About Queen's League Golden Awards 2021

Devoted to the perennial spirit of womanhood, the Queen's League Golden Awards 2021 celebrates and honours the remarkable feat of every 'Beauty Queen' who have outshined vehemently - beating all the odds coming their way. The initiative of celebrating all 'Crown Winners' (title as well as sub-title holders) emphasizes each of the Queen's individual journey, thereby appreciating their outstanding performance and perseverance.

Bringing all the Queens across the globe under a single roof, Vishal Kapoor (VK), the founder and curator of the Award highlights that the aim of the 'Queen's League Golden Award' is to facilitate a platform for these 'highfliers' with a dignity walk. Honouring their phenomenal triumph in an event that is neither a competition nor a pageant, VK wants to celebrate and showcase their achievements - empowering the younger generation while igniting them to be a noble contributor towards the welfare of the society.

VK believes that it takes a lot of courage, efforts and guts for a girl/woman to come out of the cocoon, beat all the obstructions and fly high as a 'Queen' while managing the perfect equilibrium of their prettiness, intelligence and their resilience to transform the society for better. The honour in the form of 'Queen's League' is nothing but his way to celebrate each of these epitomes of 'Beauty with Brains' diligently.

Motivating ambition, empowering confidence and inspiring female leaders into the future, the award wants to recognize and honour 'Beauty Queens' globally – paving a way to build a realm where girls/women have the freedom to be exactly 'the person' they want to be and express themselves in the manner that feels most genuine to them.

VK says, "Our society must cheer our girls to spread their wings, fly very high, make a big leap as if they own the infinite sky!"

Having been trained in 'modern dance form' right from the age of 3, Hansinee has been comfortably ruling the stage from many years now. With enough exposure, the little girl from Balasore, Orissa, is not only confident but also quite sure of her 'skills'. This is precisely why she has bagged so many awards, starting from her very first win, Miss Youth Talent 2017 in Balasore to her latest as Miss Showstopper 2020 in Mumbai.

Maintaining a perfect balance between her studies and extra co-curricular activities, Hansinee over the years with her talent has won several awards in several parts of India including "Mayur Entertainment"(CINE TV AWARD) 2019, Balasore, "Rawa"(1st Prize Dance) 2019 Kolkata, Dharohar (2nd Prize Dance) 2019, Shimla, Artist Award and Aditya Birla Capital Award 2019, Balasore.

Given the sobriquet of TikTok Queen, this little energetic soul was also a part of 2020 musical film, Humsafar for which she has even won award. With the ban on TikTok, the star is seen dancing and showcasing her talent on alternate platforms.

Hansinee is grateful to her parents who have always encouraged her 'gifts', which is why, she is a recipient of Mumbai's prestigious Queen's League Golden Awards 2021 today. According to her perspective, the award is a massive opportunity for her to grow, rise and shine across India.

Her Message to the World - "Focus on things that you love and do it anyway!"
