TRAVESSA DA VITÓRIA Nº87
4475-174 GEMUNDE - MAIA

FCS 00001
Presser foot for plastic (LU2210)

FCS 00002
Presser foot for plastic (LU2210)

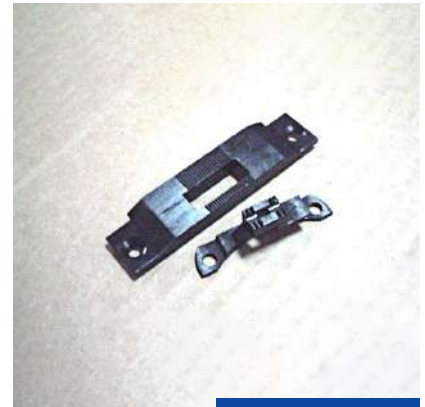

FCS 00003
Presser foot for piping (LU563)

FCS 00004
Complete presser foot set for piping (LU2210)

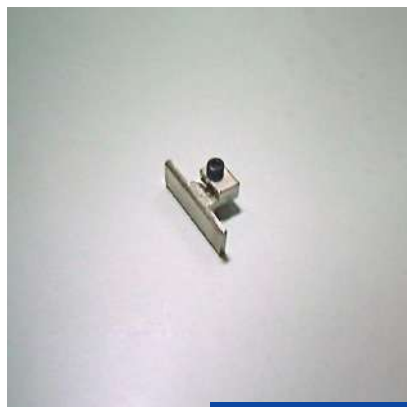

FCS 00005
Stitch plate & feed dog with 3mm higher center (LU2210)

FCS 00006
Stitch plate & feed dog with a height of 3mm (LU2210)

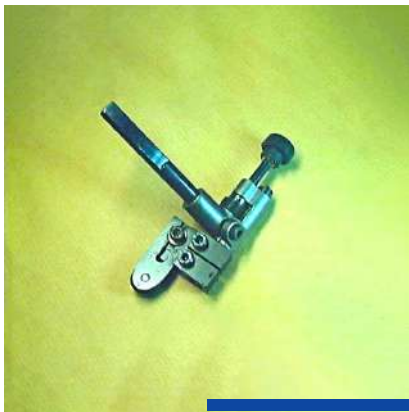

FCS 00007
Plastic guide

FCS 00008
Edge guide for micrometric

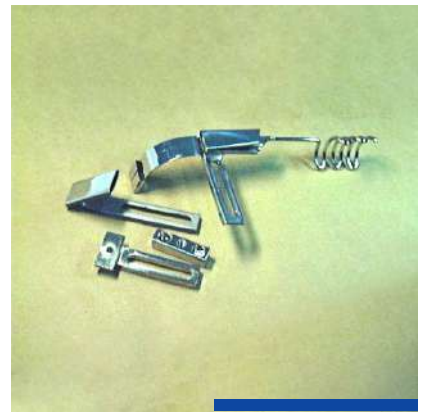

FCS 00009
Micrometric guide

FCS 00010
Guide adapter base micrometric

FCS 00011
Special guide for piping

FCS 00012
Complete set of tapes
Specify width between 20-100

FCS 00013
Sewing foot with a 10mm width (LU2210)

FCS 00014
Presser foot set for open stitch (PLC1610)

FCS 00015
Compensation presser foot (LU2260)
Specify needle gauge

FCS 00016
Compensating presser foot (PLC1660)
Specify needle size

FCS 00017
Plastic guide

FCS 00018
Plastic guide

FCS 00019
Complete roller (LU2210/2260)

FCS 00020
Needle cooling system (LU2210/2260)

FCS 00021
Complete presser foot set for open stitch (LU2210)
Specify edge guide

FCS 00022
Presser foot for plastic (LU2210)

FCS 00023
Guides for piping

FCS 00024
Adaptor tapes

FCS 00025
Transformation kit 24mm (LU2260)

FCS 00026
Presser foot + walking foot (LU2210)

FCS 00027
Presser foot + walking foot (LU2210)

FCS 00028
Presser foot + walking foot (LU2210)

FCS 00029
Presser foot + walking foot (LU2210)

FCS 00030
Transformation kit for plastic (LU2210)

FCS 00031
Transformation kit for binding
(LU1509/2210)

FCS 00032
Special binding (LU1509/2210)

FCS 00033
Transformation kit for narrow plastic
(LU2210)

FCS 00034
Conversion kit for needle size 6mm
(PLC1660)

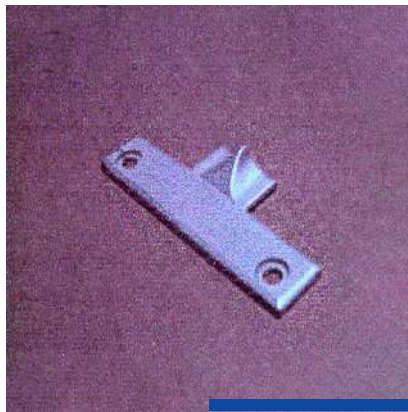

FCS 00035
Complete presser foot set for the open stitch
(LU1508/LU1510/DNU241/DNU261)

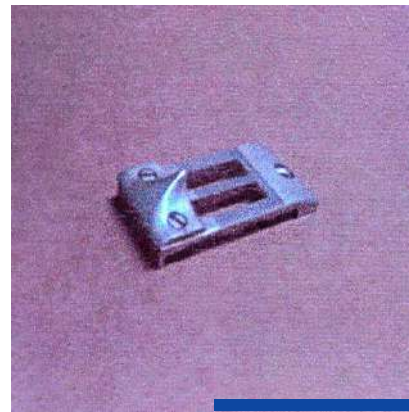

FCS 00039
Complete kit for binding upholstered
furniture
(LU1508/LU1510/DNU241H/DNU261H)

FCS 00040
Pressure equalising feet (LG158U)

FCS 00041
Guide for open stitching (LG158U)

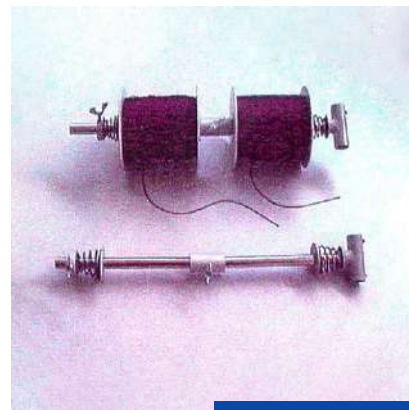

FCS 00042
Needle plate with open stitching
(PLC 1669/PLC1660L)

FCS 00043
Compensating presser (LU1560)
Specity needle gauge

FCS 00044
Complete presser foot for piping (LU1510)

FCS 00045
Horizontal thread stand

FCS 00046
Complete presser foot for boating
(LU2260/66)

FCS 00049
Complete lever handle feet for plastic
(LU2210)
Ref: 2696/01 - 5mm

FCS 00050
Complete presser feet for plastics (LU2210)
Ref: 2696/02 - 16mm

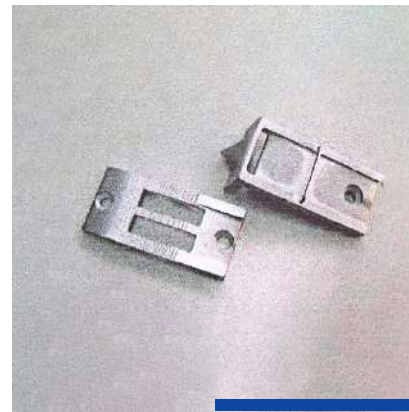

FCS 00051

Complete presser feet for plastics (LU2210)
Ref: A158/01 - 8mm

FCS 00052

Complete presser feet for plastics (LU2210)
Ref: A161/01 - 8mm

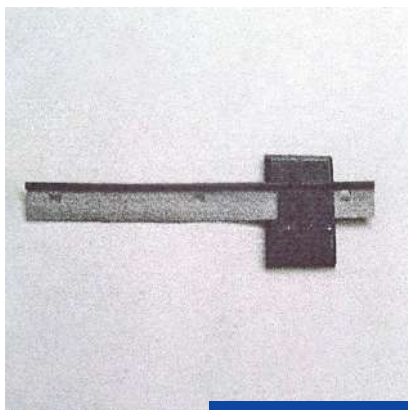

FCS 00054

Stitch plate for tape attachment plus open
stitch guide (PLC1660/PLC1660L)
Specify needle size and width of the tape

FCS 00055

Ergonomic presser and roller guide for
sewing on wire edges (LU2210)

FCS 00056

Slide plate with ribbon border (LU2210)

FCS 00057

Presser foot for levelling feet with
eccentrically adjustable screw for middle
guide (LU2260)

FCS 00058

Levelling feet with central pneumatic guide
(LU2260/2266)

FCS 00060

Pneumatic adjustable tension tape kit

FCS 00062

Conversion kit for attaching adhesive tape to
narrow seams (LU2260)
Specify needle size

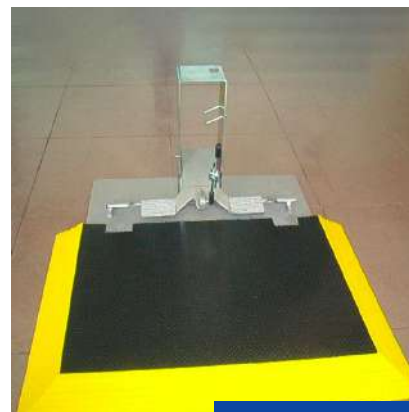

FCS 00064

Off-center kit (LU2260/2266)
Specify the needle size

FCS 00065

Off-center kit (LU2260/2266)
Specify the needle size

FCS 00066

Ergonomic Pedal

FCS 00067

Pneumatic guide with 2 positions and
micrometric guide

FCS 00068

Pneumatic guide with 2 positions, without
micrometric guide

FCS 00069

Pneumatic guide with 2 positions,
micrometric guide with finger guard

FCS 00070

Pneumatic Up & Down adjustable guide

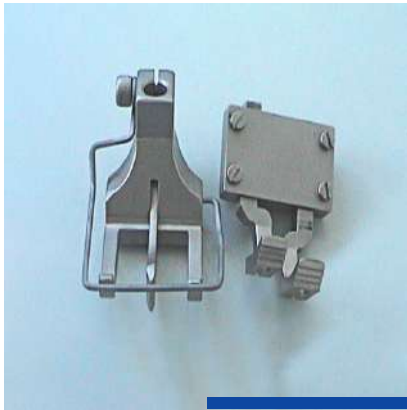

FCS 00071

Pneumatic, 3-way adjustable guide with
pneumatic up and down movement

FCS 00072

Complete edge trimming kit (LU2210-7-ET)

FCS 00075

Compensating foots (PLC1760)
Specify needle gauge

FCS 00076

Compensating pneumatic foots (PLC1760)
Specify Needle Gauge

FCS 00077

Open seam foot left guide (PLC1710)
Specify edge guide measurement

FCS 00078

Open seam foot right guide (PLC1710)
Specify edge guide measurement

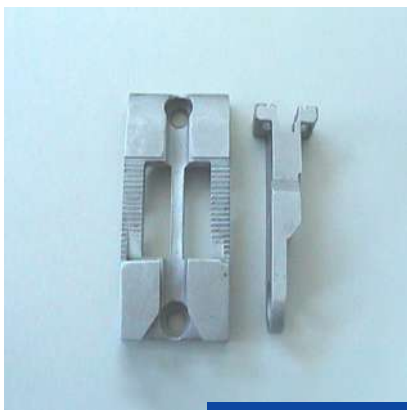

FCS 00079

Guide for narrow stitching (LU2260)

FCS 00080

Transformation kit, sewing from edge 3mm
(LU2220)

FCS 00081

Needle plate with narrow feed dog for tape
attachment (PLC1760)

FCS 00082

Transformation kit, with compensating
foot, tape attachment, and open seam
guide (PLC1760)

FCS 00083

Adjustable 2 position manual edge guide

FCS 00084

Micrometric guide with manual guide with 2 positions

FCS 00085

Off-centre feet with 4mm left & right side guides (PLC1760)

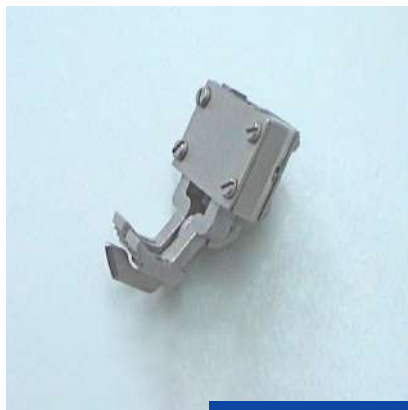

FCS 00086

Narrow overlapping feet (LU2212)

FCS 00087

Narrow seam with left & right side guide (PLC1710)

FCS 00088

Levelling foot with narrow central guide (LU2260/PLC1760)

FCS 00089

Complete measuring device set with levelling feet (LU1560)

FCS 00090

Set with ergonomic feet for narrow seams (LU1510)

FCS 00091

Set with narrow feet for sewing 4mm from the edge (LU2212/2220)

FCS 00092

Off centre foot 10mm gauge set with right needle and left and right side guide (PLC1760)

FCS 00068/V

2 position pneumatic guide without micrometric guide (LU2828V)

FCS 00111

Open seam foots without inner leg
Specify measurement & left or right

FCS 00112

Open seam foots with adjustable foot
Specify measurement & left or right

FCS 00113

Feeding foot 7mm

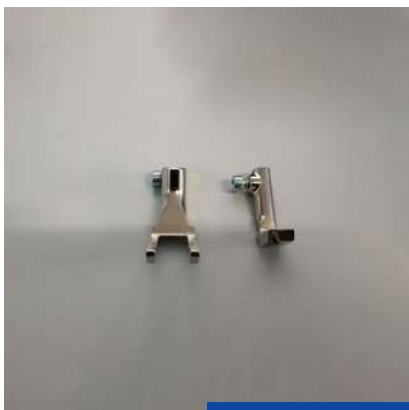

FCS 00114

Set of feet for adjustable belt guide 18mm

FCS 0114

Special guide for piping

FCS 0115

Foot set for blind zipper

FCS 00116

Transformation kit with standard feet

FCS 00117

Open the foot 4mm without / inner leg

FCS 00118

Set of feet with middle guide (DKP867)

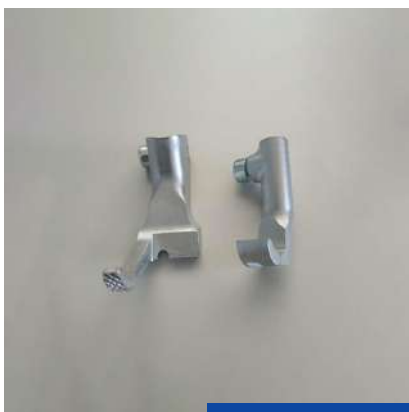

FCS 00119

Special set of compensating feet for pipes

FCS 00120

Block guide

FCS 00121

Set of piped feet

FCS 00122

Special feed dog for working with needle 120 (PLC2710)

FCS 00123

Eye / Finger Guard

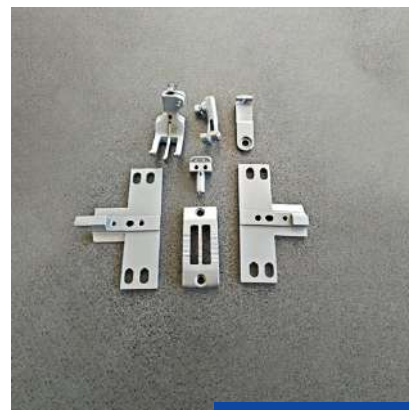

FCS 00124

Special pneumatic guide with 2 positions and micrometric guide
Distance 0mm-30mm

FCS 00125

Special pneumatic guide with 2 positions and micrometric guide
Distance 0mm-30mm

FCS 00126

Transformation kit 6mm with standard feet (DKP. 768/868)

FCS 00127

Transformation kit 6mm with standard feet (DKP767)

FCS 00128

Transformation kit 8mm with compensating feet

FCS 00129

Pneumatic foot lifter ak72 (TNU243)

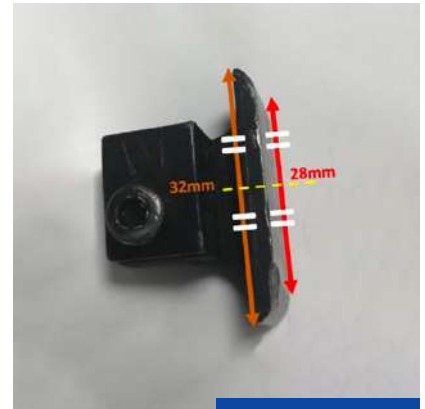

FCS 00130

2 positions pneumatic guide without micrometric guide with deflection roller

FCS 00130/G

Pneumatic guide with 2 positions and micrometric guide with deflection roller

FCS 00131

Linear guidance

FCS 00132

Feed dog 50mm

FCS 00133

Transformation kit for binding (LU2260/LU2266)

FCS 00134

Special levelling feet 8mm (PLC2760-7/LU2260-7)

FCS 00135

Belt guide (PLC2760)

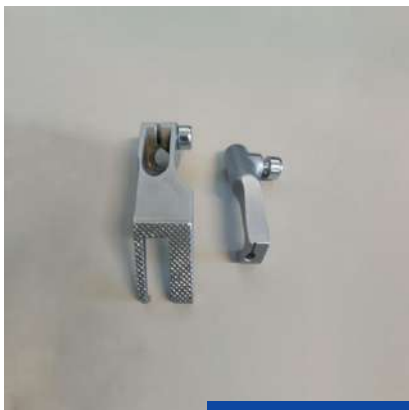

FCS 00136

Set of needle plate and feed dog for profile according to pattern

FCS 00137

Kit for plastic profiles
Needle plate, feed dog and base set

FCS 00138

Set of presser feet for sewing 4mm right sides

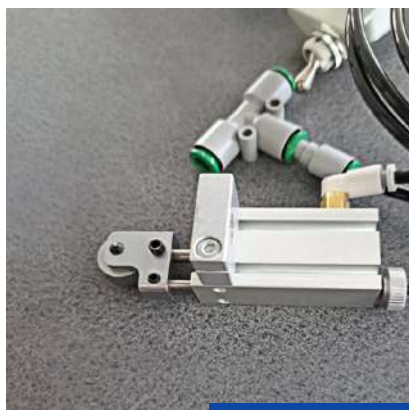

FCS 00141

Pneumatic Lifting (P/LU2810)

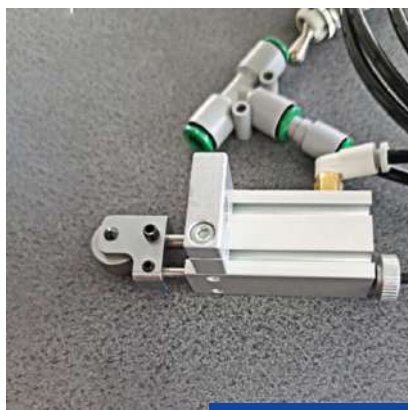

FCS 00142

Articulated tape guide 24mm tape (PLC2760)

FCS 00143

2 Position pneumatic guide with rolling & micrometric guide

FCS 00144

2 Position pneumatic guide with rolling without micrometric guide

FCS 00145

Roller guide for 2 position pneumatic guide

FCS 00146

Kit to sew label (LU2860)

FCS 00147

Transformation kit 8mm to sew label (LU2860/PLC2760)

FCS 00148

Open stitch guide for tape (LU2860)

FCS 00149

Edge guide for tape (Bande)

FCS 00150

Sewing machine base guide

FCS 00151

Central pneumatic guide for 2 needle machine (PLC2760/LU2860-7)

FCS 00152

Standart inner foot with finger guard ASM

FCS 00153

Half presser foot with finger guard ASM (L/R)

FCS 00154

Set of Presser foots with central guide

FCS 00155

Open seam foot right guide w/ center tear

FCS 00156

Set of Roller feet (?) mm Right or Left
