Plant Callus Extract-3

Plant Callus Extract-3

Moisturizing skin vitality through the perfect combination of Ginseng, Edelweiss, and Rock Samphire

Restore skin health with Ginseng, a thousand-year-old mystery

- It increases skin elasticity and helps improve wrinkles.
- It soothes skin irritation and helps care for sensitive skin.
- It protects the skin from environmental damage due to its antioxidant properties.
- It helps improve skin tone and prevent aging.

Fresh vitality delivered by Edelweiss, the pure white flower of the Alps

- It protects skin from damage caused by oxidative stress and external harmful substances.
- It maintains natural moisture balance by moisturizing and supplying moisture to the skin.
- It helps reduce skin aging, such as wrinkles.
- It can provide mild UV protection to the skin.

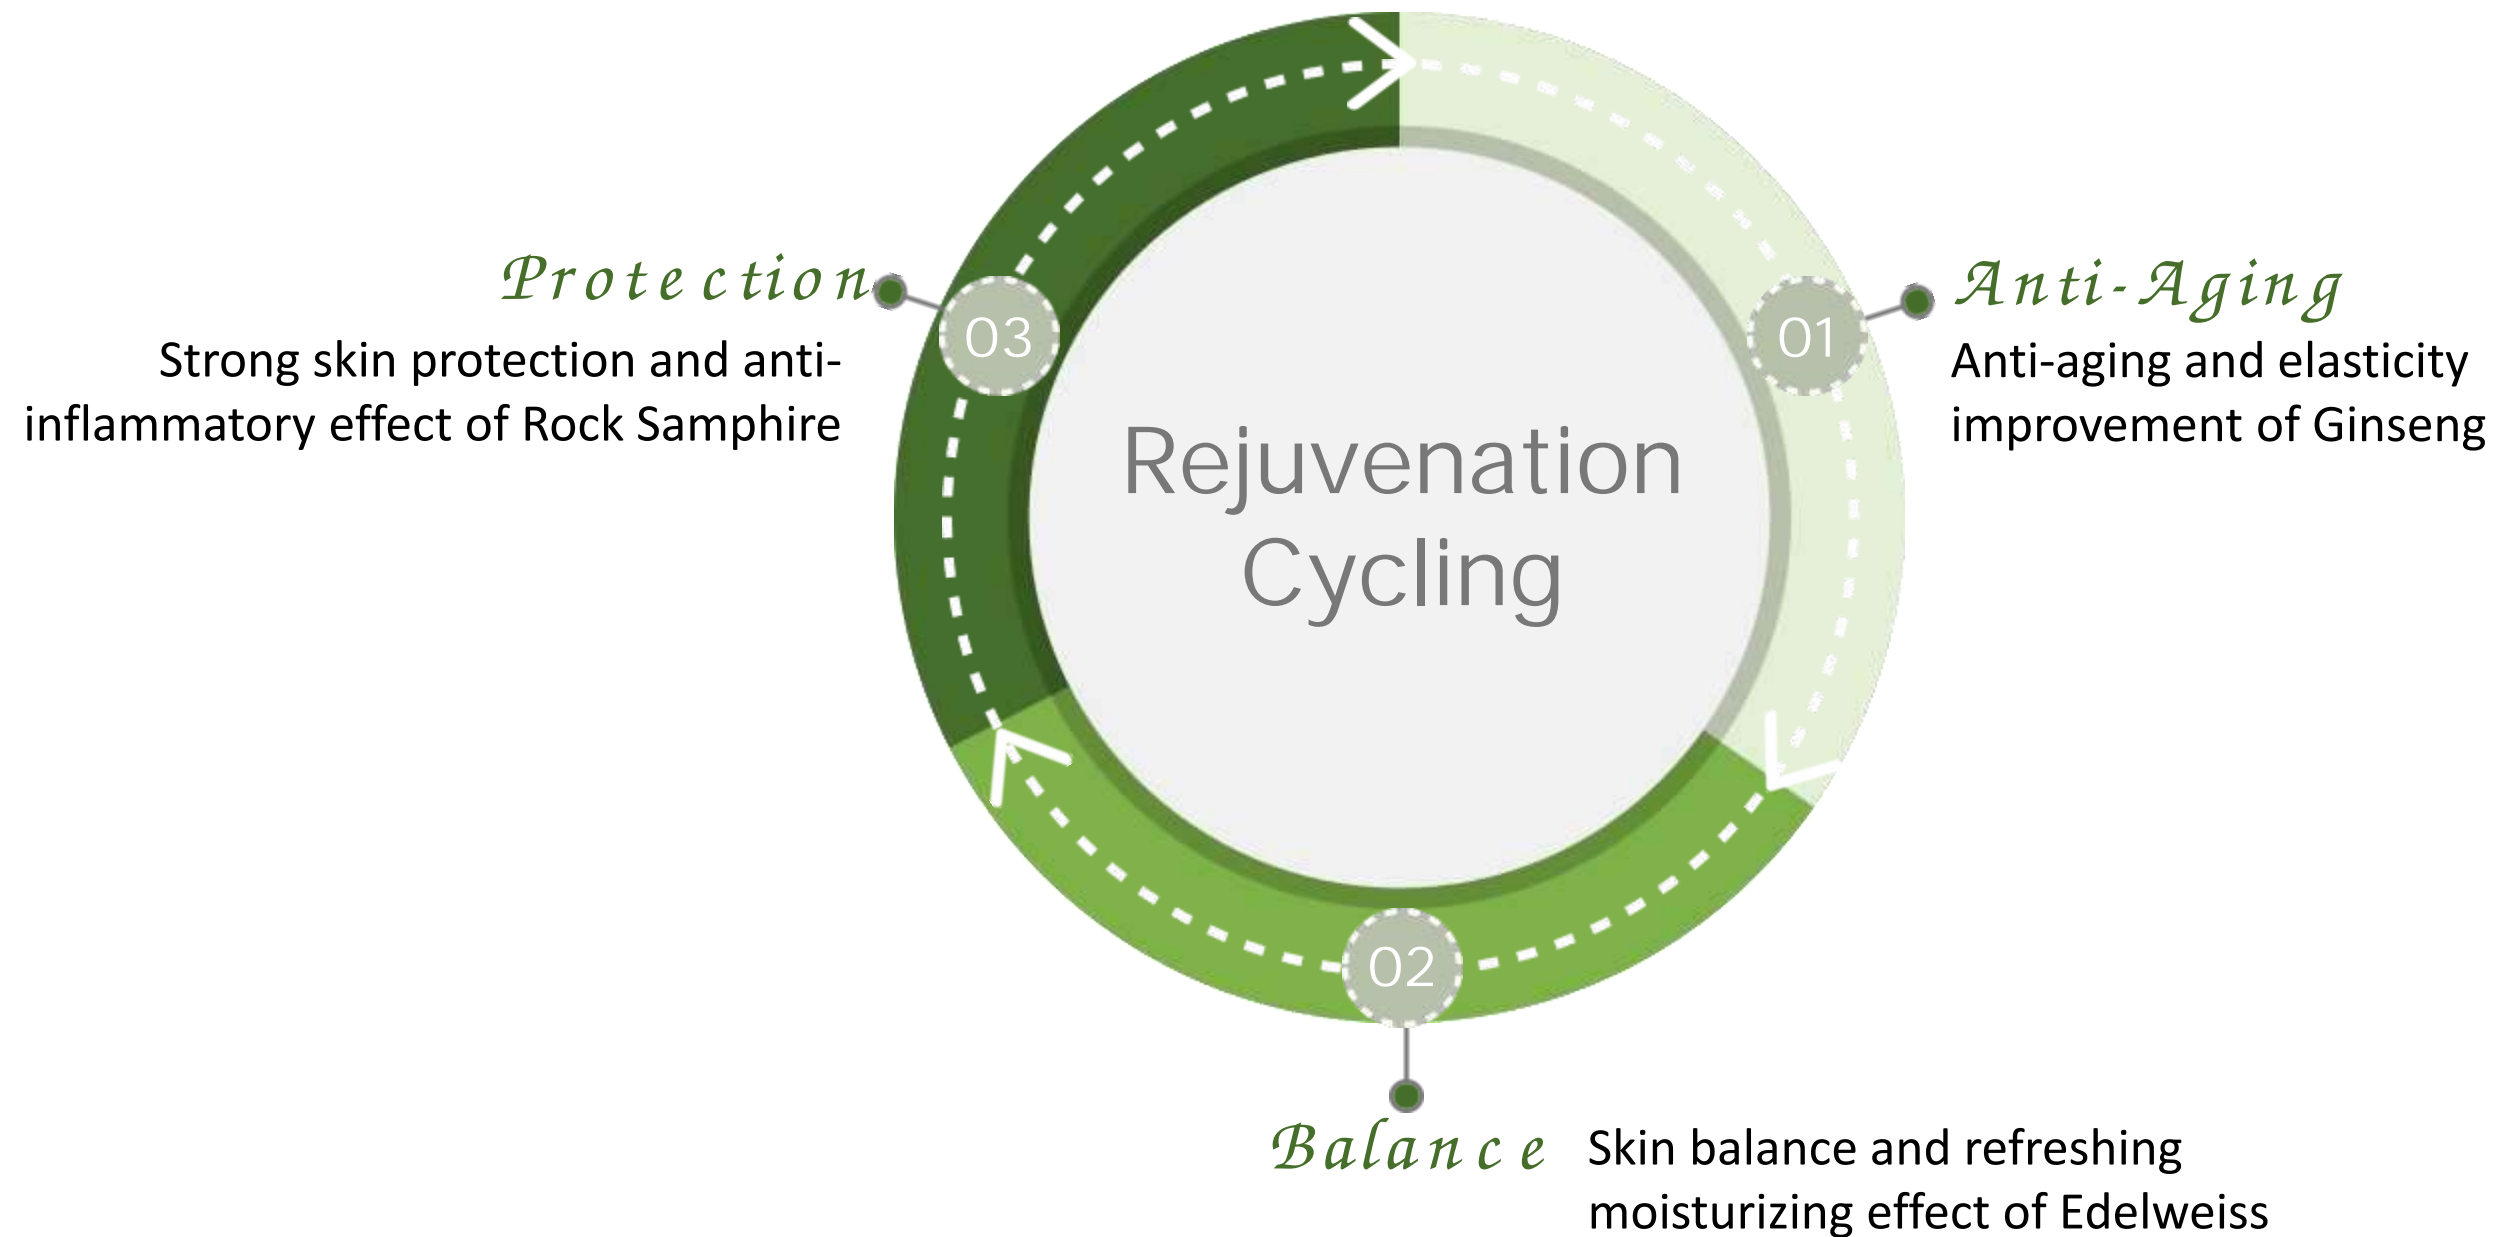

Strong skin provided by Rock Samphire grown in the cracks of coastal rocks

- It protects the skin from oxidative stress and external harmful environment.
- It moisturizes the skin, improving skin elasticity and overall texture.
- It helps reduce skin aging, such as wrinkles.
- It has an anti-inflammatory effect and helps soothe irritated skin.

Plant Callus Extract-3

Rejuvenation in Cycling Science

Skin rejuvenation mechanism completed with the power of three plants
Plant Callus Extract-3 is the perfect blend of Ginseng, Rock Samphire, and Edelweiss callus extracts to deliver a deep radiance and anti-aging effect to the skin.

Plant Callus Extract-3

Ginseng

#Skin elasticity improvement #Skin soothing #Skin protection #Skin tone improvement

- Improvement of skin elasticity : Increases skin elasticity to help improve wrinkles
- Soothing : Soothes skin irritation and care for sensitive skin
- Skin protection : Protects skin from environmental damage due to its antioxidant properties
- Improve skin brightness : Improves skin tone and prevents aging

Elastic skin containing royal secret

Ginseng's strong vitality promotes collagen production in the skin, helping to erase traces of age and maintain firm skin.

A thousand years of tranquility, skin soothing through Ginseng

Ginseng extract has powerful anti-inflammatory and antibacterial effects, instantly soothing sensitive and stressed skin and protecting it from external irritants.

Mystery of Ginseng, young and radiant skin

The rich antioxidant properties of ginseng extract suppress signs of aging and make the skin clear and even, making it more radiant.

Plant Callus Extract-3

Edelweiss

#Anti-oxidation#Skin soothing #Moisturization #Anti-aging #Prevention of hair loss

- Anti-oxidation : It protects skin from damage caused by oxidative stress and external harmful substances.
- Skin soothing : It helps soothe irritated skin or sensitive skin.
- Moisturization : It maintains natural moisture balance by moisturizing and supplying moisture to the skin.
- Anti-aging : It helps reduce skin aging, such as wrinkles.
- UV protection : It can provide mild UV protection to the skin.

Make your skin strong and elastic with Edelweiss from the Alps

Edelweiss extract strengthens the skin barrier, protects the skin from external stimulation, and improves elasticity to create healthy, firm skin.

Pure white edelweiss provides skin soothing and clear moisture

Edelweiss extract has a powerful anti-inflammatory effect that helps soothe irritated skin, brighten skin tone evenly, and replenish moisture.

Protect and keep your scalp and hair healthy with the vitality of the Alps

Edelweiss extract keeps the scalp healthy and prevents hair loss, helping to maintain strong and healthy hair.

Plant Callus Extract-3

Rock Samphire

#Anti-oxidation #Skin hydration #Anti-aging #Anti-inflammation #Cell regeneration #Skin barrier reinforcement

- **Anti-oxidation** : It protects the skin from oxidative stress and external harmful environment.
- **Skin hydration** : It moisturizes the skin, improving skin elasticity and overall texture.
- **Anti-aging** : It helps reduce skin aging, such as wrinkles.
- **Anti-inflammation** : It has an anti-inflammatory effect and helps soothe irritated skin.

Strengthens your skin with the power of Rock samphire that can withstand even cracks in rocks

Crithmum maritimum callus culture filtrate strengthens the skin barrier to protect the skin from external irritants, and antioxidant ingredients prevent damage from harmful substances, creating healthy skin.

Moist and youthful skin given by the vitality of the sea

Crithmum maritimum callus culture filtrate provides high moisture content to keep the skin moist, reduces signs of aging, and creates elastic skin.

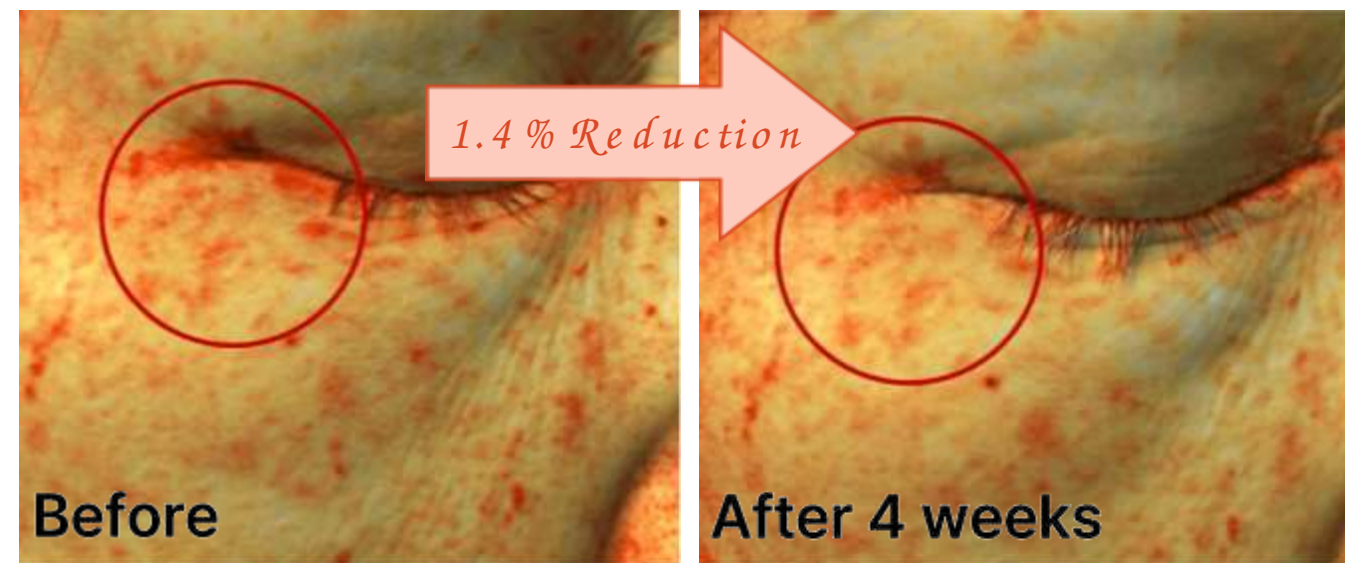

The healing effect of rock samphire, which grows strong even in extreme environments

Crithmum maritimum callus culture filtrate soothes sensitive skin by suppressing inflammation and promotes cell regeneration to quickly recover damaged skin.

Efficacy evaluation of "Plant Callus Extract-3"

*Plant Callus Extract-3 5% ampoule

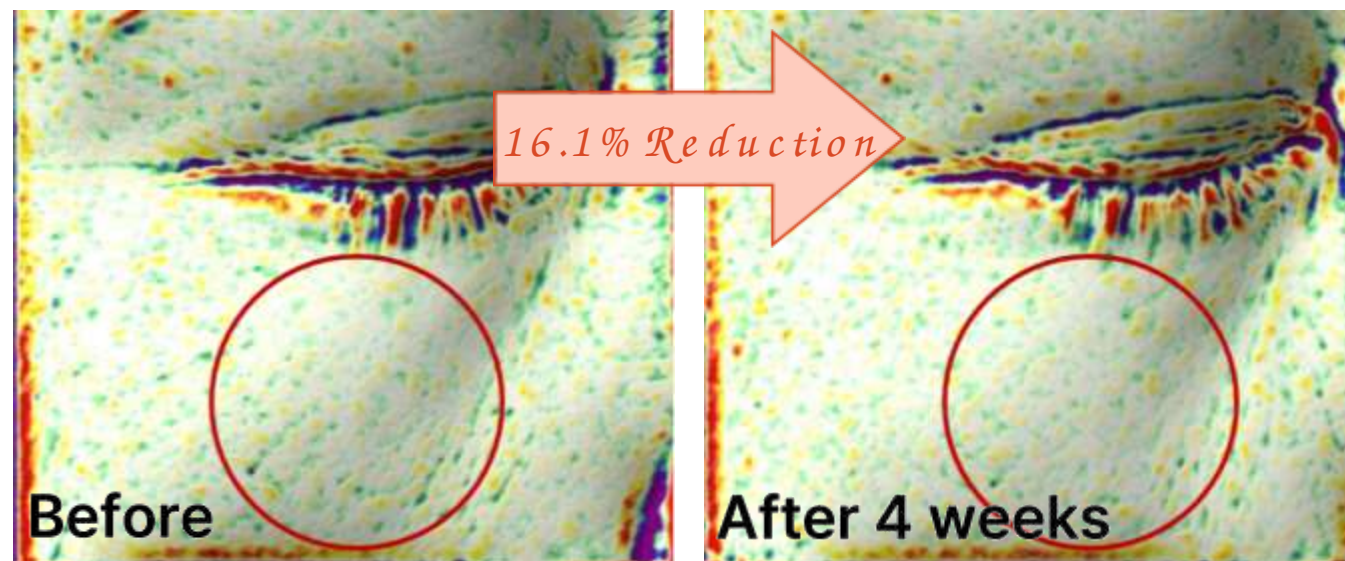

Evaluation of Melanin reduction efficacy

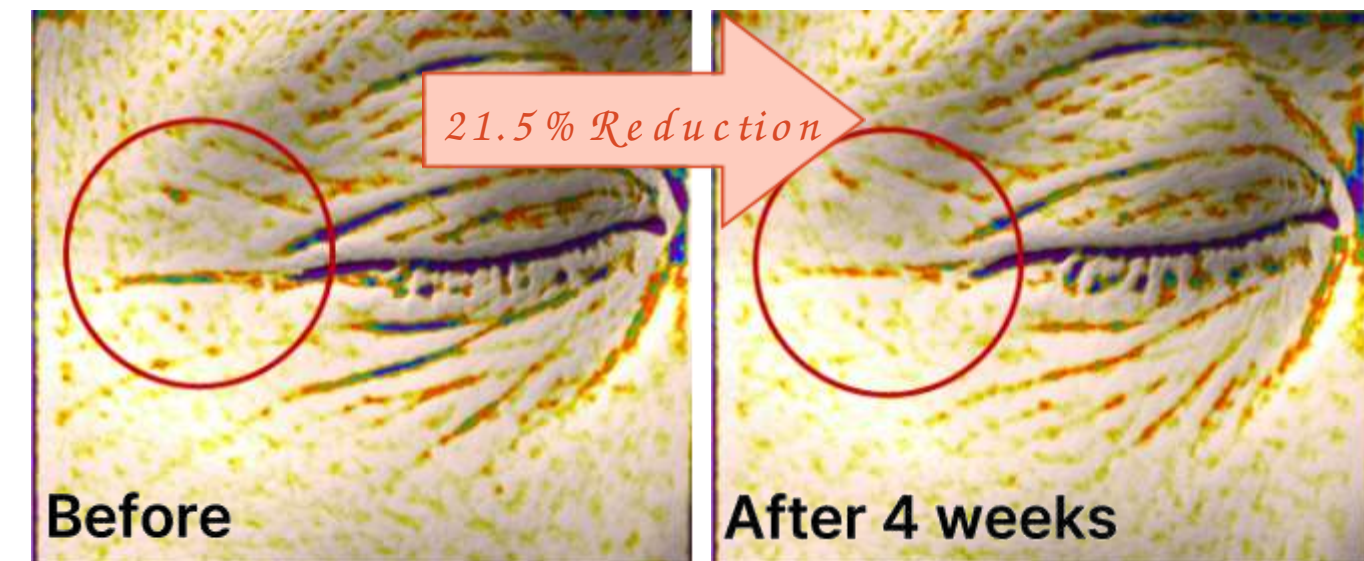

Evaluation of Anti-redness efficacy

Evaluation of Roughness reduction efficacy

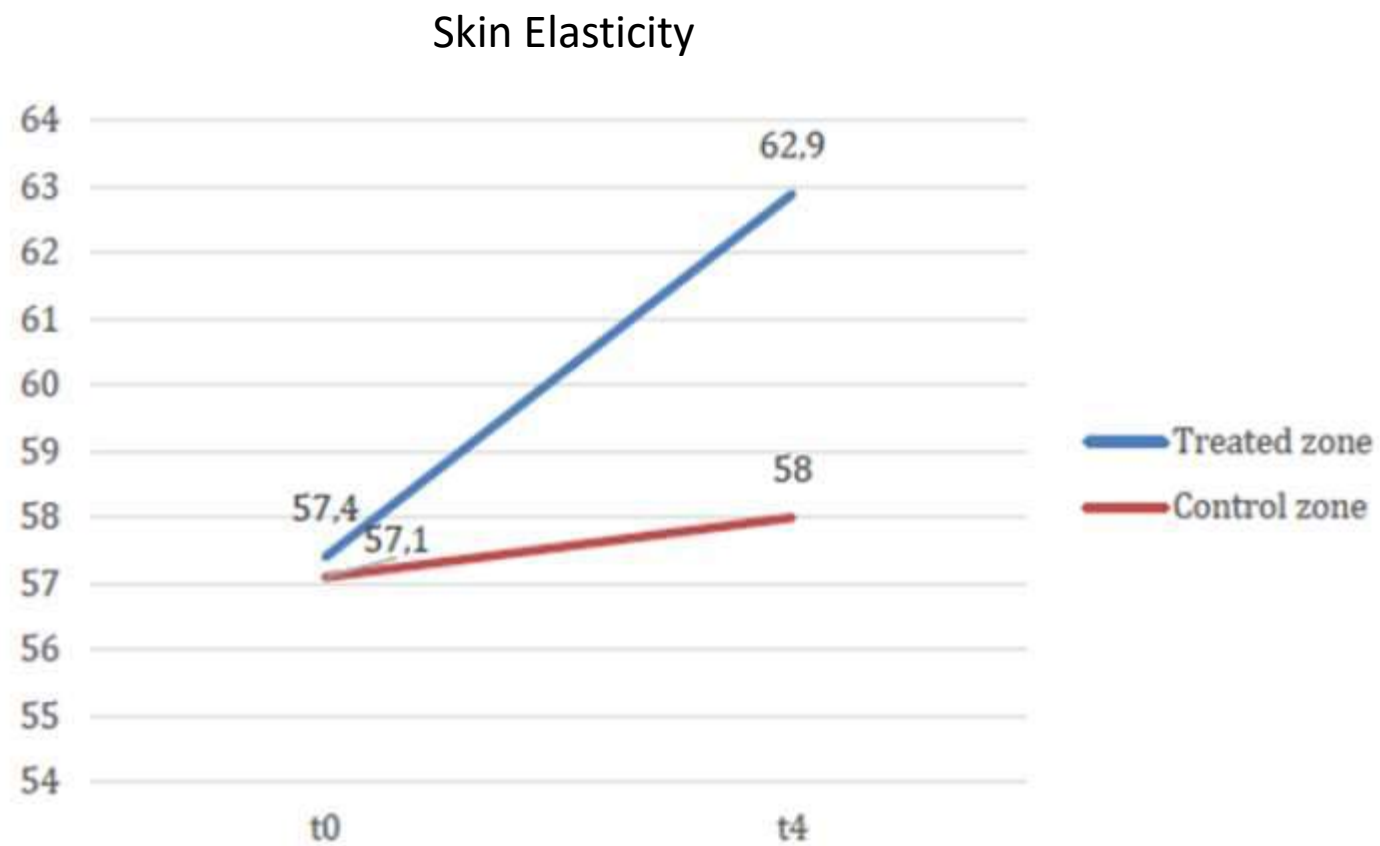

Evaluation of Anti-wrinkle efficacy

Efficacy evaluation of "Plant Callus Extract-3"

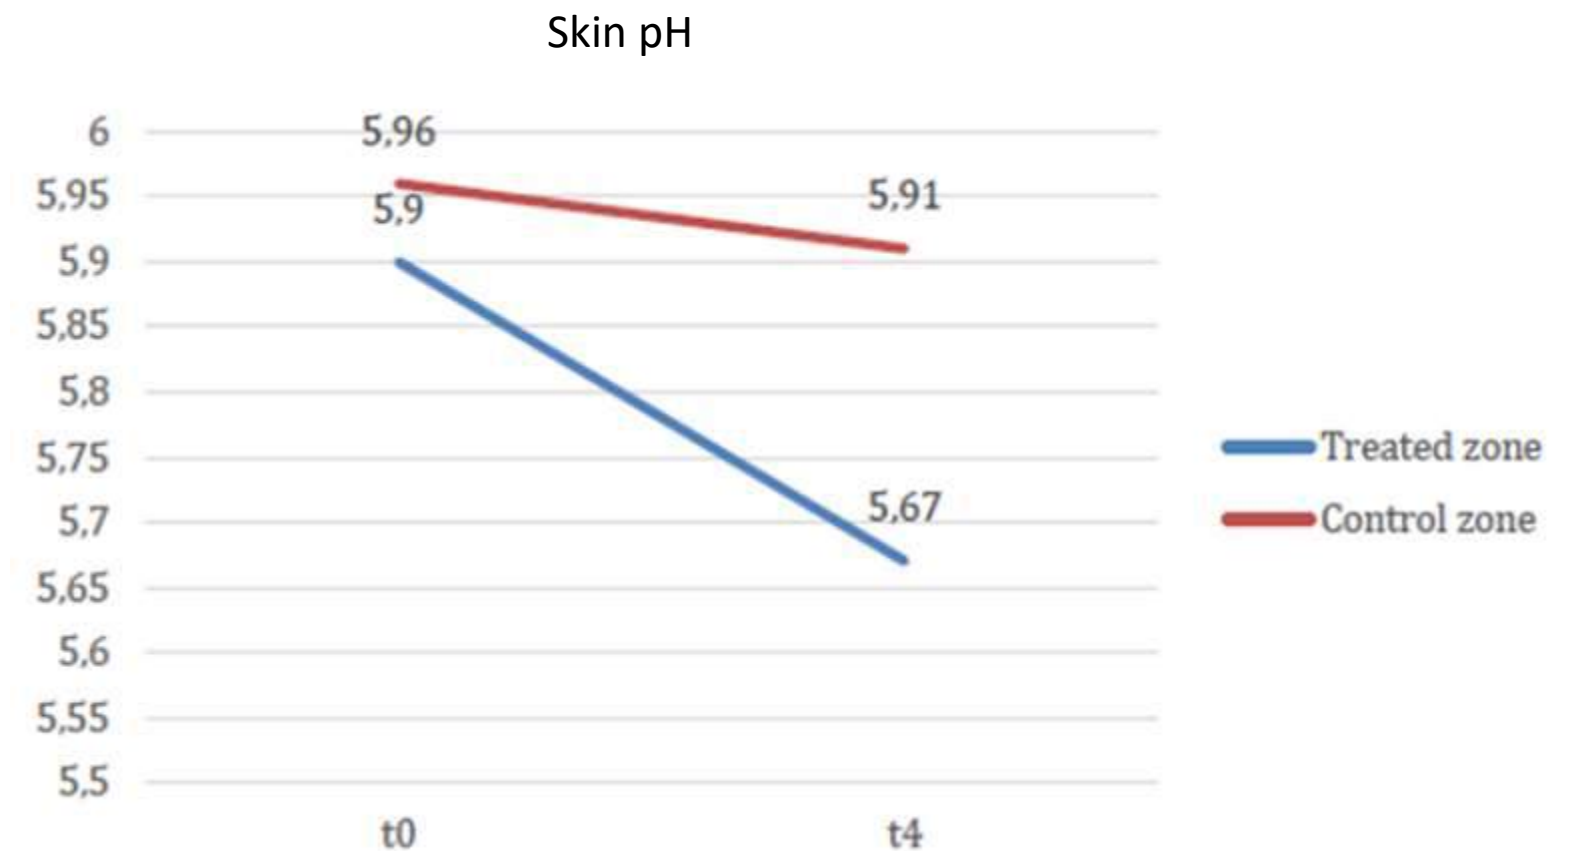

*Plant Callus Extract-3 5% ampoule

Evaluation of Skin elasticity improvement efficacy

The skin elasticity with Plant Callus Extract-3 5% ampoule increases significantly (approximately 6.1 times) compared to the control area. This suggests that Plant Callus Extract-3 5% ampoule is effective in improving skin elasticity after 4 weeks of use.

Evaluation of Skin pH reduction efficacy

The skin pH with Tri-Phyto.EX 5% ampoule decreases significantly (approximately 4.6 times) compared to the control area. This suggests that Tri-Phyto.EX 5% ampoule is effective in lowering skin pH after 4 weeks of use, potentially enhancing the skin's acidity and thereby strengthening its protective barrier against external harmful elements.
