FINDING YOUR **DREAM HOME** IS
ONLY THE FIRST STEP OF YOUR
GOOD GREEK JOURNEY

THE GOOD GREEK STORY

As a son of Greek immigrants, I saw my parents struggle to make sure my brother and I received better opportunities than they had growing up. Even though they were proud of their Greek heritage, my parents were **more proud to call themselves Americans**. Their strong sense of patriotism and justice, inspired in me a desire to be a police officer. They were the good guys. **They were superheroes!**

I began working at the Miami Police Department at the age of 19. Thanks to my parents, who instilled in me a desire to work hard and be the best, I quickly moved up the ranks and became a member of the elite S.W.A.T. team. Years later, I took my experiences from S.W.A.T. and utilized my skills of team building and working with people, to build **the best moving company** in existence.

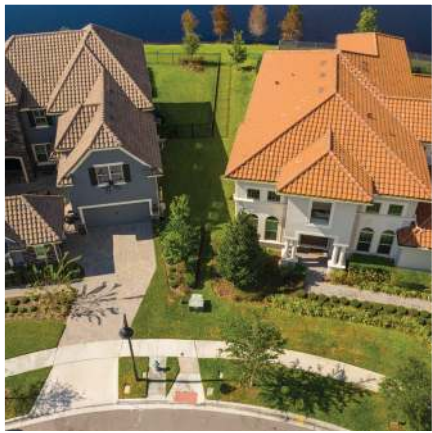

Almost 25 years later, Good Greek has gone beyond moving and storage by providing **Total Relocation Solutions** for our clients. Good Greek will be with you every step of the way: from selling your current home, to finding your dream home; from packing your things, to moving your car. We will even help transfer your utilities to your new home.

My goal has always been to deliver the **best service**. Today Good Greek Realty, offers more added value to our clients by streamlining the relocation process and working alongside the best real estate agents in Florida. I hope that you let us show you the level of quality that Good Greek is known for, and why we are **the absolute best**.
