*Ill. : David A. Glattly, 33°*  
Sovereign Grand Commander

David A. Glattly, Sovereign Grand Commander of the Scottish Rite, NMJ, describes himself as “just a DeMolay boy from Clifton, New Jersey.” He was born in Paterson, NJ, on August 10, 1953, but grew up in Clifton, where he lived up to and including his college years.

Although both his father and grandfather were members of the craft, Ill. Bro. Glattly entered the Masonic world through DeMolay. He Joined Clifton DeMolay Chapter in 1970 and served as Master Councilor. Four years later he became a Mason in Clifton Lodge No. 203. In 1995 he was chosen as Master of the lodge.

Ill. Bro. Glattly joined Scottish Rite “in the ‘80’s,” then in 2000, in Pittsburgh, he received the 33°. He explains that “In that year as a Millennium project each Valley reached out for candidates doing Masonic work in many fields. I was chosen for my concentration on DeMolay.” He remained – and still remains – active with that group. He served as Grand Marshal of the Grand Lodge of New Jersey in 1998, was Executive Officer of DeMolay from 1999-2004, and has earned six Grand Master of DeMolay Eagle Awards – the most recent being a lifetime achievement award.

Ill. Bro. Glattly has received several other Masonic honors including the Daniel Coxe Medal from New Jersey and the Josiah Drummond Award from Maine. During Hurricane Sandy, Bro. Glattly was point man for the Scottish Rite as the fraternity provided relief for so many of our members during that tragedy.

On July 7, 1990, he married Monica, and says “She has been a partner in everything I do, since then. They have two children – a son, Matthew, and a daughter, Jessica. As far as his views on his new position, the Grand Commander says “I plan to follow the vision statement. We will not change course, and we will focus on increasing membership.” He says that “Every Masonic position I’ve held has been fun, and I expect, with Monica at my side, this new challenge will be that same.”

# ***DECLARATION OF PRINCIPLES***

BY THE

## **Supreme Council of Sovereign Grand Inspectors General Ancient Accepted Scottish Rite of Freemasonry For the Northern Masonic Jurisdiction of the United States of America**

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, thus undergirding the community with those spiritual values which give it strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry teaches a belief in God and faith in His divine purposes. It encourages the worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment, fraternity and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land, and respect for their country's flag.

Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all our ritual is directed and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that the preservation of unity of purpose and devotion to principle is essential to Freemasonry, the Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way to attempt to procure the election or appointment of Governmental officials, whether executive, legislative or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

The Scottish Rite of Freemasonry is one of two branches of Freemasonry to which a Master Mason may proceed after he has completed the first three Degrees in the Symbolic or "Blue Lodge". The Scottish Rite includes the degrees from the 4th to the 32nd. Although there are many Scottish Rite Members of Scottish ancestry, the Scottish Rite actually originated in France in the early 18th century. During the 18th century, lodges were organized in the United States with the first Scottish Rite Supreme Council founded in Charleston, South Carolina, in 1801.

The Northern Masonic Jurisdiction was formed in 1867 and includes 15 states east of the Mississippi River and north of the Mason-Dixon Line and the Ohio River, including Delaware. The Southern Jurisdiction encompasses the 35 remaining states, the District of Columbia and the United States territories and possession. The Northern Jurisdiction officially recognizes and enjoys friendly relations with many other jurisdictions around the world.

Scottish Rite shares the same belief of all Masonic organizations that there is no higher degree than that of a Master Mason. The Supreme Council and its subordinate bodies acknowledge the Masonic supremacy of the Symbolic Grand Lodges and Grand Masters within their jurisdictions. Scottish Rite serves to elaborate on and amplify that of the Symbolic Lodge.

The Scottish Rite degrees are lessons taught through allegory in the form of plays. The lessons are taken from Biblical as well as more modern historical events. Cast members use costumes and makeup to look like the characters who they represent. Candidates learn the lessons by observing the presentation. Memorization of material presented is not required. The Scottish Rite is open to all Master Masons in good standing.

The 33rd degree is conferred annually, at the meeting of the Supreme Council, upon a select number of 32nd Scottish Rite Masons who have contributed outstanding service to Freemasonry of Man under the Fatherhood of God. A recipient must be at least 33 years of age and may not apply for the degree.

Scottish Rite members meet in local or regional "Valleys" and are organized into four parts: Lodge of Perfection, 4° - 14°, Council Princes of Jerusalem, 15° - 16°, Chapter of Rose Croix, 17° - 18° and Consistory, 19° - 32°. Some individual Valleys do not contain all four bodies.

## 17° Knight of the East and West

*“The 17° presents a picture of the conflicts which confronted one man, King Herod the Great, as he labored with the whimsical actions within his family, his court and his kingdom. Although the scene itself is fictitious, the facts relating to the intrigue within the court and King Herod’s renovation of the Second Temple, which had been erected by Zerubbabel, are historically correct. The attitudes of the three factions of the Jewish religious population reflect the conflicts which continue, even today, as we try to understand our places in the plan of the Grand Architect. This degree teaches that we must seek truth in our path through life, and that we should learn from, and avoid repeating, the errors of the past.”*
