## **A DREAM FULFILLED**

(History of Southern Isabela Academy)

**S**outhern Isabela Academy, started in 1967, was the fulfillment of a desire to be an instrument for bringing a high school education to a community that had no school and for bringing Jesus to a community that needed Him.

This desire came from a man of vision – Charles W. Selby who, together with his wife Roberta, had faith that this desire came from God and that God would provide what was needed so that this desire would be fulfilled.

Indeed, God provided an avenue through a resettlement project of the Philippine government for former Communist guerillas called at that time, EDCOR. The dilemma was, there were not enough funds to build a school but there was enough to start laying the foundations which Charles did saying, “We will start with what we have and God will provide our needs.” And so it began, God provided as each step of faith was taken.

And amazingly in 1967, SIA opened to the youth of the community that is now called San Guillermo.

SIA blazed a new trail as a tool for evangelism bearing a service record of more than 50 years now since her foundation. As the school opens her doors to students every school day of every school year, students are exposed to a balanced study of God’s Word along with their academic courses.

In 2014, another milestone is recorded when SIA opened her doors to pre-elementary pupils, with its Nursery and Kindergarten courses being offered. In 2021, both the Kindergarten and Elementary Courses were duly recognized by the Department of Education.

Moreover, with the enactment of the K to 12 Law, SIA welcomed its first batch of Senior High School students in 2016.

To date, almost 4,000 students and graduates have been baptized into Christ and several churches have been established as an outgrowth of the school’s ministry. It is for this reason that Southern Isabela Academy, also a member of the Association of Christian Schools International (ACSI), and a partner ministry of The Brigade, Philippines, must continue her mission for reaching the lost for Christ.

## **SCHOOL PHILOSOPHY**

**Spirituality, Ingenuity, Academism.**

*The school stands on a philosophy based on a God-centered view of truth as presented in the Bible. We seek to impart to each student Christian character development, communication and interpersonal skills and various subject matters in accordance with the requirements of the Department of Education and in harmony with God's truths and standard.*

*Parents are responsible before God for the proper education of their children. Therefore, parents and teachers are to work hand in hand so that the school can reinforce the Christian values taught in the home.*

## **SCHOOL VISION**

*Southern Isabela Academy, Inc. shall be known as a producer of Christ-committed and globally competitive leaders of the society.*

## **SCHOOL MISSION**

*SIA, Inc. is dedicated to provide Christ-centered education that fosters holistic development and academic excellence.*

# COMPLETION SONG

## WHY WE SING

A sound of hope  
A sound of peace  
A sound that celebrates and speaks  
What we believe

A sound of love  
A sound so strong  
It's amazing what is given  
When we share a song

### *Chorus*

This is why we sing  
Why we lift our voice  
Why we stand as one in harmony  
This is why we sing  
Why we lift our voice  
Take my hand and sing with me.

Soothe a soul  
(Soothe a soul)  
Mend a heart  
(Mend a heart)  
Bring together lives  
That have been torn apart

Share the joy  
(Share the joy)  
Find a friend  
(Find a friend)  
It's a never-ending gift  
That circles back again

### *Bridge*

Music builds a bridge,  
It can tear down a wall  
Music is a language  
That can speak to one and all

### *Finale*

This why we sing  
We sing, we sing!
