

A humpback whale is captured in the middle of a breach, its dark, ribbed back and head arched high out of the blue water. The whale's head is tilted upwards, and its mouth is slightly open. The water around the whale is splashing and white with foam. In the background, a dense forest of evergreen trees covers the lower slopes of a mountain range. The mountains are rugged and have some snow patches, especially in the higher elevations. The sky is a clear, bright blue.
