INCLUSIVE PARK PROGRAMS

IRVSRA recognizes that every individual with special needs and abilities does not always require a IRVSRA program. IRVSRA also can provide inclusion assistance with staffing and instructor needs outside of the standard ratio policies for any park program at Pekin and Fon du Lac Park Districts. IRVSRA staff can contact the appropriate Pekin Park or Fon du Lac Park District recreation department staff or you may have the recreation department contact IRVSRA. IRVSRA will work with the program's manager to make reasonable accommodations to assure the participant has a smooth transition if they wish to be integrated into a standard recreation department program.
