Residential Care Home

Oversteps is a residential care home for 24 older people.

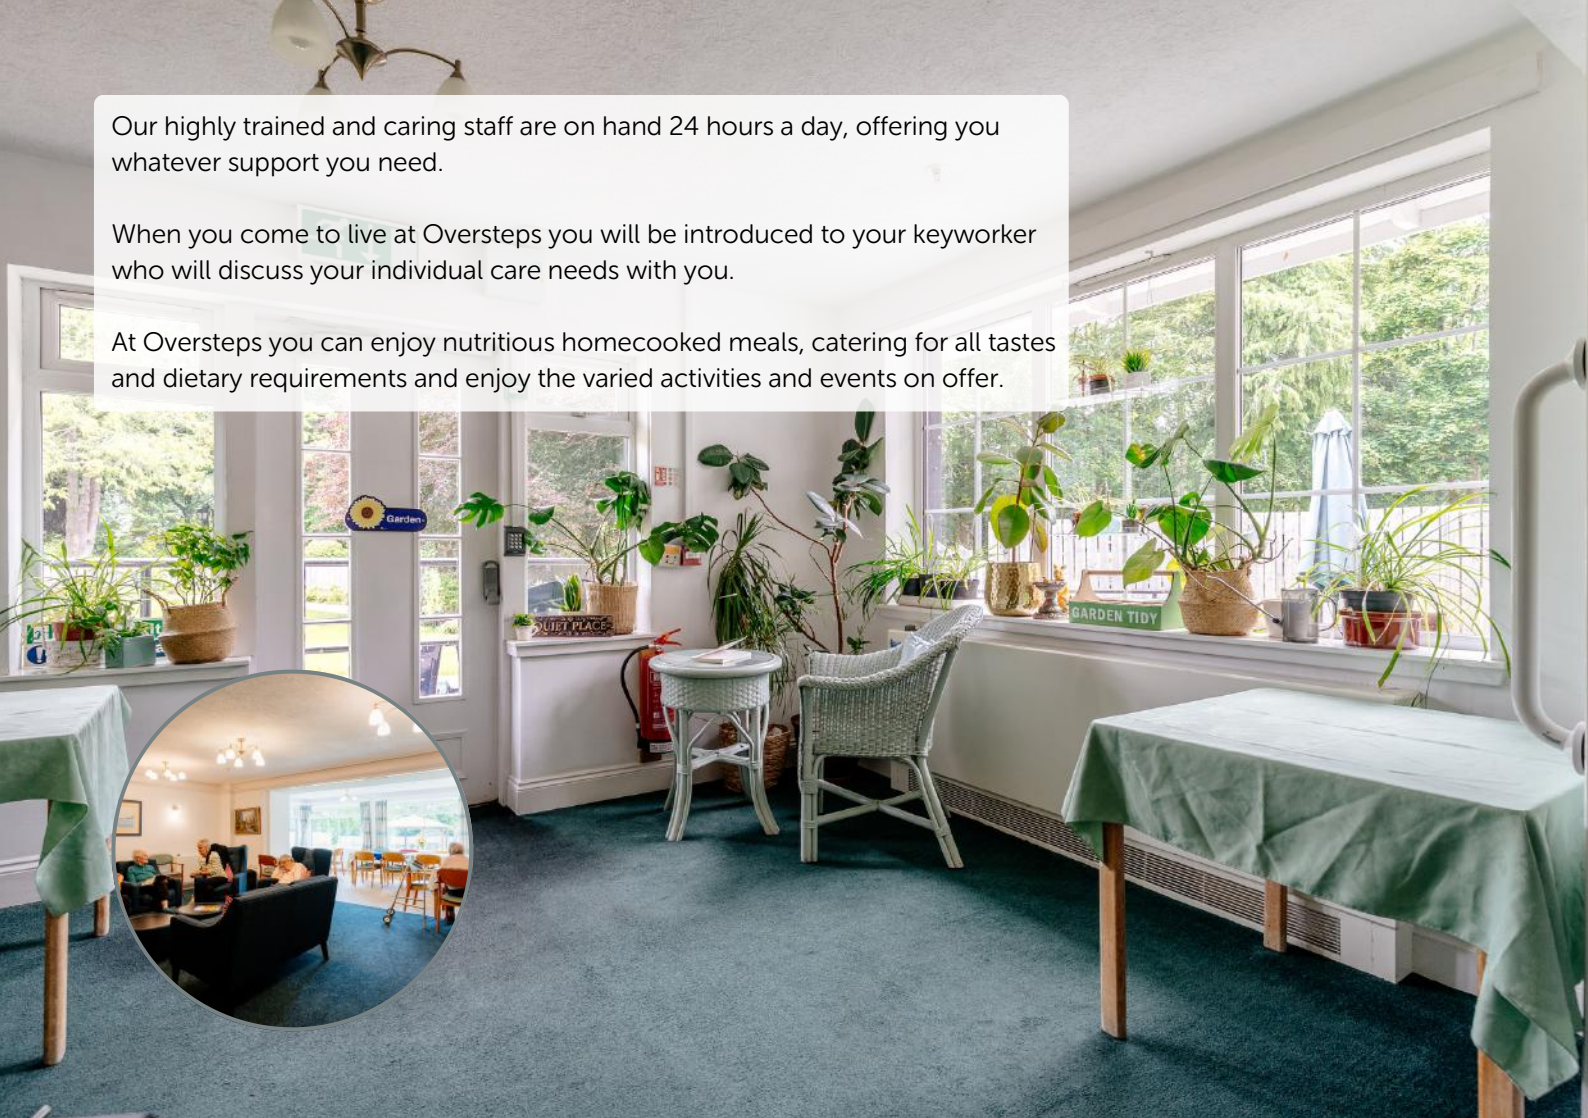

Located on the outskirts of the Royal Burgh of Dornoch, Oversteps sits within its own leafy grounds, surrounded by beautiful gardens and trees.

Our aim is to create a happy and homely environment, where residents are encouraged and supported to live as independently as possible.

Our highly trained and caring staff are on hand 24 hours a day, offering you whatever support you need.

When you come to live at Oversteps you will be introduced to your keyworker who will discuss your individual care needs with you.

At Oversteps you can enjoy nutritious homecooked meals, catering for all tastes and dietary requirements and enjoy the varied activities and events on offer.

We have an activities co-ordinator at Oversteps who organises varied and enjoyable programme this includes:

- Musical entertainment
- Connections with local Churches
- Intergenerational activities
- Community events
- Enjoying outside space including flower and vegetable planting
- Day trips and outings

Oversteps is very much part of the local community. We have strong links with our local Churches, who often come by to hold services. We also have a great relationship with two nearby schools – Dornoch Primary and Dornoch Academy – and their pupils visit us regularly.

We have 24 bedrooms, all of which have an en-suite bathroom.

When you live at Oversteps, your bedroom is a space you can call your own. You are welcome to personalise your room to make it feel as much like home as possible.

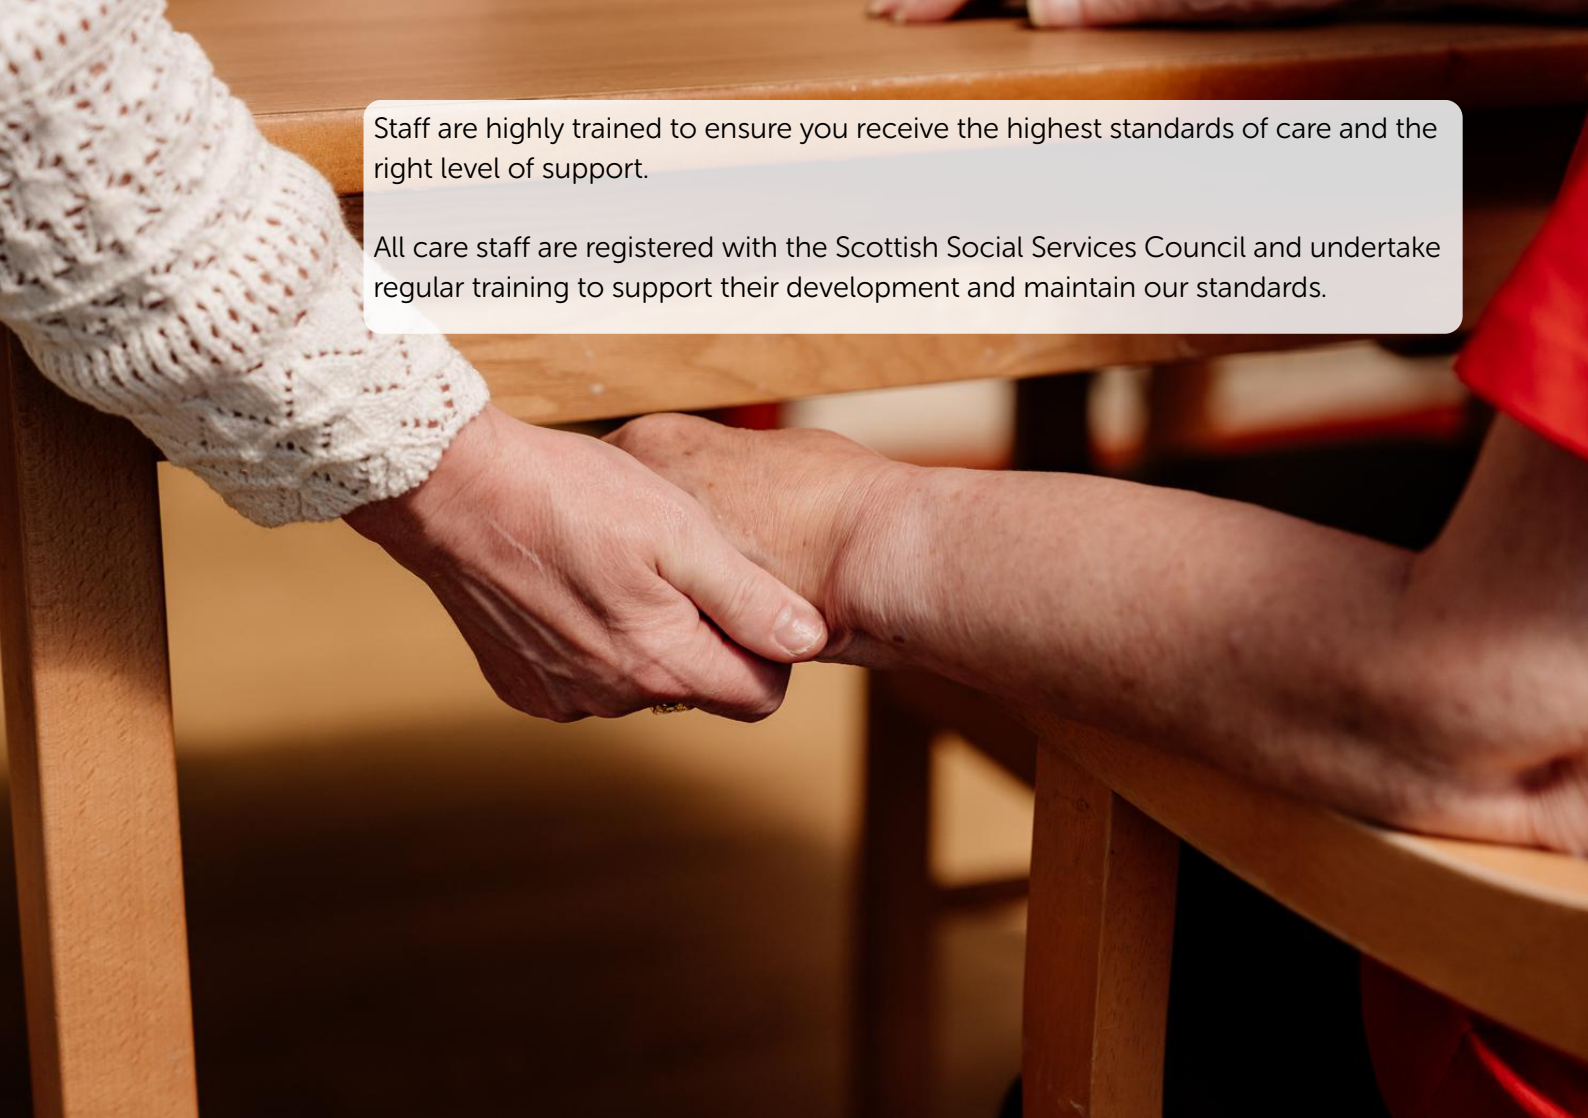

Oversteps has lots of space for you to socialise and relax in. As well as a TV lounge and dining area, we have a spacious sitting room with excellent views of the garden and surrounding woodland. Some of these rooms are used for activities and events and residents are free to join in the fun at their leisure.

Oversteps is located within its own extensive grounds. You can enjoy a gentle stroll in the garden or sit in the fresh air, watching the local wildlife. If you're more interested in participating, you'll love our greenhouse, flowerbeds and vegetable garden – where we have regular planting sessions.

Staff are highly trained to ensure you receive the highest standards of care and the right level of support.

All care staff are registered with the Scottish Social Services Council and undertake regular training to support their development and maintain our standards.

When you come to live at Oversteps you will be introduced to your keyworker who will help you settle in and will work with you to develop your personal plan to ensure we provide the support you need.

Keeping friends and relatives involved in the day-to-day life at Oversteps is hugely important to us. Whether it's hearing your input on your loved one's Personal Plan or joining us at the home for events and initiatives, your presence is always welcome.

At CrossReach we have been showing the practical side of our Christian faith for over 150 years.

We advocate acceptance, inclusion and diversity at CrossReach. Each and every one of our care homes are open to all and we are proud to support people from all faiths, cultures and backgrounds.
