All our food is prepared in a kitchen where allergen cross contamination may occur and our menu descriptions do not include all ingredients. Whilst we endeavour to prevent this as far as possible, the nature of an allergen means we cannot fully guarantee that cross contamination may not have occurred, just that the list of ingredients does/does not contain. If you have a question, food allergy or intolerance, please let us know before placing your order. Unfortunately, we are unable to recommend for you.

Dishes containing fish may contain small bones. = made with vegetarian ingredients, = made with vegan ingredients, however some of our preparation and cooking methods could affect this. If you require more information, please ask before placing your order.
