THE RAINBOW PROJECT is perfect for puzzlers who enjoy discovering the image as it is assembled. The original collage was a single installation that artist Shelley Davies built for Cobble Hill Puzzle Company. It took over four months to assemble and was 27 feet long!

SHELLEY DAVIES is a font of creativity making paintings, collages and photographs that are bold, colour-infused and 3-dimensional. Wit, colour and play are what Shelley aims for, combining found elements with her own handmade creations and typography, imbuing her work with a contemporary graphic design sensibility.

TRAY PUZZLES

Originally we developed our Tray Puzzles for children. But we have learned that they also provide entertainment for seniors, particularly those living with dementia. This is why our image selection is meant to appeal to both the young and young at heart.
