YORK BLUE BOX

An International lifestyle brand with roots in hospitality creating bold, colorful designs with a well-traveled eye

East End

Wavelengths that bring organic inspiration to modern technology pulse across a canvas of textural raw silk to balance any size space with captivating, vivacious geometry. Burnished mineral metallic lends sophistication to a natural eight-color architectural palette on a canvas of textural raw silk.

On Track

Artistic watercolor brushstrokes softens groups of rectangular bars floating against an ocean of textural linen. Boldly geometric, the eight-color offering of earth and jewel tones is a charismatic expression of exhibiting science as modern art. Printed on a vinyl surface with non-woven substrate backing, this highly durable commercial wallcovering smooths effortlessly, is easy to remove.
