

PRESS RELEASE

MINIMAC'S DRIVE FOR NATIONAL GIRL CHILD DAY

[24-01-2023, Pune, Maharashtra] - "A girl child brings joy; she is no less than a boy." National Girl Child Day is celebrated in the country on January 24 every year with the objective of providing support and opportunities to the girls of India. Minimac Systems, a leading manufacturer, exporter and technical consultancy company in the domain of lubrication reliability and contamination control, under its CSR drive 2023 launched 'We Care' initiative. The motto of this campaign is to bring a positive societal change.

"It's been more than seven years since our company is actively supporting girls' education and sensitizing people on the rights of girls. With our initiatives, we impacted more than 10000 girl child lives. This drive has brought a great change in them and the community as a whole. Additionally, Minimac being a clean-tech company is working towards reducing HCRs and developing innovative technologies that can help reduce the carbon footprint", stated Mr. Anshuman Agrawal, Founder and MD of Minimac Systems. "The company would continue to create opportunities that enhance girls' education, safety, health, and well-being, and power them to transform their futures", he further added.
