerd to a quiet little nerd with a gold stripe around his blazer. For all our time together, I am eternally grateful. I pray that our lives become everything we ever dreamed them to be, as we go our separate ways. Every new beginning comes from some other beginning's end.

From those who pollute their lungs in the bathroom at break, to those who scream their lungs out next to the rugby field. From the hungry councillor who ate our lunch to the unsung warriors of the 1st chess team. From the teachers who lead to tomorrow's leaders who follow, you have truly made this a memorable experience. Bryanston High, I salute you!

**TIM DENTON**  
VICE-PRESIDENT

When writing this speech, I came to the realisation that time certainly does not stand still and before you know it, your school career has come to an end.

It feels like just yesterday that Favian Gasser and I walked through the main gates of Bryanston High on our first day of Grade 8. I distinctly remember walking down the driveway and noticing a very "good looking:" matriculant and thinking hmm ... there is

potential at this school!

I was soon put into my place when we were all told by our councillors that the bacteria in the dustbin were more important than a grade 8. As you can imagine, we quickly shaped up and although we stood short, we stood proud.

A long journey has unfolded since that young, optimistic grade 8 year. The experiences and memories made are untouchable. You may be overwhelmed by a feeling of euphoria as you think "wow, that day on grade 8 camp" or you're caught laughing to yourself when you remember your mate falling over flat while kicking a hackey-sack. You might even enjoy the pride you felt when – on that rare occasion – you actually remembered schoolwork you were taught the day before.

My point in all this is that high school will only happen once. No matter how long it takes – it only happens once. You have a chance to create a life and a future for yourselves through this great school that we call Bryanston High. The opportunities you receive and the valuable day to day life-skills you are taught are all thanks to the staff and the pupils you see around you. Some of your experiences will be good and positive ones, others – not so much! But be it the good, the bad or the ugly, each life lesson learnt at Bryanston will help shape you. You will still be you, only much wiser and better prepared for what lies ahead.

To those below, start making memories that count and don't forget the three important rules: stay in school, don't do drugs and eat your vegetables!

To those above: my fellow matrics, brothers and sisters. We have finally reached the end. I hope that you achieve the dreams and goals you have set for yourselves. I cannot thank you enough for the bonds made and the memories shared. This may be farewell, but it's definitely not good-bye.

**MICHAEL WRATHALL**  
EXECUTIVE COUNCILLOR

## White Honours Blazers

### Re-award of an honours blazer:

Chavane Meghraj  
Megan O'Connell  
Charlene Smit  
Timothy Denton  
Robyn Phillips

## 1. FULL ATTENDANCE

### Grade 12:

Andile Ndaba, Rogan de Wit, Caitlin van Duyn, Abigayle Stevenson, Witney Ndebele, Phehello Lehetla, Crystelle Laljith, Tanika Kennedy, Phoebe Muthama, Matthew Mayston, Michael Wrathall, Praksha Tewary, Phina Mmamashela, Nancy Liang, Timothy Denton, Ross Schwartz, Shalini Naidoo, JJ Mtuse, William Letwaba, Rosina Kaseke, Taylynn Goliath, Danielle Gast, Jessica Davies, Michael Wood, Laura White, Meegan Reddy, Chavane Meghraj, Grace Mao, Mishkaya Lalbahadur, Sonal Govind

### Grade 8 - 12:

Nancy Liang

### Grade 1 - 12:

Ross Schwartz

## 2. SERVICE AWARDS

### Service to Netball

Xihlovo Mabunda, Robyn Phillips, Andile Ndaba, Kokekso Sekhoto, Kimberley Katende, Sara Mutamba, Anelisa Ndzwana, Lara Banks, Precious Mfeka, Bianca Savio, Nonela Miya

### Service to Cricket

Byron Smith, Keolyn Naicker, Henrique Torrao, Thabani Ngwane, Wesley Redman, Michael Wood, Rogan De Wit, Ross Schwartz, William Letwaba, Jamie Botha, Justin Tiflin

### Service to Cricket Scoring

Christine Devenish, Luronne Cachia

### Service to Cheerleading

Xihlovu Mabunda, Robyn Phillips, Ntsiki Khuzwayo, Kelly Lipner, Roxanne Szeili

### Service to First Aid

Jessica Davies, Julia Nesser, Robyn Phillips

### For keeping the photographic record of the grade

Caitlin van Duyn

### Service to B Team Swimming

Jessica Davies, Lara Banks, Robyn Phillips, Matthew Mayston, Samuel Tiley, Keagan Potgieter, Pierre Marais

### Service to A Team Swimming

Megan O'Connell, Cayley Jorgensen, Laura White, Kelly Lipner, Bianca Savio, Brendan Fulcher, Favian Gasser, Dominic Brennan, Merrick Wooley and Michael Wood

### Service to Cross Country & Athletics

JJ Mtuse, Lara Banks and Laura White

### Service to the Media Centre

Charles Elliot

### Service to Catering

Nokulunga Luthuli

### Service to Catering and Leadership in Catering

Phina Mmamashela, Witney Ndebele

### Service to Tennis

Mary Kola, Raissa Lonji, Eunho Hong, Hamlet Maseko, Tatenda Mawoneke, Lolelanji Simposya, Samuel Tiley

### Leadership, Service and Coaching to Boys Tennis

Timothy Denton, Michael Wrathall, Chris van de Vyver

### Service to Girls Tennis and Tennis Coaching

Jessica Davies

### Leadership and Service to Girls Tennis and Tennis Coaching

Ina Yankova

### Exceptional Leadership and Service to Girls Tennis and Tennis Coaching

Cayley Jorgensen

### Service to Hockey

Amber Snijman, Cayley Jorgensen, Luronne Cachia, Jessica Davies, Kimberley Mollet, William Letwaba, Michael Wrathall, Keolyn Naicker, Adam Roodt, Valdo Dos Santos, Pierre Marais, Jonathan Biggs

### Service to Squash

Timothy Denton, Euhno Hong

### Service to Rugby

Henko Le Roux, Paballo Lengane, Merrick Woolley, Dominic Brennan, Favian Gasser, Tito Sikhosana, Thabani Ngwane, Keanon Archary, Rogan de Wit, Phehello Lehetla, Justin Tiflin, Jamie Botha, Keagan Potgieter

### Exceptional Leadership and Service to Rugby

Ross Schwartz

### Service to Chess

Peter Qui

### Service to Major Production

Rosina Kaseke, Dominique Scott, Caitlin van Duyn, Avian Bell, Tanika Kennedy

**Service to Sound & Lighting**  
*Gil Simoes and Christine Devenish*

**Service beyond Self, "Raising the Flag"**  
*Michael Wrathall*

### Special Mention

**Senior Debating Team**  
*Kagiso Siphuma, Rethabile Headbush, Winnie Jura, Rosina Kaseke*

**Model United Nations**  
*Kagiso Siphuma, Rethabile Headbush*

**Science Olympian Trophy: Excellence in Science Olympiad**  
*Timothy Denton*

**Excellence in Maths Olympiad**  
*Timothy Denton*

**Excellence in the South African General Knowledge Olympiad**  
*Keolyn Naicker, Timothy Denton, Matthew Mayston*

**Equestrian - Trophy**  
*Shannon Sayers*

### Life Sciences Olympiad:

**Bronze certificate:** *Crystelle Laljith*

**Silver certificate:** *Nancy Liang, Temeka Smith, Caitlin van Duyn, Andrea Rumbu, Claire Sekgobela*

### Excellence in the Biology Olympiad

**Gold Certificate:** *Timothy Denton, Danielle Gast*

### LEADERSHIP CERTIFICATES

*Jessica Davies  
 Henrique Torrao  
 Caitlin van Duyn*

### 3. ACADEMIC CERTIFICATES

#### Diligence:

<i>Tasneem Bootha</i>	Afrikaans, Life Sciences, English, Physical Science, Mathematics
<i>Sarah Charlton</i>	English, Science, Biology, Afrikaans
<i>Eunho Hong</i>	Science, LO, Biology
<i>Crystelle Laljith</i>	English, Consumer Studies, Life Sciences
<i>Nancy Liang</i>	Maths, English, Geography, LO
<i>Pierre Marais</i>	Maths English, Biology
<i>Matthew Mayston</i>	Geography, LO, Biology
<i>Chavane Meghraj</i>	English, Science, Life Orientation, Biology
<i>Phina Mmamashela</i>	Afrikaans, CAT, English
<i>Lolelanji Simposya</i>	Science, Geography, Mathematics
<i>Kagiso Siphuma</i>	Geography, English, LO
<i>Caitlin van Duyn</i>	English, Consumer Studies, Life Sciences

#### Improvement:

<i>Kasey Augustine</i>	Life Orientation
<i>Amy Baxter</i>	History
<i>Lara Banks</i>	English, History
<i>Cameron Bescoby</i>	Life Orientation
<i>Jamie Botha</i>	English
<i>Dominic Brennan</i>	Physical Science
<i>Taegan Burchett</i>	Life Orientation
<i>Sarah Charlton</i>	History
<i>Christine Devenish</i>	Maths Lit, History
<i>Nolwandle Duma</i>	Life Orientation, History
<i>Charles Elliott</i>	Life Orientation
<i>Nefertari Galeta</i>	Business Studies, Life Orientation, History
<i>Danielle Gast</i>	History
<i>Sonal Govind</i>	Mathematics
<i>Alex Hodges</i>	History
<i>Cayley Jorgensen</i>	History
<i>Michael Karg</i>	Life Orientation
<i>Rosina Kaseke</i>	History
<i>Tanika Kennedy</i>	Life Orientation
<i>Mary Kola</i>	History
<i>Neo Lamola</i>	History
<i>Maropeng Lebepe</i>	History
<i>Creswill Leeuw</i>	History, Life Orientation
<i>William Letwaba</i>	History
<i>Nancy Liang</i>	Business Studies
<i>Boikanyo Milazi</i>	Maths Lit, History
<i>Kelly Lipner</i>	Business Studies
<i>Nathaniel Magola</i>	Business Studies
<i>Nonela Miya</i>	History
<i>Angela Mngadi</i>	History

The LIA (Leadership in Action) committee is made up of a group of Grade 11 learners including an executive committee.

The main purpose of the LIA is to raise funds for the upgrading of the school's facilities.

Throughout the year we organise and participate in many exciting events including Valentine's Day Assembly, Grade 8 Carnival Day, Pageant Week, Spring Ball and the Golf Day.

Working on the LIA has certainly taught the Grade 11s how to communicate with people, time management skills as well as realising their hidden potential.

Many long hours of preparation have gone into organising and planning these events and it would not have been possible without the help and guidance of many staff members including: Mrs Fulcher, Mrs Hughes, Mrs K, Mrs Steenkamp and Miss Hein.

Working on the LIA has been one of the fondest memories in our Grade 11 year. A big thank you to everyone who participated in the LIA and to all the staff members who guided us along the way.

**GRANT MIU and SHANNON BELL**  
LIA CHAIRPERSONS

## Carnival Day

The new Grade 8s were eager, whereas most of their LIA members were excessively nervous. This was, after all, the first event for many of the LIA members. Even so, Carnival Day started the year off with a big bang!

In the weeks leading up to the actual event, meetings were held on a regular basis and the excitement was building up. On the day of the event, the school was a flurry of activity, as final details were organised.

It was a warm summer's day and the school was ready to spend. The music set a happy mood, as games were played and students tried foods from various cultures. Everything looked, smelled and tasted delicious and amazing. It was an amazing event, which raised a hefty profit for the LIA.

At the end of the day, students went home with full bellies and empty pockets, but they had the broadest smiles on their faces.

**CIARA O'CONNELL**

# Carnival Day

# Valentine's Assembly

The Grade 11 LIA Committee of 2013 anticipated an eventful yet busy year ahead and rightfully so. With the abrupt start of organising the Valentine's Day assembly, the executives handled the task at hand with great creativity and enthusiasm.

At the blink of an eye, February was upon us and Valentine's Day brought about much excitement amongst the learners. The assembly adopted the "Vintage" theme and introduced a high class of sophistication to the event.

New awards were introduced, appropriate to the theme and a great deal of time and effort was put in to ensure that the Assembly was a success.

THINA DYANTYI

# Soccer Tournament

The LIA Soccer tournament was a huge success, with thrilling matches during the cool winter afternoons of July and August leaving all of the participants in a close bond of friendship.

The vibrant excitement caused by a commitment to winning showed the true Bryanston spirit.

STEFAN MINKOV

# Pageant Week

The Finale to a wonderful week of beauty. This event, combined everyone in LIA Executive into a single unit to prepare the fantastic evening. Everyone put in tremendous hours to find prizes and sponsors. The prizes that came in were amazing and our sponsorships were wonderful.

Thanks to the wonderful LIA Exec for the wonderful evening.

GRANT MUI

Academics

## Miss Bryanston

Miss Bryanston was an amazing event. The entrants were stunning and the LIA members were so helpful and committed.

Thank you to Mrs K. for all her hard work and dedication as well as to the LIA members who put a lot of effort in to make Miss Bryanston a wonderful evening.

**ROBYNNE REID**

## Mr Bryanston

Mr Bryanston was, at first, very challenging because the boys were quite reluctant to enter. They did however, at the last minute show their support and decided to participate.

There were many LIA members who were not part of Mr Bryanston but did help with the contribution of prizes. All the girls with the help of Ms Hein, were able to pull off a very successful evening.

We thank all those who attended the pageant and supported the LIA of 2013.

**SAMANTHA RITCHIE**

## Miss Pizzazz

The Grade 11 LIA Miss Pizzazz Committee anticipated a great evening of glitz and glam for the lovely ladies of Bryanston.

After many dance rehearsals and hours of preparation we put together a great show that will be remembered by both the LIA and the ladies who participated.

A big thank you to Mrs Steenkamp, Mrs K, Miss Hein and Mrs Fulcher for all their help and support in organising a great evening.

**SHANNON BELL**

# Grade 11 Leadership Camp

For four days the Grade 11 girls went on a self-empowerment leadership camp to Konka. During the camp they learnt a lot about themselves as well as about their peers. When faced with challenges they had to rely on their team-mates which taught them the value and importance of trust.

The activities that were given by Konka revolved around leadership. Each activity tested a different attribute a leader should have. The activities given by the teachers however, were more to do with engaging with your inner-self and the rest of the girls.

The camp was a great experience as many of the girls discovered that they are capable of much more than they had realised. The Grade 11 girls are truly an amazing bunch. They are going to make excellent leaders next year.

SAMANTHA RITCHIE

# Grade 10 Leadership Camp

Otherwise known as our 'grade 8 camp', the grade 10s finally experienced a camp together from 13<sup>th</sup>- 15<sup>th</sup> September! We went to a fantastic adventure centre called Konka, near Rustenburg. The grade 10s had a superb time bonding, making new friends, discovering hidden talents, showing leadership and having fun.

The array of activities were packed with challenges, fun and loads of laughter. We were also blessed with a fantastic team of staff who were equally enthusiastic and a valuable part of our amazing camp experience.

Special thanks to Mr and Mrs Steenkamp, Mrs Hughes, Mr Vorster, Mr Weir, Mr Skelton, Mr De Lange and Venessa.

We have a really special, diverse and dynamic grade. Thanks to everyone who attended to make it special!

**MISS M VAN ROOYEN**  
**GRADE 10 GRADE CONTROLLER**

Academics

Academics

# Grade 8 Year

1 2 3... 4 5 6

All the grade 8s arrived at school with bright shiny shoes and a feeling of anticipation in the pit of their stomach. This was the first day of a great adventure.

The smiling councillors escorted everybody into the school and the day began. Ms. Rayne, Mrs. Steenkamp and Mr. Malebane set everybody to work. English diagnostic tests maths diagnostic tests. Keolyn teaching the war cries. The haunting school hymn and learning how to be a true Bryanstonian.

The blue flame began to kindle, the camp allowed everybody to make friends and then the induction ceremony welcomed the grade 8s into the Bryanston Family.

As the school year progressed swimming was replaced by rugby and hockey, tennis and netball. Ms Rayne changed her marital status to Mrs Mackrory. Friday mornings were rocked by the sound of war cry practice. The LIA organised the grade 8 carnival and each class worked to make their stands the best, carnival day is fantastic.

Mr McIntyre became the new assistant grade controller. We wish Mr Malebana good luck for the Grade 8s of 2014.

The first term reports, the June exams and the third term reports came and in a blink of an eye, the year has come to an end. It was an exciting year that went by so quickly. We had a wonderful time at the True Blue day uniting as a grade and school. It is an honour to have this Grade 8 group part of Bryanston with their blue flame burning bright!

# Swimming A Team

Sport

**CAPTAINS:** Laura White  
Michael Wood

**VICE-CAPTAINS:** Cayley Jorgensen  
Grant Denyer

The A-Team swam at Ellis Park in the C league on the 28th of February. Bryanston came third and narrowly missed second place by 9 points. The following swimmers won their races: Merrick Wooley, Liam Doyle, Michael Wood and Jordan Spence.

The U17 Medley and the U17 Freestyle won their relays.

The following swimmers were awarded:

**HALF COLOURS:**

Cameron Matthews; Kyle Langford; Dylan Wingrove; Grant Miu; Jordan Spence; Tukudwza Mwerenga; Brandon Schlebush; Dominic Brennan; Brendan Fulcher; Jenna Parsons; Marina Savio; Madison Kriek; Kelly Lipner and Bianca Savio.

**FULL COLOURS:**

Michael Wood; Grant Denyer; Liam Doyle; Favian Gasser; Merrick Wooley; Keri-Lee Carstens; Jessica Oswald; Toni Strydom and Laura White.

**JUNIOR FULL COLOURS:**

Jonathan Van Duyn

Many swimmers trained extremely hard throughout the season. We were fortunate to have Chris Viljoen as the swimming coach. Many of the times improved substantially throughout the season. Thank you Chris for your commitment to Bryanston's swimming.

A special thanks to the captains and vice-captains. You led the team in such an organised manner and I thank you most sincerely for your dedication to the swimming team in 2013. A sad farewell to our matriculants who have been part of the swimming teams for the past five years. You have certainly been the back-bone of the team and played an integral part in the leadership of the 2013 season.

Thank you also to the coaches and officials for their assistance throughout the season. A special thank you to Ms Winson, for her never-ending support and hard work.

My challenge to the swimmers in 2014 is to win the "C" League but this can only happen with a lot more training.

**MRS G. FULCHER**  
**TEACHER IN CHARGE**

# Swimming B Team

Well done to all the team members who all contributed towards making this season a particularly memorable one. The Matrics were fantastic at engendering spirit and leaving a legacy for the juniors to uphold.

**VICE-CAPTAINS:** Jessica Davies and Sam Tiley

**CAPTAINS:** Lara Banks and Henrique Torrao

Bryanston High hosted the Interhigh gala --- the B team, swimming against many A teams, came 3rd out of 8 schools. Something to be proud of!

Thank you to everyone who was involved in the B Team for your support and enthusiasm.

**MRS A. HUGHES**  
**TEACHER-IN- CHARGE**

Sport

# Open Water Swimming

Sport

Midmar

At the time of going to print, open water is well into its third season at Bryanston High School. In this regard, it is pleasing that the school now recognises the sport as a colours event. Swimmers must compete in a minimum of four races per season, plus "Midmar" which is a compulsory event for colours to be awarded. Certain times must also be achieved.

Colours were awarded earlier this year to:

**Full Colours**

Keri-Lee Carstens	Midmar / Sun City
Jessica Oswald	Midmar / Sun City
Liam Doyle	All swims

**Half Colours**

Kyle Langford	Midmar
Dylan Wingrove	Sun City
Shannon Bell	Sun City
Laura White	Platinum Mile

Open water swimmers were also actively involved in the second annual "Polar Bear" swim in the middle of winter. This proves to be a real "chill" event.

Many thanks go to Miss D. Barkay and Mr JD Toerien for their support and assistance.

**MAKE WAVES!**

**MR J. FARNELL**

Polar Bear Swim

# Boys Tennis

Sport

*"Winning never grows old" - Roger Federer.*

The 2013 season was one filled with many experiences and memories for both the 1st Team and 2nd Team tennis boys on court. It was definitely not one of the best seasons for the 1st team boys in terms of the results. We played some pretty difficult matches in the 1st division and it was really hard accepting the losses we experienced as we had just come from a division where we had won everything. Nevertheless we are looking forward to an amazing season as we are now aware of what we up against. Most of our tennis boys play at sports clubs and the many hours of hard work put in on the practice court are definitely evident on the court during matches. The 2nd Team also had a great season even though not very game was a win. The next season is looking very bright for them.

*"For me, losing a tennis match isn't failure, its research." Billie Jean King.*

The hard work many of the boys put in during the season is definitely evident and congratulations to them for being awarded colours and certificates of merit.

A big thank you from the tennis boys goes to Michael Wrathall and Timothy Denton for all their dedication to the sport. They have been role models for all tennis boys and their efforts over the past four years have been phenomenal. A big thank you from all tennis players goes to Bryanston High for resurfacing our courts. We look forward to a great season and many memories made on these courts.

*"However great your dedication you can never win anything on your own". Rafael Nadal*

Without the commitment and hard work of Mr Gillespie and Miss Martin, most of the matches we played would not have been possible. From all the tennis boys a big, big thank you goes to these two phenomenal coaches for giving up their time to make the tennis season an unforgettable one.

**TAKUDZWA MWERENGA  
CAPTAIN**

# Boys Tennis

Sport

## Gauteng Central Tennis

Congratulations to Luke, Cayley, Blair and Martin for being selected for Gauteng Central Tennis.

# Girls Tennis

Sport

# Girls Tennis

Sport

2013 marked new beginnings for girls tennis at Bryanston High School. We were privileged enough to have all 6 of our tennis courts resurfaced and trellis gates installed onto our permanent tennis shelter. Girls tennis is delighted with the upgrade as once again we will be able to host inter high competitions at our venue.

Our ever growing group of tennis players was able to field six teams in the open 1<sup>st</sup> term league and 4 teams in the junior 3<sup>rd</sup> and 4<sup>th</sup> term league. Captain Cayley Jorgensen made us very proud by being selected to play in the qualifying rounds of the Soweto Open tennis tournament. Cayley has given 5 wonderful years to girls tennis and was awarded her 25<sup>th</sup> cap during the first term season. She is undoubtedly one of the finest young coaches that Bryanston has produced and led a team of 12 school girl coaches which have helped to add value and improve tennis at Bryanston throughout the season. Our vice captain, Ina Yankova, was a superb organisational manager, assisting with the team selection, ladder challenges and coaching of our players. Our congratulations go to the following girls for all having received their Bryanston High School Basic One coaching certificates: Ina Yankova, Jessica Davies, Mary Kola, Raissa Lonji, Jessica Taverner, Towela Chinganya, Jessica Oswald, Blaire Jorgensen, Khanyi Nkhulu, Megan Denton, Lebogang Mose and Cayley Jorgensen.

And to Cayley Jorgensen, for having received her Bryanston High School Basic Two coaching certificate.

Our annual school tennis championship was a huge success with 52 participants. This turned out to be an all Jorgensen affair and our congratulations go to Cayley Jorgensen as our tennis champion of 2013 and Blaire Jorgensen as the runner up.

Our league results this year were very pleasing considering our A and B teams played in the A1 league against many of the top schools in Gauteng. Our junior squads didn't do quite as well, but gained invaluable experience in team sport and gamesmanship.

Many additional hours of practice were put in this season to help improve the standard of tennis in general and Mr Vorster assisted with a Monday morning 1st squad practice and tennis incorporated. Jas, provided practice to the top 4 teams on Thursday mornings and our own coaches, ran Wednesday afternoon social and team practices. Mrs Weir, Mrs Maxwell and Ms Njosa were the staff who managed all matches and practice events.

Tennis colours were awarded as follows:

Full Colours: Cayley Jorgensen

Half Colours: Jessica Davies, Ina Yankova and Blaire Jorgensen

**MRS B. WEIR**  
**TEACHER IN CHARGE**

# Boys Squash

Boys squash is in a very healthy position at present as our 1<sup>st</sup> Team consisted of players who started squash in Grade 8, five years ago – Tim Denton and Eunho Hong. This coaching programme is still on-going for the current Grade 8s. The 1<sup>st</sup> senior boys unfortunately were short on fixtures this year and as a result, no colours could be awarded. The 2<sup>nd</sup> senior side fared much better in their league, and enjoyed great success. I quote the captain, Sam Tiley – “We had the coolest season ever!” We won most of our matches and most importantly had fun. I would like to thank the team members and everyone who participated. Good luck to all next year, keep the blue flame burning!”

The U16 boys, A and B are full of enthusiasm. Daniel Laing (captain), Lebo Ramphomane, Kyle Zukor and Luke Brown played against tough competition in the U16A team. The U16B team, namely Cameron Matthews, Adi Hancock, Luke Hynes and Nicolas Garbers played with passion. Miss van Rooyen is very proud of both the U16 teams and exceedingly grateful to Matthew Seale for helping coach both teams.

The stars of the season must be the Grade 8 boys who won all their league games. Regretfully, they just missed out when it came to the Gauteng North versus South play off.

Well done to all.

**MR J. FARNELL**

# Girls Squash

This season was filled with hard work, fitness filled sessions, many “new comers” and most importantly a team who supported each other. I have high hopes and expectations for squash as we see such talented and motivated players joining our team. It is an incredible experience to be part of a sport where the senior players are actively involved with the coaching of the junior players.

Congratulations to Nokuthula Mbhele and Amber Snijman on being selected as captain and vice-captain respectively.

Thank you to all my squash girls for the wonderful season and well done on all your performances. A special thank you goes to Ms van Rooyen for all her excellent coaching and mentoring. The girls have learned so much from her. I look forward to the next season with many familiar faces and hopefully some more “new comers”.

## AWARDS:

**Full Colours:** Nokuthula Mbhele (Captain)  
**Half Colours:** Megan Howard  
Samantha Richie

**Certificate of Excellence:** Alex Warren

**MISS D. BARKAY**  
**TEACHER-IN-CHARGE**

The 2012/2013 was a season of huge highs and some lows. The 1st XI cricket team did not perform at times to their potential, but at other times were fantastic.

The highlight of the season has to be the match against Edenglen. Bryanston scored an incredible 326 for 3 in 20 overs, with Byron Smith achieving an individual score of 250 not out – 29 sixes and 10 fours. This is a Bryanston individual and team record – an amazing performance. Byron also became the most capped 1st XI cricketer in the school's history with 68 caps.

Another great win was the Krugersdorp festival match against Fourways where Bryanston chased down around 100 runs in a reduced T10 match. Byron Smith and Keolyn Naicker scoring 50s. Keolyn also scored a match winning 50 against Crawford Lonehill during the season.

In our league games the team found it difficult to manage to bat for the full 50 overs. This is a challenge that we need to address. The problem is not a technical or talent one, but mostly a mental attitude change that our batsmen need make.

The team was very well led by one of our best cricket captains ever – Keolyn Naicker – his leadership and motivation was excellent. He led by example and was an inspiration to the team. Keolyn played 60 matches for the 1st XI, an excellent achievement.

The junior teams had a good season with the U15s coming out as the best age group of the school. Tawanda Sarupinda scored a brilliant 147 runs against Krugersdorp in an U15B match. They are the future of Bryanston cricket and will certainly make an impact in the seasons to come. The U14s look like they have the potential to be a possible team of the year in the future.

**The awards at the cricket dinner were as follows:**

NAME	AGE GROUP	CERTIFICATE	AWARD
Keolyn Naicker	OPEN	GOLD	PLAYER OF THE YEAR
Byron Smith	OPEN	SILVER	MOST IMPROVED PLAYER
Michael Wood	OPEN	BRONZE	COACHES AWARD
Justin Tiflin	OPEN	SILVER	BEST SECOND TEAM PLAYER
Chris De Wit	U16	GOLD	PLAYER OF THE YEAR
Yakha Totshi	U16	SILVER	MOST IMPROVED PLAYER
Khanya Mtwa	U16	BRONZE	COACHES AWARD
Nicholas Smit & Andiso Ndebele	U15	GOLD	PLAYER OF THE YEAR
Zigi Zulu	U15	SILVER	MOST IMPROVED PLAYER
Simphiwe Madlala	U15	BRONZE	COACHES AWARD
Blessing Lebeso	U14	GOLD	PLAYER OF THE YEAR
Martim Castro Amaro	U14	SILVER	MOST IMPROVED PLAYER
Veli Hale	U14	BRONZE	COACHES AWARD

# Cricket

## Special Awards:

Byron Smith 250 runs not out  
Tawanda Sarupinda 147 runs  
Chad Haefele All Rounder of the year trophy:  
Byron Smith and Keolyn Naicker

**Team of the year:** U15B team

## Colour Awards:

Keolyn Naicker	– Full Colours	
Byron Smith	– Full Colours	
Ross Schwartz	– Full Colours	
Christine Devenish	– Full Colours	Cricket scoring
Luronne Cachia	– Full Colours	Cricket scoring

Thank you to all the coaches for the hours they put in on the cricket field. To Mr Toerien and the ground staff for the fields, Mrs Schwartz and the catering committee for the catering as well as all the scorers. It takes a lot of work from many people to make a cricket season a success.

**Mr A CRIGHTON**  
**Master-in-Charge**

# Netball

The 2013 season has been one to remember! A huge thank you must go to our wonderful coaches: Miss Lategan (U/14), Miss Thorpe (U/15), Mrs Cook (U/14C & u/15C), Mrs Martins (U/16) and Mrs Karczmarczyk (U/17 and 2nds). Thank you to our special catering moms, Mrs Phillips and Mrs Denton. And, thanks to our wonderful sponsor for our beautiful kit and bags: Hewlett Packard. The girls always looked stunning and "The best dressed team often wins the game"!

The 1<sup>st</sup> team of 2013 has had outstanding performances this year! They won 16 matches out of 20! This is a remarkable achievement. We played against 8 schools in the Pool B of the JOMO Super league against Riebeeckrand, Northcliff, Randpark, Roodepoort, Trinity, Maragon, Glenvista and President.

## Colours awards:

**Full colours** – Andile Ndaba, Xihlovo Mabunda (Captain), Jessica Rapelego, Robyn Phillips (Vice Captain), Jessica Oswald, Rebecca Madubanya, Sarah Mutamba, Kimberley Katende, Koketso Sekhoto and Erica Donzella (Junior Full Colours).

## Trophy awards:

**Best Goal average** – Andile Ndaba & Koketso Sekhoto. Best attack – Xihlovo Mabunda.

**Spirit** – Kimberley Katende.

**Most improved** – Erica Donzella.

**Best defence** – Rebecca Madubanya.

**Most promising** – Jessica Oswald.

**Service to netball** – Jessica Rapelego.

**Commitment & Dedication** – Robyn Phillips.

**Coach's award** – Robyn Phillips.

**Umpire's Award** – Robyn Phillips.

**Best Player** – Sarah Mutamba.

# Netball

## Best Players:

U/14: Kundai Jura (A), Motlatsi Mahlakaro (B) and Fadzai Manyaza (C)

U/15: Koketso Morulane (A), Michelle Mputle (B) and Tshepang Khotle (C)

U/16: Chantal Mjiyako and Sindiso Chabalala (A) and Kiara de Saldanha (B)

U/17: Robynne Reid

2nd: Jessica Ndzwana

Farewell to our matrics: Andile Ndaba, Koketso Sekhoto, Xihlovo Mabunda, Kimberley Katende, Sarah Mutamba, Lara Banks, Nokuthula Mbhele, Precious Mfeka, Jessica Ndzwana, Bianca Savio and Nonela Miya. We will miss seeing you on the courts in 2014!

## L. TOLSTRUP

TEACHER IN CHARGE AND 1<sup>ST</sup> TEAM COACH

Sport

# Boys Hockey

Boys hockey reached new highs this year!

The U/15 Squad had a lot to live up to after winning the B-Division of The Boden Tournament last year. Competing in the A-Division was tough going. We landed in a relegation play-off match against St Peters College which we won. This meant that for the first time in Bryanston High history, we remained in the A-Division.

Bryanston High School's U/18 Aitken Hockey Squad also did our school proud by improving on last year's result and finishing 8th out of 16 schools in the B-Division. It is commendable that they finished top of their group in the round-robin stages.

All this is possible as we are fortunate to have many skilled players this year and several of them went through to the final round of provincial trials.

Half colours: Byron Smith, Valdo Dos Santos and Lulama Zondi.

Full colours: William Letwaba, Keagan Du Toit, Michael Wood, Michael Wrathall and Mzamo Mnguni.

Commitment is very important in any sport. We were very lucky to have Michael Wrathall, Keagan Du Toit and Lulama Zondi receiving their 50<sup>th</sup> cap this year. William Letwaba achieved an astounding 100<sup>th</sup> cap this year! Well done to all the boys for a great season!

MR J. FARNELL

Sport

# Girls Hockey

As the year draws to an end, I would like to congratulate all the hockey girls on their performance during the season. Each one of the players put their "all" into our games and the spirit was always high. Individually, the girls have improved enormously.

Well done to our Junior Hockey Players who won most of their matches. It's good to see extremely good hockey coming from the Junior Teams.

The first round of district trials was a success, as Bryanston girls, Amone Bekker, Samantha Ritchie, Jordynne Peach, Liso Yanta, Tayla Johnson, Jordan Potgieter were selected out of 5 schools to represent our district. Hearty congratulations to them all.

*To play the game is good, to win is better, but to love the game is best of all.*  
Awards given at the hockey dinner:

**Player of the year for U/14:**

**Player of the year for U/15:**

**Player of the year for U/16:**

**Player of the year for 2ND:**

**Most Improved Player:**

**Senior Player of the year:**

**Pat Deacon Trophy Junior Hockey Player of the year award:**

**Most Promising Umpire:**

**Girls Team of the Year:**

**Top goal scorer of the year' award:**

Tayla Johnson and Monique Pienaar

Tamaryn Bronner

Stephanie Muzanahamo

Jade Bartley

Amone Bekker

Samantha Ritchie

Nyaradzo Mwerenga

Samantha Ritchie and Jordynne Peach

U/15 Team

Tylor Silawule

Well done to all the girls.

**MS J. CHEKETRI  
COACH**

## The Boys are back

This year Bryanston rugby adopted a revised approach to the 2013 season. A first team squad was selected at the end of the 2012 season that participated in the Coca Cola series tournament. From this tournament a starting 1<sup>st</sup> XV was to be chosen that would proudly represent BHS in the 2013 season.

We commenced the 2013 season with a tremendous high at the traditional Margate Festival winning most of our games against very tough established Afrikaans Rugby Schools.

We were fortunate to host two touring Australian rugby sides from the 16<sup>th</sup> to 18<sup>th</sup> of April 2013. The U16s and 1<sup>st</sup> XV played the touring sides where some great rugby was displayed by both sides and great experience gained playing the foreign visitors.

A big thank you goes to all the students and parents that hosted the sides, the Australian's were extremely complimentary and expressed to our coaches what a lovely school environment we have and great families our students come from. It was a great opportunity for the Australians to experience our culture and way of life. We trust we have made a bond for the future where BHS will be able to go visit Australia as guests and receive reciprocal hosting.

On the 26<sup>th</sup> to the 30<sup>th</sup> of April the BHS 1st XV team travelled down to KZN participating in the annual KZN festival. The team bonded as a formidable entity playing excellent rugby, committing to a game plan and winning both matches against Kingsway and Pinetown boys, this allowed the team to finish in the top ranking of the tournament from the Gauteng schools attending, unbeaten.

Bryanston and Visiting Australian team

# Rugby

Sport

The "Boys" of 2013 made history on many occasions this season. We convincingly beat Hyde Park with a record breaking score of 83 – 0 with the referee still calling the game off 15 minutes early.

A proud milestones achieve was being the first squad to have three players receive their 50<sup>th</sup> cap's in the same season, these players being Favian Gasser, Dominic Brennan and Ross Schwartz, with Ross Schwartz setting a new BHS record for the most BHS 1<sup>st</sup> XV caps in Bryanston Rugby History receiving a total of 74 caps.

A big thank you goes to the Matrics of 2013 and the School for all the loyal support this season. Thank you to all the parents for supporting and the teachers involved with BHS derby days.

Thank you to our dedicated BHS 1<sup>st</sup> XV coaches Mr van Der Merwe and Mr Steenkamp for all the hours they put into coaching and mentorship, the organisation of our rugby tours and our key sponsor Fidelity Security Services for our team kit (Thank you to the Springbok Legend Mr Wahl Baartman, FSS CEO), without your dedicated sponsorship, coaching and guidance the season would not have been able to turn out in the successful manner it did.

Lastly thank you to the "1<sup>st</sup> team" of 2013, we made our school proud this year and most importantly had an amazing time doing it. The friendship and bonds which have been created on the fields will last forever in spirit and mind, for those moving on let's keep the BHS Rugby tradition of supporting in the 2014 1<sup>st</sup> XV Derby's.

**ROSS SCHWARTZ**  
**CAPTAIN OF RUGBY**

BHS vs FHS

Touring team to Bloemfontein

# Cheerleading

The highlight of 2013 Cheerleading must be that a Protea Squad was selected and competed in Orlando, Florida USA in the ICU World Championships. Included in the Squad were Miss Davidson –staff member/ Bryanston coach and Xihlovo Mabunda - Bryanston High Cheerleader, we are very proud of them for their achievement. Of the squad of 24 cheerleaders 13 of them were current or past pupils of Bryanston High school.

2013 was a challenging year for the cheerleaders, our opposition squads have become stronger through the year, however the cheerleaders continued to have amazing spirit and a strong sense of “family”. We welcomed 2 new coaches this year – Lara and Mike who coached the All Girls and 2nd team respectively. Our captains for the year were Dominic Brennan, Xihlovo Mabunda and Kelly Lipner. Chris Dobie took over as Vice-Captain during the season. Well done to the captains.

We say goodbye to our matrics: Dominic Brennan, Xihlovo Mabunda, Kelly Lipner, Roxanne and Layla Szeili, Robyn Phillips and Ntsiki Khuzwayo. Good luck to all of you for your future.

5 years of dedicated service to cheerleading: Xihlovo Mabunda, Kelly Lipner, Roxanne and Layla Szeili, Robyn Phillips and Ntsiki Khuzwayo. A special thank you must go to the Khuzwayo Family, Ntsiki is the youngest and her family have been involved in Bryanston cheerleading since it started in 2003, we will certainly miss having the family around.

At nationals we placed 2nd overall in the Champion of Champions section. This is a great achievement as this means the team overall is 2nd best in the country.

## MISS C. DAVIDSON

# Athletics

Sport

Another tough but rewarding athletics season. The lack of depth and participation was evident when compared to other schools but where Bryanston High lacked depth we certainly made up for it with quality. Several of our individual and relay athletes achieved an undefeated season.

The U14 Boys relay team under the stewardship of Mr Vorster had a phenomenal season which included breaking the Fourways High record on their home ground. These young men went on to narrowly miss gold at Prestige.

Our middle distance machine rattled on impressively once again in 2013. Mzamo Mnguni won every 1500m race he participated in including bringing home the gold medal from prestige. Luke and Brandon Schlebusch improved in leaps and bounds winning their events leading up to prestige. They brought home gold and silver respectively. The supporting role played by our captain JJ Mtuse, Michael Ferreira and Philasande Qaga cannot be ignored.

The most encouraging aspect of the season was the performance of our grade 8 athletes. The middle distance trio of Blessing Lebese, Matimba Baloyi and Aubrey Dlodlo were outstanding. They promise to be phenomenal in a year or two and will no doubt take up the mantle left behind by the awesome group of seniors. The grade 8 sprinters showed the utmost commitment and we look forward to a bright future for athletes like Rea, Akhum, Garth and Akhil.

It goes without saying that the role played by the captains JJ Mtuse, Sylvester Ramalepe and Lara Banks was exceptional.

A big thank you also goes out to the many coaches and officials who made the season possible.  
Yours in sport.

**J. LAWRENCE**  
TEACHER-IN-CHARGE

# Athletics

Sport

## Interhigh Athletics

# Cross Country

The 2013 cross country season was one of the most successful in recent years. We had a large contingent of senior boys and girls who participated throughout the season with great enthusiasm. Our number of junior athletes was not as much as we would have liked, but those that did participate did so with much commitment and spirit.

Our senior boys' team consisting of JJ Muse, Mzamo Mnguni, Philasande Gaga, Brandon Schlebusch, Luke Schlebusch and Michael Ferreira had an undefeated season which culminated in them winning the Gauteng Championships. Mzamo Mnguni also had an exceptional season individually and won gold at the inter-district championships. Our senior boys success was largely due to the dedication of our outstanding coach Mr Lawrence, and the assistance of all other coaches and officials – thank you very much.

Our captains, JJ Mtuse and Laura White, were outstanding in the manner in which they led the cross country athletes and the spirit that they built throughout the season. The blue flame burnt very brightly at cross country meetings!

We look forward to the 2014 season

## MR MALEBANA AND MISS WINSON

# Equestrian

Once again 2013 has proven to be an enjoyable, albeit, a busy year for the equestrian team.

Horse riding is, of course, set apart from other sporting disciplines due to its involvement with animals. This was sadly shown when our captain, Nicole Kennet, was unable to compete in the first qualifier due to the fact that her horse, Stormtracker, was injured. Nicole experienced a very challenging year with her horse, but continued to approach the season with determination and good spirit.

Our vice-captain, Shannon Sayers, had a very successful equestrian year demonstrating the wonderful progress she has made in riding. Shannon qualified for the Gauteng Central "A" team and therefore obtained Central Gauteng district colours for dressage.

As our only Grade 8 participant, Georgia Wolchuck, has been an enthusiastic member of our equestrian team. Her consistent results this year show that Georgia will be a force to be reckoned with in the future.

Congratulations must be extended to each and every one of our riders for the dedication and hard work that they have displayed throughout the year. Bryanston High School is be proud of you.

**CAPTAIN:** Nicole Kennet  
**VICE-CAPTAIN:** Shannon Sayers

# Major Production

## Footloose

Cultural

"Wow! That was a great show!"

Compliments flew throughout the week. This cast truly pulled it out of the bag. We knew the show was good, but had not realised how the chemistry would explode the way it did!

The audience sighed over the romance of Ren and Ariel! They shook their heads in sympathy with Rev. Moore and Vi - their problems with their wayward daughter and the unsuitable boys with whom she chose to fall in love!

Willard's dopey comments and inability to spell kept everyone in stitches!

What I'm saying here, actually, is **CONGRATULATIONS** to a stunning cast who made the audience **LIVE** the story.

As always we have to say goodbye to a beloved group of matrices – both "new" and "old" ones ... you break my heart, girls, but thanks for so many lovely memories! I love you so much. Goodbye to Rosie, Dom, Jordan and Nosipho.

Then: Jordan and Henrique! – words (almost) fail me! That romance was so real, and your beautiful voices delighted us all.

Our Drama captain, Gil: your unfailing good humour and peaceful attitude are amazing. You and Noks and Winnie should have joined the cast long ago!

Then the Backstage Bunch – Caitlin, Avian, Tanika and Kevin- thanks guys! You have been revolutionary! Thank goodness you have trained some juniors to keep up the good work!

# Major Production

I must mention, en masse all the staff, who help make our musicals. There's never a dull moment and I wouldn't miss working with you for the world! Miss Tarlton, Miss Martin, Mr Malebane and Miss Hein – and Stella Sfarnas who is such a welcome new kid on the block!

In the background, and doing all the nitty gritty stuff – Mrs Cook, Mrs Hughes, Mrs Steenkamp and Mr Oosthuysen.

Special thanks go to Mr Malebane, Mr Crighton and Mrs Crighton for the virtual scenery that they produced for us – and to Mr and Mrs van Dorp for the initial idea!

My final thanks go to Mr Skelton and Mr Kennedy without whose enthusiasm and support, the shows at Bryanston High could not take place.

**MRS P. TURVEY**  
**DIRECTOR**

# Public Speaking

Winnie; Blessing; Kagiso

## Debating and Rhetoric Society

2013 proved to be a successful year for our public speakers and debaters.

The inter school public speaking festival which is held at the beginning of the year was most successful for all of our teams especially the Grade 8 team and the Matric Open team who received A symbols.

The Grade 8 Team : Andrew Farr, Krishna Amtha , Kundai Jura and Fadzai Manyeza

The Matric Open Team : Jennifer Okoye , Sonal Govind, Rethabile Headbush and Neo Lamola

The Guild Trophy Team : Kagiso Siphuma, Blessing Letsoala and Winnie Jura

The Guild Trophy Speaker : Rosina Kaseke

Our Debating Society continues to grow from strength to strength.

Chairperson : Kagiso Siphuma

Vice Chair person : Rosina Kaseke.

Qualified Adjudicators : Kagiso Siphuma, Annemarie Els, Rethabile Headbush

Special mention needs to be made of our Junior Sacee League debating Team who made it through to the Provincial Rounds : Andrew Farr, Musa Ndaba and Katelyn Trittis.

**MS W DHLAMINI, MRS K NAICKER AND MRS A HUGHES**

# Chess

Thanks to all the chess players who participated in the tournaments and events this year. Our captain and vice-captain did a great job of assisting with the training of junior players and the arrangements of the tournaments.

In the first term we entered one team in the Gauteng South Chess Association 5-a side tournament. We played against some of the private schools in the area and came 7th of the 10 participating teams.

The Chess Inter-Schools League was initiated in the second term and we entered a team of eight players. Once again we formed a devoted team and played both home and away games against a variety of schools in the area.

There are numerous talented players in Grade 8 and 9 and we hope that these youngsters will be committed to participate and boost our team's performance next year.

**CAPTAIN:** Xiao Fei (Nancy) Liang  
**VICE-CAPTAIN:** Peter Qiu

Mrs B. Fourie; Mrs M. Schumann; Ms K. Martin

# Outstanding Achievements - Our Heros

## Thuli Masipa

Thuli Masipa returned to Bryanston High after a long and slow recovery from a horrific motor accident. Thuli sustained major injuries but her fortitude and strength of character allowed her to recover and return to school. Thuli was recognised by Kaya FM radio station as a South African hero. Congratulations Thuli and enjoy the generous hamper and your Kindle.  
PS - Unfortunately Thuli's ill health continued and she was unable to complete her Grade 12 year.

## National Colours Junior Duathlon Competitors

Brandon Schlebusch and Luke Schlebusch competed in the Junior World Duathlon Championships in Ottawa in August. Brandon was placed third and Luke was placed ninth. They are seen here with Mr Lawrence who provided the motivation and drive for their success.

## National Colours for Cheerleading

The Protea cheerleading team competed in the USA this April.

The World Cheerleading Championships was held in Orlando, Florida.

Miss C. Davidson, Xihlovo Mabunda and Danny Visser (past pupil) were members of this team.

The team placed 10th in their division.

Congratulations and thank you for flying the Bryanston Colours next to our South African Colours.

# SFC and Catering

In Our Community

The SFC chaired by Mrs B Weir with Mrs Vanessa Gorbany as secretary is delighted to have had 27 members participating in the activities throughout the year. This committee meets the first Tuesday of each month, where functions co-ordination and planning is put in place for the month that follows. Outstanding marketing is done for Bryanston High School by this dedicated group of parents. Our school would like to thank them for the many hours of hard work that was volunteered. It is with great sadness that we will be bidding farewell to some of our parents who have served on our committee for the past 5 years. Sue Tiley, Colleen Schwartz, Debbie Phillips, Denise Van Heerden and Fiona Wood have served the school tirelessly, always willing to assist wherever needed. We salute you and thank you for all your wonderful years of service.

The catering committee chaired by Phina Mmamashela and secretary, Witney Ndebele have worked tirelessly to support the SFC throughout the year. Their willingness, energy and growing skills are an absolute complement to our school. The senior executive committee who meet regularly, and help to organise and manage the junior caterers, have been a formidable team. Catering Basic 1 course was held in January, where learners attended an afternoon of lectures and demonstrations, as well as writing a written examination. Once the service hours had been completed, 12 new catering basic 1 certificates were awarded. We thank the catering team for their quiet support and hard work, and their invaluable marketing value to our school.

# Debs Ball and Entrepreneurial Day

The 2014 Debs Ball programme is well under-way. This prestigious event will be taking place at the Indaba Hotel in the middle of May. The young ladies and gentlemen who have embraced this programme have had a number of entrepreneurial days throughout the year where they have marketed and sold certain food products.

These days always create a special vibe where the entire school is given the opportunity to support this programme and purchase the items which the Debs and Squires have produced.

We wish the Debs and Squires every success in their fund raising efforts. These funds are raised for the school and a number of needy charities.

# European Cultural Tour

In Our Community

## DAY 19 JUNE

After all the planning, stress, the plunging rand and counting down all the sleeps, the time has finally arrived. Today we begin our adventure to Europe, where new friendships will be made, seeing awesome sights, seeing what we have learnt in English, History and Art, and most importantly Shopping!!!!!!

## KRAKOW AFTERNOON 21 JUNE

History came alive today as we walked through the Auschwitz concentration and took a tour through the Krakow/Schindler's museum.

Words cannot describe the sights, sounds or feelings that we experienced during another scorcher of a day. Many new facts were learned and I think everyone got a real idea of all the pain and suffering that was caused so many years ago particularly 120 kgs of shaven hair and worn shoes THAT FILLED TWO rooms.

Many of the kids were left speechless as they realized the harsh reality of what was.

## GOODBYE KRAKOW 22 JUNE

After two stunning days we have to say goodbye to this awesome city. Thanks for having us Krakow, we loved the vibrancy and the history this city has to tell, and the people were so friendly. We tried the local cuisine and loved it and last night on the square we got to be part of the buzz. We await our long train journey to Vienna and know the tour will offer up so many more gems. Will be great to see the Rumbu three who await us in Vienna, we missed you.

## VIENNA CITY TOUR 26 JUNE

From over 30 degrees the last couple of days, we awoke to a cold and rainy Vienna. Still the show must go on. We are on our way to Schonbron Palace- writing this from our bus, u gotta love technology- and then give the kids some time to do some shopping, before we board our overnight train to Venice. I'm sure that the journey is going to be quite interesting.

## VENICE AND FLORENCE 27 28 JUNE

After leaving Venice, we had a very scenic drive through the green mountains on some winding passes and many tunnels. We arrived in Florence and then we went on another walking tour of the city. From the Tri Coloured Cathedral( the oldest and third largest in the world, luckily we will also be visiting the largest in Rome at St Peters), to the beautiful old bridge, to a the statue of David in all his glory, to the many market stores and the brass pig (rumoured to be lucky when you rub his snout). The brass pig and Italian ice cream were only a small part of the days shopping.

We are now en route to Rome via Pisa so get ready for all those photos of everybody trying to straighten the famous tower.

# European Cultural Tour

In Our Community

## ROME 29 JUNE

It was very clear from our tour today that Rome wasn't built in a day and that one cannot see it all in one day. We are exhausted after historical overload. However we visited the Spanish Steps, then the Trevi Fountain where we all tossed our coins over our left shoulders with the hope of returning one day. Then on to the Pantheon, Narvona Piazza where we had lunch and gelato's (again). We then headed towards the Colosseum and relived the good old days of the gladiators, ending at the ruins of the Roman Forum. All this was done on foot in over 30 degree heat, so the sight of the bus was a great relief to us all.

## PARIS 3 JULY

Yesterday we had a day of leisure. However, the kids have quickly come to realize that leisure does not mean sit around on the hotel's free wi - fi, it means lots and lots of walking. Yesterday was no different.

After a lovely breakfast we met the kids in the hotel lobby and proceeded to walk to the Metro station to catch the underground into the city centre. First stop: Galleries Lafayette. The surrounding shops on the street were visited by our eager teenagers, ready to spend some money and purchase MORE stuff to cram into their already full suitcases.

After lunch we walked to the Eiffel Tower and marvelled at its colossal stature while we sat in the sun and the kids posed carefully for their endless photographs. We headed to the Arc De Triomphe, an hour and a half later we arrived on the 'platform' of the famous endpoint of the Tour De France and saw the eternal flame of the unknown soldier.

The kids were eager to spend some more 'moola' and we then allowed them to walk the luxurious streets of the Champs Élysées. From fancy cars to the incredible window displays of the Prada and Louis Vuitton store, we saw it all.

# European Cultural Tour

In Our Community

It was straight to bed as it was already late and the 'batteries' needed to be charged before the last highlight of our trip: Euro Disney!

We left early this morning on a coach to Disneyland Paris, the excitement in the bus was tangible. I have never seen smiles as big as I did this morning. Eyes lit up as the kids saw the sight of the famous castle. Tickets were quickly handed out and before we could say go they were off to stand in queues and buy the popular 'Mickey' and 'Minnie' head bands.

The rides took our breath away, literally and our eyes just didn't know where to look. At 7pm we were privileged enough to watch the parade and we definitely kept a look out for our favourite character. The energy was surreal and before we knew it was 9pm and we had to leave the park. It was very clear that time does fly when you are having fun.

Off to bed, to rise bright and early for the last time and have breakfast together before we pack our bags and head to the airport with memories of an adventure that no one can take away.

They say that there is no place like home and I am sure that the embraces we witness at arrivals will prove just that.

**MR A. OOSTHUYSE, MISS T. HEIN, MRS C. VAN TONDER**

# Thailand Tour

The trip is planned and organised by a company called World Challenge and they really make an effort to keep you off the tourist track and make it a totally unique experience.

Our trip was geared at leadership experiences and the pupils were in charge of everything including taking specific days as the leader for that day, dealing with all logistics, transport, accommodation, food etc.

A lot of emphasis was put on being able to work through problems that were encountered, taking initiative and working through the process of "plan, do, review, conclude, transfer" and thus pupils were encouraged to learn from their mistakes and build valuable leadership skills overall.

The trip was divided into three phases; a building project in a remote village where we helped extend a church building, a trek phase where we camped and hiked in a jungle in a national park and a rest and relaxation phase where we chose to go to the nearest island for two days to chill out island style.

I can certainly say it was a trip to remember with the heat, food, language barrier and getting totally immersed in the culture it was not your average tourist trip.

A very big thank you to all of you who helped plan, encourage and supported and made it all possible...the kids are already excited to plan the next one!

# Mathematics Olympiad

At the beginning of each year we have a frantic rush to register the eager mathematicians for the SAMO exam. The Olympiad tests the logic and accuracy without the aid of a calculator.

The first round is assessed internally and all participants with 50% or more proceed to round two. The second round was written in May where two juniors and 7 seniors battled the intricacies of the second round.

In August we were delighted to receive news that Timothy Denton had made it through to the third round. An added bonus – Tim tied for first place in the Gauteng Region second round. He received a prize at the annual awards.

This prestigious award allowed Timothy to be eligible for the Gauteng Maths Olympiad team and take part in the Inter – provincial tournament. Timothy went on to write the third round of the Olympiad.

This has been a memorable year for the Mathematics Department. We congratulate Timothy as he unwittingly became a role model for all future mathematicians at Bryanston High School.

**P. Maxwell**  
HOD Mathematics

## English Olympiad

Secrets. Lies. Corruption. This year's curriculum shed light on some of the shadier aspects of the government. The anthology, entitled "In Camera: Whose Truth is it Anyway?" offered many sources to feed our creativity.

The topic was thought provoking and incredibly relevant to today's society. It also included examples from history, ranging from the Cold War-related Profumo Scandal to the more modern, South African Protection of Information Bill. Extracts from songs and other media, such as the novel Nineteen Eighty-Four and the movie District 9, were also discussed. Each text had its own characters to examine and its own message to be heard.

Our opinions were varied and openly shared, despite the atmosphere of disgruntlement that usually descends whenever the words "after", "school" and "lessons" are mentioned together. These "lessons" turned out to be gifts in disguise, each one a protected and reserved time to examine our own opinions, gather information and clear our thoughts. Every person walked away with their own ideas, influenced by the discussions of morality, politics and current events that had taken place.

All of this preparation led to the writing of the English Olympiad on Tuesday the 6th of March. The topics were varied and interesting enough that it was difficult to pick only one from each of the two sections to write about, especially with the clock ticking. Some of the topics asked for traditional argumentative essays, diary entries or short stories and other topics allowed candidates to write songs or design pamphlets. The three-hour exam hardly seemed long enough to properly flesh out our answers, but perhaps no amount of time can be long enough for this kind of ruminative, weighty subject.

Congratulations to everyone who wrote the exam! I hope next year's English Olympiad is as enjoyable as this one was. Thank you to Miss Tarlton for ably leading us through the text and allowing us hours of speculation.

**DANIELLE GAST - 12B**

Well done to:

Jennifer Okoye, Rethabile Headbush, Towela Chinganya, Jessica Tavener, Kieran Prinsloo, Haniyeh Rahimi, Lenthuri Naidoo, Xia Fei Liang, Danielle Gast, Winnie Jura, Grace Mao, Sarah Charlton, Amina Williams and Rosina Kaseke.

# World Knowledge Olympiad

More and more Bryanston pupils (133 in 2013) are entering this multiple choice challenge which is open to pupils from grades 8 to 12. It is especially pleasing to see the enthusiasm amongst the grade 8s whose entrants outnumbered the grades 9 and 10 entrants together.

Our seniors have really proved that they are knowledgeable despite what staff may experience to the contrary in the classroom!

The results speak for themselves, especially the following pupils:

Matthew Mayston 80% - 3<sup>rd</sup> in Bryanston Grade 12 - 9<sup>th</sup> in Gauteng

Timothy Denton 85% - 2<sup>nd</sup> in Bryanston Grade 12 - 4<sup>th</sup> in Gauteng

Keolyn Naicker 97% - 1<sup>st</sup> in Bryanston Grade 12 - 1<sup>st</sup> in Gauteng  
1<sup>st</sup> at NATIONAL LEVEL / in SOUTH AFRICA

Our 2013 participants have really done us proud!

**Mrs M. Schumann**  
Co-Ordinator

# Model United Nations

Global Classrooms, an initiative of the United Nations Association of the USA, promotes Model United Nations which is an academic simulation of the United Nations.

This year we have had two groups of very enterprising delegates being represented at the MUN Conferences.

Earlier in the year a delegation comprising of Kalya Palframan, Tamara Mushani and Annemarie Els represented Mexico together with 19 other countries to assess the progress that has been made thus far regarding the Millennium Development Goal 3 to "Promote gender equality and empower women." Here the girls were awarded a Certificate of Honourable Mention.

In September this same delegation represented Japan in the committee WHO: Disease control in humanitarian emergencies. This team was awarded a certificate for the Best Position Paper.

There was also a delegation representing Germany: Kagiso Siphuma, Rethabile Headbush and Raheema Ravat, in the G20 committee dealing with food security.

Congratulations to all concerned. You have shown yourselves to be passionate delegates.

**MRS A. HUGHES and MRS K. NAICKER**

## Creative Writing

### PARTS OF SPEECH

A noun is the name of anything you can see  
*A ladder, a pen, a book or a tree.*

An **adjective** describes this word we call a **noun**  
Like a *beautiful* violin that makes a sound.

A **verb** is a doing word  
He *hopped, skipped* and *jumped* to see the bird.

An **adverb** shows time, manner and place  
*Yesterday, slowly* and *in my pencil case.*

**Proper nouns** are the names of people, places and specific things  
*Fred Flintstone, France* and *Flings.*

A **pronoun** takes the place of a noun  
Like *they* all went to town

A **conjunction** makes two sentences connect  
*Although, but* and *because* are perfect.

As you can see, English is fun  
And I love it more than a ton!

### PRINYANTHA NAICKER

#### ENGLISH

English is my absolute best friend  
As it always has new information to lend.  
English has such a wide perspective  
And is never in the slightest repetitive.  
English is the past and the future,  
It's like a newly discovered creature.

English is a trend  
Which I will have to recommend.  
English is full of tests  
But is nevertheless still the best.  
English is the greatest  
And I don't doubt this in the slightest.

**ALEXANDRA WARREN --- 9A**

**Rosa Parks Essay**

You help me to express myself  
I'm allowed to say how I feel  
Even at the age of twelve  
Things began to get so real.

But you helped me to break through my struggle  
Through poem, writing and stories  
You were my jacket over the puddle  
So I had no worries.

You may not be my favourite  
Or the last thing on my mind  
But you were always there for me  
English you're one of a kind

# Tribute to Mrs Stafford

It is with great sadness that Bryanston High School mourns the passing of Mrs Lorraine Stafford, one of our longest serving chair ladies of the mothers committee and mothers of our school.

Lorraine's first daughter started at Bryanston in 1978 and she subsequently had five other children and 2 grandchildren matriculating at Bryanston High School. Her untiring energy, enthusiasm and dedication was an inspiration to us all. Her expertise in the catering field, beautiful gardens and creative talents can be seen throughout our school. Mrs Stafford was always our most honest critic, reliable and ready to support Bryanston in any possible way. If ever the blue flame was to burn brightly in someone's chest it was in hers. Lorraine has never stopped supporting Bryanston, whether it was revamping gardens with William, helping Sue in the tuckshop, catering for sports dinners with Mrs Spoerk or out shopping for a hundred items for the Debs Ball or the Matric Dance for Mrs Weir, she was 100% committed to doing the best for our school. The beautiful décor of many Debs Balls and matric dances had often been her mastermind in action.

Lorraine you were a legend, many years of parents, teachers and children will remember you for your outgoing personality, wonderful sense of humour, hard work and steadfast support to Bryanston High School.

We salute you for your effort, expertise and tireless energy put into our school. May God bless you and keep you and may you now rest in peace.
