The Expand GrandFabric is our most popular portable backwall available in many different widths and heights. Choose between a straight or curved backwall in different sizes. It is easy to connect and combine as you like. All of these backwalls can be connected to one another with our different feet and connector options. Use the walls as stand-alone pieces or combine multiple backwall units to create a variety of different unique configurations.

- Quick set up - no tools needed
- Choose single or double-sided print
- Reusable - just update fabric print
- Straight or Curved backwalls
- Custom sizes available
- Connect several walls
- Single & double side print
- Add additional storage by creating a lockable closet area

**Easy! No tools needed for set up**

Hello!

# Why Expand GrandFabric vs. traditional SEG and Hard Panels?

- Less Expensive
- Easier to set up.
- No complicated pieces to assemble.
- Minimum labor required.
- Lighter Weight
- Less drayage

## Square Frame

- ✓ Professional SEG look
- ✓ Professional grade that lasts years and has limited lifetime warranty
- ✓ Can be used in large-scale tradeshow booths, easily connects with other frames
- ✓ Supports monitors, shelves, lights and other accessories
- ✓ Toolless

vs

## Round Frame

-  Poles are more likely to break/crack/dent
-  Many singular frames are intended as free-standing frames without an option for additional accessories
-  Not always toolless

## Straight

Great for :

- ✓ Retail displays
- ✓ Entertainment venues
- ✓ Restaurants
- ✓ Temporary meeting spaces
- ✓ Dealerships
- ✓ Trade shows
- ✓ Designer Brand Displays
- ✓ Experiential marketing venues

## Curved
