# ABOUT US

## OUR HISTORY

For 137 years, Bay Area Church has been influencing the community for the glory of God. Originally named Clear Creek Baptist Church, it served as the first church on the mainland of Galveston County. Nine years later, the church was renamed First Baptist Church, League City and began to gather momentum in impacting the Kingdom of God through planting several area churches, initiating viable ministries, and ministering to the community through significant points in history.

Through the forward planning of the church, Bay Area Christian School was started in 1973. Over the next decade, a new property of 50 acres was purchased, the church and school moved campuses to 4800 W. Main St., and the church added Bay Area to its name. Buildings, programs, and ministry increased over the coming years as God blessed the efforts of those seeking to glorify Him.

There is no other organization like the church - the bride of Christ. Bay Area Christian School operates as a ministry of Bay Area Church and identifies and claims the same beliefs as the church. It is a privilege to have a Christian school that the church champions in an effort to impact God's Kingdom. The school's mission of offering Christian values and quality academics endeavors to make disciples, equip families, and serve the world with the Gospel of Jesus Christ as a ministry of Bay Area Church. As the school has celebrated fifty years of service to the church and the community, we pray that God will continue to use it to be a blessing to the community, the church, and to His Kingdom as we carry out the mission of providing quality Christian education impacting lives for now and eternity.

## OUR PHILOSOPHY

In Deuteronomy chapter six, it is clear parents are charged with influencing their children in the teaching of what is true - God's law and His word. The value of the words of God are just as relevant today as they were in those times. Because of that, Bay Area Christian School seeks to partner with families in fulfilling God's intended design for educating children, called Kingdom Education.

**The definition of Kingdom Education is as follows - a lifelong Bible-based, Christ-centered process of leading a child to Christ, building them up in Christ, and equipping them to serve Christ.** We believe that the Bible is the true revelation of God to mankind. As a school, we purpose not only to teach our students what the Bible says, we want students to understand the passages and the context in which it is used. Each student in our school will experience a Bible class, or section of class, where we emphasize the learning and understanding of God's Word. However, we purpose to integrate the Bible into each subject content class as well so as to better shape a Biblical worldview. The Bible says that the fear of the Lord is the beginning of all wisdom. What other place would be a better starting point for a child's learning than Biblical truth?

Of course our culture is not the culture of Israel thousands of years ago. However, just as education was vital in those days, so it is today. At Bay Area Christian School, there is great emphasis placed on striving for academic, social, physical, and spiritual excellence. In Luke, it says that Christ grew in

wisdom, stature, and favor with God and man. It is our endeavor to hold our students accountable to a high standard in their educational pursuits. As a Christian, we should aim to emulate the excellence of Christ in all things. Because of that, we venture to shape our view of the world through the scope of a Christian lens. Not only do we want students to be knowledgeable, we desire them to understand how to process knowledge and apply it to decisions and stances that will enable them to glorify God. If we do not intentionally help our students carefully chisel out their individual worldview from a Biblical basis, they will automatically adopt the values of the cultural majority.

If we are centering our education around the Bible and Christ, then our purpose is clear. We want our students, and our families, to be devoted followers of Christ. We also intend our school to support the building up of students in Christ as previously mentioned. Lastly, may we not fail to equip them to serve Christ. We must prepare them at high levels academically, socially, physically, and spiritually in order to emulate Christ. How can our students be the best stewards of the Gospel of Jesus Christ if we are not good stewards of the mind, body, and soul that God gave us? When we fail to develop these areas, we take away tools that we may use to reach and influence the world for Christ. Furthermore, may our students be prepared so they can successfully defend their faith when encountering a false worldview. This enables this generation to “teach diligently” their precious children so that there will not be a generation that does not fear God and love Christ.

Consider this quote written by John J. Dunphy in 1983: **"The battle for humankind's future must be waged and won in the classroom by teachers who correctly perceive their role as the proselytizers of a new faith: A religion of humanity -- utilizing a classroom instead of a pulpit to carry humanist values into wherever they teach. The classroom must and will become an arena of conflict between the old and the new -- the rotting corpse of Christianity, together with its adjacent evils and misery, and the new faith of humanism."** Children are the responsibility of their parents, and Bay Area Christian School purposes to partner with parents in the process of Kingdom Education. As the home, church, and school come together to combat the onslaught of secularism, remember that whoever wants this next generation the most will get them.

## STATEMENT OF FAITH

### GOD

We believe in one triune God who has eternally existed in three persons; the Father, the Son Jesus Christ, and the Holy Spirit. Each member of the Godhead is co-equal in essence, power, and glory; and yet, is nevertheless distinct in person.

*Genesis 1:1, 26, 27, 3:22 Psalm 90:2; Matthew 28:19; 1 Peter 1:2; 2 Corinthians 13:14*

### THE FATHER

God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise.

*Genesis 1:1, 2:7; Exodus 3:14, 6:2-3, 15:11ff, 20:1ff; Leviticus 22:2; Deuteronomy 6:4, 32:6;*

### THE SON, JESUS CHRIST

Jesus Christ is the Son of God. He is co-equal with the Father. Jesus lived a sinless human life and offered Himself as the perfect sacrifice for the sins of all people by dying on a cross. He arose from the dead after three days to demonstrate His power over sin and death. He ascended to Heaven's glory and will return again someday to Earth to reign as King of kings and Lord of lords.

*Matthew 1:22,23; Isaiah 9:6; John 1:1-4, 14:10-30; Hebrews 4:14, 15; 1 Corinthians 15:3,4*

## THE HOLY SPIRIT

The Holy Spirit is co-equal with the Father and the Son of God. He is present in the world to make men aware of their need for Jesus Christ. He also lives in every Christian from the moment of salvation. He provides the Christian with power for living, understanding of spiritual truth, and guidance in doing what is right. He gives every believer a spiritual gift when they are saved. As Christians we seek to live under His control daily.

*II Corinthians 3:17; John 16:7-13, 14:16,17; Acts 1:8; I Corinthians 2:12, 3:16; Ephesians 1:13, 5:18*

## THE BIBLE

We believe the Holy Scriptures, which consist of the 66 books (the Old and New Testaments), to be the only verbally inspired Word of God, the final authority for faith and life, inerrant in the manuscripts, infallible, and God-breathed.

*2 Timothy 3:16, 1:13; 2 Peter 1:20-21; Psalm 119: 105,160, 12:6; Proverbs 30:5*

## HUMANS

Humans were created good and in the image of God, to be like Him in character and represent Him on Earth. Therefore, humans are the apex of God's creation. Tragically, through Adam's sin, the entire race fell from this purpose, inherited a sinful nature, and became alienated from God. In this state, humans are totally unable to remedy their lost condition, and destined for eternal punishment in Hell. This condition and destination can only be remedied through the atoning sacrifice of Jesus on the cross and personal faith in Him.

*Genesis 1:27; Psalm 8:3-6; Isaiah 53:6a, 59:1,2; Romans 3:23, 8:19-21*

## SALVATION

We believe that salvation is the free gift of God brought to man by grace and received through personal faith in Christ Jesus as Lord and Savior. This free gift is in no way the result of personal effort or of good works but, instead, displays the grace, love, and mercy of God. Once an individual expresses true personal faith in Jesus, they are adopted by God and are forever held by His persevering grace. Further, there is no salvation apart from personal faith in Jesus Christ as Lord. Biblically, salvation includes regeneration, justification, sanctification, and glorification.

- Regeneration, or the new birth, is a work of God's grace whereby believers become new creatures in Christ Jesus. It is a change of heart brought about by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace. Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Savior.
- Justification is the point at which God declares believers righteous based on the completed work of Christ on the cross.
- Sanctification is the lifelong process, beginning with regeneration, by which God through the work of the Spirit moves believers toward moral and spiritual maturity.
- Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

*Genesis 3:15; Exodus 3:14-17, 6:2-8; Matthew 1:21, 4:17, 16:21-26, 27:22-28:6; Luke 1:68-69*

## BAPTISM

Baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer's faith in a crucified, buried, and risen Savior, the believer's death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord's Supper.

*Matthew 3:13-17, 26:26-30, 28:19-20; Mark 1:9-11, 14:22-26; Luke 3:21-22, 22:19-20; John 3:23*

## THE LORD'S SUPPER

The Lord's Supper, one of the two ordinances of the church, is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

*1 Corinthians 10:16, 21, 11:23-29; Colossians 2:12*

## THE CHURCH

The Church is both local and universal. The universal Church includes all of those in the world who confess Christ both past and present. The local Church is a local expression of the universal church and is comprised of regenerated believers who, in obedience to scripture, organize under biblically qualified leadership, come together regularly for preaching and worship, observe the ordinances of baptism and the Lord's Supper, are held accountable through discipleship, and go out into the world to fulfill the Great Commandment and the Great Commission as missionaries for the glory of God and the salvation of humanity.

*Matthew 16:15-19, 18:15-20; Acts 2:41-42,47, 5:11-14, 6:3-6, 13:1-3, 14:23,27, 15:1-30, 20:28*

## ETERNITY

People were created to exist forever. We will either exist eternally separated from God by sin in Hell, or eternally with God through the forgiveness and salvation found in Jesus Christ alone. To be eternally separated from God is Hell. To be eternally in union with Him is eternal life. Heaven and Hell are real places of eternal existence.

*John 3:16, 14:17; Romans 6:23, 8:17, 18; Revelation 29:15; 1 Corinthians 2:7-9*

## THE RETURN OF JESUS

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the Earth, will gather His people from throughout the world, and will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever with the Lord.

*Isaiah 2:4, 11:9; Matthew 16:27, 18:8-9, 19:28, 24:27,30,36,44, 25:31-46, 26:64; Mark 8:38*

## **MARRIAGE AND FAMILY**

God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical

standards, and the means for procreation of the human race. The husband and wife are of equal worth before God, since both are created in God's image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant-leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation. Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

*Genesis 1:26-28; 2:15-25; 3:1-20; Exodus 20:12; Deuteronomy 6:4-9; Joshua 24:15; I Samuel 1:26-28; Psalms 51:5; 78:1-8; 127; 128; 139:13-16; Proverbs 1:8; 5:15-20; 6:20-22; 12:4; 13:24; 14:1; 17:6; 18:22; 22:6,15; 23:13-14; 24:3; 29:15,17; 31:10-31; Ecclesiastes 4:9-12; 9:9; Malachi 2:14-16; Matthew 5:31-32; 18:2-5; 19:3-9; Mark 10:6-12; Romans 1:18-32; I Corinthians 7:1-16; Ephesians 5:21-33; 6:1-4; Colossians 3:18-21; I Timothy 5:8,14; II Timothy 1:3-5; Titus 2:3-5; Hebrews 13:4; I Peter 3:1-7.*

## **METHODOLOGY**

The teaching methodology used in the classroom includes lectures, demonstrations, collaboration, hands-on activities, and audiovisual presentations. Questions and answers, class discussions, debates, written assignments, technological devices, and some team projects are used when appropriate to enhance learning. Classes will have regular homework for review and for reinforcement of learning. Concepts are reviewed in class, then assessed to assure mastery by the students.

## **CHRISTIAN SCHOOL BENEFITS**

There are many benefits for a child who attends Bay Area Christian School. We attempt to relate to students in a Christ-like manner and impact their lives in a positive way to affect the heart. Three main benefits are listed below:

1. The Bible is freely taught. Children are taught to love and respect God and His Word. They learn that the Bible and Christian values relate to every area of life. They are shown that God gives us some absolutes by which to live. They memorize portions of the Bible as a guide through life. Often children will confess Jesus Christ as Savior and will therefore have eternal life.
2. Quality education is given. Students get individual attention and encouragement. The basics of reading, writing, and arithmetic are emphasized. Achievement tests show BACS students' averages are above the state and national averages. Ninety-nine percent of BACS graduates go on to college and have done well in many different fields of study.
3. Students reach their greatest potential in social development. In a Christian atmosphere, excessive ungodly peer pressure is limited, which promotes an atmosphere of spiritual and social prosperity. Students also are taught to defend their faith and impact their generation for Christ. We believe the well-rounded educational program includes core subjects as well as enrichment opportunities such as music, art, P.E. and technology.

## **BAY AREA CHRISTIAN SCHOOL LIFESTYLE STANCE**

As a ministry of Bay Area Church, our core values, vision, and mission are aligned with the church and, ultimately, God's Word. Bay Area Christian School seeks to partner with families in the discipleship of children through Christian education. Through this process, we desire to cultivate a biblical worldview within the lives of our students and families. It is our hope that because of biblical understanding, our students and families will pursue a life that is governed by the moral code evidenced in Scriptures and upheld by the ministry of the school. Thus, the need to mutually agree on God's authority and His Word is necessary by both school and home and in word and lifestyle.

In light of our biblical foundation as a ministry of Bay Area Church, the school reserves the right to refuse enrollment or discontinue partnership when the atmosphere or conduct within a family or the actions or stances of a student oppose the scriptural posture of Bay Area Christian School. This may include, but is not limited to, participating in, supporting, or affirming sexual immorality: immoral heterosexual activity, homosexual activity; bisexual activity, transgender activity, or sexual deviancy; promoting such practices; or countering the moral principles of the school.

While the family atmosphere and conduct or student actions and stances may vary in degree, Bay Area Christian School desires to approach each scenario with reciprocal measures of correction. Of course, in each scenario within all disciplinary situations, we love those involved and minister to them however possible.

## **SCHOOL BOARD**

The school board meets monthly, or as needed, with the Head of School to review the general operation of the school. They assist the Head of School in stewardship capacity in establishing and enforcing school policies. The Head of School directs the operation of the school. Most of all, the desire is for Jesus Christ to work through the school staff and to direct in this great call to educational ministry. Please pray for these leaders and all staff members as they work in the school:

Richard Mann, Chairman  
Jennifer Flud, Trustee  
PJ Stringer, Trustee  
Greg Collins, Trustee  
Guy Cordell, Trustee  
Jenny Hilliard, Trustee  
Marshall Gilmore, Trustee

## **COMMUNICATION**

The chief avenues of conveying school information are through electronic means such as e-mail, the newsletter, FACTS, the Bronco Weekly News, Head of School weekly updates, and the website. The monthly newsletter, which is emailed to every enrolled family, details official information about school programs, policies, and current events. If you wish to be kept thoroughly informed about your school activities, please read carefully every official publication of the school. If you fail to receive the newsletter, please notify the school office. It is important for parents to update contact information with the school office.

Elementary parents who prepare letters or notes to be sent home with students should get them approved by the Elementary Principal.

Parents may arrange a conference with teachers, or other school officials, at any time they feel it is necessary. Communication between parents and school personnel is most important. Parents need to have complete confidence in their child's teacher and to let the child feel this strongly. This is substantiated in word and deed, and is especially illustrated by following the proper chain of command when communicating through issues, disagreements, misunderstandings, and disputes. When there is a questionable issue between the student/parent and the teacher, the first step is to talk directly to the teacher. Many times there is a simple misunderstanding when students bring an issue to the parent. Discussion with the teacher does two things. First, it assures that the parent gets the most reliable information in efficient fashion. Secondly, it actually forges a relational partnership between the parent and the teacher. Please ensure that when issues arise, the teacher is notified directly and promptly. Conferencing with administration without discussion with the teacher opposes our policy. Once there is discussion between the teacher and student/parent, if the situation isn't resolved, then administration should be notified.

### **Procedures for Conferences:**

1. Document and communicate the concern via email to the appropriate person prior to the conference.
2. Make an appointment to see the appropriate person.
3. The conference time should be limited to a 30-minute session.
4. The conference will be conducted in a Biblical, gracious manner (see Col. 4:6).

The teacher is the custodian of the pupil's attendance, grade, and class disciplinary records. The teacher also serves as the student's counselor, advisor, sponsor on field trips, prayer partner, and mentor. Confidentiality about students is important. Teachers have been asked not to discuss a child's individual needs or progress while they are on duty, in the hallway, in the cafeteria, or while other children or adults are present. Please do not engage a teacher in conversation about a child when the teacher is supervising children, nor should there be inquiries of other students.

K-4 Conferences throughout the school year are on an as needed basis. Parents may, however, arrange a conference with teachers or other school officials at any time they feel it is necessary.

**Email:** Faculty and staff have an email address that begins with their first name, period, followed by their last name at bacschool.org. Emails will be answered as promptly as possible within the time constraints of teaching and advising students (usually 24 hours). We do not expect teachers to check their emails in the evening. Encourage your student to contact a friend if they have an evening question.

**FACTS:** Homework assignments and grades are posted on FACTS. Parents and students are encouraged to use this tool. Please understand that unplanned events or circumstances may cause FACTS assignments to be altered on any given day. The teachers may not have time to update FACTS, so the verbal or written update given in class should be what the students follow.

## **ADMISSIONS**

### **ADMISSIONS POLICY**

#### Overview:

Bay Area Christian School attempts to serve a large cross-section of students, accepting those with strong potential and above average abilities who espouse and practice a Biblical worldview similar to the one highlighted in our Statement of Faith. Because of the high demand of quality Christian education, rigorous program, and competitive admissions process, students who are failing or struggling with one class or multiple classes may not be accepted. Moreover, those who have demonstrated serious conduct violations are likely not to be accepted.

#### Accommodations:

We may or may not meet accommodations for students with special needs. Children with moderate to severe learning disabilities requiring accommodations or modifications may not be accepted due to the lack of services and specialized personnel available at school.

#### Application Requirements:

To be admitted, all students must present the latest possible standardized test score, most recent report card, current official transcripts reflecting all high school courses and grades, attendance report, disciplinary report, two confidential recommendation forms for 7 – 12 grade students – one from a core subject teacher and one from an administrator or guidance counselor, one confidential recommendation form for elementary students, and a student questionnaire (grades 5 -12). BACS also requires a copy of a prospective student's birth certificate and immunization records. **The school admits students of any race, color, and national or ethnic origin. Each student is granted the opportunity for the same rights and privileges, which allows all students the same possibility to enlist in any program or activity including educational policies, admissions policies, scholarship programs, athletics, and other school administered programs. However, some clubs and all leadership positions require students to be a Christian.**

### Age Requirements:

To enter kindergarten or first grade, the student must be 5 or 6 years old respectively on or before September 1 of the school year regardless of grade attended in previous school.

### Late Enrollees:

New students will not be enrolled for the fall or spring semester after school has been in session for more than two weeks. Students moving here from out of the area could be an exception. Transfer students must complete at least two full, consecutive semesters before receiving a diploma. Therefore, incoming seniors must be enrolled and in attendance on the first day of school.

## **ADMISSIONS PROCEDURES**

1. All enrollment is conducted through an online application process which is overseen by the BACS Registrar.
2. Fill out the application form completely. Including all required documentation.
3. Read the handbook thoroughly.
4. Submit the online application, application fee, a copy of the most recent report card and official transcript, a copy of the birth certificate, immunization record, the most recent standardized test scores, attendance report, disciplinary report, two recommendation forms for administrative review, **and any court documents such as divorce decree, adoption papers, custody, etc.** In K-6 one recommendation form will be sent to school previously attended.
5. Upon completion of steps 1-4 and after administrative review, if space is available in the desired grade level, BACS will be in contact to schedule an appointment with parents and student(s) for an admissions assessment and interview where school policies and expectations will be outlined. Additionally, this is an opportune time for prospective families to ask questions. The Admissions Committee will review all enrollment information.
6. Shortly after the interview, parents will be notified of the child's approval for admission or non-approval.
7. Upon notification of approval, the non-refundable enrollment fee is to be paid to complete the enrollment.
8. BACS uses FACTS Tuition Management, an electronic fund transfer system, for fee and tuition collection and for incidental billing. Upon notification of acceptance status, the family must enroll in FACTS in order to process fees and tuition. Students are not officially enrolled until payment is made. All families are required to use FACTS Tuition Management.

## **FINANCIAL INFORMATION**

The expenses of the school are primarily covered by the tuition and fees. However, significant contributions are made by individuals or companies. Periodically, the school will engage in corporate and club-specific fundraising endeavors. FACTS provides tuition management for over 7,000 schools nationwide. Their services help families and schools streamline the tuition collection process and promote lower fees, great service, security and compliance, and customer focused service.

## **CONTINUOUS ENROLLMENT / RE-ENROLLMENT**

At BACS, we recognize the value in a sustained, long-term partnership with families in the education of their children. A seamless transition from elementary through high school provides a consistent, thorough progression through academic coursework. Because of this philosophy, Bay Area Christian School is pleased to offer a concept in enrollment management called Continuous Enrollment. From the time of admission, your child will be considered enrolled at BACS through their 12<sup>th</sup> grade graduation or until the enrollment of the student is otherwise ended by the parent or the School.

The “opt-out” period for all students is held during the first two weeks in February. Hardback books and other reusable resources will be kept by the school. This fee is due May 15th It is not refundable and not transferable. For sports and other activities such as orchestra, band, and choir, there are additional charges that are billed through FACTS during the season. A full list of co-curricular fees can be found on the school website.

## TUITION

The annual tuition may be paid over eleven months to make it more affordable. These payments start in June and end in April.

It is important that payments are made on time. Should the tuition become more than one-month delinquent, the student may be withheld from classes, co-curricular activities, or kept from beginning school or re-enrolling. If an account is delinquent at the time progress/report cards are due, the progress/report card is withheld. If a student withdraws from the school and there is a delinquent balance, no transcript or other records are released.

In addition to monthly payments, there are also semester and annual payment options. For semester and annual payments, a 3% discount will be given. The first semester payment is due June 15 and the second semester payment is due December 15. Annual payments are due in full by July 15.

**There is a multiple child discount applicable to BACS K-12 students only.** Discounts are applied as follows: multiple child discount, tuition assistance (if granted), 3% discount for semester or annual payments. These discounts apply to one tuition account with one financially responsible individual.

Student Withdrawals: Since teachers are hired and curriculum and supplies are ordered based on student enrollment, there is a **\$500.00 withdrawal fee per student**. This fee is assessed beginning June 1<sup>st</sup> prior to the upcoming school year.

Student Withdrawals take up to 48 hours to process. If you need to withdraw, please contact the BACS Registrar to begin the process. Records, grades, finances, equipment, and books, are all items accounted for on the withdrawal form. Therefore, it takes time to process the withdrawal in an orderly, efficient, and precise manner. Demands for immediate withdrawal records cannot and will not be met.

All financial accounts, including withdrawal fees if applicable, **must be current** for the release of any student records.

## TUITION ASSISTANCE

BACS utilizes FACTS Tuition Management's Grant and Aid Application as a third party evaluation when determining tuition assistance. Interested applicants must be enrolled with the school before applying for tuition assistance. Tuition Assistance applications are open from mid-February to September. Tuition Assistance is granted to those who qualify on a first come first served basis. Please be patient as the tuition assistance committee evaluates each application case by case. All contributions to the Tuition Assistance Fund are appreciated and are a great help to students in need.

## **DONATIONS**

Bay Area Christian School operates on a very conservative budget. Donations are essential to meet all financial needs. We expect God to bless us through the generous gifts of His children who love and support the school. All donations are tax deductible and are greatly appreciated. We encourage donors not to donate their tithe as that belongs to their church. Gifts received are wisely invested at Bay Area Christian School. Significant benefits can be made to this ministry through regular monthly donations. Also, estate or insurance benefit assignments can be a great blessing to the school. Inquiries can be addressed to the applicable division administrator, Head of School, or BACS Financial Office.

## **STANDARDS OF CONDUCT & EXPECTATIONS**

Students are expected to act in an orderly and respectful manner, maintaining Christian standards of courtesy, kindness, purity, morality, and honesty. Students should demonstrate respect for teachers, staff members, other students, parents, visitors to campus, and others at or away from school. Students must agree to strive toward godly character in dress, conduct, and attitude. These expectations should be demonstrated inside the classroom; on campus; off campus; through social media; electronic forums; and electronic texts such as texting, emails, blogs, and social media conduits, etc. Any student observing questionable activities or overhearing conversations which are contrary to the policies of this school should immediately discuss the matter with a teacher or staff member.

Bay Area Christian School expects students to conduct themselves properly as Christians and as good citizens at all times. It is important for students to be continually aware that they represent Bay Area Christian School wherever they happen to be. This means representing their parents, their church, and most importantly, representing Jesus Christ. Good citizenship includes an appreciation of American heritage, a sense of patriotism, and pride in and service to the school, church, community, and family. It means having a sense of worth as an individual, showing respect for the rights and property of others, showing helpfulness and courtesy, and showing respect for a lawful society by adhering to lawful practices.

Bay Area Christian School expects each student to strive to obey all its rules and to practice in daily life outside the classroom all that is being taught inside the classroom. The school proposes specific rules, because some guidelines are needed. When these guidelines are violated, the student will be disciplined. Discipline for misconduct may not be specified in some of these rules because it is impossible to list all rules necessary to cover every situation and because an attempt to do so would prevent the development of a right decision-making ability by all students. Moreover, teachers have the discretion to create a classroom management plan in line with the school's philosophy which will enable learning to occur for all students in the class.

## **DISCIPLINE**

The purpose of discipline is redemptive in nature. It is used to teach, to correct, to maintain order, and to bring the student back into right standing. A goal of discipline is to help the student learn to be self-disciplined. Students are developing good citizenship and Christ-likeness when they accept counseling and disciplinary action with a sense of determination not to let the unfortunate experience occur again.

For discipline to be effective, both the school and the home must be in communication and supportive of the measures. The school also expects parents to support the school in administering its disciplinary program. The consistent, vigorous enforcement of a fair disciplinary program not only insures a better academic climate, but it also helps to develop a sense of responsibility in students. The school and home must partner together to produce students who become happy, constructive adults. Real love for children is demonstrated by firm, yet loving discipline, where the goal is to change not only the behavior but also the heart.

Each student will be disciplined as needed in Christian love and according to individual needs. If a student learns to submit to teachers, parents, and others of authority, then submitting to God's authority will be learned as well. Different methods of correction may be prescribed by administration for different students who may be guilty of committing the same offense. A student who has been guilty of several previous offenses will be disciplined more severely than one who has committed his first offense. Also, each situation must be evaluated as to the intent and heart of the offender and the circumstances.

Bay Area Christian School reserves the right of expelling students whose conduct is detrimental to the welfare of the other pupils and to the school and its reputation. If a student's academic or social progress is unsatisfactory or if the student's behavior or attitude indicates an uncooperative spirit or one that is out of harmony with the spirit and standards of BACS, whether or not there is any definite breach of conduct, the student may be requested to transfer. **Adversarial posture from parents can be cause for dismissal as well.**

## **ELEMENTARY SCHOOL CONDUCT MANAGEMENT TECHNIQUES**

Discipline and order are attained through a proper balance of positive and negative techniques or reinforcements. Conduct management techniques may be used separately or they may be given in conjunction or in any appropriate order by the teacher or principal. Teachers use a variety of methods to promote good behavior and aid in character training.

Disciplinary actions will follow generally progressive steps beginning with warnings (warnings may not be given for inappropriate behavior that is habitual or egregious; warnings may also be given to the whole class), counsel by teacher regarding behavior, attempts at redirection, alternative discipline, and parent notification. If necessary, other more severe disciplinary actions may be taken including detention, conferencing, and suspensions. Continued infractions may result in further suspensions or expulsion in extreme cases.

The teacher may develop a system of positive reinforcement for those who follow standards of good behavior. (This could include verbal praise, stickers, extra points, certificates, extra break time, etc.)

### DEMERITS/DETENTIONS

Demerits (color changes) and detentions may be given to students who do not follow classroom and school rules. Automatic detention may be given for fighting, deliberate disobedience, disrespect toward authority, or other inappropriate conduct. There are agreed upon disciplinary plans for K-2, 3-4, and 5-6 grades. These are communicated at the beginning of the year by teachers.

If a detention is earned, a detention slip will be filled out and sent home with the student. It should be returned with a parent's signature the following day. If the teacher suspects the signature is false

or if the slip is not returned, the parents will be contacted as soon as possible. Generally, a detention must be served the next school day following the violation, unless other arrangements are made by the school in conjunction with the parent. Detention slips for 6<sup>th</sup> grade students will be communicated to parents electronically.

Detention is held by the teacher during recess, lunch, or before/after school. Detention is normally served for 20 minutes during the time specified. More time may be assigned per the discretion of administration and teachers depending on the severity and nature of the offense.

An alternative discipline may be given depending on the student and the circumstances. An example of an alternative action might be to do the missing homework twice or write a paper about saying unkind things to others. These alternative actions are recorded but do not count as a detention.

#### IN-SCHOOL SUSPENSION (ISS)/OUT-OF-SCHOOL SUSPENSION (OSS)

An out-of-school suspension is issued by administration and is served out of school. An in-school suspension is also issued by administration and is served in a designated space. An ISS will also incur a \$75.00 fee for full day and a \$40 fee for half-day to cover the expense for a proctor to supervise. Students report to the Elementary Office on the day of the ISS and complete work outlined by administration and the student's teachers. Students in 5<sup>th</sup>-6<sup>th</sup> grades who earn an OSS will receive an automatic U in conduct for that quarter and receive a maximum of 50% on any grades during this time. Students in 5<sup>th</sup>-6<sup>th</sup> grades who earn an ISS would receive a maximum of 70% on any quiz or daily grade, and 100% allowable on test grade. For half day ISS, students would be ineligible for one game/performance (the very next one). For a full day ISS, students would be ineligible for the next two games. For an OSS, students would be ineligible for the next two games, or two weeks if in Fine Arts, and cannot participate or attend any on or off campus extra-curricular activities on suspension day(s). Additionally, the student may not be allowed to travel on class trips. **A completed reflection form will be required for any ISS or OSS before the student can return to school.**

#### PROBATION/SUSPENSION/EXPULSION

Parents may be contacted by the teacher and/or administration after excessive detentions (4 per nine weeks) have been given to discuss unwanted behaviors and the action or actions taken and to decide on future action at home and at school. A student put on academic or behavioral probation will be reviewed by the principal after each nine-week grading period to determine if significant improvement has been made.

If necessary, withdrawal from school may be recommended by the principal to the Head of School. A committee will make the final decision to have the student withdrawn from school.

#### SPECIFIC CONDUCT RULES

1. Dress Code – Students who begin school out of dress code (non-approved BACS uniform items) will receive a Dress Code notice (DC notice) and a demerit from the teacher indicating exact infraction. Parents may be contacted to bring appropriate attire from home. At times, students may be given appropriate dress code items from the Elementary Office. In some cases, students may be withheld from class until appropriate attire is provided. A student who repeatedly violates the dress code is subject to suspension from school. Re-admittance will require a parent conference. Bay Area Christian School looks to parents as being responsible for the dress of their child as it adheres to school policy. Students who are out of dress code during the day (ex: shirt untucked, wearing a T-shirt, no belt, etc.) will be approached by the teacher

to correct the issue. If the problem persists, then the student will receive a Dress Code notice and a demerit. Continued infractions may result in an office referral and parent conference.

12. Bullying – “A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending himself or herself.”  
The definition includes three components for consideration:
  - Bullying is an aggressive behavior that involves unwanted, negative actions.
  - Bullying involves a pattern of behavior repeated over time.

Our professional stance is that elementary aged students should not have social media accounts. Social networking sites are commonly used by many in our society and although they can be accessed in private, they are anything but anonymous. What is placed on these sites is seen by many people. BACS cannot police social networking sites, but to the extent that undesirable social issues flow into the school setting and affect teachers and students, BACS may take appropriate disciplinary action up to and including expulsion. BACS expects its students to conduct themselves according the behavior outlined in the “Standards of Conduct & Expectations” section.
23. Public Notoriety – Students are expected to represent BACS in a positive manner even when they are not on school grounds or attending school functions. This includes postings on any electronic device or internet site. The administration will deal directly with any student who draws attention to the school in a negative manner. Negative actions, which cause notoriety, could result in disciplinary action up to expulsion.
24. Slander, Gossip, Rumors – Please directly ask the teacher or administration about a rumor instead of passing it along to others. If you disagree with a decision or a discipline, please do not use social media or gossip in an attempt to sway others to your opinion.
25. Cheating – Honesty is essential for Christian character development. Cheating involves copying homework, allowing others to copy homework, handing in another's work as one's own, plagiarism, and giving or receiving unauthorized assistance on daily work, tests or quizzes. 22. Weapons – Possession or use of a knife or any other weapon is prohibited and is grounds for OSS or expulsion.
23. Fighting– Fighting and other acts of violence are prohibited. Students who engage in this type of activity may be suspended.
24. Bullying and Hazing - “A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending himself or herself.”

The definition includes three components for consideration:

- Bullying is an aggressive behavior that involves, unwanted, negative actions
- Bullying involves a pattern of behavior repeated over time
- Bullying involves an imbalance of strength

Bullying can take many forms and should not be tolerated. Incidents where bullying is suspected should be reported to a teacher or administrator. Remember to use the definition of bullying when trying to classify a situation.

Hazing is defined as activities or rituals on or off campus involving harassment, abuse, or humiliation used as a way of initiating a person into a group, team, or organization. Hazing is prohibited by law and may be either physical, mental, or verbal. Hazing should not be confused with qualifications for making teams, clubs, or groups represented by BACS such as abilities, availabilities, and eligibility. Hazing should not be tolerated and should be reported to a teacher, coach, or administrator if suspected.

25. Physical Restraint – Any BACS employee may, within the scope of the employee's duties, use and apply physical restraint to a student when the employee believes it is necessary in order to:
  - Protect the student from injuring himself
  - Protect another person, including the person applying physical restraint, from physical injury
  - Obtain possession of a weapon or other dangerous item
  - Protect property from serious damage
  - Remove the student from a location when the student is refusing a reasonable command – including from a classroom or other school property, in order to restore or to impose disciplinary measures
  - To gain control and subdue an irrational student
26. Health Altering Behavior – Participating in self-directed activities (i.e. self-injury, eating disorders, steroid use) which do not honor God, and may immediately or eventually endanger the health of the student, will be brought to the attention of the student's parents with the expectation that the parent gets professional counseling for their child.
27. Drug, Substance, and Search Policy– BACS reserves the right to search with or without cause any student, automobile, backpack, purse, locker, desk, cell phone, etc. for suspicion of illegal or unauthorized materials. Students who refuse to be searched may be recommended for expulsion and could also be referred to the legal authorities.

BACS also prohibits the possession, on school property or at authorized school functions, of substances which may threaten good order, discipline, decorum, and public safety. Such materials or objects may include, but are not restricted to the following items:

- Alcohol
- Drugs
- Tobacco
- Vaping paraphernalia
- Stolen property

- Weapons or items that may be used as a weapon
- Hate literature or inappropriate literature such as pornography

Students shall have no reasonable expectation of privacy in areas designated to them for storage of personal belongings on school property, nor shall students have any reasonable expectation of privacy in any belongings they may transport onto school property in a bag or on their person (i.e. backpacks, purses, book bags, wallets, personal computers, tablets, cell phones, cameras, etc.).

28. Drug and Substance Testing – BACS reserves the right to request any student to submit to a drug test with or without cause at the student's cost. BACS may request a urinalysis or hair test. Students who refuse to submit to a requested drug test will be recommended for expulsion. The student must be taken by a parent/guardian to the location of choice indicated by BACS within a decided time frame. The student will not be allowed back into the school without the drug test receipt. In other cases, where there is suspicion of another substance, BACS reserves the right to use applicable means by professionals of evaluating the use of substances. One example of this would be the use of a breathalyzer test for students under the influence of alcohol.
29. Inappropriate Sexual Behavior – Inappropriate sexual behavior, whether heterosexual or homosexual in tendency, is a serious violation of the behavioral and moral expectations of BACS and will not be allowed. Additionally, the promoting of the LGBTQ (Lesbian/Bi-sexual/Gay/Transgender/Queer) agenda or obstinately objecting to the biblical basis for relationships will not be tolerated.

In the event of a student pregnancy, both the mother-to-be and the father-to-be will be asked to withdraw.

Sexual Harassment is unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive environment. It is helpful for the victim to directly inform the harasser that the conduct is unwelcome and must stop. The victim should notify a teacher or school administrator as soon as possible. Sexual harassment will not be tolerated.

30. Immoral and Illegal Activities – BACS reserves the right to evaluate situations regarding student issues of morality and participation in illegal activities whether occurring on or off campus on a case-by-case basis. These situations could include: sexual activity, immoral use of electronic devices (words or images), pornography, harassment, the use of alcohol, tobacco, illegal drugs, etc. A redemptive approach may be considered if the student and their family exhibit repentant and humble hearts and if a committee determines if continued enrollment is in the best interest of the student and BACS's student body.

#### CONDUCT DURING CO-CURRICULAR ACTIVITIES

During all extra-curricular activities, students, parents and guests are to conduct themselves in a manner that honors God. Verbal abuse of opponents, judges and officials, and misuse or abuse of property or facilities will not be tolerated. At all activities, Christian sportsmanship will be our first priority for all fans. Students are subject to school consequences for conduct not compliant with BACS expectations.

## ATTENDANCE

### **ELEMENTARY ATTENDANCE**

In order for students to gain the most in school, regular attendance and promptness are required. Students demonstrate responsibility and dependability through their attendance. Students who are present at least five (5) hours in a day are credited with a full day of attendance.

It is expected that students will be brought to school and picked up on time by parents or their car pool. Supervision (excluding Extended Care) is provided 30 minutes before school and 25 minutes after school. Class hours are 7:55 a.m. until 3:10 p.m. for grades K-6. Therefore, students are not to arrive before 7:25 a.m. nor stay after 3:35 p.m. Parents may arrange for Extended Care at school from 7:00 – 7:25 a.m. and/or 3:15 – 6:00 p.m. An extra fee will be charged. Please contact the school office for this service.

The following are acceptable excuses for school absences:

1. Personal illness
2. Illness in the family
3. Death in the family
4. Other unusual trips approved by the principal or administrator in advance

**For all absences exceeding nine (9) days per semester, the student will be expected to make up lost class time** by logging supplemental instructional hours as determined by the attendance committee and in accordance with our accreditation stipulations (in accordance with Texas state law). Absences dealing with unusual family needs, or an exceptional health crisis, may be exempt if approved by the principal and attendance committee. Family trips for pleasure are not considered for exemption. Organized mission trips should be planned during breaks and holidays so missed class time is minimal.

1. The teacher will record an absence on the day(s) the child is absent.
2. When a student returns to school after being absent, a note should be presented to the teacher stating the reason for the absence, the date of the absence, and the parent's signature.
3. If an extended absence of more than three days is foreseeable, it should be approved with administration at least two weeks (ten days) in advance in order for class assignments to be organized and obtained from the teacher so students can complete as much as possible by the time they return to class. Tests and quizzes should be taken prior to expected absences if possible. Extended vacations are highly discouraged during the school year as there is no substitute for teacher instruction and class interaction.
4. A student returning after an excused absence will have one day for each day absent to complete any work (including tests, quizzes, and projects) missed unless it is a family vacation or extended trip. Students/parents are responsible to determine what has been missed and to arrange completion of the work. A student returning from an extended absence for illness will be allowed reasonable extra time to catch up.
5. If a student is absent due to an illness for five consecutive days or more, a physician's statement justifying the absence is required when the student returns to school.
6. Doctor, dental, music, and other appointments are to be scheduled after school hours. If a student leaves early because of illness or an appointment, the student's parent should check

him/her out from the Main Office (See next section).

7. If a student is absent over two (2) hours, an absence is recorded. Attendance reports are run daily through the FACTS system to keep parents, teachers, and administrators aware of attendance thresholds. When a student has accumulated a total of seven (7) absences, a report will be automatically generated making parents aware that the student is getting close to the nine (9) day threshold of absences allowed per semester. If parents believe that their student may be absent more than nine (9) days, they should contact administration to discuss options for making up time missed so both the student and the school can meet accreditation standards. Another attendance letter will be generated on the 9<sup>th</sup> and 10<sup>th</sup> absences informing parents, teachers, and administration that students have reached and/or exceeded attendance thresholds for the semester. The school works very closely with parents at this point to ensure the student and school meet attendance requirements. If a student is absent, parents may request and pick up make-up work or have it sent home with a sibling. The request for make-up work to be picked up at the end of the school day (3:10) must be made by noon to the classroom teacher or office.

#### CHECKING IN-CHECKING OUT

Pulling students out of school early should be kept to a minimum. When taking students out of school before 3:10 p.m., parents should stop by the Main Office and sign them out. This will ensure the safety and security of the child. If students return before the end of the school day, they need to sign back in at the Elementary Office. This allows school personnel to know clearly when students are picked up and when they are brought back to school. **It should be noted that students leaving early need to be checked out by 2:45 p.m. Checkouts after 3:00 p.m. should be arranged through the car line as normal since students are in lines for dismissal.**

#### EARLY DISMISSAL- EARLY DISMISSALS NEED TO BE CHECKED OUT BY 2:45

When it is known that students will need to leave school during the day, parents should call the school or send a note from home so an Early Dismissal Form can be generated. This form then is given to the teacher and helps the teacher prepare the student for early dismissal in a timely manner. Furthermore, it helps to maximize class time and minimize disruptions. Please allow 5 – 10 minutes for an early dismissal. Parents may incur wait time if no Early Dismissal Form was obtained before the early dismissal time.

#### TARDINESS TO SCHOOL OR CLASS

Tardiness can be a serious problem which minimizes the importance of the initial morning activities academic progress. A student is tardy after 7:55 a.m. Tardiness interrupts the classroom, is disruptive to others and is a detriment to the learning process. There will be no excused tardies. However, there are six (6) allowable tardies per quarter without penalty for unavoidable circumstances. Students who arrive at school after 7:55am should go directly to class. Teachers will log the date and time of the tardy. An automated tardy letter will be generated on the 4<sup>th</sup> and 6<sup>th</sup> tardies to give administration and parents notification. A detention will be issued by the office on the 7<sup>th</sup> tardy and each successive tardy and a principal conference with the **parent**/student will be scheduled. **Please note:** Students will have a “clean slate” at the start of each quarter.

### **SECONDARY ATTENDANCE**

In order for your child to gain the most in school, regular attendance and promptness are required. Students demonstrate responsibility and dependability through their attendance.

It is expected that students will arrive to and depart from school on time. Supervision is provided only thirty minutes before and after school. Class hours are 7:45 a.m. until 3:00 p.m. for grades 7-12.

Therefore, students are not to arrive before 7:15 a.m. nor stay after 3:25 p.m. when the building will be locked.

The following are acceptable reasons for excused absence:

1. Personal illness
2. Illness in the family
3. Death in the family
4. Other unusual trips approved by the principal or administrator in advance

When a student returns to school after being absent, he is to present a note from home stating the reason for the absence. If the absence is foreseeable, it is preferred a note be sent three days in advance to be approved by the principal. Doctor, dental, music, and other appointments are to be scheduled after school hours when possible. Unexcused absentees will be able to make up work at a 70% maximum. **Unexcused absences to first period will also be marked as a tardy to school.**

Students will be marked according to class attendance, including aide and study hall classes. Students must be present in each class thirty minutes or more to be counted present.

**Skiping School/Class:** In cases where students skip school without permission, in-school suspension will be given twice the amount of time missed with a minimum of one-half day in-house suspension being served.

**For all absences exceeding nine (9) days per semester, BACS requires the student to make up lost class time** by attending Saturday School plus completing extra hours as assigned by the principal. Continued absences could result in loss of credit (in accordance with Texas state law). Absences dealing with unusual family needs, or an exceptional health crisis, may be exempt from loss of credit if approved by the principal and attendance committee. Family trips for pleasure are not considered for exemption. Organized mission trips should be planned during breaks and holidays so missed class time is minimal.

A student returning to school after an excused absence will have one day per day absent to complete any work he has missed. If a student was absent on a quiz/test day, they should take it the day of their return. It is the student's responsibility to find out from the teacher what has been missed and to arrange to do the work. A student returning from an extended absence for illness will be allowed reasonable extra time to catch up.

If a student is absent due to an illness for five consecutive days or more, a physician's statement justifying the absence is required when the student returns to school.

Generally, on previously approved absences, the assignments are to be obtained from the teacher in advance and completed by the time the student returns to class. Students with incomplete work could be required to attend teacher workdays or stay behind during field trips in order to complete the work.

#### TRIPS

Groups should not schedule trips during the week of quarter or semester exams. Exams should be taken as scheduled. Certain school related trips may cause exams to be taken early.

#### EXAM EXEMPTION REQUIREMENT

In order to be exempt from a final exam 2<sup>nd</sup> semester, students must have an A average for the semester, and not have more than seven (7) absences in that specific class for the semester.

Absences due to hospitalization, surgery, or a death in the family will not be factored into exemption attendance requirements. Also, students will not be exempt if they've received any type of suspension, half or full day ISS or OSS, during the year.

#### TARDINESS TO SCHOOL OR CLASS

Tardiness can be a serious problem which minimizes the importance of instruction time. Tardiness by students is disruptive to others and is a detriment to the learning process.

**Tardies to School** – Students arriving late to school will be considered tardy. A student is tardy after 7:45am. **There will be no excused tardies.** However, there are six (6) available tardies per quarter without penalty for unavoidable circumstances. Students who arrive at school after 7:45 a.m. should stop by the office to get a permit before going to class. The office personnel will send the student to class with the permit after logging the date and time of the tardy. A detention will be issued by the office on the 7<sup>th</sup> tardy and each successive tardy and a principal conference will be scheduled.

**Tardies to Class** - Students arriving late to 2<sup>nd</sup> – 8<sup>th</sup> period class without an appropriate pass will be considered tardy. On the fourth tardy and eighth tardy to class, there will be detentions given. On the twelfth tardy to classes, there will be an ISS issued. Note: tardies are cumulative, so a student might have two tardies in one class and two in another class and still receive a detention because of the total number of tardies. Tardies reset each quarter.

## CURRICULUM

### **ELEMENTARY CURRICULUM**

The elementary school consists of kindergarten through grade six. Classes are structured and students are taught academic skills according to school-set standards. Throughout all elementary grades, the basic skills of reading, writing, and mathematics are stressed.

Various curriculum materials and publishers are used in grades K-6<sup>th</sup>. Curriculum refers to the entire scope of objectives taught and the manner in which instruction happens. Multiple strategies may be used which include traditional methods such as lecture, presentations, reading, class work and homework, quizzes, tests, essays, and projects and non-traditional methods determined by the teacher which are appropriate and have educational value. A wide variety of textbooks may be used that may include both Christian and secular textbooks. However, the majority of all texts is Christian based. It is imperative to remember that the teacher is the living curriculum and the impetus of biblical integration within the classroom.

Among subjects offered in elementary school are:

Arithmetic	Language Arts	Physical Education
Bible	Composition	Art
Science	Grammar	Music/Choir
Health	Library Skills	Beginner Band & Orchestra-5th & 6th grade
History	Penmanship	Spanish
Geography	Reading	
Government	Phonics	
Vocabulary	Spelling	

## TECHNOLOGY USAGE

As part of our educational curriculum, BACS utilizes Google Workspace for educational tools to enhance student learning and collaboration. These tools include applications like Google Docs, Google Drive, and Google Classroom.

Google is committed to student data privacy and security. Your child's information will only be used for educational purposes and will not be shared with third parties.

By agreeing to the BACS Student Handbook you are consenting to management of your child's school issued Google account at the discretion of Bay Area Christian School.

## GRADING SYSTEM

In determining the letter grade to assign to a pupil for his work in a given subject, the teacher uses a combination of quantitative and qualitative indices. This means a grade is not determined completely and absolutely by a numerical percent average of tests only. Each project, written report, homework assignment, and other activity (as determined by the individual teacher) is weighed and converted into a number. This number is recorded in a grade book and the following scale is used to convert the number into a letter. A score of 70 or above is passing.

A 90-100      B 80-89      C 75-79      D 70-74      F 0-69

## REPORT CARDS/PROGRESS REPORTS

The grading system of our school is designed to give parents a true indication of the student's progress or lack thereof. Report cards are emailed to parents on the Tuesday following each nine-week period. Progress reports are issued on the Tuesday that is approximately the fifth week of the nine-week grading period.

Note: Academic records will not be sent to another school upon withdrawal unless the financial account is cleared.

## PROMOTION POLICY

K – 2nd grade - Students are promoted or retained based upon the teacher's recommendation, academic, and social progress. Students will be retained if they fail one or more subjects.

Grades 3 – 6 - Generally, students are retained at the same grade level if they fail more than one subject. However, if either Math or Language is failed, the teacher will recommend whether or not the student is promoted. All factors such as age and social maturity are considered by the teacher before recommending a student be retained. If promoted, make up work, such as summer school or tutoring, will be required.

## HONOR ROLL

Students are encouraged to do their best at all times. Each quarter, all 1<sup>st</sup> – 6<sup>th</sup> grade students who reach the following standards will be recognized as being on the Honor Roll:

1. All Scripture verses memorized for that quarter.
2. An over-all average of 90% or higher and passing grades in all subjects.
3. Good conduct (All E's, G's, and S's on Report Card and no more than one detention per quarter).

## TEXTBOOKS

Students pay a fee for books. Some books are consumable, and other books are reused year after year. Students are permitted to write in and/or highlight the material in consumable books. Students will pay for any books other than consumable books that they mishandle or lose.

Since the textbooks become part of the student's personal library, the student is encouraged to keep them in good condition, and each student should use his own textbook. If a textbook is lost, the student should check lost and found. If the book is not found within a week, the student should pay for the book, and another one will be supplied.

### ACHIEVEMENT TESTING

Each child in grades K – 6 will be given a school approved standardized assessment near the end of each year to determine progress as well as scholastic strengths or weaknesses. It is important that students are present and at their best on these test days. BACS does not “teach to a test”. Rather, it is used as a diagnostic to help shape curriculum, objective focus and planning as well as a metric for deciding student eligibility for advanced placement.

### PHYSICAL EDUCATION

In lower elementary P.E. (K – 4), students play organized games, learn sport skills, and improve their physical fitness level. Equipment includes jump ropes, hula hoops, beanbags, balls, and other types that aid in learning new skills and improving physical fitness. Classes are held in the gym, outside on the school campus, or in some cases, inside other school buildings. Athletic shoes are recommended for PE days. The upper elementary (5<sup>th</sup> – 6<sup>th</sup>) attends P.E. every day. Their classes are held in the gym or outside. Basketball or tennis shoes are required for P.E. To be excused from participation due to illness or injury, the student must bring a note from home. Grading is based on participation. A note from a doctor is necessary if participation is restricted more than two consecutive days in K – 6<sup>th</sup> grades.

### FIELD TRIPS and TRANSPORTATION

Each grade has approximately one class field trip per quarter. These field trips may be educational, recreational, or service oriented in nature. Notice of the trip will be sent to the parents.

Parents may be chaperones as needed to assist the teachers with monitoring all students. In some cases, chaperones will be assigned a group of students. Depending on the nature of the field trip or venues, teachers may decide that parent chaperones are limited. All chaperones must consent to a background check and read and sign a Child Abuse Prevention packet form. Parent attendees may take their child away from the group but realize that no other student may join their student. Parents as chaperones must follow the chaperone guidelines located with the teacher. **Parents may be required to chaperone their own child if disciplinary issues exist.**

Depending on the nature of the field trip and venue, siblings may not be allowed to accompany parent chaperones. We realize that this may limit some of our parent volunteers, but this is often necessary to help ensure the safety of our students on certain trips. We need the chaperone to be able to monitor multiple BACS students and focus on the students being chaperoned.

Cost for the students is included in the Activity Fee (Exception: Signature grade level trips such as the 6<sup>th</sup> grade Retreat). Parents attending either as a chaperone or independently will be charged.

All students may ride in a BACS bus. Please consider this option carefully as we can only change students from car rider to bus rider at the last minute due to emergency purposes only. Buses and bus drivers are reserved well in advance and there may not be an extra bus or driver available to accommodate last minute changes. There may be some field trips where all students will ride the

bus. School buses are for students only.

A student can also ride with a parent, guardian, or immediate family member (Aunt, Uncle, Grandparent, or Guardian) who is also attending the trip either autonomously or as a chaperone. Due to liability reasons and supervisory concerns, students CANNOT ride with parents of their friends. Students who do not attend field trips will be marked absent and parents will need to make other arrangements for their care. Utilizing 3<sup>rd</sup> party transportation services such as Uber are not permitted.

### SPECIALS

Music and Art are offered for all elementary students. Spanish is offered to students in 2<sup>nd</sup> – 6<sup>th</sup> grades. Various venues will be utilized to allow students to demonstrate what they have learned and created.

Band and Orchestra are offered for 5<sup>th</sup> – 6<sup>th</sup> grade students. Some instruments are loaned from the school; others are purchased or leased. Beginning instrumental students learn the basic rudiments of music theory and playing an instrument. Instrumental students learn how to play different parts and harmonize, and typically perform in various concerts and events.

### HOMEWORK

The purpose of homework is for reinforcement, practice, remedial activity, and special projects. Generally, no written homework will be assigned on program nights, Wednesday nights, or holidays.

Planners for 3<sup>rd</sup> – 6<sup>th</sup> grades are included in the Activity Fee. Students write assignments in the planner each day and take it home each night. Parents are responsible to check the completed assignments against the planner before signing off on the assignment. The teacher checks the planner each day for the parent's signature. Assignments for K – 2 will be communicated through various means as determined by the classroom teacher. Assignments that are incomplete or incorrect may need to be done again. Students who do not turn in their assignments may receive demerits, have points taken off, or receive zeros. Some homework is graded; some is not, depending on the type of assignment and the teacher's instructions.

### HELPS CLASS and EXTRA ACADEMIC ASSISTANCE

Extra academic assistance may be offered during recess for students needing a tutor or learning services.

Helps class is available to all students every Tuesday and Thursday from 7:25-7:45am.

### LIBRARY

The elementary library is located upstairs on the north side of the Cullins Education Center. K - 4 classes visit the library approximately weekly. The librarian and library assistant help students in choosing books. Appropriate library behavior is expected, practiced, and reinforced.

When the library is not open, books may be returned to the Elementary Office. There will be a late charge of ten cents a day after a four day "grace period". If a book is not returned at the end of the year, a charge of \$5.00 for paperbacks and \$10.00 for hard cover books will be added to the tuition statement.

### BIBLE/CHAPEL

God's Word is taught daily to all students. A Bible lesson is taught by the teachers each day. On Wednesday a chapel service is held. Chapel services are held weekly to give students and

teachers an opportunity to worship, sing, and fellowship together. The pastor, staff, students, and outside speakers lead in chapel services.

Elementary chapel for grades PK – 2nd is at 9:30-10:00 a.m. and for grades 3 - 6 at 10:05-10:40 a.m. on Wednesday mornings. Parents are welcome to attend and should check in at the Elementary Office if they do attend. Students in grades K – 6 may sing in elementary chapel. If a student wants to sing, the music teacher determines if the student is ready.

A spirit of reverence should be felt in all chapel services. Attentive, courteous conduct that is honoring to the Lord should always be observed. Content is taught from a biblically integrated point of view. The English Standard Version is normally used for all Scripture memory and chapel services in order to maintain uniformity. Students will have the opportunity to discuss chapel content in the classroom and at home through the weekly Faith Talk, which is emailed to parents.

### FIELD DAY

The school will hold elementary field events in the spring as planned by the elementary division and our P.E. teachers.

### **SCRIPTURE MEMORY K-12**

Most months of the school year, students are required to memorize Scripture selected by the school. Generally, recitation of the passage is due on or before the last school day of the calendar month. First through twelfth grade students who do not recite Scripture by the appointed deadline will have one week from the deadline to recite Scripture. Those who successfully recite Scripture after the deadline and within the one-week late period will receive a Blue Star and grade of 70. Successful recital is qualified as students reciting Scripture with only one prompt from the teacher/proctor and no more than three minor mistakes per passage. This will constitute a grade of 100%. Failure to say Scripture will constitute a grade of zero if graded.

Students who receive all red stars will be awarded a Red Star Award at the end of the year. Students who successfully recite all passages from the school year at one time with no more than one prompt and three minor mistakes per passage receive a Gold Star Award.

Kindergarten students learn verses beginning with each letter of the alphabet. They receive a Scripture award at the end of the year.

## **SECONDARY CURRICULUM**

Secondary curriculum includes curriculum used in 7th - 12th grade. Curriculum refers to the entire scope of objectives taught and the manner in which instruction happens. Multiple strategies may be used which include traditional methods such as lecture, presentations, reading, class work and homework, quizzes, tests, essays, and projects and non-traditional methods determined by the teacher which are appropriate and have educational value. A wide variety of textbooks may be used that may include both Christian and secular textbooks. However, it is imperative to remember that the teacher is the living curriculum and the impetus of biblical integration within the classroom. Each 9<sup>th</sup>-12<sup>th</sup> grade student will be issued a school owned and monitored Chromebook. It is an essential part of our educational strategy; students are required to bring their Chromebook charged to school each day.

## TECHNOLOGY USAGE

As part of our educational curriculum, BACS utilizes Google Workspace for educational tools to enhance student learning and collaboration. These tools include applications like Google Docs, Google Drive, and Google Classroom.

Google is committed to student data privacy and security. Your child's information will only be used for educational purposes and will not be shared with third parties.

By agreeing to the BACS Student Handbook you are consenting to management of your child's school issued Google account at the discretion of Bay Area Christian School.

## GRADUATION REQUIREMENTS

Twenty-six credits are required for graduation. Transfer students must complete at least two semesters in this school before receiving a diploma. All students will be enrolled in BACS' Texas Foundations High School Program (FHSP).

Each new freshman student will have the opportunity to earn endorsements and performance acknowledgements according to Texas Education Agency House Bill5 ([www.tea.state.tx.us/graduation.aspx](http://www.tea.state.tx.us/graduation.aspx)).

BACS offers three endorsements: ARTS/HUMANITIES, MULTIDISCIPLINARY, and STEM.

### SCHEDULE CHANGE/DROPPING A CLASS

Students may request a schedule change with counselor approval until one week after the class begins.

Students requesting to drop a core class must remain in the class through the nine-week exams and will be allowed to drop with permission from the counselor if the grade average is below a 70. Students enrolled in advanced placement classes may drop a class with counselor approval within five days of mid-semester report cards. Generally, the policy is for students to encounter a BACS curriculum or higher (such as dual credit through approved institutions). **No home school or online high school courses will be approved to replace a BACS offered core class credit.** Once a student enters BACS, the remaining core courses, which are required for graduation, must be taken at BACS unless written permission to take a course elsewhere is given by the counselor and principal.

It should be noted that a student's transcript will begin with the ninth grade year, and the requirements and course planning should be discussed at the beginning of the ninth grade year. Also, eighth grade students who take Algebra or **Spanish I** should be aware that the grade they receive will be on the official high school transcript. If a student makes a C or better, there will be no option for them to take the class over for a better grade.

Students in the 11th grade, who wish to graduate early, must declare so in writing to the counselor or principal by September 1st of the school year that they wish to graduate. They also must have completed 18 credit hours before permission is granted. These students will not be eligible for valedictorian or salutatorian status and cannot be ranked. If credits are not successfully completed by noon the Thursday before graduation, the student will not be permitted to walk at graduation.

Student Aides will not receive a numeric grade or credit.

### DUAL CREDIT

Students at BACS, in good standing, may take approved dual credit courses with Le Tourneau University or College of the Mainland granted they meet the academic requirements outlined by both BACS and the approved colleges. Students must have a minimum GPA of 3.5 as a sophomore and a minimum 3.0 as a junior. If a student has failed a course at BACS or cannot maintain a high A/B average, they should not apply for regular dual credit. Dual Credit grades will be checked at progress and report card times, and students who have below a 70 will be placed on the ineligibility list. Additionally, students and parents must understand that if in a dual credit course, students are expected to be on the campus of BACS for all other required courses and should not be on

campus on a dual credit class off-period in an unsupervised manner. Students enrolled in Dual Credit may arrive at certain periods of the day. Juniors and Seniors in Dual Credit are allowed to leave campus early with parent written permission by completing the form available in the student portal on-line. Students must always sign in and out through the High School office upon arrival or departure to and from campus. The responsibility of applying for dual credit resides with the parent/student and the dual credit institution.

### GRADING SYSTEM

In determining the letter grade to assign to a pupil for his work in a given subject, the teacher uses a combination of quantitative and qualitative indices. This means a grade is not determined completely and absolutely by a numerical percent average of tests only. Each project, written report, homework assignment, and other activity (as determined by the individual teacher) is weighed and converted into a number. This number is recorded and the following scale is used to convert the number into a letter. A score of 70 or above is passing.

### GRADE POINTS

	Regular	Honors
A - 90-100	4	5
B - 80-89	3	4
C - 75-79	2	3
D - 70-74	1	2
F - 0-69	0	0

An "I" is given as a temporary mark only; it must be converted to an A, B, C, D, or F by the end of the allotted time for make-up work. Honors points are not earned or applied until the completion of each semester.

### CLASS DESIGNATION

Students must earn at least 5 credits to be considered a sophomore, 12 credits to be a junior, and at least 18 credits to be considered a senior.

### BACS Honors and Advanced Placement Policy

Honors and Advanced Placement (AP) classes are available for students with high academic skills, excellent study habits and motivation to work at a rigorous and fast-paced college level. Entrance into Honors and AP classes is by teacher recommendation, student / parent request, an 80% or higher in the prerequisite course(s) and a minimum stanine of 7 on standardized tests. There may be additional entrance testing required dependent upon the grade-level and subject. (NOTE: Entrance into 7<sup>th</sup> grade Honors Math track, typically requires a minimum grade of 90%. However, the minimum average may be higher depending upon class ability and entrance exam scores. Additionally, a minimum grade of 90% is necessary if moving from a non-Honors prerequisite course into an Honors or AP level course. Minimum requirements and final placement decisions will be re-addressed yearly by the Honors Placement Committee.)

While in the Honors or AP class, if a student's average falls below 80%, they may be returned to the non-Honors or non-AP course equivalent. This minimum percentage may be lower for upper-level Honors or AP classes that are not prerequisites for later classes, such as AP Statistics, AP Calculus, Honors Anatomy, etc. This will be addressed on a case-by-case basis per teacher preference and with the Honors Placement Committee.

### HONOR GRADUATES AND CLASS RANK

Normally, there shall be one valedictorian and one salutatorian in each graduating class. To be eligible for valedictorian or salutatorian, the student shall be enrolled in Bay Area Christian High School for the entire junior and senior years.

At the end of the junior year, rank in class for the top ten percent (10%) is determined by using the numeric average of all high school credits earned to that point. This weighted numeric average is reflected on the transcript. Honors courses that transfer in will only receive weighted credit in this calculation if the course is also offered as an honors course at BACS. The GPA will reflect only transferable honors credits.

Final class rank for the top ten percent (10%) is determined at the end of the students' 11<sup>th</sup> grade year. In addition, the top quartile (25%) will be identified. All others in the class will indicate that BACS does not rank.

Students on the BACS Texas Foundation with Endorsement Graduation Plan, plus earning at least one endorsement with a comprehensive four-year average of 90 or above, and good conduct will be recognized as honor graduates. Good conduct shall be determined by behavior reports, and the principal's recommendation. Note: students on behavioral probation anytime in High School are automatically disqualified for consideration.

#### VALEDICTORIAN AWARD

The following procedures shall be used to determine the Valedictorian and Salutatorian:

1. Only core courses are included in the numeric calculation. Only courses taken on BACS campus qualify for consideration – courses taken by tutor, home schooling, correspondence courses, dual credit, or special arranged classes will not be considered (exception: credits earned in regular Fall and Spring sessions of students who transfer to BACS). However, honors courses that transfer in will only receive weighted credit in the calculation for honors if the course is also offered as an honors course at BACS.
2. Transfer students must have accomplished 50% of their core course work at BACS.
3. Core courses are those which fall into the categories of Bible, English, Math, Science, Foreign Language, History, Government and Geography. All honors and AP classes are considered core classes.
4. After the first semester of the senior year, the students with the ten highest overall numeric averages will be in contention for Valedictorian. The numeric average for students will be calculated only using core courses completed at BACS so the same or equivalent courses are compared. The person with the highest numeric grade average for core courses during 9-12 will be Valedictorian. Should there be a tie, the student who has taken the most credit classes will be the winner. Should there further be a tie, the person who attended BACS the longest will be the winner. Should there still be a tie, BACS would declare there to be co-Valedictorians.
5. Any student considered must have comprehensive conduct grades of satisfactory or above for each semester in grades 9 through 12. A student who has received an OSS in his or her high school years may not be considered for the valedictorian award no matter the average.

#### SALUTATORIAN AWARD AND CLASS RANK

The student with the second highest average will be the salutatorian. The procedure for determining salutatorian will be the same as that for determining Valedictorian.

#### REPORT CARDS

The grading system of our school is designed to give parents a true indication of the student's progress or lack thereof. Report cards are emailed to parents on the Tuesday following each nine-week period.

In the case of withdrawal or transfer; academic records will not be sent to another school unless the financial account is cleared.

### HOME SCHOOL AND CORRESPONDENCE COURSES

Once a student is enrolled at BACS, home-school credit will not be accepted. Correspondence or summer school courses for credit recovery must be taken through a recognized educational institution, and must have written approval from the counselor or principal.

### HONOR ROLL

Students are encouraged to do their best at all times. Each quarter those who reach the following standards will be recognized as being on the Honor Roll:

1. All Red Star Scripture verses memorized for that quarter.
2. A combined average of 90% or higher in **BACS** core classes (Math, Social Studies, English, Science, HS Foreign Language, and Bible).
3. Good conduct (no more than three detentions for the quarter and no suspensions).
4. No failures in ANY class.
5. A half-day field trip may be scheduled for students on honor roll.

### ACHIEVEMENT TESTING

Each BACS student in grades 7-8 is given a school approved standardized assessment near the end of each year to determine his progress as well as scholastic strengths or weaknesses. Grades 9-11 will be given the PSAT. It is important that students are present and at their best on these test days. This information is sometimes requested by colleges for admission purposes. It is also used for determining advanced placement and honors class eligibility.

Bay Area Christian School students consistently score above the national norms for each grade level. Scores are generally sent home prior to the last day of school.

### PHYSICAL EDUCATION

Physical exercise is for everyone. Regular classes are to teach skills, produce mature conditioned bodies, and promote good health. Junior High students are required to wear uniforms purchased through the school store/website or athletic department, with proper socks and athletic/tennis shoes. High School students should wear a BACS spirit t-shirt with BACS approved workout shorts with proper socks and athletic/tennis shoes. Absence of any of the above (gym suit, shoes, or socks) will mean a loss of **one point per item** for the class grade. **If a student is missing more than three items in a week, a dress code referral will be issued.** To be excused from participation due to illness the student must bring a note from home. If a student is not able to participate in P.E. for more than 3 days, then a note from a doctor will be provided for the P.E. teacher.

### SPORTS

Competitive sports are for any students interested. All sports are centered around Christian attitudes and principles. A student is taught to practice his faith as a part of the sport. Also, per TAPPS rule, all athletes must be enrolled in four (4) academic classes to maintain eligibility.

The school has the following competitive teams: BOYS GRADES 9-12: cross country, football, wrestling, swimming, basketball, soccer, baseball, track, golf, tennis; GIRLS GRADES 9-12: cross country, volleyball, cheerleading, swimming, basketball, soccer, softball, track, golf, tennis; GIRLS GRADES 7-8: volleyball, softball, basketball, soccer, tennis, cheerleading, track, and swimming;

BOYS GRADES 7-8: football, basketball, track, cross country, swimming, soccer, wrestling, tennis and baseball. Sixth grade students may participate in volleyball, football, cross country, basketball, swimming, baseball, softball.

The high school teams compete in the T.A.P.P.S. (Texas Association of Private and Parochial Schools) Conference, which hosts regional and state championships.

### PERFORMING ARTS

Vocal Ensemble – Secondary students may participate in a vocal ensemble. For grades 7-8 the group is called Freedom Sound. For grades 9-12 the group is called Resound.

Band/Orchestra - The instrumental music program encourages development of musical skills and appreciation of music.

### ELIGIBILITY FOR CO-CURRICULAR ACTIVITIES

Students must be eligible under no-pass, no play. Also, per TAPPS rule, all Performing Arts students must be enrolled in four (4) academic classes to maintain eligibility. Extracurricular activities include public performances, contests, demonstrations, displays and club activities. An activity would be considered extracurricular if:

- The activity is competitive
- The activity is held in conjunction with another activity that is considered extracurricular
- The activity is held off campus, except in a case in which adequate facilities do not exist on campus
- The general public is invited
- An admission price is charged

**Exception: If a student is enrolled in a state-approved course in which he or she must demonstrate mastery of essential knowledge and skills in a public performance, then he or she may participate so long as the activity is not competitive, it is not held in conjunction with another activity that is competitive, and an admission price is not charged. A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in Concert and Sightreading Evaluation, may perform with the ensemble during the evaluation performance.**

Additionally, the following criteria must be met for students to participate in extra-curricular activities such as sports, band, choir, and cheerleading:

1. Per TAPPS regulation, the student must be taking at least four academic subjects with no failures. (PE, Weight Training, Athletic Training, etc. do not count)
2. Eligibility will be checked after the ninth week of each quarter. After the second quarter, eligibility will be determined by the semester average of the first and second quarters. All are eligible for the first nine weeks of the school year.
3. Students would be ineligible if:
  - a. The student has a failing grade (below 70 for the 9-week grade, the semester grade is used after the 2<sup>nd</sup> quarter).
  - b. The student has more than one detention per week (averaged for the period).
  - c. Monthly scripture verses are not quoted for each month to date. Students are responsible for cumulative verses for each semester: 1<sup>st</sup> Quarter – August and September, 2<sup>nd</sup> Quarter – August through November, 3<sup>rd</sup> Quarter – January and February, 4<sup>th</sup> Quarter – January through April.
4. Ineligibility for issues in #3 above would cause the student to be ineligible for one week starting the Monday after the day report cards go out. If a student has two or more failing grades, that

student would be ineligible for at least two weeks.

5. To become eligible again the student must:
  - a. If failing a class, the student will serve one week of ineligibility and will be on academic probation until the four-week progress report. While on academic probation, the student would be eligible. If the student is failing that same class on the next progress report, the student would be ineligible for the rest of that quarter starting the Monday after the progress reports go out. If the student is passing the class, academic probation is ended for that quarter.
  - b. Detentions – serve the one week of ineligibility. If on the next progress report the student has four or more detentions during that four weeks, then the student would be ineligible for the rest of the quarter starting the Monday after progress reports go out.
  - c. Scripture – serve the one week of ineligibility, then say the memory verses to the current month as stated above.
  - d. The student must become eligible at least one day before a contest or event to participate.
6. To be eligible to play in a game or perform, a student must be at school that day, ALL day, unless there is a circumstance that cannot be rescheduled such as a funeral, a visit to the DMV, or a well doctor's appointment. Absence for illness and not feeling well is not accepted. If a student is too ill to come to school, they should not compete or perform.
7. A student receiving a 1/2 day ISS will be ineligible for the next game/performance. A student receiving a full day ISS will be ineligible for the next two games/performances. A student receiving an OSS will be ineligible for the next two games. The administration will take in to consideration the Performing Arts calendar when determining ineligibility for Performing Arts students that are suspended.

## STUDENT ORGANIZATIONS

Student Council - The student council is a group of students elected to develop student leadership, aid in promoting and planning student activities, and to facilitate favorable student /staff relationships. ### BIBLE/CHAPEL

God's Word is taught daily to all students. A Bible lesson is taught by the teachers each day. Bible is taught in grades 7-12. For high school graduation, a Bible credit is required for each year in attendance at Bay Area Christian School in grades 9-12. Every subject is taught from a biblically integrated point of view.

On most Wednesdays a chapel service is held. Chapel services give students and teachers an opportunity to worship, sing, and fellowship together. The pastor, staff, students, and outside speakers lead in chapel services. A spirit of reverence should be felt in all chapel services. Attentive, courteous conduct that is honoring to the Lord should always be observed.

All classes participate in Scripture memorization. The English Standard Version is used for all Scripture memory in order to maintain uniformity.

Juniors must be within eight (8) credits of graduation to order a ring.

### COLLEGE VISITS

Normally three excused absences a year are allowed for students to visit colleges. Students must provide a note from their parents and a verification note from the college attended to the high school office. Only a half day excused absence will be granted for visits to local colleges.

## MEDICAL HEALTH GUIDELINES

IMMUNIZATIONS – Texas State Law requires that all students must have current immunization information on file in the office. Parents are required to keep immunizations current or have an affidavit stating vaccination exemptions. Students who do not have complete and proper immunization documentation **WILL NOT** be allowed to start school until proper documentation is received and verified.

HEALTH SCREENINGS – Vision, Hearing, Spinal, and Acanthosis screenings are performed in the fall for the state mandated grade levels and all new students. Parents will be notified by the BACS Nurse if your child needs further evaluation.

ILLNESS – Students who are ill or seriously injured should be kept home until improved. Students will not be allowed to attend school if they are showing definite signs of illness, such as fever, vomiting or diarrhea. Parents will be notified and will need to pick up the student if a fever is detected or if student has vomiting or diarrhea while at school. Students should be fever free (without the use of fever-reducing medication) and/or not having vomited or had any episodes of diarrhea for at least 24 hours before returning to school. Other conditions requiring exclusion may include but are not limited to pink eye, contagious infections or infestations. It is the nurse's discretion to send a student home, even if not meeting the above criteria, if she feels the student is possibly contagious and/or putting other students or staff at risk of illness.

If a student is absent from school due to a contagious illness, or the student is absent for five or more consecutive days due to illness, the student must present a doctor's note upon returning and before being admitted to class. If a student is being treated with an antibiotic, they must be on the medication for at least 24 hours before returning to school.

Please be advised that, by law, nurses are not able to diagnose and do not have the medical order or ability to perform diagnostic tests in the school clinic.

INJURIES OCCURRING DURING SCHOOL – Minor injuries occurring during school hours will be treated by the nurse. In the event that the nurse is unavailable or is taking care of students with more critical or urgent needs, the office personnel may assist the student. In the event of serious injury or illness, the appropriate emergency personnel will be contacted. If the nurse feels an injury may require further attention, efforts will be made to notify the primary contact.

MEDICAL Information/Permission to Treat – Medical information and permission to treat student is filled out during the on-line application process by the parent or guardian to notify the nurse of each child's history and current health conditions. The on-line application includes allergies, medications taken daily and health issues. For your child's safety and wellbeing, please notify the nurse of any updates throughout the year. The permission to treat section gives consent for each student to be treated by the BACS nurse or delegated personnel during the year.

GENERAL MEDICATION GUIDELINES (prescription and non-prescription medications)

- A written or online permission to administer medication form must be signed by a parent or legal guardian, along with specific directions for administration of medication are required. Student's requiring an epi-pen will not be allowed to attend school until the medication is received by the nurse. Please contact the nurse at [nurse@bacschool.org](mailto:nurse@bacschool.org) to set up a time to**

drop off medication prior to the first day of school.

- The student may not carry or administer any medications to himself/herself. However, Texas law permits students to carry and self-administer prescription asthma medications; inhalers with the proper form completed and signed by the physician and parent.
- **BACS will not stock or provide any medications for students.**

- The nurse will notify parents as needed for medication replacement or other pertinent issues.
- If the medication is new to the student, the first dose of the medication should be given at home.

Physician's offices are familiar with distributing school notes for medication administration. For your convenience, you may have your doctor's office fax an order to the school. **The fax number is 281-554-5495.**

## DRESS CODE

### **ELEMENTARY DRESS CODE**

Clothing for students in school must be characterized by modesty, safety, appropriateness, and good taste. Students are required to wear uniforms purchased through Lands' End or collared shirts through BACS Spirit Store. Each garment must be neat in appearance and worn in a manner that fits properly without being too tight, too short, or too loose.

BACS values the conscious effort of parents in preventing the dress code from becoming a major issue. Students are expected to abide by the dress code, and parents are expected to monitor compliance before their children leave home. This will help keep teachers and administrators from being distracted from the instructional process. When choices of clothing are in question, the student should consult his or her teacher or other school personnel BEFORE wearing the questionable attire. There is no way to eliminate all dress code problems. However, with the implementation of a uniform dress code, it is hoped that more time may be devoted to the instructional process and less time devoted to uniform problems.

All hair should be free of distracting adornments or fasteners and should not be extreme: including, but not limited to, shaved or shaped designs, shaved lines, mohawks, etc.

Hair for girls should be clear of the eyebrows and be kept out of the line of vision, being cut or fastened in such a manner as not to require continuous attention. Headbands in school colors or muted colors may be worn.

Sideburns are not to be longer than the bottom of the ear.

The school reserves the right to prohibit any style that the administration determines to pose a distraction, and may request that hair be trimmed, cut, or restyled according to any deemed violation of the policy. Trimming, cutting, or restyling requested by administration must be done within three (3) days of a written referral.

17. Boys should be clean shaven: no goatees, mustaches, long sideburns below the bottom of the ear, etc.

#### SHOES, ACCESSORIES, AND JACKETS

1. Choose from approved BACS uniform accessories on the Lands' End website.
2. Students need to wear shoes that totally enclose the foot. No sandals, flip-flops, slippers that look like house shoes, shoes with wheels or spinners, sling back shoes, five finger shoes, house

shoes, or open toed shoes. Sperry's, Toms, Vans, tennis shoes, flats, boots, or dress shoes (with one-inch heel or less) are all acceptable and colors may vary. Socks should not be worn over the knees.

3. Any jacket may be worn on campus, but only outerwear with school logo or Spirit Store/Bronco outerwear, hoodies, sweatshirts, etc., may be worn during the day in the school buildings. Students may wear a jacket or coat on campus to and from the car and outside, but if it is not part of the school uniform or approved Spirit Store offering, then the student needs to store the jacket while in the building.
4. Socks, leggings, shoes, ties, etc., do not need to be purchased through Lands' End, but socks may not be worn over the knee. Belts must be worn when there are loops. Belts can be any style as long as they fit within the belt loops. Leggings and socks should not cause a distraction. Boys and girls may not wear leggings under shorts. Fishnet type leggings or stockings are considered inappropriate.
5. No piercings, other than the ears of girls, are allowed.

## ACCESSIBILITY & VISITATION

### **FACILITY ACCESSIBILITY**

Atrium doors are unlocked at 7:00 a.m. to allow for Extended Care accessibility. Junior High building doors are unlocked at 7:15 a.m. High School building doors are unlocked at 7:15 a.m. Other main doors are unlocked at 7:45 a.m. Doors are then locked after school begins. All elementary visitors will need to go to the Elementary Office entrance to sign in. Junior High visitors will need to go to the Junior High building to sign in. High School visitors will need to go to the High School building to sign in. Doors remain locked all day. Junior High students who are left on campus after 3:25 should report to the Atrium for supervision. A charge will be assessed. Those found on campus unsupervised will be directed to the Atrium and given proper discipline.

### ELEVATOR USE

Students are not allowed to use the elevator unless they have a doctor's note indicating a physical condition which requires its use.

### **ELEMENTARY VISITOR SIGN-IN**

#### VISITOR PASS/SIGN-IN

Elementary parents and visitors need to go to the Elementary Office before visiting the classroom, lunchroom, playground, fields, etc. to sign in and get a pass. The pass will let the teachers know the office has approved the campus visit. Please dress modestly and act in a manner consistent with school policy. **Visitors will be limited to the student's adult family members only (parents, siblings, grandparents, aunts, uncles). School aged family members coming to visit must be accompanied by an adult family member. A student's friend or non-relative will not be permitted to visit.**

Upon entering the elementary building, visitors will be asked to present a state issued ID or Driver's License, which can either be scanned or manually entered into the system. If a parent or guardian for any reason does not have a current state-issued ID or Driver's License, the school staff member can use another form of identification and manually enter the person's name into the Raptor system. **A visitor who is consistently unable to show a current state-issued ID or Driver's License will not be permitted into the building.** The Raptor system will check to ensure that registered sexual offenders are not entering our school campuses without our knowledge. The Raptor system checks the visitor's name and date of birth for comparison with a national

database of registered sex offenders. The registered sex offender database is the only official database checked by the Raptor system. No other data from the ID is gathered or recorded and the information is not shared with any outside agency. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit. A visitor's badge will not be necessary for those who visit our school simply to drop off an item in the office or pick up paperwork.

Visitors to classrooms during instructional times are welcome, however, in order to minimize disruption to classroom instruction, prior approval from the teacher or the Elementary Office must be obtained. Visits should be quick unless a timeframe has been established.

#### DISMISSAL PROCEDURES

Afternoon pick up will begin following the 3:10 p.m. dismissal time. Students who are pre-registered for Extended Care will be escorted to the Kids' Commons. Students who are signed up for the car line will be led to their respective car pick up areas.

We do request that one method of pick-up be chosen. There are exceptions for emergencies. If you encounter an emergency and need to change your method of pick-up for the day, please contact the Elementary Office before 2:00 p.m. **Please do not walk up to the car line expecting to pick up students.** We will refer parents who walk up to the car line to the office.

Please review the traffic flow chart for pick-up and drop off. Parents are given visor signs to use for pick-up and drop off. Also each family has been assigned a security number which parents and persons listed on the student's security form should commit to memory. If the school-issued visor sign is not displayed, a security number will be requested. If neither a sign nor number is given, the security form of the student will be consulted to determine if permission has been granted for student to be released. A driver's license may be required to confirm identity. In order to expedite the pick-up process, arrangements should be made for students to enter from the curb/right side of the vehicle, and parents should remain inside the vehicle, otherwise, the pick-up process is delayed and safety concerns are presented.

#### PARTIES

All surprise parties for teachers and coaches must be approved by the principal. Parents are welcome to send treats for a child's birthday, and they may be passed out at lunch or at the teacher's discretion. Invitations to birthday parties may not be passed out during the school day unless the entire class is invited. There are three school-sponsored parties each year. A room mother and other volunteers can help plan the Christmas, Valentine's Day, and End-of-Year parties. The Christmas party is held the last hour of the last day before Christmas break. The Valentine's Day party is held the last hour of the holiday unless given permission to be moved. The End-of-Year party should be held the last one or two hours of the last day of school on campus.

#### SCHEDULING ACTIVITIES

To avoid conflicts of events, all activities of school related groups are to be cleared through the principal. The only student activities permitted will be those officially designated by the school administration.

#### SUPERVISION

Extra childcare is available from 7:00 - 7:25 a.m. and from 3:30- 6:00 p.m. for a fee. Students not picked up by 6:00 p.m. will be charged a late fee. Parents pay an hourly fee for childcare which is billed monthly. Unsupervised students may be accompanied to a supervised area when necessary. This is to ensure that no elementary student is left unsupervised and is for their safety and protection.

Excessive behavior referrals may result in dismissal from Extended Care.

Students should not arrive before 7:25 a.m. unless they are signed up for childcare. All students are supervised by the teachers on duty from 7:25 – 7:45 a.m. when they are released to go to the classroom. K – 2<sup>nd</sup> grade students are in the Kids' Commons. Students in 3<sup>rd</sup> – 6<sup>th</sup> grade are supervised in the Fellowship Hall/cafeteria. Students should not enter the cafeteria until 7:25 a.m. when supervision is provided.

Supervision at the pick-up areas are for carpool students only. At 3:30 p.m. all elementary students left at the pick-up areas will be transported for check-in with Extended Care. Parents will be charged an Extended Care fee beginning at 3:15 if their student is checked into Extended Care from the pick-up line.

Elementary students must remain in dress code until they have left the campus. They may not eat snacks or drink soft drinks at the pick-up areas unless given permission by the teacher and must remain seated until picked up by their parents or carpool. Students must remain with the teacher on duty at the pick-up point designated on the security form until 3:30 p.m.

During parent conferences, students may remain in childcare at no charge for the duration of the conference. Parents should retrieve their child immediately after the conference so as not to incur a childcare charge.

Please do not engage teachers in conversation while they are on duty and at pick up. They are responsible for the safety and security of the children under their supervision. They could be distracted by talking to individual parents. It is better to make an appointment for a conference.

## SECONDARY VISITOR SIGN-IN

### VISITOR PASS/SIGN-IN

Secondary parents and visitors need to go to the Elementary Office located in building "C" before visiting the classroom, lunchroom, or school grounds to sign in and get a pass. The pass will let BACS personnel know the office has approved the campus visit. **Visitors will be limited to the student's adult family members only (parents, siblings, grandparents, aunts, uncles). School aged family members coming to visit must be accompanied by an adult family member. A student's friend or non-relative will not be permitted to visit.**

Visitors are not permitted to visit the classrooms, lunchroom, or school grounds where classes are in session without checking with the office and getting approval from the principal, administrator, or person in charge. They must wear a name tag. They must dress in a modest manner, and act appropriately, following school rules while on campus. They are not to go on field trips or attend class parties. **Students who have been dismissed or requested to transfer may not visit the campus during school hours.** Additionally, parents and grandparents should not plan a visit during class time or instructional time unless requested by a teacher or administrator.

Upon entering the elementary building, visitors will be asked to present a state issued ID or Driver's License, which can either be scanned or manually entered into the system. If a parent or guardian for any reason does not have a current state-issued ID or Driver's License, the school staff member can use another form of identification and manually enter the person's name into the Raptor system. **A visitor who is consistently unable to show a current state-issued ID or Driver's License will not be permitted into the building.** The Raptor system will check to ensure that

registered sexual offenders are not entering our school campuses without our knowledge. The Raptor system checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. The registered sex offender database is the only official database checked by the Raptor system. No other data from the ID is gathered or recorded and the information is not shared with any outside agency. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his/her visit. A visitor's badge will not be necessary for those who visit our school simply to drop off an item in the office or pick up paperwork.

### DISMISSAL PROCEDURES

Secondary school dismissal time is at 3:00 p.m. Students must remain in dress code until they have left the campus. Students should go to the front of the High School building to be picked up. Students should not go to the gym to hang out until they are picked up. If a Junior High student is to be picked up after 3:30 p.m., they are to go the Atrium, check into Extended Care, and wait for their ride.

### PARTIES

There will be no class parties during school hours except regularly scheduled and approved parties. All "surprise parties" for teachers and coaches must be approved by the principal. The teachers may wish to recognize the individual student on their particular birthday with a card, gift, prayer, etc. If parents wish to bring a cake for a birthday, they may do so **during lunch or after school.**

### SCHEDULING ACTIVITIES

To avoid conflicts of events, all activities of school related groups are to be cleared through the school administrator or principal. The only student activities permitted will be those officially designated by the school administration.

### SUPERVISION

Extended care is offered for K – 8; however, no extended care is offered for grades 9 – 12. Secondary students are required to report to a designated/supervised area immediately following the end of school: supervised practice, supervised helps-class, supervised detention, etc. If a student has no after school activities in which to be involved or supervised, parents should arrange to have the student picked up from campus, or instruct junior high students to go to Extended Care. Students outside of a designated area or who are unsupervised are subject to discipline.

### LOST AND FOUND

Students often misplace articles of clothing, books, band instruments, and other personal property. When such items are found, they are turned into the respective school office. Please label all items sent to school, including lunch kits, P.E. t-shirts, shorts, coats, sweaters, jackets, and calculators.

A child may claim lost items at the respective school office. All personal items should be labeled. Every possible effort will be made to return lost items to the owners. Before Christmas break, and the end of the year, lost and found items are displayed in the Atrium. Items may be picked up at that time for no charge. Items not picked up at this time are donated to charity.

### LUNCH

Students must not leave campus for lunch. Also, no deliveries from 3<sup>rd</sup> party sources will be

accepted for students- Door Dash, etc.

Most students bring their lunch. However, BACS now offers a cashless, full-service operation for lunch. All the food purchases will be made using the electronic payment system in advance – NO CASH will be accepted in the cafeteria or the snack bar line. The restaurant items will not be available without pre-ordering in advance. BACS uses the FACTS School Management System for food service which allows parents to order meals on-line at least one week in advance using the E-Check system. On-line ordering for the following week closes each Sunday evening. Please view the school website for ordering lunch on-line, for pre-loading the snack bar credit account, and for a list of daily lunch menu and snack bar items.

If a child comes to school with no money or lunch, the snack account set up by their parents can be utilized. If no money exists, the student will be allowed to charge. Students will be allowed to charge foods from the back of the menu, not the catered food for the day. If they do not pay the charge, additional paperwork is required to add the charge to your school account. Microwaves are available for use for 3<sup>rd</sup> graders and up.

**Visitors for lunch will be limited to the student's adult family members only (parents, siblings, grandparents, aunts, uncles). School aged family members coming to visit must be accompanied by an adult family member. A student's friend or non-relative will not be permitted to visit.**

The following lunchroom policies will be observed:

1. Students will conduct themselves in an orderly manner enroute to the lunchroom.
2. Seating areas may be assigned.
3. Food and drinks are to be consumed in the lunchroom only.
4. Students are not to throw food or any objects in the cafeteria.
5. Students are not allowed to leave the school grounds for lunch.

### EMERGENCY SCHOOL CLOSING

In the event of emergency closing parents will be made aware by the following:

- Postings on the school website.
- Email communication/text/call to parents.

### CLOSED CAMPUS

Students are not to leave the school grounds for lunch or any other time during school hours without administration approval and signing out at the office.

### LOCKERS AND LOCKS

The school provides lockers with locks for grades 6<sup>th</sup> – 12<sup>th</sup>. Students are not allowed to change locker assignments without office approval. The school is not responsible for items lost out of lockers. Students should refrain from revealing lock combinations to others or pegging their locks. No personal locks may be used. **The school has the right to examine the contents of lockers, cars, clothing, backpacks, and purses on school grounds at any time.**

### SCHOOL EMERGENCY DRILLS

It is a necessity (by general law, accreditation standard, and professional practice) to maintain a practice of fire, storm, and lock down procedures by drills. We do not publish our procedures; however, you may review these procedures by making an appointment with our office and providing adequate identification.

### ASBESTOS INFORMATION

All schools are legally required to notify parents of the presence of any asbestos. Bay Area Christian School was inspected in 2020. The only asbestos present was in the mastic (glue) under the carpet on the second floor of the A building. Inspection revealed that it is no threat to our students. Any disturbance or removal of carpet includes inspection and abatement.

### MARRIED STUDENTS

Married students are not allowed to attend the school.

### MEDIA CONSENT

Parents or Legal Guardians hereby grant an irrevocable worldwide, royalty-free right, and license to Bay Area Christian School to utilize, adapt, modify, reproduce, distribute, publicly perform, and display photographs, video, or sound recordings of students during school events for use in legitimate and School-related promotional, educational, informational, advertising or commercial materials. Parents/Legal Guardians hereby waive any right to be notified or to inspect or approve the Media or any Materials that are created using the Student's Likeness, now or in the future, whether that use is known or unknown to you. Parents/Legal Guardians waive any right, now or in the future, to royalties or other compensation arising from or related to the use of the Media Materials for Student's Likeness.

### ANNUAL AWARDS PRESENTATION

Certificates, plaques, and trophies highlight the annual awards presentation held each spring. Students compete to attain various awards and recognition throughout the year, including the following categories:

- Academics
- Character and effort
- Special talents in fine arts and sports

### COMPLAINT PROCEDURE

Parents or Students who have complaints about a staff member are to try to reconcile those with the staff member first. If not satisfactorily solved, then the student should bring the complaint to the principal in the presence of the staff member after school or at an appointed time.

The following procedure is used by the faculty and taught to the children. Parents are requested to use this procedure any time there is a complaint:

1. First and foremost, go to the Father for wisdom, insight, and guidance. Bathing the entire situation in fervent prayer is a must.

2. Express it promptly. Keeping it to yourself can cause ill feeling. Jesus says that we can't properly worship or serve God if there is a disagreement between yourself and someone else (Matthew 18:15).
3. Tell it to the right person. Complaints about school policy or operations should be expressed to the principal and the administrator. Complaints about teachers should be expressed first to the individual in question, and should be expressed to the administrator only if you cannot work it out between yourselves or if you feel he should know about it.
4. Express it clearly. Make sure the person you are expressing your complaints to knows all the details of the situation, and exactly what you are complaining about and why. Misunderstanding of complaints could lead to further problems and needless hard feelings.
5. Don't broadcast it. Express your complaint only to the person who should hear it. Needless worry, harm, and hard feelings result when problems and dissatisfactions are expressed to persons other than those directly involved with the problem. Telling others stirs up dissension and can lead to the undermining of teacher credibility in the classroom.
6. Pray about it. Ask God to help you make your complaint in such a way that it will result in the betterment of the school, and thus in the glory and growth of His kingdom. Read and think about such passages as Ephesians 4:1-3 and Colossians 3:12-13. Pray about it!

## **WHAT PARENTS CAN DO TO HELP THEIR CHILDREN IN A CHRISTIAN SCHOOL**

**By Dr. Paul A. Kienel, Executive Director  
Association of Christian Schools International**

Help your children to understand that school is a disciplined learning situation. Very little learning occurs at school if students are not trained by their parents to "obey those in authority," including their teachers and administrators. The most common threat to the academic quality of a school is a decline in discipline. When discipline declines learning declines. This principle applies to schools and it also applies to individual students. Youngsters in school reflect their home training. Students whose parents firmly discipline them in Christian love at home respond well to the normal environment of the Christian school classroom.

Show normal parental affection to your children. You may ask, "What does parental expression of love have to do with school?" It is difficult for teachers to explain the love of God if students have not experienced love at home. Too many youngsters go to school lacking the security of parental love.

Your children will be handicapped for the rest of their lives if they have not learned early in life to use time in a responsible way.

Show an interest in what your children are learning in school. Discuss with your children the subject material they are studying in the classroom. Most of what your children learn in school is interesting. It will enhance their interest even more if you, as parents, are intellectually involved with their education.

Don't "roast" the teachers or principals. The ministry of the school is carried out by mortal individuals who are not immune from making mistakes. Consequently, on occasion, you may disagree with the administrator or a teacher or some aspect of the school. Don't discuss your points of disagreement with your children. It will destroy the school's ability to be effective with your youngsters. Support the school's rules and regulations. School rules are necessary and must be generally agreed to by parents, students, and school personnel. As a parent, you may not always agree with every comma and exclamation point of the school's rules and regulations, but you must not show less than full support of them to your children.

Train your children to be accountable for their actions. Teach them the Biblical grace of apologizing and seeking forgiveness if they harm or offend another individual. If they lie or steal, require them to make full restitution with God and those against whom they have sinned.

Train your children to be accountable for their words. Children can be extremely cruel to other students by their words. If left untrained, they will develop an argumentative backtalk manner of speaking with teachers, parents, and others. They are also quite capable of malicious talk and gossip. It is a negative pattern that must be broken early or it will plague them the rest of their lives. In a positive, constructive way, teachers and parents must impress upon young people that words are powerful and that they are accountable for them. Train your children to be accountable for their time. It is not an overstatement to say that many students are "time wasters." You will help your children in school and in life if you will train them to use their time wisely. Talk to your children about setting aside specific times each day for homework and household chores. Also, train them by example and by instruction to be on time for school, church, and other time-oriented obligations.

Students are much more prone to violate school rules if they know their parents do not agree with

the rules. Students must see the school and the home united.

Be a model of what you want your children to become. Children are parent watchers. They are modeling their lives after yours. If you are a positive, joyful, Christian individual whose lifestyle is in harmony with Biblical principles, your children will respond to the Bible-centered training of the Christian school. If, on the other hand, your lifestyle is contrary to Bible-centered living, your children may be confused and even frustrated by the conflicting role models they see at home and at school. If you are not a born-again Christian, I urge you to become one for your sake and for the sake of your children. Life is so much better when Jesus Christ is the central figure in your family.

Your children will respond to the structured, educational environment of a Christian school if you provide them with a Christ-centered home where they are loved, inspired, and disciplined.
