> **There is 1 COMBINATION PARCEL** <  
**Parcels 1 & 2 as Combination Parcel 3 -**

**These parcels will be offered as Single Units and then as a Combination Parcel  
Using the "COLLECTIVE BIDDING PROCESS"  
Following is the explanation of that process**

**PARCELS vs WHOLE**

***Collective Bidding and Bid-Off Procedure***

1. Parcel prices are established by the auction method and the top bid and bidder number on EACH Parcel is posted.
2. The top bids of the individual parcels are added together in predetermined combinations. ANY BIDDER interested in purchasing a combination may bid as long as they bid at least 1% more than the sum of the individual bids.
3. The top bid and bidder number on the combination is then posted. (If no combination bid is at least 1% higher than the sum of the individual bids, no bid is recorded and that particular combination will not be offered again.)
4. The INDIVIDUALS with the posted bids on the Parcels will then be given the opportunity to collectively bid more than the posted bid on the combination and the combination bidder will be given the opportunity to raise his/her bid until the highest price is achieved. It is the intent of the individual Parcels to work in concert to exceed the bid on the combination and vice versa.
5. This is accomplished using the following procedure:
  - a. Any bidder interested in purchasing a combination may bid as long as they bid at least 1% more than the sum of the individual bids. All bids of at least 1% will be accepted, even if it does not put the bidder in the lead.
  - b. If any Parcel or combination bidder wishes to pass, he/she may do so and an X will be placed next to his/her bid. A bidder may pass only three times and on the third pass his/her bid is frozen, removing the option of increasing his/her bid. However this does not remove the possibility of the bidder being the ultimate purchaser.
  - c. Once all bidding parties have passed three times, the top bid will be determined and recorded. The posted bids will be declared winning bids, but not as sold.

**All Decisions of the auctioneer on collective bidding are final!**
