ABOUT US

Laurameroni approaches design as an exploration of surfaces, materials, and techniques, redefining the way spaces are perceived and experienced. Each product expresses a balance between artisanal expertise and contemporary vision, offering architects and designers solutions where functionality meets sculptural aesthetics. Since its inception, Laurameroni has pursued the goal of creating distinctive elements that enrich architectural projects, transforming interiors through tailored finishes, refined details, and a unique sensory identity.

DESIGNER PICK:

Poe Desk

"The Poe desks were born from the desire to design a family of desks for contemplation, the hours dedicated to work and the moments reserved for personal passions.

The rounded shape of the top conveys the idea of meditation and introspection while the legs create a precious effect and delicately connect to the table top."

“FOR THOSE
WHO SEEK THE
EXCEPTIONAL.”
