# MEMBER OF THE YEAR Suffer Better

Suffer Better is a 501(c)(3) nonprofit that engages the endurance sports community in protecting and preserving the outdoors.

Founded by Peter and Bob Africa, the organization connects athletes with opportunities to support conservation through events, education, grants and programs that build a more diverse and engaged community committed to environmental stewardship.

# LEGISLATOR OF THE YEAR

## State Sen. Cathy Kipp

Sen. Cathy Kipp has built a reputation as an environmental champion and pragmatic leader in the Colorado Legislature. From advancing climate action and clean energy policies to protecting pollinators and public health, she has consistently pushed for solutions to protect Colorado's climate, air, land, water and communities.

This year, she led nation-leading efforts to create common-sense guardrails for data centers, ensuring protections for Colorado communities and environment remain at the forefront of data center development.
