GREETINGS FROM THE VAS BOARD OF DIRECTORS

Welcome to the 36th Annual 2026 Commonwealth Games hosted by Virginia Amateur Sports. VAS is pleased to present the Commonwealth Games, a program of statewide competition under the jurisdiction of the National Congress of State Games, designated for athletes representing a broad range of ages and skills. This Olympic-style event brings together young athletes from across the Commonwealth to pursue excellence, build lifelong friendships, and create memories that will last a lifetime. In addition to conducting the GAMES, our mission is to promote the awareness of the benefits of physical fitness and healthy lifestyles through sports education, training, and competitions.

This year marks an exciting new chapter through our partnership with Richmond Region Tourism. Together we are committed to enhancing the athlete and family experience. Richmond and neighboring communities offer a central location which is an accessible and convenient destination for participants traveling from every corner of the state.

Whether you are participating as an athlete, coach, volunteer, sponsor, or spectator, your presence and contributions are greatly appreciated and valued. You are making a positive difference in the quality of life of Virginians.

The Board is grateful for financial support from individuals, corporations, businesses, universities, and community governments to maintain the Games for our citizens. A heartfelt thank you to our dedicated staff and interns for their tireless service and contributions to our success.

We extend our best wishes to the athletes for a spirited competition, the celebration of sportsmanship, and to all a successful and enjoyable weekend. During the 36th Anniversary of Commonwealth Games, we will proudly celebrate the 250th Birthday of our NATION - The United States of America.

With warm regards,

Elizabeth Lee Robertson, Ed.D.

OPENING & WELCOME

History of the Games

How they got started

In 1989, the Governor's Commission on Sports & Physical Fitness passed an endorsement that Virginia Amateur Sports (VAS) would serve as the state organization to hold the State Games of Virginia. In 1992, the Games were officially named the Commonwealth Games of Virginia. In 1990, the initial Games drew 4,400 athletes competing in 29 sports. More than 315,000 athletes, their families plus spectators have participated during the past 36 years.

Credentials

VAS is a member of the National Congress of State Games (NCSG) and is sanctioned and recognized by the NCSG, the Virginia High School League (VHSL), the National Collegiate Athletic Association (NCAA), and by the United States Olympic & Paralympic Committee as a member of their USOPC multi-sport organizational council.

Funding

In 1990, when the Games started, VAS had secured a \$175,000 grant from the state to launch the Games. By 2001, VAS lost all state funding. Despite the loss of state funding, VAS persevered and expanded its staff and programs. With zero funding from the state, local governments increased their financial support in addition to providing fields and facilities. VAS tries to keep the cost to participate in the Games minimal, with the majority of funding coming from sponsors. The Games have had four title sponsors in their history - Cor-East, Southern Health/Coventry, Subway and Liberty University.

We are excited for our future in our new host city, beginning in 2026 - The Richmond Region!

Support

With its dedication to a tradition of excellence & with a staff of three, VAS relies heavily on outside support. That support includes over 1,000 volunteers, 60+ volunteer sport coordinators, a volunteer local organizing committee made up of individuals from supporting localities, other business professionals, volunteers from the medical profession field, security and police departments, and the VAS board of directors.

The Virginia Commonwealth Games

Entering its 37th year, the Virginia Commonwealth Games is an annual event held in July (for most sports) and is open to participants of all ages and skill levels. From baseball to wrestling, this event offers sports competition venues for 30+ different Olympic, Pan American, and recreational sports.

The Games represent the true spirit of amateur athletics. For some, this celebration of sport is a stepping stone for following the dream of representing the United States in the Olympic Games. For others, the Games are a place to compete in a favorite pastime. Regardless of the age or skill of the athlete, the Games provide the pure pleasure of competing for the love of sport.

The Virginia Commonwealth Games are more than sports events; they go much deeper. The Games teach values such as teamwork and good sportsmanship, which are important components of everyday life. The Games encourage athletes to develop and improve their physical talent and competitive abilities. Lastly, the ideals of the Games promote physical fitness and encourage Virginians to adopt a healthy lifestyle.
