Club Days will be on February 24 at South Barber High School. The schedule will start around 9:00 A.M., but the building will be open by 8:00 A.M. for those needing a chance for one last practice. Each club is asked to bring a snack to share (2 dozen cookies or snack bars) 4-H Council will provide water.

The entries are due February 12 from the Club Leaders to the Extension Office. An online schedule will be posted by the 16th on barber.ksu.edu and shared on the Facebook page.

The Club Day Guidelines are in a flipbook format. This includes 2 changes and updated scoresheets.

Change 1 - The Project Talk age group was increased to include all juniors (age 7-13).

Change 2 - A Junior Public Speaking was added. It will follow the same rules as the Senior Public Speaking.

These changes were made across all of the counties in the Regional Club Day.

Fair Changes, Repeat from January

The 2024 Fair will be July 25-28. The Fair Board and the Extension Council have had great discussions on some changes. One of the biggest changes is following a change at the state level.

Starting this year, animals sold during a premium sale may be shown again including at Kansas Junior Livestock Show and Kansas State Fair. The Barber County Fair Board has edited its Premium Rules to be in line with this.

Starting with 2024, 4-H members will be required to attend half of their club meetings between October 1 and the County Fair to be eligible to sell in the Premium Sale. This includes animals and food.

First, the rule about swine age will now be: Market Swine must be born after December 1 of the previous year. Previously it was January 1 of the current year.

The second change is adding a prospect class to the Swine Show. The class is for swine tagged for KJLS or KSF. The animals in this class must have a State tag (EID). We will continue to accept tagging information on these animals until June 15 to correlate with KJLS and KSF nomination deadline. Entries in this class will not be eligible for Grand Champion Market Swine and will not count towards the breed maximum of 2.

2024 Tagging Policy: For the 2024 Barber County Fair, all market and breeding animals will be identified by a State EID Tag, a Barber County Tag, Scrapie Tag or a Tattoo. This number will be submitted with 3 photos (Front, Side, & Side) by the deadlines announced in the 4-H Newsletter. Tags will be available for purchase in the Barber County Extension Office.

Regional Club Day

Regional Club Day will be March 23 at the Medicine Lodge High School. Usually, the schedule starts around 9:00 P.M.

Entries will be due March 5 to the Extension Office. All Top Blues will be eligible to attend. Alternate Top Blues will be notified if the Top Blue recipient is unable to attend.

4-H Council on February 26

4-H Council will be on February 26 at 7:00 P.M. at the Assembly of God Church at 701 N. Iliff in Medicine Lodge.

That night, 4-H Council will select the Fair Theme. This will be done so the Fair Board has time to hold a Fairbook Cover Contest. Please have your clubs brainstorm ideas to share.

Club Day Ribbons and comment sheets will be available at this meeting for club leaders.

4-H Foundation

In an effort to help keep people more informed on the role of the Barber County 4-H Foundation, the minutes from their meetings will be included in the 4-H Newsletter. Please thank these board members for helping support Barber County 4-H.

Record Book Roundup

MONTHLY TIPS FOR COMPLETING YOUR RECORD BOOK

Take Note This Month

- Review the Achievement Pin Level form in your Record Book. These forms were updated statewide this year. The changes were not major, but make sure you are working all year on this.
- Club Day is a great time to think about 4-H Presentations. If you have a project you want to focus on for County Champion with Records. You will need to have a presentation to some group and a community service.

Record All Public Presentations

Sometimes groups will ask you to share about a 4-H Project or maybe you share something at the Manor. How many times do you share a project talk or demonstration at a club meeting?

These are often things we do without thinking about needing to record them. Make notes in your 4-H Book or on a calendar. Sometimes the 4-H Record Book is not the handiest tracking tool. A simple calendar for the year can be a great tool to keep with 4-H materials. Note who you presented to, what the topic was and how many people were there.

Do you need to find groups you can share with? Visit with Robin for some ideas of groups that would love to hear about your 4-H Projects. This can be a practice before Club Day, or just one more place to showcase your hard work on that Project Talk, Demonstration or Public Speaking.

Remember that non-4-H Talks that relate to the project should also be recorded. For FFA members, this is a great place to note any public speaking experience that also relates to your 4-H projects.
