Skyactiv-G 2.5L Turbo Engine

The available 2.5-liter turbo engine offers up to 250 hp and 320 lb-ft of torque with recommended premium fuel and Mazda3 2.5 Turbo Sedan models also come standard with

our i-Activ AWD®.

Enhanced Stability

G-Vectoring Control Plus responds to steering inputs with subtle torque and braking adjustments for a smoother drive.

Available i-Activ AWD®

The AWD system in select Mazda3 models responds to changing conditions as you drive to deliver power to the right wheels at the right time.

Inspired Exterior Design

Our KODO: "Soul of Motion" design seeks to create a sense of movement with striking curves and angles.

A Welcoming Environment

Sophisticated upholstery palette choices are available in White or Red leather or warm Greige leatherette.

Dynamic Black Accents

The 2.5 S Carbon Edition offers 18" alloy wheels with Black Metallic finish, a gloss Black front grille and Black side mirrors.

TECHNOLOGY

SEAMLESS CONNECTION

The Mazda3 Sedan has integrated innovation into your drive, with features that help you stay connected while on the road.

ALEXA BUILT-IN

Connect to your maps, climate control, music and more—using just your voice. Available Alexa Built-in allows you to focus on the road and what's ahead of you.

MAZDA CONNECTED SERVICES

Remotely start your engine, check vehicle status reports and more through the MyMazda App with Mazda Connected Services, complimentary for one year.

PRESS PLAY

Delivering pristine audio is central to Mazda's design approach. Starting from the first exploratory phase, the design team works with audio in mind, pursuing dynamic forms that make the vehicle feel alive. See how the Mazda3 Sedan is made to deliver powerhouse audio.

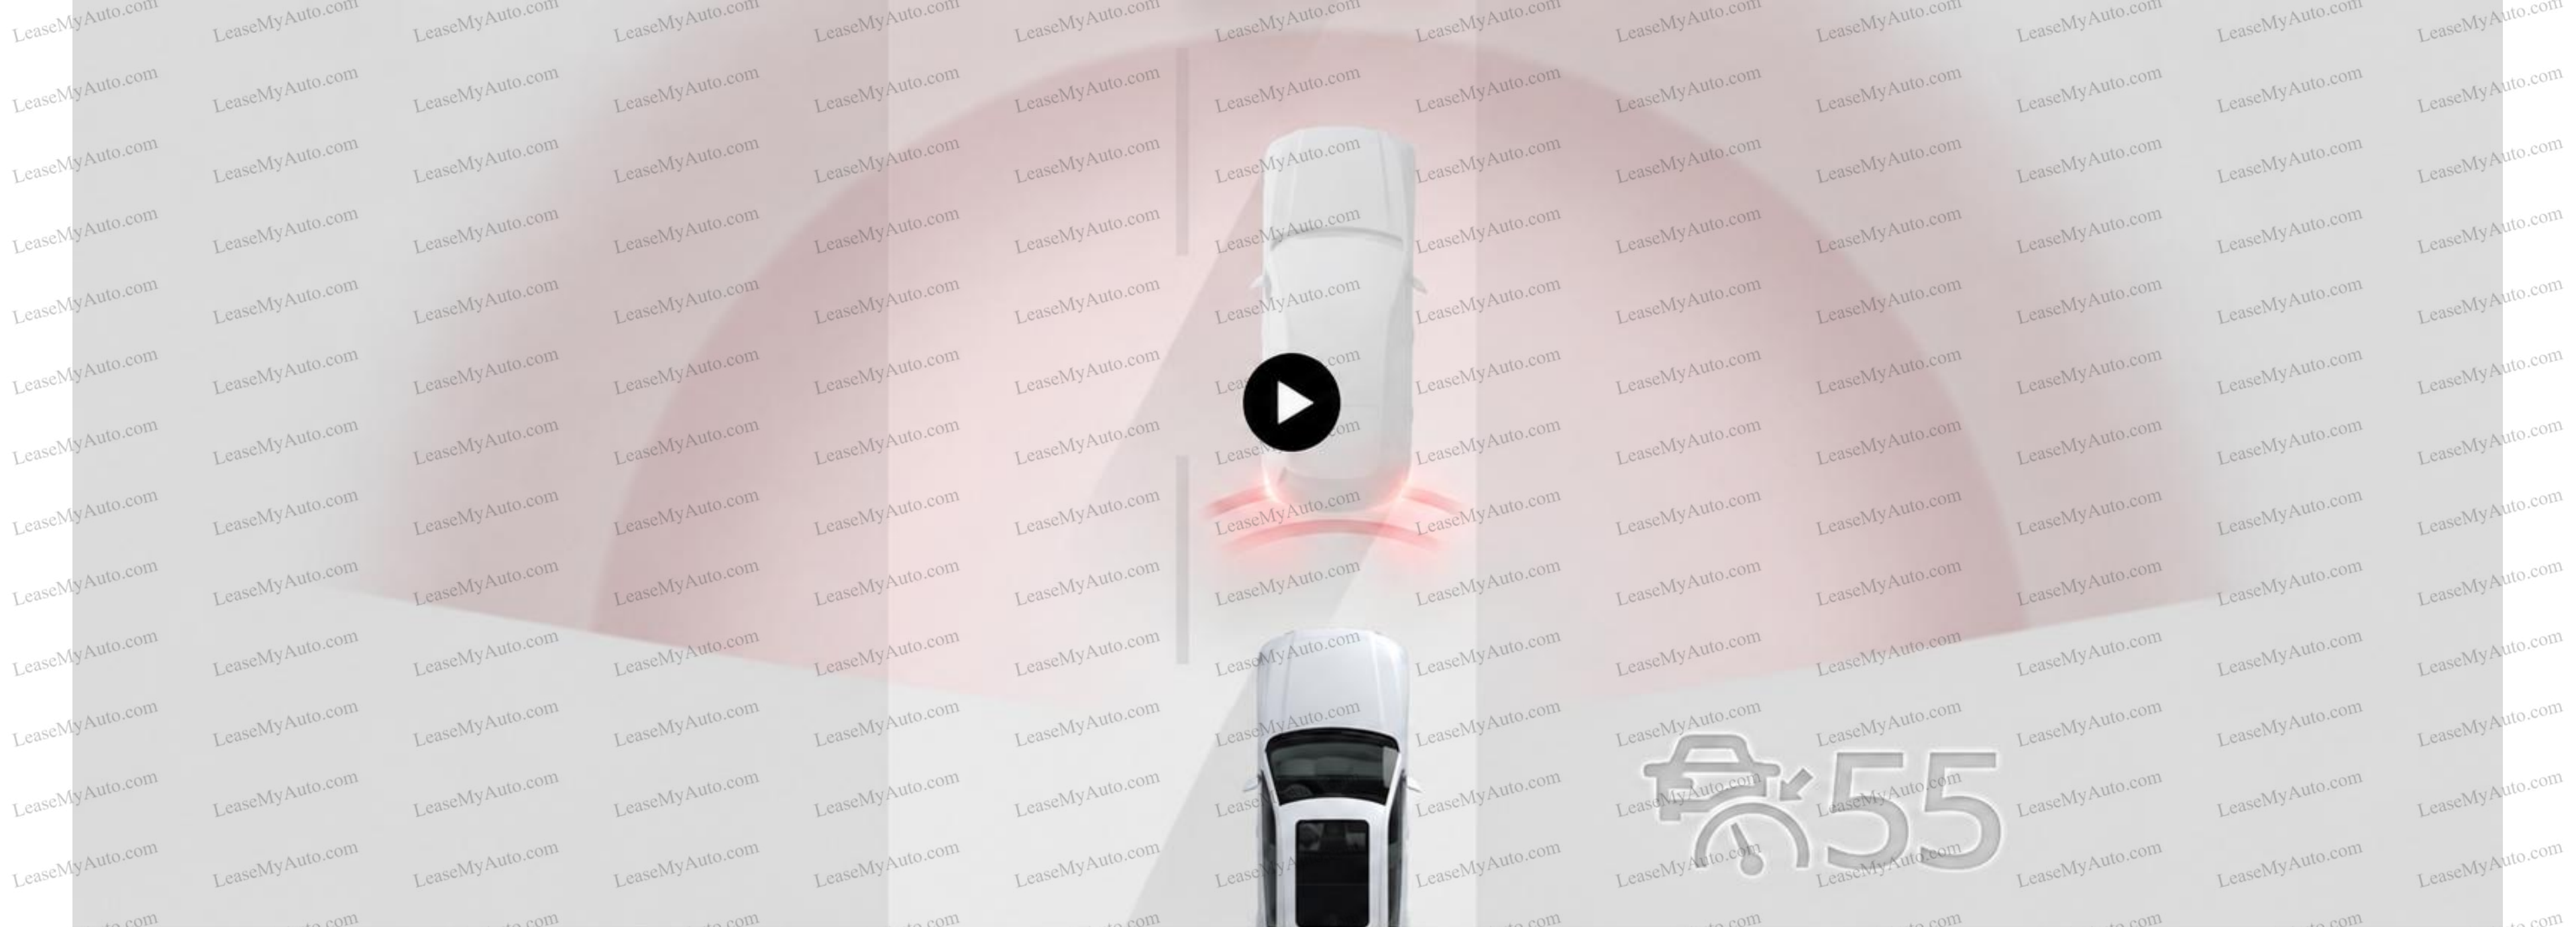

AVAILABLE SIRIUSXM[®]

Your Mazda comes with a 3-month SiriusXM[®] trial subscription in your vehicle and on the SiriusXM[®] app. Enjoy your favorite entertainment—including ad-free music, plus talk, sports, comedy, news, podcasts, and more. SiriusXM[®] is the perfect driving companion.

AVAILABLE BOSE[®] PREMIUM AUDIO

Over the course of our 30-year partnership with Bose[®], we've enhanced our ability to conceal noise and to get better response from the speakers.

Cruising & Traffic Support

Once engaged, this available feature can provide headway support of adaptive cruise control, maintaining the following distance from the vehicle ahead, while also providing lane centering assistance under certain conditions from 0 mph up to highway speeds.¹¹

Vehicle Exit Warning

When stopped, this standard feature can detect vehicles or bicycles approaching from the rear and provide warnings to alert exiting occupants.¹²

Blind Spot Monitoring

Visual alerts will appear when a vehicle is detected in your blind spots—with additional audible alerts when you signal a lane change while a vehicle is in your blind spot.¹³
