

Creativity is just  
connecting things.

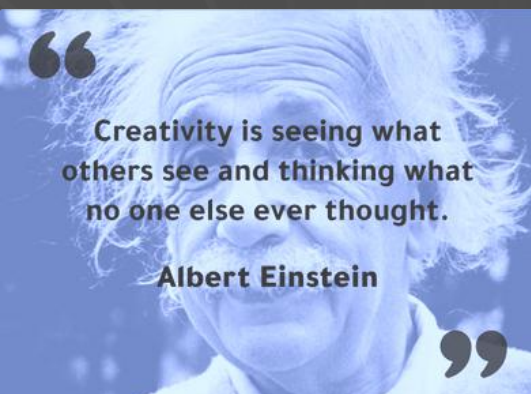

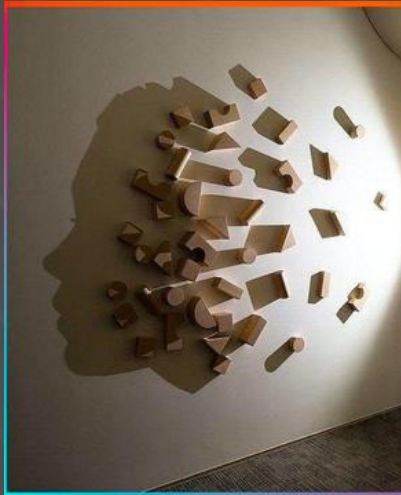

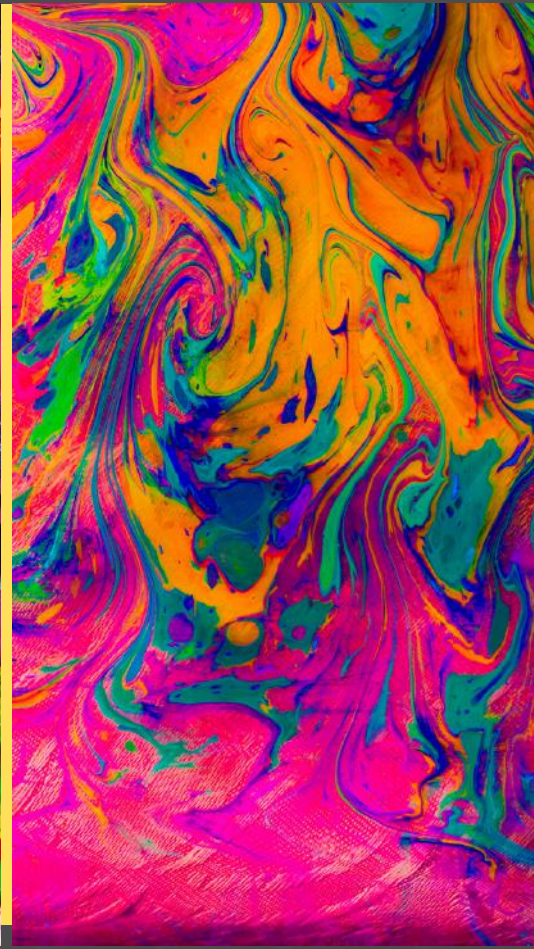

Steve Jobs

 quoteancy

To truly exhibit creativity you have to learn to connect the most obscure things.

So obviously one cannot be creative without enough prior exposure to recall from so it is best to always keep an eye out and learn all the time.

No harm in learning anything because everything will help in some way or the other in the most confounding of methods.

“

Creativity is seeing what others see and thinking what no one else ever thought.

Albert Einstein

”

Creativity is intelligence having fun.
