Meet the Head Coach

Dzianis Smilevich

Mr Smilevich lives in the boarding houses and is a core member of the boarding community at Sidcot.

Tell us about you

I started playing basketball at the age of 10, then went on to play for SDIUSHOR (the Olympic reserve team as a junior). I played in international tournaments in Russia, France, the Netherlands, Poland, Czechia and more. After graduating from school, I studied for 5 years at the Belarusian State University of Physical Education and graduated as a PE teacher and basketball coach. During my time there, I played for the university team as well as in the professional league in Belarus. I am delighted to bring my years of experience playing and coaching internationally to the league-topping team at Sidcot.

Do you have any tips for anyone looking to join? Does height matter?

Passion is important and commitment as well. Being short is not a negative as long as you are quick and accurate! Being a team player is the most important quality.

How often do you train?

Once a week on a Saturday evening there is formal training with me and the boarders also gather 3-4 times a week on their own in the evening.

What ability levels do you take?

Everyone is welcome! Our philosophy is to play as a team and get as much enjoyment from the game as possible.

A Global Perspective

Basketball at Sidcot is about more than just the game—it's a gateway to cultural exchange. Through teamwork, you'll develop connections and friendships that go beyond borders.

Day students and boarders are part of the team. Basketball is popular in most of the countries where our boarders come from, so we are lucky to have excellent players from the UK but also CSKA Moscow club, Germany, Spain, Switzerland and China for example.

Academic and Athletic Balance

We believe that strong academic and athletic performance go hand in hand. At Sidcot, we provide structured schedules and individualised academic support to ensure that you can excel both on the court and in the classroom. Our basketball programme is designed to complement your studies, fostering discipline, time management, and resilience.

Character Development Through Sport

Basketball is more than a game—it's a way to develop leadership, perseverance, and confidence. At Sidcot, our basketball programme emphasises teamwork, respect, and commitment. You'll learn how to handle challenges, celebrate victories, and grow from setbacks.

Meet Alex, Team Captain

At Sidcot, basketball is not just a sport, it is a community of people who are united by one goal - to challenge themselves, to grow not only physically but also mentally, and to simply enjoy their time at school. Basketball at Sidcot is an unforgettable experience where a player of absolutely any level can feel the real team spirit, passion and enjoyment of the game. No matter how good you are at basketball, come to a training session and be part of this unforgettable experience and make memories to last a lifetime. Basketball at Sidcot is more than just a sport. Join us! - Alex

Case Study of Success: Meet George

After developing his game and enhancing his love of basketball at Sidcot, George was able to take his performance to the next level.

Now playing for the junior teams at the Bristol Flyers and training with a basketball academy, he hopes to study in America to play basketball following his school studies. He said, "Playing basketball at Sidcot has really cemented my love of the Sport and hopefully launched my future career! I really recommend getting involved in the team – not only is it good fun and exercise, but really great for building skills".
