Open House - April 6th, 2026

10:00 am - 4:00 pm

at the farm

Welcome to Bee Zee Acres 12th Annual Private Treaty Bull and Heifer Sale. What an exciting time to be in the cattle business! Record prices this fall, cows and bulls that are worth more than ever, and plenty of opportunities to expand the herd!

We once again bring you a large variety within our bull and heifer offering. There are a range of sires, shapes, and sizes, however they are all structurally sound, docile, easy fleshing, well muscled and full of maternal power. Calving ease, feet, and udders are a focus that we won't look past in the cow herd.

All animals have been parent verified. All bulls are semen tested. Please do not hesitate to ask about breeding services for the heifers - artificial insemination or our walking bulls, as well as holding the bulls here until you are ready to put them to work.

This year we have brought back the DLMS team to handle the sale. Mark and his team did an incredible job for us last year which allowed us to spend more time with our visitors at the open house. They are experts at what they do.

This year, we are excited to offer bulls from Emily Gibson MacTavish and Nolan McLarty from Crinan Farms. These bulls came to us after weaning and were treated like our own. Bid with confidence on these bulls as well.

Call to make an appointment to view our offering.

The Zwambags

Bill & Mary Anne, Matthew & Kali, Nick & Tanya

2026 Sale Terms

*All animals posted in the catalogue are for sale through **DLMS Farm Gate Auction: closing Monday, April 6th, 2026 at 7:00pm EST**. Please follow the clock on DLMS. If you need assistance with bidding, please contact us: **Bill:** (519) 494-9613, **Matt:** (519) 870-3219 or **Nick:** (519) 809-9500. Or you can reach out to **DLMS** at: **Mark Shologan** (780) 699-5082 or **Emily Gibson-MacTavish** (519) 440-9907.

<https://www.farmgatetimedauctions.ca/auction/31642>

Call or text for inquires or to set up a time to view the animals.

*All animals are clipped and broke to tie. Animals are sold under the Canadian Limousin Association's Breeder Guarantee. If you question a particular animal (soundness, disposition, etc), do not bid on that individual. **Every animal is parent verified!**

*No cattle will leave without a secure form of payment. Please make cheques payable to Bill Zwambag or e-transfer to maryanne@beezeaacres.ca

*Breeding arrangements for heifers can be made. Please ask if you are interested in this service. Bulls may stay at Bee Zee Acres until you are ready to put them to work. Please make arrangements with us. Bee Zee Acres reserves the right to draw farm use semen on any bull sold in the sale at the buyers convenience and sellers expense.

*We encourage you to consider protecting your investment by purchasing insurance .

*Thank you for attending our open house & sale. We appreciate your interest. Good luck to all bidders and buyers!

The Zwambags

All information is presumed to be correct, but is not guaranteed.

You are here at your own risk. Bee Zee Acres and the Zwambags will not be held liable for any accidents.

Bidding on DLMS Farm Gate Auctions

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account,

This program will send you text and email messages whenever there is activity on your favourite lots, or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favourite lots on your screen. Any time there is active bidding on a lot you have identified on your favourite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set,. If the lot has a \$3000 bid on it and you place a proxy bid of \$4000 into the system, the computer will bid \$3250 for you but if some one else bids \$3500, the computer will again bid for you, this time at \$3750. The system will look after your interest to a maximum of \$4000. If another bidder is on at \$4250, your proxy will no longer be effective and you will no longer have the winning bid on this lot without logging in and bidding again or moving your attention to a different lot.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.

5. Following the sale the Consignor or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery or pick up of your purchases.

For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;
DLMS Farm Gate Timed Auctions ~

FAQ:

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Naenia is a more moderate Hyannis daughter that has really come on lately. She is very well rounded in her EPD's and her overall structure. Her dark red coat will catch your eye, but her design and structure will keep you coming back to take another look. Naenia would look great in the show ring or the front pasture for years to come.

A very attractive black heifer off Jupiter and one of our favourite cows, Bee Zee Polled Delicious 24D. Delicious is the perfect brood cow that is flawless in her design, has a great udder, and maintains her body condition year round. Delicious has produced numerous high selling bulls and females over the years. This is a no brainer for anyone looking to add maternal power.

Nyx is an extremely sharp Echelon daughter that goes back to the Wat-Cha Playmate cow that had a great show career many years ago. She is one that packs some power. She was the number one ranked heifer in her contemporary group for yearling weight. Echelon daughters drop great udders and have high conception rates. This is an easy one to add to your herd.

Nettie is the youngest heifer of the group, but it has not held her back. For her age, she has caught up with the others and holds her own at the bunk. This is a heifer with a lot of style. She is level topped, clean through her front end, and has the length that we like to see in our cows. She would work great for anyone calving later in the year.

Nisha started out small with only a 64lbs birth weight, but has caught up to the group. Her dam is a full sister to the Lot #1 bull. The sire, B-Bar/VLE Goodfella 23J ET is one of the brothers from the Shameless Flush that took the Limo world by storm. Strong maternal background here with a traditional limo look.

Another daughter off the Goodfella bull from B-Bar. This dark cherry red is very gentle natured and would make a great Jr. Yearling show prospect. She is deep bodied and moves well. She goes back to the TMF Miss 22A cow that is one of our most consistent producing cows year after year.

A heavy muscled Hannibal daughter that goes back to a proven Rosco daughter. Nicolette carries a great EPD profile which matches some of the great progeny from both her dam and sire. We believe that this female will produce the thick calves that get the premium when her calves sell.

BEE ZEE BOO BOO 37B
NON REGISTERED LIMO COW

Our final lot is sure to make a splash! New Wave is off our only commercial cow that is sired by the white Galloway bull CF Yukon. HA Image Maker who is well known in the Angus world for his calving ease and ability to raise awesome daughters. We were hoping for a heifer calf with this mating and got a really good one. There are a lot of possibilities with Bee Zee New Wave.

Maternal Grand sire: CK YUKON 25Y
