GREETINGS FROM THE ST. NICHOLAS SERBIAN TAMBURITZAN BOARD

It is with great pleasure we welcome our families, kumovi and friends to our audience today. It is all of you who have been sitting in the auditorium seats for 62 wonderful years cheering us on, for which we are forever grateful.

Today marks another successful year of continuing our ancestry and heritage left to us by our founders, parents and grandparents. Our St. Nicholas Serbian Tamburitizens carry the esteem pride of perpetuating our Serbian and neighboring Orthodox cultures. We have exclusively preserved our mission over the years without any interruption.

We maintain our pride in solely providing a cultural organization for our Serbian Orthodox youth. Our committed Tamburitizens will bring joy and pride to your hearts as you watch them showcase their special talents on stage.

We thank our committed choreographers, music directors and parents who work tirelessly to continue our mission. Enjoy the show!

Dobro Nam Došli

MESSAGE FROM YOUR PARISH PRIEST

Hristos Voskrese! Voistinu Voskrese!!

Christ is Risen! Indeed He is Risen!

It is with great joy that I greet you on this 62nd Anniversary. I am both deeply honored and humbled to be your parish priest, and I look forward to many celebrations to come. Our beautiful and rich heritage of song and folklore has been essential in maintaining not only our cultural traditions, but our faith in God our Savior. After the devastating defeat at the Battle of Kosovo, our people and our faith were threatened. Our poems, song and dances from that time were written to serve as a remembrance and to glorify God in spite of the defeat. As our people struggled to understand God's will, the music soothed the bitterness of loss. This tradition, strengthened by pain and suffering, preserved the Christian peasant's ethnic freedom, and most importantly, his faith. As the Psalms proclaim, "Praise the Lord! Praise Him with the sound of the trumpet; praise Him with the lute and harp! Praise Him with the timbrel and dance; praise Him with stringed instruments and flutes!"

God rejoices in our songs of praise and in our active participation and communion with Him and His people. Let us remember this as we join hands in dance. The kolo, a meaning circle, is an exemplary representation of community. Out of love for music and folklore, we dance together in sync. You, members of the Tammies, practice tirelessly to perfect your performance. The dance is only as good as the sum of its dancers. Remember this, dear brothers and sisters: let us be loving to one another and work in harmony for the Glory of God – at home, at work, and in our Church community.

Just as the gusle traveled from village to village, preserving our traditions through its melodies, I congratulate each member of the Tammies as you travel to this city, country and world. To your parents, the committee members, choreographers, directors, instructors, friends, and I commend you for your support. It is because of each of you that we may continue to celebrate this fantastic organization's success and enjoy the richness of our Serbian heritage.

May our Lord Jesus Christ, Who trampled down death by death, continue to bless each and every one of you and our St. Nicholas parish. And may our Lord God grant you all a prosperous and peaceful life, health, salvation and furtherance in all good things and preserve you for many years!

Yours in Christ,
Father Stefan Djorić

CARLA TOZZI HUSNICK- CHOREOGRAPHER

Carla has been blessed to have been teaching dance at St. Nicholas since 1987. Her passion was dance and music starting at a very young age. She participated in several ensembles including: I Campagnoli Italian Folk Group, McKeesport Junior Tamburitzans, Trafford Junior Tamburitzans, Pittsburgh Philharmonic Tamburitzan Orchestra, and Balkan Dancers. Carla was also highly influenced in music by her father, Enio, who enjoyed playing his violin up until his recent passing at the young age of 97. The truest appreciation of music and dance begins in your heart and that is something she and her father hold very dear. Carla dedicates this show to his memory and will remember and honor this passion for always.

Carla's talent and love of performing earned her a full scholarship with the Duquesne University Tamburitzans. After graduating from Duquesne University with a Finance degree she began working in her field and teaching and choreographing for the St. Nicholas Serbian Tamburitzans. Carla has also enjoyed the opportunity to choreograph for the PIFAI University Tamburitzans. It has been an extension of all the beautiful years of teaching the younger students. Carla would like to thank all the students throughout the years along with the many wonderful parents that have become like family to her. Many have opened their hearts and homes to her and to her family. These friendships will last forever.

Carla met the love of her life, Mark, as performers together. They have been married for 33 years and are genuinely proud parents of their three beautiful daughters Zoe, Gianna, and Isabella. Isabella is now performing with The Tamburitzans while attending Duquesne University in her 5th year. Life has been a true blessing to her, and she is grateful to have walked through the St. Nicholas doors all those years ago.

STEVEN CAPUZZI-MUSICAL DIRECTOR

BEGINNERS

Steven Capuzzi of Upper St. Clair, PA, is proud and honored to return to the Directing role in leading the beginner students and assisting with the intermediate and senior groups. He is excited to be back after stepping away for eight years to focus on his growing family. Prior to his sabbatical, he directed for 8 years, but before that he was no stranger to the stage with our parish's group. From an early age, Steve studied with his mentor and Djedo, +Dragan "Deni" Kukich. If he wasn't playing music at his +Djedo and +Baba's house, he was doing so as a member of various tamburitza groups, or within his Serbian bands for the last 30 years including Junaci, 412, and Dijamante, which will be entertaining this evening at our reception!

After high school, Steve continued his education at Duquesne University, obtaining his Doctorate in Pharmacy. While doing so, he earned a scholarship with the world-renowned Duquesne University Tamburitza. In 2008, Steve received the Tamburitza Association of America (TAA) Founder's Award. His more recent additions to his educational background include earning his MBA from Robert Morris University in 2021, and studying global leadership at IESE Business School, in Barcelona Spain in 2022.

Steve currently works as a pharmacist and National Account Director for Specialty Pharmacy at Boehringer Ingelheim since 2017. Some of his other hobbies, aside from music, include traveling to Southwest Florida and the Balkans. Above all, he enjoys spending time with his children, family, and friends and is confident that today's event is a perfect example of such!

Steve would like to dedicate today's performance to the board and families of St. Nicholas for their support in asking him to return to the stage this year, and for their support in his project of obtaining a fleet of tamburas and procuring accordions for our students. He would also like to thank his family for their unwavering love and support. Puno hvala za sve!

DANIEL VUCELICH-MUSICAL DIRECTOR

INTERMEDIATES AND SENIORS

Danny Vucelich has been involved with the St. Nicholas Serbian Tamburitians since he was 9 years old. In addition to performing with St. Nicholas throughout his high school years, Danny has been part of over 10 different orchestras/bands and has sung with 6 different Orthodox choirs. 'Danny V', as he is fondly known, is also a St. Nicholas Sunday School Teacher and has taught various grades over the past 27 years.

Danny is a member of the Tamburitan Association of America. He and his wife, Elaine, are very proud of their '4' children that have gone on to perform with the renowned Duquesne University Tamburitians (currently known as PIFAI Tamburitians) and continue to share their love for the culture by supporting and instructing other Pittsburgh area Junior Tamburitan groups. He looks forward to the day that his grandson, Dejan, is on stage following his family's footsteps!

Danny is proud and honored to be the Musical Director for the students of the St. Nicholas Serbian Tamburitians for the past 10 years and prior to that assisting musically in various capacities for many concerts over the last 27 years.

Danny is currently employed by Hitachi Energy as a Sales Operations Business Liaison.

'Mr. Danny' is very proud of his students and wishes them all – especially the graduating seniors – a very successful concert!

DUSAN KARAS- INSTRUCTOR

Dusan Karas, 25, was a proud member of the St. Nicholas Tamburitians from 2006-2018. With a deep-rooted connection to the group, his passion for Eastern European folk music and dance has been a lifelong journey. Following High School, he went to Duquesne University where he continued that path as a performer with The Tamburitians, focusing primarily on dance. Dusan has experience choreographing as an assistant choreographer at St. Sava Camp Shadeland, helping put together their yearly performance for “Tambura Week”. Over this past year, he had the opportunity to give back to the community that helped shape him by working alongside Mrs. Carla Husnick on choreography and dance instruction—an experience he was very excited about.

Dusan is taking after his family by dedicating his time and efforts to the group. His grandfather, Dusan Saula, served as a past president of the St. Nicholas Tamburitians, and his mother, Tracy Saula, followed in his footsteps, also taking on the role of president. She also continues to be an essential part of the group today as their forever “costume guru”, known for her expertise and dedication behind the scenes. Outside of his Tamburitan life, Dusan works as an ICU nurse at Forbes Regional Hospital in Monroeville, balancing his career in healthcare with his love for cultural tradition.

NATALIA STEEN- INSTRUCTOR

Natalia Steen is honored to be working this season with the St. Nicholas Serbian Tamburitians. She enjoys working with the young kids on their tamburas and violins. Natalia has been involved with music and dance since age five, and loves performing. She is an alumni of both the St. Nicholas Tamburitians and Tamburitians (PIFAI), Pittsburgh International Folk Arts Institute. During her 6 year time span with the Tamburitians, she performed as a dancer and musician. Natalia’s world of music extends outside Monday nights where she enjoys playing with her mom, Martha, and two sisters, Anna and Mira, at the Pittsburgh Civic Symphony Orchestra

Natalia earned a Bachelor of Science degree in Psychology from Duquesne University and continued her education to receive a Masters in School Counseling. She is currently working as an Elementary School Counselor.

Natalia is active member of St. Nicholas Serbian Orthodox Church by donating her time as a volunteer as well as being a dedicated member of the choir and St. Petka Kolo. With heartfelt thanks, Natalia is appreciative to be instructing the kids again this year and congratulates them on a wonderful concert today!

ANNA AND MIRA STEEN

MISTRESSES OF CEREMONIES

Anna and Mira Steen are well known in our St. Nicholas parish and everyone's favorite twins! They are daughters of Bob and Martha (Kukich) Steen and sisters of Natalia. The Steen family is active in our parish. Anna and Mira are both members of our St. Nicholas Choir and St. Petka Kolo. You can always see their friendly faces working at church events.

Anna and Mira are 2018 graduates of our Tamburitzan group where they took the stage as dancers and violin players. They are extremely proud of their family who has roots back to 1963, starting the group, as well as family still involved 62 years later.

The Steen ladies are alumni of the (PIFAI), Pittsburgh International Folk Arts Institute and they both performed as Tamburitizens while attending Duquesne University. They are graduates of the School of Education and currently Anna is a 3rd grade teacher and Mira is a Kindergarten teacher.

The young Steen women are most proud to be members of the Pittsburgh Civic Symphony Orchestra as violinists. They perform concerts throughout the year and enjoy playing the classics with their mom, Martha, and sister, Natalia.

Anna and Mira send best wishes to all the St. Nick performers today for all their hard work. Congratulations to our graduating seniors Daniela, Milana, Brynn, and Sofija and best wishes in their future endeavors. Anna and Mira wish to thank President Amanda Formato for welcoming them to be part of this special day!

The St. Nicholas Tamburitzan Family

ST. NICHOLAS SERBIAN TAMBURITZANS HISTORY

St. Nicholas Serbian Tamburitans became a dream come true for the parents of St. Nicholas Serbian Church in Wilmerding, PA in August of 1963. The group was created by the parents of our Sunday School children with the mission to perpetuate our Serbian heritage while providing a youth cultural organization within our church.

The Tamburitans were created by our founding officers: +Dusan Saula, president; +Joe Cervo, vice president; +Ann Kukich, secretary; and Mildred Popovich, treasurer.

Music director, +Danny Kukich, and choreographer, Geri (Bossar) Maravich, were consulted to begin creating the foundation for music and dance. They remained our directors for several years with our initial group of "tammies," approximately 25 students ages 9-17. Performances became a reality and our St. Nicholas Serbian Tamburitans accepted engagements for St. Sava celebrations, SNF Kennywood/Serb Day events and community heritage days. Annual concerts were soon scheduled and the growth of our group flourished and evolved into what it is today.

Since its inception, many talented music instructors and choreographers have shared their time and efforts with us to continue our mission. Past directors include: +Ron Rendulic, +Don Knezevich, Dan Shebitich, Bill Yurkovac, Randy Lugares, Danny Capuzzi, and Steve Capuzzi.

We are also thankful for the many choreographers who have instructed our children over the past five decades. They include: Marilyn (Chichi) Repasky, +Kathy Rendulic, +Jack Poloka, Milicent Novic, Debra Capolarello, Linda Metala, Erin George, Michaelann Yurkovac, Mary Agnes (Pixie) Potsatko, Donna Vranesevic, Sharon Bozicevic, Susan Williams, Denise Brajovic, Zoran Zgonc, Danice (DeeDee) Brkovich, Tonya Kredell, Valerie Tassari, and Kim Kosovich.

The St. Nicholas Serbian Tamburitans are currently comprised of three age groups, classified as Beginner, Intermediate and Senior groups. Practice is every Monday evening at our St. Nicholas church hall, which we are fortunate to call our "home."

Our parent group is still the backbone of the organization, which makes the decisions on managing the group, fundraising, costume and instrument expenses, donations and traveling. The parent group, along with the officers, follow the guidelines of our St. Nicholas Serbian Church, as we remain under the umbrella of our parish. The following have served as parent group presidents throughout the many years: +Dusan Saula, +Mary Visnic, +George Pilipovich, Julie Vucelich, +Olga McWilliams, +George Paich, +Dusan Rebich, Nancy Corl, Mary Ann Tomich, Myra Zdrale, Dennis Evanovich, Nick Jokola, Michael Mochan, +Carol Richey, Donna Capuzzi, Elaine Vucelich, Janet Pribanic, Tracy Saula, Alexis Janiga, and Bati Bajich.

Over the years, our group has been featured as guest performers for many communities in Pennsylvania. In addition, the St. Nicholas Serbian Tamburitizens have performed in the Canadian cities of Niagara Falls, Kitchener and Hamilton. We have traveled to Detroit, Lackawanna, Washington D.C., Cleveland, Akron, Youngstown, Steubenville, Phoenix, Louisville, Chicago, and Kansas City. Our group was proud to be invited to the State Capital to represent the Serbians at "Christmas: an ethnic experience," sponsored by the then-Governor, Richard Thornburg, at the governor's Heritage Committee event. Our "Tammies" have also participated in the University of Pittsburgh Cathedral of Learning Nationality Rooms annual event. Our group has also been well-received for many years at the McKeesport International Village Festival. The members of our group enjoy sharing our culture with local schools, synagogues, community fairs, and nursing homes.

The St. Nicholas Serbian Tamburitizens are proud to hold the longest existence of any Serbian community in the United States and Canada. The Serb World Magazine featured our Tamburitizens in 1991 on the occasion of our 25th anniversary year. We welcome you in joining us for our 62nd anniversary concert – and counting!

I would like to thank all the parents and board members for making all this possible. I would like to thank my fellow tamburitians for showing up and making the practices very enjoyable. I am so grateful to have been able to spend every Monday with some of my best friends whom I am so lucky to have. I want to thank Mr. Danny for all the time and effort he puts into helping us get better every week and teaching us great music. He is always in a great mood no matter what and is a great person whom I love to joke around with. Lastly, I would like to thank Ms. Carla for absolutely everything! No matter the week, she is there making sure we are having fun and learning a great dance that she has created for us. I can't wait to talk with her each week and just enjoy her presence! She is an amazing person and someone I will always look up to. I will forever be grateful for this experience and everything it has entailed!

JUST WAIT UNTIL NEXT YEAR, AND THE YEARS TO COME. TEK SMO POČELI!!!

I first met Brynn by chance in the bathroom of the American Serbian Club during Serbian New Year's, and since that moment, she has become one of the most important people in my life. She is the reason for some of my most cherished memories and experiences. Her infectious joy and laughter brighten every room she enters, and I have no doubt that her positive energy will continue to touch everyone she meets. I could not imagine my life without her.

Brynn, I am so incredibly proud of you, and I can't wait to witness everything you will accomplish.

Volim te, Mia
