OVERVIEW

Modern Design Meets Family Fun

The refreshed design of the Honda Odyssey showcases a bold, modern look with redesigned grille and bumpers, 18- and 19-inch wheels, LED headlights and updated LED fog lights complete the updated look.

OVERVIEW

So Versatile, It's Practically Magic

The Odyssey offers premium features throughout the cabin, like Magic Slide® 2nd-row seats, a larger 9-inch color touch-screen, and an available hands-free access power tailgate, to help you load up the family and all your gear with ease.

OVERVIEW

Something for Everyone

The Odyssey was designed with a host of smart features for the whole family. Bring everyone's favorite movies and shows on the road to watch on the large 12.8-inch screen of the Rear Entertainment System. Connect your iPhone®* with available wireless Apple CarPlay®** and your smartphone with Android Auto™* compatibility.
