ONLINE SESSION - KS DANDY DELUXE - 2016 AQHA Red Roan Gelding x Queenies Lil Dandy x Hot Dandy Frost out of Hancock's Deluxe Girl x Hancock's Mr Blue Boy. 15hh. Strawberry has been one of my go to ranch horses since I started him as a 4 year old. He'll do it all from roping bulls, cows, halter breaking colts, working calves in a feedlot, to dragging calves in the spring. He's not fancy broke by any means but he is broke. Definitely not a kid or grandma horse but if you want to get a job done or trot for miles to the far end of your big pastures, Strawberry is your guy. I've lead a packstring in the mountains on him. Packed salt on him. Strawberries biggest down fall is he can be kinda watchy with new things on the ground that he's never been around and can occasionally be cold backed after several months of time off. He's absolutely not a bronc and he won't buck you off but if he does show that sign of him it'll be at the hitch rail when you saddle him not with you on him. He's not your go to town horse or parade horse but he is as solid as can be. He's great to shoe. Wears an O all the way around. Does not bite or kick. If you're looking for a great ranch horse he's your guy. I'm not leaving anything out on Strawberry because I know how good he is and he's never let me down. on him. He's picked up broncs, shagged bulls, been all the over the mountains, will pack anything, and he's gentle. He's big, solid, and good to shoe. Wears a 2s and 1s. He's never bucked a day in his life. His only fault is he can be hard to catch outside. Other than that he's great and he won't let you down. VIDEO: Contact Seller. FMI: 406-600-1658. Coggins. MO2

ONLINE SESSION - YAHTZEE - 2022 GRADE Appaloosa Draft Cross Gelding. Yahtzee is an Appaloosa/Percheron cross that we have owned since he was a weanling. He stands 15.3hh and is absolutely stunning. He is as eye catching as they come with size and bone of a draft cross, Flashy color of an Appaloosa and the ability to stop and turn around like a QH. He is rock solid, gentle, and willing, with all the cowboy manners. He IS a point and shoot. Yahtzee has calved heifers, been used to background yearlings and ranched in WY, FL, and MI. He has completed in ranch sorting, cowgirl challenges, obstacle courses, AND HE DRIVES. My 8 year old granddaughter and wife has trail rode him everywhere. He will be someone's forever horse. If you are looking for a does everything, sound, sane, and sensible gelding don't overlook him. The video says it all. VIDEO: <https://youtu.be/2JZpAGflaPc> FMI: 989-205-2894. Coggins. MO3

She was trained by a very good Amish friend of mine whom I will be accompanied by at the sale. This big stout mare has done it all; she has plowed ground, spread manure, baled hay with a square baler and a hay rack. She has raked hay as well and been in parades. I currently do sleigh rides every year with her and her teammate for a large Christmas tree farm. I have ridden her as well but not the easiest horse to get on because of her height but she has been saddled and ridden. I also had Milly ultrasounded when I did her coggins and she is in foal to my 2 year old registered Percheron stud. She is a hard worker and very well minded. We have LOTS of videos to share! We have worked at the sale barns a lot with him, he's pushed 1,000's of cattle up the alleys, gathered cattle, trail rode, and he'll get a gate and work a tub and alley. ONLINE SESSION - PAINT - 2021 GRADE Sorrel Paint Gelding. About 16hh. Paint is a 5 year old, grade paint gelding that stands right about 16 hands. This young horse has seen miles

beyond his years, spanning from Montana to Nevada and Oregon, and has been a nice, reliable mount since the day he was started. We got him as a 2 year old from the woman that raised him, and he was handled extensively as a young horse as well. Since we have had him, he's been exposed to absolutely everything as a ranch horse, from processing calves in the feedlot, to branding for weeks at a time, and gathering in steep, rough, rocky country. Paint has also been trail ridden extensively, from bareback rides around the ranch to overnight trips into the Bob Marshall, and this is where he truly shines. For just 5 years old, Paint is a solid citizen. He leads, loads, and ties like he should, is well behaved to shoe, and is always safe and gentle to be around. Paint has been a valuable member of our saddle horse string for 3 years, and although he has been used extensively by us, he has not been ridden by many beginner riders yet. That being said, I believe that with his easy going personality and good mind, he should be a great fit for any member of the family in no time. He would be a wonderful addition to any guest ranch, would excel at leading a pack string, or would be happy to just be a part of the family. Paint has spent this past fall processing and weaning calves in the Pryor Mountains, and knows about a hard days work (though he much prefers an easy one!) Paint has a wonderful personality, loves people, and has a lot of potential to be someone's next favorite horse. VIDEO: <https://youtu.be/84jaJzJU8Oc?si=W3z9eSkfPBUSQDzF> FMI: Carlie 413-427-5231. He is as gentle as they get and extremely willing. At just 3 years old his demeanor, sensibility and disposition supersede his youth by years. This horse truly just wants to be your friend. He could easily go a number of different directions with no hesitation. This horse has an endless future in front of him. He also drives; the Amish used him to pull the manure spreader and wagons. We have hauled him to town, and he just went to a Skijoring event and he was a superstar! He has what it takes to be a big-time crossbred gelding. ONLINE SESSION - FANCY - 2018 GRADE Buckskin Gypsy Draft Cross Mare. 14hh. This is a sale ad I've been avoiding writing for years now. Fancy has been my horse for 6 years now. I have really enjoyed her, she is so much fun to ride. The really nice thing about fancy is how easy she is, you can turn her out for 6 months and she'll be exactly the same horse when you ride her again. We have used her on the ranch gathering and doctoring. We've drug calves on her. We have used her in the rodeo arena shagging bulls, I had to run a loose bull 5 miles down the highway one time at a rodeo. She is just plain nice and steady. You can literally grab her up any time and do anything on her. I only shoe her when we are hauling her on rocky ground otherwise she's barefoot. She's good to shoe and has good feet. She hauls good and is no troubles to have around. I've been able to put off selling her for a long time but now with the kid going to college, Mom said I'm supposed to sell my dang horse to help pay for it!! In all seriousness, Fancy is a really nice horse and anybody can enjoy her to do anything on. VIDEO: <https://youtu.be/SXKMzhEqsHM?si=ZMBOYrFjq9bKnabU> FMI: Pete 612-810-5455. Coggins. MO72

Buckskin Gypsy DraftX Mare

ONLINE SESSION - FANCY - 2018 GRADE Buckskin Gypsy Draft Cross Mare, 14hh. This is a sale ad I've been avoiding writing for years now. Fancy has been my horse for 6 years now. I have really enjoyed her, she is so much fun to ride. The really nice thing about fancy is how easy she is, you can turn her out for 6 months and she'll be exactly the same horse when you ride her again. We have used her on the ranch gathering and doctoring. We've drug calves on her. We have used her in the rodeo arena shagging bulls, I had to run a loose bull 5 miles down the highway one time at a rodeo. She is just plain nice and steady. You can literally grab her up any time and do anything on her. I only shoe her when we are hauling her on rocky ground otherwise she's barefoot. She's good to shoe and has good feet. She hauls good and is no troubles to have around. I've been able to put off selling her for a long time but now with the kid going to college, Mom said I'm supposed to sell my dang horse to help pay for it!! In all seriousness, Fancy is a really nice horse and anybody can enjoy her to do anything on. VIDEO: <https://youtu.be/SXKMzhEqsHM?si=ZMBOYrFjq9bKnabU> FMI: Pete 612-810-5455. Coggins. MO72

Special Paint Gelding

ONLINE SESSION - PAINT - 2021 GRADE Sorrel Paint Gelding. About 16hh. Paint is a 5 year old, grade paint gelding that stands right about 16 hands. This young horse has seen miles beyond his years, spanning from Montana to Nevada and Oregon, and has been a nice, reliable mount since the day he was started. We got him as a 2 year old from the woman that raised him, and he was handled extensively as a young horse as well. Since we have had him, he's been exposed to absolutely everything as a ranch horse, from processing calves in the feedlot, to branding for weeks at a time, and gathering in steep, rough, rocky country. Paint has also been trail ridden extensively, from bareback rides around the ranch to overnight trips into the Bob Marshall, and this is where he truly shines. For just 5 years old, Paint is a solid citizen. He leads, loads, and ties like he should, is well behaved to shoe, and is always safe and gentle to be around. Paint has been a valuable member of our saddle horse string for 3 years, and although he has been used extensively by us, he has not been ridden by many beginner riders yet. That being said, I believe that with his easy going personality and good mind, he should be a great fit for any member of the family in no time. He would be a wonderful addition to any guest ranch, would excel at leading a pack string, or would be happy to just be a part of the family. Paint has spent this past fall processing and weaning calves in the Pryor Mountains, and knows about a hard days work (though he much prefers an easy one!) Paint has a wonderful personality, loves people, and has a lot of potential to be someone's next favorite horse. VIDEO: <https://youtu.be/84jaJzJU8Oc?si=W3z9eSkfPBUSQDzF> FMI: Carlie 413-427-5231. Miller Horses Offering

Miller Horses Production Offering, Moore, Montana 406.380.1154

Miller Horses is located in the heart of Central Montana near Moore. Reuben and Linda Miller have been raising and selling horses since 1985. In 2015, sons Steve and Andrew started taking a more integral role in the family business. We take pride in finding our customers the right horse whether it be for riding, driving or a horse that will combine the two. Our horses are used in just about every aspect you can think of...farming, ranching, trail riding, driving and hunting camp. We run a small feedlot where we feed out our ranch raised beef. We also enjoy helping many neighbors out during the busy branding and shipping seasons. Our knowledge of driving has placed teams all over the US including Hawaii and Alaska. Our riding horses are being used for everything from ranch horses to trail horses to rodeo pickup horses.

While we have dabbled in many different breeds over the years, we have narrowed it down in recent years to primarily Quarter Horse, Percheron, Friesian and crosses of the three. Currently we are standing a registered, steel grey Percheron stallion; a registered, coal black Friesian stallion and a Noriker/Percheron cross blue roan stallion. Our broodmare band includes AQHA and grade QH mares, Percheron and draft cross mares as well as some Paint and Spotted Draft mares. This variety of blood/breeds has produced some truly phenomenal and diverse horses. Please feel free to reach out with any questions. 406-380-1154

Rocky and Robo SELL!!

ONLINE SESSION - TEAM - ROCKY & ROBO - 2022 & 2021 GRADE Black Percheron Geldings. This extremely fancy pair of full brother Percheron geldings with long manes and tails go by the names of Rocky & Robo! Big, Beautiful, Black, Broke, Gentle, Safe, and Dependable are just a few adjectives I would use to describe Rocky & Robo. They stand 17.2 and 17.3 Hands, tip the scale at 1925lbs each, and wear a size 6 shoe. Rocky & Robo were raised right here in MN on a Amish farm, where they started their career under harness doing a variety of tasks from spring field work, to summers baling hay, to fall harvest. One task on the Amish farm that taught them a lot patience, was pulling the milk sled through the rows of calf huts to feed a couple hundred bottle calves morning and night. We have owned Rocky & Robo for a year and boy have they become a staple in our business. We used them extensively throughout the holiday season giving horse drawn rides to hundreds of people. Rocky & Robo did the honors of hauling people at "Ole Fashion Christmas" in Plainview, "Jingle Mingle" in Leroy and the "Holiday Light Tour" in Preston many evenings. Our most recent event we used them for was a family wedding in February. We have used them to drag our arenas this winter and hauled countless loads of manure out of the barns down the busy highway to our field over the past year. I could continue to write about Rocky & Robo for pages, as they are an extraordinary cool team that I thoroughly enjoy driving! Current on dental, deworming and farrier. Trails and Arena!! All-Around Gelding

ONLINE SESSION - BUDDY BLACK JACK - 2019 AQHA Dun Gelding x Blue Isle Blackburn x Mr Blackburn Twist out of CC Two Eye Jae x Two Man Two. Just shy of 14.3hh 1100lbs. Buddy is a sharp looking, black pointed dun gelding that is broke to ride. Bred, born, raised, and trained by some of our friend's right locally here in MN, Buddy has seen many miles out on the trails. Buddy is easy to catch, has good barn manners, stands well for the farrier as well as grooming and saddling. Most of his time under saddle has been out on the trails where he excels, but we have also ridden him a fair amount in the arena. He will pick up his leads, pivot over his hocks, break at the poll, and move laterally off leg pressure. Buddy lives up to his name, as that is what he likes to be, just your nice all around "Buddy." Current on deworming and farrier. Please visit www.hansonhorseranch.com for more information. VIDEO: Contact Seller FMI: Jordan 507-272-3571. Coggins. MO206
