Welcome from Kaarle McCulloch

Track Cycling Olympian & Medallist
World Championship Track Cyclist & Medallist
Commonwealth Games Track Cyclist & Medallist
Bowral Public School
Bowral & Endeavour Sports High School

Welcome to the NSWCHSSA Athletics Championships.

I am honoured to have had the opportunity to represent Australia in my chosen sport of Cycling at Olympic Games, Commonwealth Games and World Championships.

I'm also grateful for the sporting opportunities afforded me through the NSW public education system. That's where my journey started!

From participating in sport activities at the local level, I gradually progressed into competitive sporting events, including those offered by the NSW Primary Schools Sports Association (PSSA) and NSW Combined High Schools Sports Association (CHSSA).

Attending Bowral Public School, Bowral HS and Endeavour Sports High School, I was encouraged by many committed and supportive teachers. One of my fondest memories of school sport is winning the Australian All Schools Athletics Team event three times with my close friends from Endeavour Sports High School.

I played a range of sports, including Touch, Netball, Swimming, Cross Country, Athletics, Triathlon, Hockey and Soccer. Over time, I began to specialise more in Athletics. Despite having success on the track, by the time I had reached Year 12, a number of factors had drawn me toward the sport of Cycling. It became my passion and it has now taken me all around the world.

Sport provides a range of physical, social and other benefits. On top of that, if you work hard it can take you to places you might never have imagined. Sport is about having fun with team mates and enjoying training and playing. Enjoy your time at these the NSW All Schools Cross Country Championships; meet and participate in the spirit of sport. Be respectful of officials, team mates, opponents and spectators. They are all an important part of your journey.

Just like I did, you are sure to meet new friends and hopefully one day you will look back at your time in school sport and appreciate it as a valuable part of your development.

Good luck in your future sporting endeavours!

Editor's Note: Kaarle McCulloch is one of the most multi-talented sports people to have graduated from the nursery of NSW public school sport. Kaarle was the recipient of nine NSWCHSSA medals across three sports (Triathlon, Athletics, Cross-Country). Her achievements at a state, national and international level are outstanding and include:

- 3 World Championship Gold medals, 2 Silver and 1 Bronze (Team Sprint)
- 4 Commonwealth Games 2 Gold medals, 1 Silver and 1 Bronze (Team Sprint, 500m Time Trial, Keirin and Sprint)
- An Olympic Bronze medal at the 2012 London Olympic Games (Team Sprint)

NSW School Sport is extremely proud of Kaarle McCulloch!

Education

Welcome from the NSWCHSSA President

Sport continues to play a fundamental role in shaping the Australian identity, particularly among today's youth. This influence extends well beyond the scope of athletics, encompassing all sporting disciplines managed by the New South Wales Combined High Schools Sports Association (NSWCHSSA). The Association remains unwavering in its commitment to providing a broad range of sporting opportunities and activities to students across the state's public high schools.

For over 130 years, NSWCHSSA has been a cornerstone in offering competitive platforms at various levels, thank you to the dedicated efforts of educators who work tirelessly to nurture the athletic potential of their students. I wish to express my deepest gratitude to the principals, coaches, managers, parents, officials, and participants, whose steadfast contributions have been integral to the ongoing success of our championships. Your support, much of it voluntary, is invaluable and highly regarded.

The year 2025 holds particular significance as it marks multiple World Championships, fuelling the aspirations of many of our athletes who are determined to pursue this prestigious pathway. To these athletes, I offer my sincere encouragement and best wishes as they pursue their goals in both current and future endeavours.

It would be remiss of me not to acknowledge the dedication of our Executive Officers, whose tireless work has helped elevate NSWCHSSA sport to its esteemed position as one of Australia's leading programs. I also extend my thanks to the parents and students whose continued involvement and enthusiasm enrich our sporting community.

To all competitors, I encourage you to reflect upon the significance of your achievements to date. Reaching the NSWCHSSA level is a remarkable milestone that underscores your commitment and resilience. It is equally important to recognise the support networks that have enabled you to reach this distinguished level of competition. Congratulations on your achievements, and I wish you continued success as you move forward in your sporting journey.

In conclusion, I ask all individuals to consider this quote “we grow when we encourage others”. Thank you and best of luck.

Convener's message

It is my absolute pleasure to welcome our competitors, parents, team and event officials, and supporters to the iconic Sydney Olympic Park for the 2025 annual NSW Combined High Schools Sports Associations Athletics Championship.

This year, athletics in Australia is enjoying a remarkable surge in interest, fuelled by the world-class performances of young stars such as 17-year-old sprint sensation Gout Gout and middle-distance prodigy Cameron Myers. Their achievements have not only raised the profile of our sport nationally but also inspired a new generation to dream big.

Australian athletes have also shone on the world stage in 2025, with standout performances including our most successful World Indoor Championships campaign in history, record-breaking middle-distance runs by Cameron Myers and Peter Bol, and a dominant showing at the World University Games where Australia topped the medal tally. Such performances remind us that the future of athletics lies in the dedication and passion of our youth and that from schoolyards to international finals, the pathway begins right here. It is our hope that some of the athletes competing this week will follow in their footsteps and go on to make their mark internationally.

I am delighted to continue our partnership with Athletics NSW and thank them for their guidance and assistance in strengthening the professionalism of our officials. A heartfelt thank you also goes to all our officials for their time, expertise, and commitment. To our parents, team and event officials, and loyal supporters - your encouragement is the spark that ignites our athletes' potential.

As we embark on three days of exciting competition, let us celebrate the incredible talent on display, the camaraderie among teams, and the determination that defines our sport. I wish every competitor the very best of luck. May you create unforgettable memories and help shape the future of Australian athletics.

History of School Sport

Prior to the establishment of the competitive school sport program in 1889, (which was prior to the commencement of the modern Olympic Games in 1896), most schools conducted games, dancing, gymnastics and rhythmic movement programs for students.

Schools also implemented both internal sporting programs and arranged competitive matches against other local schools. Many country schools travelled long distances to ensure young people experienced the challenges, benefits and enjoyment provided by competitive sporting opportunities.

In 1889, the NSW Public Schools Amateur Athletic Association was formed by a group of dedicated teachers to co-ordinate school sport in NSW. For the first 25 years the one single event that took pride of place on the calendar was the Annual Sports Carnival which took place at the Sydney Cricket Ground and the Sydney Showground (formerly Agricultural Grounds and now Fox Studios) at Moore Park.

Crowds of 40,000 – 50,000 spectators would gather to watch 12,000 students participating in events that included sprinting, walking, sack races and throwing a cricket ball, along with military type drill competitions. From these humble beginnings school sport has evolved into the current program that is organised by the NSW Primary Schools Sports Association and the NSW Combined HSs Sports Association. These organisations now offer over 60 state championships and 80 knockout competitions; involving over 300,000 students annually.

The timeline below reflects the place of school sport in the history of NSW and Australia and how public school sport graduates have progressed to represent their state and country in some of the major sporting events held globally over the past 130 years.

School Sport – For parents

Welcome and thank you for attending these championships and supporting your child. Parents, caregivers, coaches, teachers and volunteers play a significant role in the motivation and development of young people.

Due to the regularity of contact and the influence parents and caregivers have as role models for young people, they particularly have an opportunity to shape the behaviours, enthusiasm and respect young people demonstrate in their sporting endeavours.

Please find below some suggestions that might enhance the enjoyment of all those involved in the school sporting pathway.

1. Enjoy the journey.

- Sport is a journey that provides physical, social and emotional benefits for children. Enjoyment and having fun with friends is their greatest reward. You also share in this enjoyment.

2. It's better if the first question you ask your child is "did you enjoy it?" rather than "did you win?"

- Not every child is going to become a champion but every child has the opportunity to continue enjoying sport through coaching, managing or supporting.

3. Model good behaviours and never accept poor Sportsmanship from your child or their coach.

- Children learn more by seeing than hearing, particularly from people they care about. No matter what the circumstances, be someone they can admire and respect.
- Parents aren't judged on their child's accomplishments, however parents are often held responsible for their child's behaviour.

4. Your child's results should not affect your mood.

- Never get upset after an event where results don't go the way of your child.

5. Give your child space to grow and mature.

- All children are different. Accept your child for who they are. Fault finding makes the child question their self-worth. Letting a child know how much you care about them makes them proud and builds resilience.

6. Focus on the processes rather than the outcomes.

- Parents should understand that the best athletes focus on the process, because the result is often out of their control.

7. Avoid going over the top about your child's talent.

- Every sport has talented athletes, but for various reasons they do not always reach the pinnacle.

8. Encourage good attitudes.

- Good attitudes carry over into all aspects of life.

9. Support the coach, especially in public and in front of your child.

- If there is a disagreement, settle it privately.
- Negatively discussing other parents or coaches in front of your child can be detrimental
- No matter how private conversations are, they can become public very easily.

10. Build good relationships with other parents.

- Parents of your children's friends will often become your friends.

11. You should not compare your child's journey to another child's journey.

- Children mature at different rates. All children are different. Try to understand your child's views of the world around them.

12. If your child makes mistakes, let them experience the consequences of their actions.

- This is how they learn and grow and become independent, resourceful and confident.
- Set-backs and failures are opportunities for improvement. Explain to your child that continued effort, practice and learning are the keys to success.

13. Recognise your child's results don't define you.

- Your child's success or disappointment does not change other parents' views of you.

14. Develop your child's strengths.

- Help your child to identify their strengths and develop them. These children experience success, become inspired, confident and resilient.
