OUR LIFE & LEGACY STORY

In 2013, the JEWISH COMMUNITY FOUNDATION ORANGE COUNTY, in partnership with the Harold Grinspoon Foundation, introduced the **LIFE & LEGACY** initiative. We brought together 7 Orange County Jewish organizations to collaborate toward the common goal of establishing endowments for the long-term sustainability of our local Jewish community. Now, in our 11th year of the program, we are proud to partner with 14 OC organizations. Through the dedicated efforts of professionals and lay leaders, LIFE & LEGACY encourages and facilitates the establishment of planned gifts.

LIFE & LEGACY does much more than support and encourage legacy giving. It is a community-building enterprise that emphasizes collaboration. The national LIFE & LEGACY program through the Harold Grinspoon Foundation includes 63 communities with 680 participating organizations. From Chicago to Charleston and Omaha to San Diego, more than 17,000 individuals have answered the call with nearly 28,000 legacy commitments to support the Jewish organizations they care about. In total, there is **\$1.04 BILLION** in committed future Jewish legacy gifts throughout the country.

This program has significantly enhanced the culture of giving here in Orange County, creating endowment funds to support the continued success of essential programs, services, and institutions.

An endowment fund is no longer a luxury. It can provide long-term financial stability for the nonprofit organizations that serve a vital role in the fabric of our Jewish community. With an endowment in place, organizations receive a steady stream of cash flow into the future, putting less stress on annual operating budgets.

When individuals and/or families commit to a legacy gift of any amount to one or more Jewish organizations, they are invited to provide a personal statement to be included in the JEWISH COMMUNITY FOUNDATION ORANGE COUNTY'S Endowment Book of Life. Each year, we gather to honor LIFE & LEGACY donors and Book of Life signers at our Endowment Book of Life Celebration.

Join the over 970 people who have created legacy commitments for our community. Let us honor **YOU** at our next Endowment Book of Life Celebration!

WHAT IS AN ENDOWMENT?

An endowment fund is a perpetual fund that is invested for growth and provides a source of ongoing annual support to address charitable causes. Consistent annual distributions, through up and down markets, create a mechanism for this forever fund.

Organizations that establish endowment funds are demonstrating the commitment that they will be fulfilling their mission for decades to come. An endowment can also provide financial security to those organizations taking on new challenges or seizing new opportunities as they arise.

Individuals can establish named endowment funds at the JEWISH COMMUNITY FOUNDATION ORANGE COUNTY to support their favorite organizations on an annual basis or as a legacy for their children to distribute.

ENDOWMENT BOOK OF LIFE STATEMENTS

JON and PEGGY FEDER

"We have been enriched by the values and ethics of our Jewish mothers and fathers and believe that it is our responsibility to give back to Jewish institutions that serve our local community, Israel and the world. In so doing, we want to be role models to our children and grandchildren. We want to leave a legacy of philanthropy that shows our children that it is important to support our communities, the arts and the disadvantaged but it is especially important to support Jewish organizations. Being a part of the Endowment Book of Life provides a structure to do just that."

KATERINA HENCOVA

"Growing up in communist Czechoslovakia, I didn't have much of a chance to learn about my Jewish heritage. Living in Orange County as a young adult, I decided to seek out a Jewish community and connect to my roots. Volunteering was also important to me, recognizing the profound impact

of giving back to society. Together, these aspirations led me to fulfill my passion to help others, all within the embrace of a vibrant Jewish way of life.

I hope in sharing my legacy gift, my actions will inspire others to do the same and perpetuate this beautiful Jewish community."

THE KATZ FAMILY

“We’re Jason and Jillian Katz. We cannot speak about our own connection to our synagogue without acknowledging how deeply it has impacted our family for decades, and how it continues to do so in brand new ways now that we have kids of our own. The clergy married us, the preschool helped our daughter sing the hamotzi for the first time, the community offered comfort and support when close loved ones passed away, and the religious school connected Jason with many lifelong friends. By making a legacy gift today, we solidify our intent and our promise to give back.”

ADAM MILLER

“My leadership in National Young Leadership Cabinet, my philanthropy and my Legacy gift secure the Jewish future for generations to come, and allow me to better serve as a role model while enriching the lives of my family, my community and the Jewish world.”
