

# Vehicle Access Control Management Portfolio

Easy and efficient vehicle access control

Easy deployment

Smooth traffic flow

Precise plate recognition

Centralized management

**ANPR Camera**  
DS-TCG406

**ANPR Kit**  
DS-TMC200

**UHF System**

- UHF Card Reader  
DS-TR900-1/A
- UHF Card  
DS-TRC902-1/A
- UHF Card Issuer  
DS-TRD902-1/A
- Card Controller  
DS-TME200-D/P

**Centralized Management**

- Entrance & Exit Control Terminals  
DS-TPE304-S
- Hik-Connect
- M series NVR

**Barrier Gate**  
DS-TMG32X series  
DS-TMG001-3D

**Entrance & Exit Radar**  
DS-TMG035

**HIKVISION®**

# Key Features

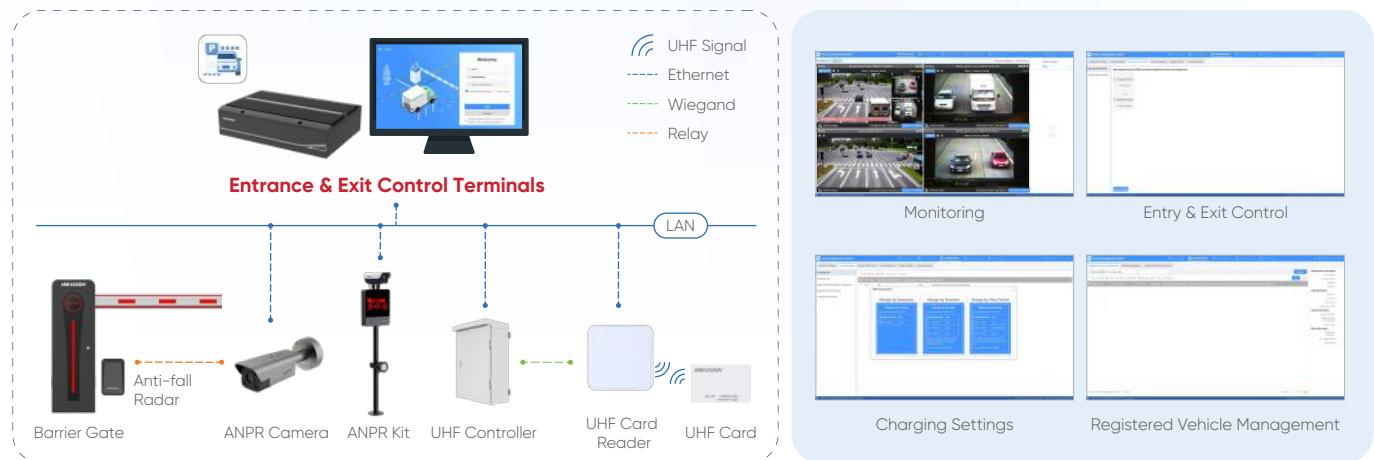

## Cloud-based ANPR Vehicle Access Control Management

- Access control for authorized and temporary vehicles
- License plate recognition outputs and vehicle passage record query
- Remote preview and gate control via Hik-Connect

## Professional Vehicle Access Control Management

- Authenticate license plates/cards for frictionless entry
- Control access for authorized and temporary vehicles
- Retrieve vehicle passage records and analyze data
- Manage access rules and tolls at entrances and exits
