ALLGEMEINE GESCHÄFTSBEDINGUNGEN

1. Anwendungsbereich der Allgemeinen Geschäftsbedingungen

- 1.1 Die vorliegenden Allgemeinen Geschäftsbedingungen (nachfolgend AGB) sind auf alle aktuellen und zukünftigen Verträge anzuwenden, die zwischen der Production Furniture International s.p.a. (nachfolgend PFI) und dem Kunden abgeschlossen werden. Unter Kunde ist jeder zu verstehen, der aus unternehmerischen oder beruflichen Gründen handelt. Von den AGB darf nicht abgewichen werden, es sei denn, mittels einer schriftlichen Vereinbarung zwischen den Vertragsparteien. Die Allgemeinen Geschäftsbedingungen des Kunden sind nicht anwendbar, weder vollständig noch teilweise.

2. Vertragsabschluss

- 2.1 Der Auftrag des Kunden, bezüglich dessen PFI das Recht hat, diesen anzunehmen oder abzulehnen, führt zur vollständigen Annahme der AGB.
- 2.2 Der Vertrag wird mit dem Erhalt der Auftragsbestätigung von PFI seitens des Kunden abgeschlossen.
- 2.3 Die Annullierung von Aufträgen führt zur Anwendung einer Vertragsstrafe in Höhe von 40 % des Nettowerts des Auftrags. PFI akzeptiert eventuelle Auftragsänderungen, sofern diese innerhalb von 3 (drei) Arbeitstagen ab Erhalt der Auftragsbestätigung mitgeteilt werden. Für den Fall von Auftragsänderungen behält sich PFI das veränderte Produkt das Recht vor, eine Nettopreiserhöhung von 30 % anzuwenden.
- 2.4 Auftragsbestätigungen, deren Gegenstand Produkte sind, deren Abmessungen, Farben und alle anderen Charakteristiken sich vom Standard unterscheiden, liegen im Ermessen von PFI und erfahren auf jeden Fall eine Preiserhöhung von 20% auf den Listenpreis.
- 2.5 Das Datenblatt und das Wartungshandbuch der Produkte befinden sich auf der Website www.gebruederthonetvienna.com. Sie sind Bestandteil des Kaufvertrages mit dem Käufer und müssen von diesem sorgfältig gelesen werden.

3. Preise und Bezahlung

- 3.1 Die Preislisten sind in Euro ohne MwSt. ausgezeichnet. Die Modelle, die nicht in der Preisliste aufgeführt sind, können nur solange bestellt werden, wie der Vorrat reicht; die entsprechenden Preise werden auf Anfrage mitgeteilt.
- 3.2 Die Preise können bis zur Auftragsbestätigung Veränderungen erfahren.
- 3.3 Die Bezahlung des Preises und der anderen aus jedweden Grund geschuldeten Beträge durch den Kunden zugunsten PFI muss im Geschäftssitz von PFI erfolgen. Der Kunde muss die Bezahlung auch im Fall von Beanstandungen jedweder Natur in Bezug auf das Produkt durchführen. Die Nichtbeachtung der Zahlungsbedingungen stellt PFI von der Erfüllungspflicht hinsichtlich der Lieferung frei, auch in Bezug auf Lieferungen, die sich von der beanstandeten Lieferung unterscheiden. In diesem Fall steht es PFI zu, die sofortige Vorauszahlung aller vom Kunden geschuldeten Beträge zu verlangen, unbeschadet des Rechts von PFI, den Vertrag mit unmittelbarer Wirkung zu kündigen und Schadensersatz zu verlangen.
- 3.4 Der Verkauf wird unter Eigentumsvorbehalt durchgeführt und die Produkte bleiben bis zu vollständigen Kaufpreiszahlung Eigentum von PFI.

4. Lieferung und Annahme

- 4.1 Sofern sich aus der PFI-Auftragsbestätigung nichts anderes ergibt, die Kosten und die Gefahrtragung für den Transport gehen zu Lasten des Kunden. Bei Bestellungen für Italien ist der Transport ab einem Nettopreis von Euro 500,00 inbegriffen; für einige EU-Länder ist der Transport ab einem Nettopreis von Euro 950,00 inbegriffen.
- 4.2 Die Verpackung des Produkts ist im Preis inbegriffen und muss vom Kunden während der gesamten Garantiezeit aufbewahrt werden. Die für die Stühle vorgesehene Mindestverpackung ist zwei Stück und Vielfache von zwei. Für Einzelverpackungen wird ein Preis von Euro 30,00 netto berechnet.
- 4.3 Aus der Nichteinhaltung des vorgesehenen Lieferdatums seitens PFI ergibt sich kein Schadensersatzanspruch.
- 4.4 Der Kunde muss bei Anlieferung sicherstellen, dass die Verpackung intakt und unbeschädigt ist. Der Kunde muss außerdem sicherstellen, dass die Art und die Menge der erhaltenen Produkte mit der Bestellung übereinstimmen, sowie dass keine sichtbaren Schäden vorliegen. Beanstandungen bezüglich der Verpackung und/oder der Art und/oder der Menge und/oder der sichtbaren Mängel der gelieferten Produkte müssen innerhalb von 4 (vier) Tagen ab Anlieferung mitgeteilt werden, ansonsten wird dieses Recht verwirkt.

5. Gewährleistung

- 5.1 PFI garantiert, dass die Produkte dem entsprechen, was in der Auftragsbestätigung festgelegt wurde. Für die in Art. 5.6 angegebenen Annahmen ist jegliche Garantie ausgeschlossen.
- 5.2 PFI gewährt für seine Produkte eine zweijährige Garantie ab dem Zeitpunkt, an dem sie dem Kunden geliefert werden. Die vorliegende Garantie ist nur für den Fall anwendbar, dass der Kunde eine korrekte Nutzung, Wartung und Aufbewahrung des Produkts durchgeführt hat, und dass er es nicht ohne Genehmigung von PFI verändert oder repariert hat.
- 5.3 Nach Erhalt der schriftlichen Anzeige des Kunden, die entsprechend der AGB durchgeführt wurde, und nach Überprüfung der Begründetheit der Anzeige, wird PFI nach eigenem Ermessen: (a) dem Kunden kostenlos neue Produkte zum Austausch der defekten liefern oder (b) dem Kunden den Rechnungsbetrag für die Produkte zurückerstatten, für die der Kunde die mangelnde Übereinstimmung nachgewiesen hat. Der Kunde wird die nicht konformen Produkte an PFI nur nach Aufforderung durch PFI zurückschicken. In diesem Fall ist der Kunde dafür verantwortlich, dass dabei dieselbe Verpackung verwendet wird, mit der das Produkt von PFI zum Zeitpunkt der Lieferung ausgestattet war. Sofern der Kunde die PFI-Originalverpackung nicht aufbewahrt hat, wird PFI ihm die Verpackungs- und Verpackungslieferungskosten in Rechnung stellen. Es liegt in der Verantwortung des Kunden, das Produkt für die Rücksendung an PFI mit größter Sorgfalt zu verpacken. Ansonsten wird er für jedwede Schäden haftbar gemacht.
- 5.4 Die Gewährleistung gemäß Punkt 5.3 ersetzt jede andere Gewährleistung für mangelnde Übereinstimmung der Produkte, sowie jede andere herkömmliche oder gesetzliche Haftung, sei diese ausdrücklich oder implizit. Insbesondere ist der Kunde nicht berechtigt, weitere Schadensersatzansprüche, Preisminierungen, noch die Vertragskündigung zu verlangen.
- 5.5 Jede mangelnde Übereinstimmung der Produkte muss PFI vom Kunden unter genauer Angabe des Mangels und dessen Nachweises schriftlich mittels eines Schreibens angezeigt werden, das einen Empfangsnachweis innerhalb von 8 Tagen ab dem Zeitpunkt der Feststellung des Konformitätsmangels sicherstellt. Ansonsten verwirkt der Kunde sein Beanstandungsrecht.
- 5.6 PFI behält sich das Recht vor, an seinen Produkten ohne Vorankündigungspflicht technologische und ästhetische Verbesserungen vorzunehmen,

einschließlich Änderungen der Abmessungen und Materialien. Die der Preisliste hinzugefügten Zeichnungen stellen keine Festlegung der Produktdetails dar; die wiedergegebenen Abmessungen sind lediglich Richtwerte und können Änderungen erfahren.

PFI-Produkte bestehen aus natürlichen Materialien und sind nicht feuerbeständig. Setzen Sie sie keinen Flammen aus.

Veränderung von Holz - Abmessungen - Oberflächenverarbeitung

Die Oberflächenverarbeitungen aus Holz können im Laufe der Zeit Farbänderungen mit sich bringen, deren Ursache in der Lichtaussetzung und im Altern des Holzes selbst liegt. Für den Fall einer Vervollständigung und Zusammensetzung aus unterschiedlichen Produkten wird die Einheitlichkeit von Maserung und Farbe nicht garantiert.

Die Abmessungen in Bezug auf gepolsterte Teile sind Änderungen unterworfen, die sich mit der Benutzung über lange Zeit erklären lassen, durch die sich das Produkt der Nutzung anpasst.

Die Materialien und Verarbeitungen können von einer Partie zur anderen variieren, daher übernimmt PFI keine Haftung für eventuelle Unterschiede.

Wiener Geflecht

Das von PFI verwendete Wiener Geflecht ist nicht mit Bleichmitteln oder Ammoniak behandelt worden, um die Farbe der Fasern einheitlich zu gestalten. Eventuelle Farbabweichungen des Bugholzes des Geflechts, kleine Faserablösungen des Rattans oder Unterbrechungen des Bugholzes sind eine Garantie für die Natürlichkeit des Produkts.

Das Gewicht muss gleichmäßig verteilt und punktuelle Belastungen müssen unbedingt vermieden werden.

Stoffe

Der Farbton der Stoffe kann von einer Partie zur anderen variieren, daher übernimmt PFI keine Haftung für eventuelle farbliche Unterschiede zwischen dem Muster und dem Möbelbezugsstoff. Die Farben der Muster, der Referenzmuster usw. sind als Richtwerte aufzufassen. PFI übernimmt keine Haftung für eventuelle Farbabweichungen.

Leder

Die Eigenschaften des von PFI verwendeten Leders sind Symbol und Zeichen der ausgezeichneten Materialqualität. Unvollkommenheiten wie Insektenstiche, Narben, Streifenbildung, Rauheit oder auch eine leichte Farb- und Glanzabweichung sind daher nicht als Mängel, sondern als Ausdruck der Qualität und als Zeuge der fehlenden synthetischen Abdeckungen, welche die natürliche Schönheit des Leders entstellen und die Atmungsfähigkeit vermindern würden, anzusehen.

Stoffe des Kunden

Die Stoffe des Kunden, die für das Beziehen der PFI-Modelle zuzuschicken sind, müssen auf eigene Kosten und unter Gefahrtragung des Kunden an den Geschäftssitz von PFI geschickt werden, ansonsten wird PFI dem Kunden die entsprechenden Kosten berechnen. Sie müssen von dem in allen Teilen vollständig ausgefüllten PFI-Formular zur Verarbeitung des Stoffes des Kunden begleitet sein. Andernfalls übernimmt PFI keine Haftung für eventuelle Produktionsfehler. Auf jeden Fall übernimmt PFI keine Haftung, auch nicht Dritten gegenüber, in Bezug auf Produkte mit einem Bezug, der mit dem Stoff des Kunden hergestellt wurde. Die auf den Preislisten angegebene Meterware bezieht sich auf uni gefärbte Stoffe mit einer Höhe von 140 cm.

- 5.7. PFI bewilligt dem Kunden eine Garantieverlängerung im Sinne dieses Artikels für den Fall, dass das Produkt innerhalb eines (1) Jahres ab dem Lieferdatum des Produkts von PFI an den Kunden an den Endverbraucher des Kunden weiterverkauft wird. Diese Verlängerung beläuft sich auf zwei (2) Jahre ab dem Datum der Rechnungsstellung seitens des Kunden gegenüber dem Endverbraucher und beschränkt sich auf die bloßen Kosten für den Austausch oder die Reparatur, unter Ausschluss aller Kosten im Zusammenhang mit dem Transport und jeder ergänzenden Tätigkeit. Auf jeden Fall kann der eventuelle Schadensersatz zugunsten des Kunden nicht den Rechnungspreis von PFI für das beanstandete Produkt übersteigen.

Der Regressanspruch des Kunden gegenüber PFI gemäß Art.131 des italienischen Verbrauchergesetzes (codice del consumo) ist ausgeschlossen.

6. Vertraulichkeit und geistiges Eigentum

- 6.1. Der Kunde verpflichtet sich, die Betriebs- und Geschäftsgeheimnisse von PFI oder andere vertrauliche Mitteilungen, von denen er bei der Vertragsverhandlung oder durch die Beziehungen mit PFI Kenntnis bekommen hat, weder Dritten gegenüber zu offenbaren, noch diese Geheimnisse oder vertraulichen Mitteilungen für Zwecke zu verwenden, die in keinem Zusammenhang mit dem Kaufvertrag stehen.
- 6.2. Alle Rechte aus dem geistigen Eigentum an den Produkten und den Marken von PFI sind und bleiben Eigentum von PFI. Der Kunde verpflichtet sich, die Rechte aus dem geistigen Eigentum von PFI zu respektieren und nicht zu verletzen.

7. Gerichtsstand und anwendbares Recht

- 7.1. Für jede Streitigkeit, die sich aus den Kaufverträgen ergibt oder mit ihnen verbunden ist, ist die italienische Rechtsprechung zuständig. Für jede Streitigkeit, die sich aus den Kaufverträgen ergibt oder mit ihnen auf irgendeine Weise verbunden ist, ist der ausschließliche Gerichtsstand das Gericht Turin.
- 7.2. Der Kaufvertrag und alle hiermit verbundenen Vereinbarungen werden nach italienischem Gesetz geregelt, unter Ausschluss des Wiener Übereinkommens von 1980.

Unterschrift des Kunden _____

Im Sinne und mit Wirkung der Art. 1341 und 1342 c.c. (italienisches Zivilgesetzbuch) werden insbesondere die folgenden Artikel angenommen: 2.3 (Vertragsstrafe für Auftragsannullierung und Preiserhöhung für Auftragsänderung); 2.4 (Preiserhöhung für andere Abmessungen); 3.3 (Bezahlung wird auch im Fall von Beanstandungen geschuldet); 4.3. CONDIZIONI GENERALI DI VENDITA

1. Applicazione delle condizioni generali di vendita

- 1.1 Le presenti condizioni generali di vendita (d'ora in poi CGV) si applicano a tutti i contratti, presenti e futuri, conclusi tra Production Furniture International s.p.a (di seguito PFI) e il Cliente, per tale intendendosi chiunque agisca per scopi imprenditoriali o professionali. Esse non possono essere derogate se non mediante espresso accordo scritto tra le parti. Le condizioni generali del Cliente non saranno applicabili, né totalmente né parzialmente.

2. Formazione del contratto

- 2.1 L'ordine del Cliente, che PFI ha il diritto di accettare o rifiutare, comporta accettazione piena e totale delle CGV.
- 2.2 Il contratto è concluso al ricevimento da parte del Cliente della conferma d'ordine di PFI.
- 2.3 L'annullamento di ordini comporterà l'applicazione di una penale del 40% del valore netto dell'ordine. PFI accetta eventuali variazioni dell'ordine purché entro 3 (tre) giorni lavorativi dal ricevimento della conferma d'ordine. In caso di variazioni di ordini PFI si riserva di applicare un aumento del prezzo netto del prodotto variato del 30%.
- 2.4 La conferma di ordini aventi ad oggetto prodotti con dimensioni, colori e comunque caratteristiche diversi da quelle standard saranno soggette alla discrezionalità di PFI e subiranno in ogni caso un aumento del 20% sul prezzo di listino.
- 2.5 La scheda tecnica e il manuale dei prodotti si trovano sul sito www.gebruederthonetvienna.com. Tali documenti formano parte integrante del contratto di vendita con l'Acquirente e devono essere letti dall'Acquirente con particolare attenzione.

3. Prezzi e Pagamenti

- 3.1 I listini sono in Euro e i prezzi non comprendono l'IVA. I modelli non quotati in listino potranno essere ordinati solo fino a esaurimento scorte; i relativi prezzi saranno comunicati su richiesta.
- 3.2 I prezzi sono soggetti a variazione sino all'invio della conferma d'ordine.
- 3.3 Il pagamento del prezzo e delle altre somme dovute per qualsiasi motivo dal Cliente a PFI dovrà essere effettuato presso la sede di PFI. Il Cliente dovrà effettuare i pagamenti anche in caso di contestazioni di qualsiasi natura sui prodotti. La mancata osservanza di termini e condizioni di pagamento esonera PFI a esigere l'immediato pagamento anticipato di tutte le somme dovute dal Cliente, senza pregiudizio del diritto di PFI di risolvere il contratto con effetto immediato e di chiedere il risarcimento dei danni.
- 3.4 La vendita è effettuata con riserva di proprietà e i prodotti rimarranno di proprietà di PFI sino all'integrale pagamento del prezzo.

4. Consegna e ricevimento

- 4.1 Salvo indicazioni diverse sulla conferma ordine di PFI, il trasporto è a spese e rischio del Cliente. Il costo del trasporto è incluso per ordini a partire dal prezzo netto di Euro 500,00 per l'Italia; per alcuni paesi dell'EU il costo del trasporto è incluso per ordini a partire dal prezzo netto di Euro 950,00.
- 4.2 L'imballo standard del prodotto è compreso nel prezzo e deve essere conservato dal Cliente per tutto il periodo di validità della garanzia. L'imballo minimo previsto per le sedie è di due pezzi e multipli di due. Per imballo singolo verrà addebitato il costo di Euro 30,00 netti.
- 4.3 Il mancato rispetto da parte di PFI della data prevista di consegna non dà diritto ad alcuna richiesta di risarcimento danni.
- 4.4 Al momento della consegna il Cliente è tenuto a verificare che l'imballo risulti integro e non danneggiato. Il Cliente è altresì tenuto a verificare che la tipologia e quantità dei prodotti ricevuti corrispondano a quanto ordinato, nonché a verificare l'assenza di danni visibili. Reclami sugli imballi e/o sulla tipologia e/o quantità e/o vizi visibili dei prodotti consegnati dovranno essere sollevati a pena di decadenza entro 4 (quattro) giorni dal momento della consegna.

5. Garanzia

- 5.1 PFI garantisce che i prodotti corrispondono a quanto stabilito nella conferma d'ordine. È esclusa qualunque garanzia per le ipotesi indicate nell'art. 5.6.
- 5.2 PFI garantisce i prodotti per due anni dal momento in cui vengono consegnati al Cliente. La presente garanzia si applica solo nel caso in cui il Cliente abbia effettuato un corretto uso, manutenzione e conservazione del prodotto, e non lo abbia modificato o riparato senza il consenso di PFI.
- 5.3 In seguito al ricevimento di reclamo scritto del Cliente effettuato in base alle CGV e di verifica della fondatezza della denuncia, PFI a sua scelta: (a) fornirà gratuitamente al Cliente nuovi prodotti in sostituzione di quelli difettosi, ovvero (b) rimborserà al Cliente il prezzo di fattura per i prodotti che il Cliente ha provato essere non conformi. Solo su richiesta di PFI il Cliente spedisce a PFI i prodotti non conformi. In tal caso il Cliente è tenuto ad utilizzare lo stesso imballo del prodotto fornito da PFI alla consegna. In caso il Cliente non abbia conservato l'imballo originale, la PFI si riserva di addebitare i costi dell'imballo e di spedizione dell'imballo. Il Cliente è responsabile del corretto imballo del prodotto reso, pena la responsabilità per danni.
- 5.4 La garanzia di cui al punto 5.3. sostituisce qualsiasi altra responsabilità per mancanza di conformità dei prodotti, così come qualsiasi altra responsabilità convenzionale o legale, espressa o implicita. In particolare, il Cliente non avrà il diritto di avanzare altre richieste di danni, riduzione prezzo né di risoluzione del contratto.
- 5.5 Ogni mancanza di conformità dei prodotti dovrà essere denunciata a pena di decadenza a PFI dal Cliente, dettagliando il vizio e la prova per iscritto, tramite un mezzo di comunicazione che assicuri la prova del ricevimento entro 8 giorni dal momento della scoperta della mancanza di conformità.
- 5.6 PFI si riserva di apportare miglioramenti tecnologici ed estetici ai propri prodotti, comprese modifiche alle misure ed ai materiali, senza obbligo di preavviso. I disegni inseriti sul listino non definiscono i dettagli del prodotto; le misure riportate sono indicative e possono subire variazioni. I prodotti della PFI sono realizzati con materiali naturali e quindi infiammabili. Non esporre a fiamma diretta.

Variazioni nel legno - dimensioni - finiture

Le finiture in legno possono subire nel tempo variazioni di colore dovute alla luce ed all'invecchiamento del legno stesso. In caso di completamento ed abbinamento tra diversi prodotti, non si garantisce l'uniformità di venature e colore.

Le dimensioni relative a parti imbottite sono soggette a variazioni dovute all'assestamento determinato dall'uso nel tempo.

I materiali e le finiture possono variare da una partita all'altra, pertanto PFI non si assume responsabilità in caso di eventuali differenze.

Paglia di Vienna

La paglia di Vienna usata da PFI non è trattata con sbiancanti o ammoniaci per uniformare il colore delle fibre. Eventuali variazioni cromatiche del filato di paglia, piccoli filamenti della canna o interruzioni del filato sono garanzia della naturalità del prodotto.

Il peso deve essere uniformemente distribuito. I carichi puntuali devono essere assolutamente evitati.

Tessuti

I tessuti possono variare di tonalità da una partita all'altra, pertanto PFI non assume responsabilità in caso di eventuali differenze di colore fra il campionario e la stoffa di rivestimento. I colori dei campionari, tabelle o altro, si intendono indicativi. PFI non assume responsabilità per eventuali variazioni di colori.

Pelle

Le caratteristiche della pelle usata da PFI sono simbolo e segno della qualità superiore della materia. Le piccole imperfezioni, come punture d'insetti, cicatrici, striature, rugosità o anche una leggera variazione cromatica e di lucentezza non sono, infatti, difetti, ma sinonimo di qualità e di mancanza di coperture sintetiche che ne altererebbero la naturale bellezza e diminuirebbero la traspirazione.

Tessuti del Cliente

I tessuti del Cliente che saranno inviati per la ricopertura dei modelli PFI, dovranno pervenire presso la sede di PFI a spese e rischio del Cliente, altrimenti PFI addebiterà la relativa spesa al Cliente. Essi dovranno essere accompagnati dal modulo del PFI per la gestione del tessuto del Cliente completo in ogni sua parte. In caso contrario PFI non risponde per eventuali errori di produzione. In ogni caso PFI non si assume alcuna responsabilità, neppure verso terzi, in relazione ai prodotti con rivestimento effettuato con il tessuto del Cliente. I metraggi indicati sul listino sono riferiti a tessuti in tinta unita in altezza cm. 140.

- 5.7. PFI accorda al Cliente una estensione della garanzia di cui al presente articolo per il caso in cui il prodotto venga venduto all'utente finale dal Cliente stesso entro e non oltre un (1) anno dalla data di consegna del prodotto da PFI al Cliente. Tale estensione avrà la durata di due (2) anni dalla data di fatturazione del prodotto da parte del Cliente all'utente finale e sarà limitata al solo costo della sostituzione o della riparazione, con esclusione di ogni onere relativo al trasporto e ogni attività accessoria. In ogni caso l'eventuale risarcimento del danno al Cliente non potrà superare il prezzo di fattura PFI del prodotto contestato.

È escluso il diritto di regresso del Cliente nei confronti di PFI ai sensi dell'art. 131 del codice del consumo.

6. Riservatezza e proprietà intellettuale

- 6.1. Il Cliente si impegna a non rivelare a terzi segreti aziendali o commerciali del PFI o altre notizie riservate di cui sia venuto a conoscenza in occasione della negoziazione del contratto o dei rapporti con PFI, né ad utilizzare tali segreti o notizie riservate per fini estranei al contratto di vendita.
- 6.2. Tutti i diritti di proprietà intellettuale sui prodotti e sui marchi di PFI sono e restano di proprietà di PFI. Il Cliente si impegna a rispettare e a non violare i diritti di proprietà di PFI.

7. Foro competente e legge applicabile

- 7.1. La giurisdizione per ogni controversia derivante dai contratti di vendita o ad essi collegata è quella italiana. Per ogni controversia derivante o comunque connessa ai contratti di vendita è esclusivamente competente il foro di Torino.
- 7.2. Il contratto di vendita e tutte le pattuizioni relative sono regolati dalla legge italiana, esclusa la Convenzione di Vienna 1980.

(hereinafter PFI) and the Customer, intending thereby anyone who acts for business or professional purposes. Any departure therefrom shall be valid only if agreed in writing by the parties. The general terms and conditions of the Customer shall not apply either entirely or in part.

2. Conclusion of the contract

- 2.1 The Customer's order, which PFI has the right to accept or refuse, implies full and complete acceptance of these GTCS.
- 2.2 The contract is deemed to be concluded at the time of receipt by the Customer of PFI's order confirmation.
- 2.3 In the case of cancellation of orders, a penalty of 40% of the net value of the order will be applied. PFI accepts any modifications to the order provided these are notified within 3 (three) working days from receipt of the order confirmation. In the case of modifications to orders, PFI reserves the right to apply a 30% increase to the net price of the product modified.
- 2.4 The confirmation of orders for products with non-standard dimensions, colour and characteristics shall be accepted at PFI's discretion with, in any case, an increase of 20% on the list price.
- 2.5 The technical datasheets and maintenance manual of the products can be found on the site www.gebruederthonetvienna.com. They form an integral part of the sale contract with the Purchaser and must be carefully read by the Purchaser.

3. Prices and Payments

- 3.1 List prices are indicated in Euro and do not include VAT. Models not indicated in the price list may be ordered only as long as stocks last; the related prices will be notified on request.
- 3.2 Prices may be modified until transmission of the order confirmation.
- 3.3 The price and all and any other amounts due for any reason by the Customer to PFI shall be paid at the place of PFI. The Customer shall pay such amounts even in the case of complaints regarding the products. In the case of failure to comply with payment terms and conditions, PFI shall be relieved of its delivery obligations also in the case of supplies other than those to which such default refers, and shall be authorised to demand immediate payment in advance of all amounts due by the Customer, without prejudice to PFI's right to terminate the contract with immediate effect and to request reimbursement of damages.
- 3.4 Products are sold with retention of title and shall remain the property of PFI until full payment of the price.

4. Delivery and receipt

- 4.1. Unless PFI order confirmation states any different, transport is at the expense and risk of the Customer. Transport costs are included for orders starting from a net price of Euro 500 for Italy; transport costs are included for orders starting from a net price of Euro 950 for certain countries of the EU.
- 4.2. Standard packaging of the product is included in the price and must be kept by the Customer during the entire warranty period. The minimum packaging established for chairs is two items and multiples of two. For individual packaging, a cost of Euro 30,00 net will be charged.
- 4.3 Failure by PFI to deliver by a particular date shall not entitle the Customer to claim or demand compensation for damages.
- 4.4 At the time of delivery, the Customer is required to verify that the packaging is intact and is not damaged. The Customer is also required to verify that the type and quantity of products received comply with its order and also to verify the absence of visible damage. Complaints regarding packaging and/or type and/or quantity and/or visible defects in the products delivered must be notified, under penalty of forfeiture, by and no later than 4 (four) days from the time of delivery.

5. Warranty

- 5.1. PFI warrants that the products comply with the indications of the order confirmation. Any warranty for the cases indicated in art. 5.6 is excluded.
- 5.2. PFI warrants the products for two years from the time of delivery to the Customer. Such warranty applies only in the case of correct use, maintenance and preservation of the products by the Customer and if the product has not been modified or repaired without PFI's consent.
- 5.3. On receipt of a written complaint from the Customer under these GTCS and after verifying that such complaint is justified, PFI may at its discretion: (a) furnish the Customer, free of charge, with new products replacing those found to be defective, or (b) refund the invoice price of the products that the Customer has proven to be defective. Only at PFI's request, the Customer shall return the non-conforming products to PFI, in which case the Customer shall be responsible for using the same packaging of the product provided by PFI at delivery. Should the Customer not have kept the original PFI packaging, it shall be charged by PFI for the packaging costs and packaging delivery costs. It is Customer's responsibility to pack the product for its return to PFI with the utmost care; shall, otherwise, be held responsible for any damage.
- 5.4. The warranty set forth in point 5.3. is in lieu of any other liability for non-conformity of the products and also all and any other formal or legal, expressed or implicit liability. In particular, the Customer may not raise any other claims for damages or seek a reduction in the price or cancellation of the contract.
- 5.5. The Customer shall notify PFI of any non-conformity of the products specifying the defect and providing written proof thereof by any means of communication able to prove receipt thereof by and no later than 8 (eight) days from the time at which such non-conformity is discovered, under penalty of forfeiture.
- 5.6. PFI reserves the right to make technological and aesthetic improvements to its products, including modifications to measurements and materials without any obligation of prior notice. The drawings inserted in the price list do not define the details of the product; the measurements provided are for guidance purposes only and may be modified.

PFI products are made of natural materials and they are not fire resistant. Do not expose them to flame.

Changes in wood - dimension - finishes

Wood finishes may be affected in time by changes in colour due to light and ageing of the wood. In the case of completion and combination between different products, PFI does not warrant uniformity of grain and colour.

The dimensions of padded parts may vary due to natural settling caused by use.

As materials and finishes may vary from one lot to another, PFI does not assume any responsibility in the case of any differences.

Vienna straw (Woven Cane)

The Vienna straw used by PFI is not treated with bleaching agents or ammonia to guarantee uniformity of the colour of the fibres. Any variations in colour of the woven straw, small filaments of cane or interruptions in the weave warrant the natural characteristics of the product.

Weight must be evenly distributed, loads on specific parts must be avoided.

Fabrics

As the shades of fabrics may vary from one lot to another, PFI does not assume any responsibility for any differences in colour between samples and upholstery fabrics. The colours of samples, swatches or other shall be considered as approximate. PFI declines any responsibility for variations in colour.

Leather

The characteristics of the leather used by PFI are a distinctive symbol and sign of the superior quality of the material. Minor imperfections such as insect bites, scars, wrinkles, roughness or even a slight variation in colour and lustre are not defects but a hallmark of quality and the absence of synthetic overlays that could affect their natural beauty and reduce transpiration.

Customer's own materials

Customer materials sent to cover PFI models must be forwarded to PFI at the expense and risk the Customer; otherwise, PFI will charge the related expenses to the Customer. Such materials must be accompanied by the PFI form for management of Customer's materials compiled in all its parts. Otherwise, PFI shall not be held responsible for any production errors. In any case, PFI declines any responsibility, also towards third parties, for products upholstered with Customer's materials. The yardages indicated in the price list refer to solid colour 140 cm wide material.

- 5.7. PFI grants the Customer an extension of the warranty set forth in this article in the case in which the Customer sells the product to the end user by and no later than one (1) year from the date of delivery of the product by PFI to the Customer. Such extension shall be valid for two (2) years from the date of billing of the product by the Customer to the end user and will be restricted only to the cost of replacement or repair, excluding all and any charges relating to transport and accessory activities. In any case, any reimbursement of damages to the Customer shall not exceed the PFI invoice price of the product contested.

Pursuant to art. 131 of the Italian Consumer Code, the right of recovery of the Customer against PFI is excluded.

6. Confidentiality and intellectual property

- 6.1. The Customer undertakes not to disclose to third parties the company or trade secrets of PFI or other confidential information that may come to its knowledge during negotiation of the contract or its relationships with PFI, and not to use such secrets or confidential information for purposes other than the sales contracts.
- 6.2. All intellectual property rights to and in the products and trademarks of PFI are and remain the property of PFI. The Customer undertakes to comply with and not to infringe PFI's intellectual property rights.

7. Jurisdiction and Governing Law

- 7.1. Any disputes arising from the sales contracts or relating thereto shall be subject to Italian jurisdiction. For any disputes arising from the sales contracts or relating thereto, the Court of Turin shall have exclusive jurisdiction.
- 7.2. The sales contract and all related covenants are governed by Italian law, with exclusion of the 1980 Vienna Convention.

- 3.4 La vente s'effectue avec réserve de propriété et les produits resteront la propriété de PFI jusqu'au règlement intégral de leur prix.

Le Client est également tenu de vérifier que la typologie et la quantité des produits reçus correspondent bien à sa commande, en s'assurant de l'absence de dommages visibles. Toute réclamation au sujet des emballages et/ou de la typologie et/ou de la quantité et/ou des vices visibles des produits livrés, devra être présentée dans les 4 (quatre) jours qui suivent la date de livraison, sous peine de déchéance.

5. Garantie

- 5.1. PFI garantit que les produits (livrés) correspondent à la description contenue dans la confirmation d'ordre. Toute garantie pour les cas visés au paragraphe 5.6, est exclue.
- 5.2. PFI garantit ses produits pendant deux ans à compter de la date de leur livraison au Client. Le présent garantie s'appliquera uniquement à condition que le Client ait correctement utilisé, entretenu et conservé le produit, et qu'il ne l'ait pas modifié ou réparé sans d'accord de PFI.
- 5.3. Après avoir reçu une réclamation écrite du Client, soumise conformément aux CGV, et en avoir vérifié le bien-fondé, PFI décidera, à sa propre discrétion: (a) de livrer gratuitement au Client de nouveaux produits en remplacement de ceux constatés défectueux, ou (b) de rembourser au Client le prix facturé pour les produits dont le Client aura démontré la non-conformité. À la demande de PFI uniquement, le client doit renvoyer les produits non conformes à PFI, auquel cas il incombe au client d'utiliser l'emballage du produit fourni par PFI lors de la livraison. Si le client n'a pas conservé l'emballage PFI d'origine, PFI lui facturera les frais d'emballage et de livraison. Il incombe au client d'emballer le produit avec le plus grand soin pour son retour à PFI; dans le cas contraire, il sera tenu responsable de tout dommage.
- 5.4. La garantie visée au paragraphe 5.3. remplace toute autre responsabilité pour non-conformité des produits, ainsi que toute autre responsabilité conventionnelle ou légale, explicite ou implicite. En particulier, le Client n'aura le droit de présenter de demandes d'indemnisation, de réduction du prix ou de résiliation du contrat.
- 5.5. Toute non-conformité des produits devra être communiquée par le Client à PFI, sous peine de déchéance, en décrivant en détail par écrit le vice constaté et les preuves apportées, à travers un moyen de communication capable de fournir la preuve de la réception dans les 8 jours qui suivent la découverte de la non-conformité.
- 5.6. PFI se réserve le droit d'apporter des améliorations technologiques et esthétiques à ses produits, y compris des variations dimensionnelles et des matériaux, sans obligation de préavis. Les dessins inclus dans le tarif ne définissent pas les détails des produits; les dimensions mentionnées sont indicatives et peuvent subir des variations.
Les produits PFI sont fabriqués à partir de matériaux naturels et ne sont pas résistants au feu. Tenez-les à l'écart des flammes.

Variations du bois, des dimensions et des finitions

Les finitions en bois peuvent subir dans le temps des variations de couleur, dues à la lumière et au vieillissement du bois. En cas de complément et d'association de plusieurs produits, l'uniformité des veines et des couleurs n'est pas garantie.

Les dimensions relatives aux parties rembourrées sont sujettes à des variations dues au tassement provoqué dans le temps par leur utilisation.

Les matériaux et les finitions pouvant varier d'un lot à l'autre, PFI ne saurait être tenue pour responsable en cas d'éventuelles différences.

Paille de Vienne

La paille de Vienne utilisée par PFI n'est pas traitée à l'aide d'agents blanchissants ou d'ammoniac pour uniformiser la couleur des fibres. Les éventuelles variations chromatiques du fil de paille, les petits filaments du cannage ou les coupures du fil sont les gages du caractère naturel du produit.

Le poids doit être uniformément réparti. Des charges ponctuelles doivent être absolument évitées.

Tissus

Les teintes des tissus pouvant varier d'un lot à l'autre, PFI ne saurait être tenue pour responsable en cas d'éventuelles différences chromatiques entre les échantillons et le tissu de revêtement. Les teintes des échantillons, etc., sont indicatives. PFI n'acceptera aucune responsabilité en cas de variations de couleur.

Cuir

Les caractéristiques du cuir utilisé par PFI sont la démonstration de la qualité supérieure du matériau. Loin d'être des défauts, les petites imperfections (piqûres d'insectes, cicatrices, stries, rugosités, petites variations chromatiques ou de brillant) sont des synonymes de qualité et dénotent l'absence de traitements synthétiques qui pourraient compromettre la beauté naturelle et le pouvoir respirant de la matière.

Tissus du Client

Les tissus envoyés par le Client pour le revêtement des produits de PFI, devront parvenir chez PFI aux frais et au risque du Client; le cas échéant, PFI facturera les frais encourus au Client. Les tissus devront être accompagnés du formulaire PFI, entièrement rempli, pour la gestion des tissus du Client. Le cas échéant, la responsabilité de PFI ne sera pas engagée en cas d'éventuelles erreurs de production. En tout état de cause, PFI ne saurait être tenue pour responsable, y compris vis-à-vis de tiers, pour les produits revêtus de tissus fournis par le Client. Les métrages indiqués dans le tarif font référence à des tissus unis, hauteur 140 cm.

- 5.7. PFI accordera au Client une extension de la garantie visée au présent article, au cas où le produit serait vendu par le Client à l'utilisateur final dans un délai maximum d'un (1) an à compter de la date de livraison du produit par PFI au Client. Cette extension de garantie aura une durée de deux (2) ans à compter de la date de facturation du produit par le Client à l'utilisateur final, et elle sera limitée aux coûts de remplacement ou de réparation, en ne pourra dépasser le prix de facturation du produit contesté.

Le droit de recours du Client vis-à-vis de PFI aux termes de l'art. 131 du Code de la Consommation, est expressément exclu.

6. Confidentialité et propriété intellectuelle

- 6.1. Le Client s'engage à ne pas révéler à des tiers des secrets d'entreprise ou commerciaux de PFI ou d'autres informations confidentielles acquises au cours des négociations pour le contrat ou dans le cadre de ses rapports avec PFI, ainsi qu'à ne pas utiliser ces secrets ou informations à des fins étrangères au contrat de vente.
- 6.2. Tous les droits de propriété intellectuelle sur les produits et les marques de PFI appartiennent et continueront d'appartenir à PFI. Le Client s'engage à respecter et à ne pas enfreindre les droits de propriété intellectuelle de PFI.

7. Tribunal compétent et loi applicable

- 7.1. La juridiction italienne sera compétente pour tout différend issu ou lié aux contrats de vente. Tout différend issu ou lié aux contrats de vente sera soumis à la juridiction exclusive des Tribunaux de Turin.
- 7.2. Le contrat de vente et toutes ses dispositions seront soumis à la loi italienne, en excluant d'ores et déjà la Convention de Vienne de 1980.

Las dimensiones relativas a partes acolchadas están sujetas a variaciones debidas a asentamiento determinado por el uso prolongado.

Paja de Viena

La paja de Viena usada por PFI no ha sido tratada con blanqueadores o amoníaco para uniformar el color de las fibras. Eventuales variaciones cromáticas del hilado de paja, pequeños filamentos de la caña o interrupciones del hilado garantizan la naturalidad del producto.

El peso se debe distribuir de manera uniforme, por lo que se deben evitar las cargas en partes concretas.

Las características de la piel usada por PFI son símbolo y signo de la calidad superior de la materia. Las pequeñas imperfecciones, como picaduras de insectos, cicatrices, veteados, rugosidades o también una ligera variación cromática y de brillantez no son, de hecho, defectos, sino sinónimo de calidad y de ausencia de coberturas sintéticas que alterarían la natural belleza y disminuirían la transpiración de la misma.
