# WELCOME TO FALL/WINTER

This season, we invite you to escape to some of the world's most extraordinary locales, all in the comfort of your own home. Take a trip to Morocco with our new Midnight Garden collection that is exotic, elegant, luxurious and dramatic all in one go. For a more serene and retro-chic look, transport yourself to the sun-drenched Californian desert. Our Palm Springs collection brings a touch of Mid-Century Modern architecture with streamlined silhouettes, warm hues and organic textures that provides a soothing space to relax and recharge. Add the final flourish with our seasonal home décor items that complement these two distinctive styles. And mix and match them with our year-round collection of best sellers for a timeless look that transcends trends.

On the corporate side, our business continues to grow, thanks to the property market pick-up and work with our property developer clients. The popularity of the new NOVO LAND project in Tuen Mun developed by Sun Hung Kai Properties has propelled our ground-breaking custom-design furniture package with a Bonus Point System designed exclusively for homeowners of Phase 1 to the forefront. Meanwhile, we have been supplying a range of unique accessories and custom-designed textiles to leading hotels and high-end serviced apartments to enhance or upgrade their décor. To facilitate sourcing for procurement teams, we have also launched a new trade website where you can see our wide range of products and get in touch with our trade service team effortlessly.

Whether for consumers or businesses, our Fall/Winter collections and bespoke services have all been designed to let everyone live beautifully.

Enjoy,

John
