

KNOW OUR EXPERTS

MEDANTA NOIDA
CLINICIAN DIRECTORY

OUR EXPERTISE

CARDIAC CARE

Heart Team approach ensures that the patient receives the benefit of comprehensive advice

CANCER CARE

Vision of being a one-stop destination of solutions for all cancer patients

NEUROSCIENCES

Specialised clinics for brain tumours, spinal disorders, stroke, epilepsy, movement disorders and headaches

GASTROSCIENCES

Quality diagnostic and therapeutic services for any disorder associated with the digestive tract, pancreas and liver

ORTHOPAEDICS

Multi-disciplinary team focused on all types of musculoskeletal conditions

EMERGENCY AND CRITICAL CARE

Specialised expertise and rapid response to cater to emergency care

GYNAECOLOGY AND GYNAE-ONCOLOGY

Comprehensive care and support for every phase in women's health

Robotic, MIS and General Surgery

Comprehensive team of specialised, highly skilled Robotic, MIS and General Surgery expert

RENAL CARE

Care in all areas of nephrology with dialysis, transplant and chronic kidney disease treatments

INTERNAL MEDICINE

Transforming lives through advanced internal medicine care

PAEDIATRIC CARE

Specialised care for children's all-round growth and health

PLASTIC, AESTHETIC AND RECONSTRUCTIVE SURGERY

State-of-the-art infrastructure, including modern surgical suites, advanced diagnostic equipment, and cutting-edge technology

ENT

From routine check-ups to complex surgical procedures, equipped to handle a wide range of ENT conditions with precision and expertise

DIABETES CARE

Comprehensive diabetes care for all stages of life, from infants to adults

RESPIRATORY AND SLEEP MEDICINE

Specialised experts to help manage complex pulmonary conditions

OPHTHALMOLOGY

Comprehensive team of specialised, highly skilled ophthalmology experts

DENTISTRY

Committed to delivering exceptional dental care using the latest technology and personalised treatment plans

OTHER SUPER SPECIALITIES

Expertise in autoimmune diseases and interventional radiology

Medanta Noida is the newest addition to the Medanta family, a state-of-the-art, 550-bedded tertiary and quaternary care hospital designed to deliver world-class healthcare in the National Capital Region (NCR). Strategically located in Noida, Uttar Pradesh, the hospital brings advanced medical expertise and cutting-edge technology to one of India's fastest-growing cities and the underserved regions of Western Uttar Pradesh.

Cardiac Care

Comprehensive cardiac care including all types of intervention, complex angioplasty (stenting) and cardiac surgeries.

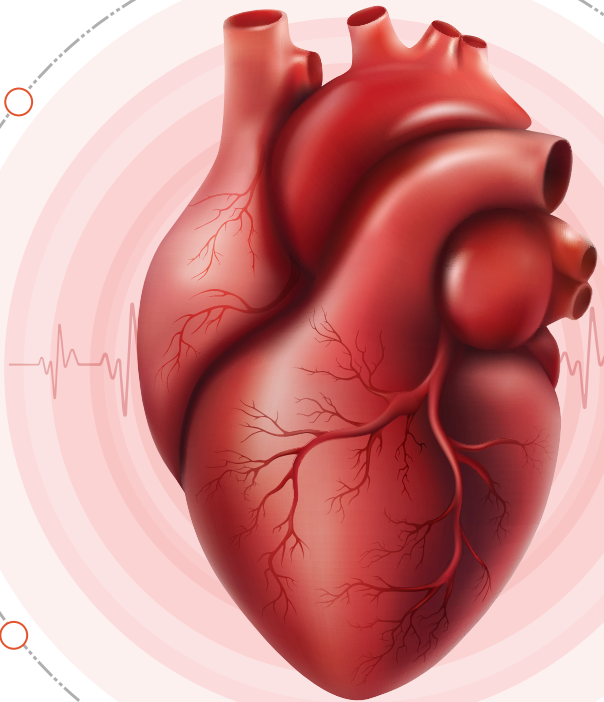

11-bedded Heart Command Centre and CCU has 25 beds integrated with Emergency unit to ensure rapid diagnosis and treatment for patients with acute cardiac disease.

Round-the-clock PCI for patients with heart attack.

Expertise in minimally invasive cardiac surgeries and a renowned team for excellence in cardiac surgical procedures.

Cutting-edge technology and latest techniques including Cardiac MRI, CT angiography, PET viability and stress nuclear studies for advanced care.

Structural heart disease interventions including TAVI, ASD, VSD, PDA, mitralclip, device therapy-pacemakers, CRT-D and Coarctation stenting.

Dr. Amit Chaudhary

Director

Cardiothoracic and Vascular Surgery

About

Dr. Amit Chaudhary is a highly accomplished cardiothoracic and vascular surgeon with extensive expertise in complex cardiac and vascular procedures. He has over 17 years of experience in the Delhi NCR region and has gained international clinical exposure while working as a Senior House Officer in Paediatric Surgery at the Royal Liverpool Children's Hospital, Alder Hey, United Kingdom. Over the course of his career, Dr. Chaudhary has worked at leading cardiac centres including Delhi Heart and Lung Institute, BLK Max Super Speciality Hospital, Aakash Healthcare and Asian Institute of Medical Sciences. His clinical work focuses on minimally invasive cardiac surgery, heart failure surgery including heart transplantation and LVAD implantation, and advanced aortic and vascular procedures.

Medical Qualifications

- + MCh (Cardiothoracic and Vascular Surgery), Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, 2009
- + MRCS Surgery, National Health Service (NHS), United Kingdom, 2004
- + MS Surgery, King George Medical College, Lucknow, 2003
- + MBBS, Ganesh Shankar Vidyarthi Memorial Medical College, Kanpur, 1998

Past Experience

- + Asian Institute of Medical Sciences, Faridabad, Haryana
- + Aakash Superspeciality Hospital, Dwarka, Delhi
- + BLK Max Super Speciality Hospital, New Delhi
- + Delhi Heart and Lung Institute, New Delhi

Memberships and Certifications

- + Indian Association of Cardiothoracic and Vascular Surgeons
- + European Society of Thoracic Surgery

Expertise and Major Diseases Treated

- + Minimally Invasive Cardiac Surgery
- + Heart Failure Surgery including Heart Transplant and LVAD Implantation
- + Aortic Surgeries including Bentall Procedure and Arch Replacement
- + Endovascular and Hybrid Aortic Repairs
- + Structural Heart Procedures including TAVI and MitraClip
- + Extracorporeal Membrane Oxygenation
- + Vascular and Endovascular Surgery

Dr. Amit Kumar Malik

Director

Intervention Cardiology and Electrophysiology

About

Dr. Amit Malik is an acclaimed interventional cardiologist trained at prestigious National Heart Centre Singapore and with over 20 years of experience in managing complex coronary, peripheral, and electrophysiology cases across top hospitals in India and Singapore. He is known for pioneering advanced device implantations and arrhythmia treatments using 3D mapping and radiofrequency ablation, and for training the next generation of cardiologists. He has introduced innovative techniques for treating heart disease, published extensively in international medical journals, and is regularly invited as faculty at leading national and international cardiology conferences.

Medical Qualifications

- + Fellowship (Cardiac Electrophysiology and Pacing), National Heart Centre, Singapore, 2011
- + DM (Cardiology), GSVM Medical College, Kanpur, 2005
- + MD (Medicine), GSVM Medical College, Kanpur, 2001
- + MBBS, LLRM Medical College, Meerut, 1997

Past Experience

- + Senior Director, Max Super Specialty Hospital, Vaishali
- + Senior Consultant, BLK Max Super Specialty Hospital, New Delhi
- + Consultant, Indraprastha Apollo Hospital, New Delhi

Memberships and Certifications

- + Fellow, Royal College of Physicians (FRCP), London
- + Fellow, European Society of Cardiology (FESC)
- + Fellow, American College of Cardiology (FACC)
- + Fellow, Cardiological Society of India (FCSI)
- + Member, Asia Pacific Heart Rhythm Society (APHRS)
- + Member, Indian Heart Rhythm Society (IHRS)

Awards and Accomplishments

- + First Indian selected for Advanced Fellowship in Cardiac Electrophysiology and Pacing at National Heart Centre, Singapore

Expertise and Major Diseases Treated

- + Cardiac Electrophysiology (Arrhythmia) - 3D Mapping, Radiofrequency Ablation, Pacemaker Implantation
- + Heart Failure - Cardiac Device Implantation (AICD, Biventricular Pacemaker)
- + Complex Coronary Intervention - Intravascular Lithotripsy (IVL), Rotablation
- + Coronary Imaging - Optical Coherence Tomography (OCT), Intravascular Ultrasound (IVUS)

Dr. Nishant Tyagi
Director
Interventional Cardiology

About

Dr. Nishant Tyagi is a senior interventional cardiologist with more than 22 years of clinical experience in invasive and non-invasive cardiology. He is recognised for his expertise in managing complex cardiac emergencies and performing a wide spectrum of interventional procedures. He has performed over 12,000 coronary angiographies and more than 6,000 angioplasty procedures, including primary angioplasties. A gold medalist in MD Internal Medicine, he has been associated with leading cardiac centres in India and has contributed significantly to the advancement of interventional cardiology services across institutions.

Medical Qualifications

- + DNB Cardiology, Escorts Heart Institute and Research Centre, Okhla, New Delhi, 2010
- + MD General Medicine, Gajra Raja Medical College, Gwalior, 2003
- + MBBS, PGIMS Rohtak, Haryana, 1999

Past Experience

- + Medanta - The Medicity, Gurugram, Haryana
- + Max Hospital, Patparganj, New Delhi
- + Escorts Heart Institute and Research Centre, New Delhi

Awards and Accomplishments

- + Gold Medalist, MD General Medicine
- + Silver Medal in Social and Preventive Medicine, MBBS

Expertise and Major Diseases Treated

- + Coronary Artery Disease and Acute Coronary Syndromes
- + Heart Attack and Cardiac Emergencies
- + Complex Coronary Lesions
- + Cardiac Rhythm Disorders

Dr. Sanjay Kumar

Director

Cardiovascular and Thoracic Surgery

About

Dr. Sanjay Kumar is a highly accomplished cardiac surgeon with more than 12,000 successful cardiac and hybrid aortic surgeries to his credit. His expertise spans adult, paediatric, emergency, and complex cardiac procedures. An alumnus of SMS Medical College, Jaipur, he pioneered endovascular aortic surgery in Jharkhand and is widely respected for his skill in advanced cardiac procedures such as heart failure surgery, minimally invasive cardiac surgery (MICS), and extracorporeal membrane oxygenation (ECMO). With over 20 years of surgical excellence, he is dedicated to delivering cutting-edge, compassionate care for patients with diverse heart conditions.

Medical Qualifications

- + MCh (Cardiovascular and Thoracic Surgery), SMS Medical College, Jaipur, 2006
- + MS (General Surgery), PMCH, Patna, 2002
- + MBBS, JLN Medical College, Ajmer, 1998

Past Experience

- + Vice Chairman, Cardiovascular and Thoracic Surgery, Paras Health (Gurugram and East Zone)
- + Director, Cardiovascular and Thoracic Surgery, Jai Prabha Medanta Superspecialty Hospital, Patna
- + Senior Consultant & Head, Department of Cardiovascular and Endovascular Surgery, Medanta Ranchi
- + Senior Consultant, and Cardiovascular and Thoracic Surgery, Medanta Gurugram
- + Junior Consultant, Max Super Speciality Hospital, Saket, New Delhi

Awards and Accomplishments

- + Pioneer of Endovascular Aortic Surgery in Jharkhand
- + Established the first successful ECMO program in Bihar
- + Performed the world's first double valve surgery simultaneously with a liver transplant
- + Ex Co-investigator; International Registry for Acute Aortic Dissection (IRAD)

Memberships and Certifications

- + Member, Indian Association of Cardiovascular-Thoracic Surgeons (IACTS)
- + Member, Indian Society of Minimal Invasive Cardiac Surgeons (ISMICS)

Expertise and Major Diseases Treated

- + Adult and Paediatric Cardiac Surgery
- + Valvular Heart Surgery (Repair and replacement)
- + Beating Heart Surgery and MICS
- + Coronary Artery Bypass (Total arterial revascularisation)
- + Aortic and Endovascular Surgery
- + Heart Failure Surgery and LVAD

Dr. Vinay Kumar Sharma

Director
Cardiology

About

Dr. Vinay Kumar Sharma is a senior cardiologist with over three decades of experience in echocardiography and imaging of structural heart disease, complex valvular heart disease, strain imaging, and stress echocardiography. He is also an expert in three-dimensional transoesophageal echocardiography (3D TEE) and imaging guidance for transcatheter and surgical cardiac interventions. In addition to his clinical excellence, he has made notable contributions to academic research, publications, and the training of clinicians in advanced cardiovascular imaging.

Medical Qualifications

- + MBBS, Institute of Medical Sciences, Banaras Hindu University, Varanasi, 1991
- + MD (Medicine), Institute of Medical Sciences, Banaras Hindu University, Varanasi, 1995
- + DM (Cardiology), Institute of Medical Sciences, Banaras Hindu University, Varanasi, 2003

Past Experience

- + Additional Director, Cardiology, Fortis Escorts Heart Institute, New Delhi, (1994 to 2024)

Memberships and Certifications

- + Member, Indian Academy of Echocardiography

Awards and Accomplishments

- + Associate Editor, Journal of the Indian Academy of Echocardiography (2010–2014)
- + Faculty and speaker at national cardiology conferences and workshops

Expertise and Major Diseases Treated

- + Advanced Echocardiography (3D and Transoesophageal)
- + Structural Heart Disease Imaging and Interventional Guidance
- + Stress Echocardiography (Dobutamine and Exercise)
- + Strain Imaging
- + Echocardiography in Surgical and Interventional Cardiology

Dr. Bhupender Singh

Senior Consultant
Non-Invasive Cardiology

About

Dr. Bhupender Singh is a distinguished senior non-invasive cardiologist with more than 18 years of experience in the prevention, early detection, and management of cardiovascular diseases. He specialises in clinical evaluation and advanced diagnostic modalities such as echocardiography, stress testing, cardiac CT, and nuclear cardiology to design effective, patient-centred treatment plans. Beyond his clinical expertise, Dr. Singh has actively contributed to academic medicine through teaching, mentoring, and research participation. He has been involved in quality improvement initiatives to optimise diagnostic accuracy and minimise unnecessary interventions. His commitment to excellence has been recognised through several awards and acknowledgments.

Medical Qualifications

- + Fellowship in Non-Invasive Cardiology, Medanta - Gurugram, 2011
- + PGDCC (Clinical Cardiology), Escorts Institute of Cardiology, New Delhi, 2008
- + MBBS, Government Medical College, Nagpur, 2001

Cancer Care

Advanced treatment options including immunotherapy, targeted therapy, and precision medicine for personalised patient care.

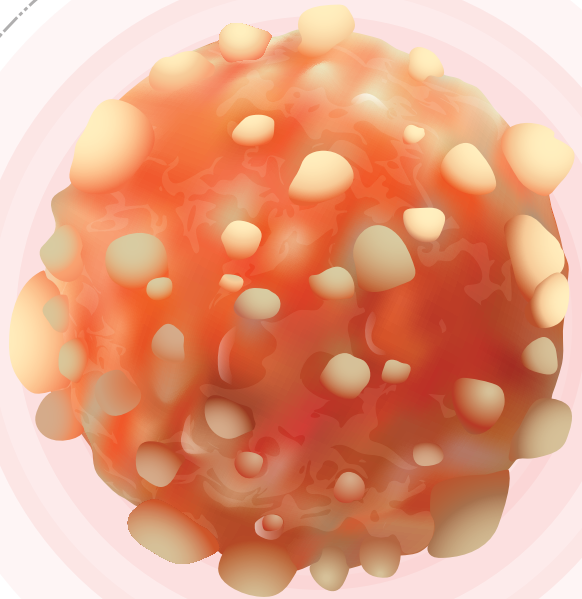

Equipped with North India's first state-of-the-art radiotherapy machine "Varian Edge" linear accelerator for cancer treatment.

Multidisciplinary Tumour Board approach for personalised and evidence-based treatment of all types of cancers.

Dedicated unit for bone marrow transplant and CAR-T cell therapy with excellent results at affordable cost.

Dedicated team of organ-specific onco surgeons specialising in open and minimally invasive surgeries.

Team of qualified and skilled breast surgical oncologists and reconstructive surgeons offering complete care for all breast cancer patients.

Dr. Alok Thakar
Director
ENT and Head and Neck Surgery

About

Dr. Alok Thakar is an ENT, Skull Base, and Head-Neck Oncosurgeon with over 30 years of experience. He has previously served as Head of the National Cancer Institute, AIIMS New Delhi, and as Professor & Chairman, Department of ENT & Head-Neck Surgery at AIIMS.

A pioneer of Trans-Oral Robotic Surgery (TORS) in India, he has led advances in laryngeal preservation, laser surgery, endoscopic skull base surgery, cochlear implantation and auditory brainstem implantation. Dr. Thakar is ranked among the top 2% of global researchers with 400+ peer-reviewed publications, over 6,000 citations and two patents. He has chaired national guidelines on ENT and Mucormycosis and contributes to ICMR cancer protocols.

Medical Qualifications

- + F.R.C.S. (Fellowship of the Royal College of Surgeons of Edinburgh), 1999
- + D.L.O. (Diploma in Laryngology and Otology), The Royal College of Surgeons of England, 1995
- + D.N.B. (ENT), National Academy of Medical Sciences, New Delhi, 1991
- + M.S. (ENT, Gold Medallist), AIIMS New Delhi, 1990
- + M.B.B.S., AIIMS New Delhi, 1987

Past Experience

- + Head - National Cancer Institute (NCI-AIIMS), Jhajjar Campus
- + Professor & Head - ENT & Head-Neck Surgery, AIIMS New Delhi & NCI
- + Project Head - Centre for Medical Innovation & Entrepreneurship (CMIE-AIIMS)
- + Faculty (Professor/Additional/Associate/Assistant) - ENT & Head-Neck Surgery, AIIMS New Delhi
- + Skull Base Fellow - ENT & Neurosurgery, Aintree University Hospital, Liverpool

Memberships and Certifications

- + Past President, Foundation for Head-Neck Oncology (FHNO)
- + Strategic Advisory Board Member, Liverpool Head-Neck Centre
- + Honorary Member, Hungarian Society of ENT and Head & Neck Surgery
- + Fellow, The Royal College of Surgeons of Edinburgh

Awards and Accomplishments

- + Honorary Physician to the Vice President of India
- + Delivered 30+ National Oration Lectures
- + Shakuntala Amir Chand Prize for Biomedical Research - ICMR
- + NES Gold Medal Award

Expertise and Major Diseases Treated

- + Function-preserving Head and Neck Onco-Surgery
- + Robotic Thyroid Surgery and Transoral Robotic/Laser-assisted Surgery
- + Advanced Skull Base Surgery (Anterior and Lateral)
- + Airway Reconstruction, Laryngo-Tracheal Airway Restoration
- + Cochlear Implantation and Advanced ENT Surgeries

Neurology

About

Dr. Namita Kaul is a distinguished neurologist with over 11 years of experience in various sub-specialities of neurology. She earned MBBS and MD (Medicine) from Government Medical College, Jammu, DNB in Neurology from VIMHANS, Delhi, and completed an Epilepsy Research Fellowship at AIIMS, New Delhi, where she gained advanced training. A dedicated academician and advocate of public health awareness, she has delivered platform presentations, appeared on Doordarshan, and written opinion pieces in national publications. She is an approved DNB Neurology examiner.

Medical Qualifications

- + DNB (Neurology), Vidya Sagar Institute of Mental Health and Neurosciences (VIMHANS), Delhi, 2014
- + MD (Medicine), Government Medical College, Jammu, 2007
- + MBBS, Government Medical College, Jammu, 2003

Past Experience

- + Max Healthcare, Noida and Vaishali
- + VIMHANS PrimaMed Hospital, Delhi

Awards and Accomplishments

- + Platform presentation at Delhi Neurological Association Meets
- + Approved DNB Examiner

Memberships and Certifications

- + Indian Academy of Neurology (IAN)
- + American Academy of Neurology (AAN)

Expertise and Major Diseases Treated

- + Epilepsy and Seizure Disorders
- + Stroke and other Vascular Disorders
- + Headaches and Vertigo
- + Dementias and Cognitive Behavioural Neurology
- + Neuroinfections
- + Demyelinating Disorder and Neuroimmunology

Dr. Yashpal Singh Bundela

Director
Neurosurgery

About

Dr. Yashpal Singh Bundela is a senior neurosurgeon with over 25 years of experience, specialising in minimally invasive spine surgery, neuroendovascular surgery, microsurgery for brain tumours, and functional neurosurgery for Parkinson's disease and epilepsy. He completed his MCh in Neurosurgery from the prestigious GB Pant Hospital, New Delhi and is also a trained endovascular surgeon. Over his career, Dr. Bundela has worked extensively in leading hospitals such as Fortis, BLK Super Speciality Hospital, and Max Healthcare, performing complex spine and brain surgeries. His special expertise includes microdiscectomy, minimally invasive spine surgery, microsurgery for brain tumours, and neurointervention. He is actively involved in academic activities in India and abroad, frequently serving as guest faculty at conferences and workshops.

Medical Qualifications

- + MCh (Neurosurgery), GB Pant Hospital, New Delhi, 2004
- + MS (General Surgery), GSVM Medical College, Kanpur, 1999
- + MBBS, S.S. Medical College, Rewa, Madhya Pradesh, 1994

Past Experience

- + Max Super Speciality Hospital, Ghaziabad
- + BLK Super Speciality Hospital, New Delhi
- + Fortis Hospital, Noida
- + GB Pant Hospital, New Delhi

Memberships and Certifications

- + Neurological Society of India (NSI)
- + Neurotrauma Society of India (NTSI)
- + Delhi Neurological Association (DNA)
- + Indian Society of Neuro-Oncology (ISNO)
- + Association of Spine Surgeons of India (ASSI)

Expertise and Major Diseases Treated

- + Minimally invasive spine surgery (slipped disc, spondylosis, tumours, scoliosis)
- + Micro-neurosurgery for brain tumours
- + Neuroendovascular surgery
- + Functional neurosurgery for movement disorders and epilepsy

Anaesthesiology

About

Dr. Kishore Das is a senior anaesthesiologist with over 25 years of experience in administering anaesthesia across a wide spectrum of surgical specialities. He has extensive expertise in transplant anaesthesia, robotic and onco-surgical anaesthesia, and ultrasound-guided regional techniques. His professional experience spans leading tertiary care hospitals, where he has been actively involved in perioperative care for complex, high-risk, and multidisciplinary surgical cases.

Medical Qualifications

- + Post Graduate Diploma in Anaesthesia, Gauhati Medical College, 2004
- + MBBS, Gauhati Medical College, 1998

Past Experience

- + Max Super Speciality Hospital, Noida, Uttar Pradesh
- + Fortis Memorial Research Institute, Gurugram, Haryana
- + Sitaram Bhartia Research Institute, New Delhi
- + Safdarjung Hospital, New Delhi

Memberships and Certifications

- + Member, European Society of Anaesthesia
- + Member, Indian Society of Anaesthesia

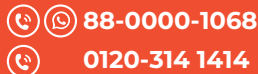

Expertise and Major Procedures Managed

- + Transplant Anaesthesia (Liver and Kidney)
- + Robotic, Onco, Uro and Gynaecological Anaesthesia
- + Anaesthesia for Orthopaedic, Neuro, Paediatric and Thoracic Surgeries
- + Ultrasound-guided Regional Blocks and Procedures
- + Perioperative Critical Care Management

Dr. Bhuvana Vijayakanthi
Senior Consultant
Cardiac Anaesthesia

About

Dr. Bhuvana Vijayakanthi is a highly experienced cardiac anaesthesiologist with more than 15 years of expertise in adult and paediatric cardiac anaesthesia and perioperative cardiac critical care. She has extensive experience in managing complex cardiac surgeries including congenital heart disease, ECMO support and heart transplantation. She completed her MBBS from Stanley Medical College, Chennai and MD in Anaesthesiology from SMS Medical College, Jaipur. She further pursued senior residency training in cardiac anaesthesia at AIIMS, New Delhi and undertook specialised training in transthoracic and transoesophageal echocardiography at Maimonides Medical Center, New York.

Medical Qualifications

- + Observership (Transthoracic and Transoesophageal Echocardiography), Maimonides Medical Center, New York, USA, 2018
- + Senior Residency (Cardiac Anaesthesia), All India Institute of Medical Sciences, New Delhi, 2013
- + MD (Anaesthesiology), SMS Medical College, Jaipur, 2010
- + MBBS, Stanley Medical College, Chennai, 2005

Past Experience

- + Asian Institute of Medical Sciences, Faridabad, Haryana
- + BLK Super Speciality Hospital, New Delhi
- + Max Super Speciality Hospital, Vaishali, Ghaziabad

Awards and Accomplishments

- + B Braun Medical Trust Foundation Meritorious Scholar Award
- + Dean's Commendation Certificate for service during the Tsunami

Memberships & Certifications

- + Member, Indian Association of Cardiovascular and Thoracic Anaesthesiologists
- + American Heart Association BLS and ACLS Instructor

Expertise and Major Diseases Treated

Gynaecology and Gynaecology Oncology

About

Dr. Priya Bansal is a robotic and advanced laparoscopic surgeon with over 10 years of experience. Trained at the Northampton Cancer Centre, UK, she later served as a Consultant in Gynaecology at NHS Oxford University Hospital. She has successfully managed more than 500 gynae cancer cases and performed over 1000 hysterectomies. She has led surgical workshops and trained national and international fellows in minimally invasive gynaecology and gynae oncology. Passionate about preventive oncology, she is pioneering Enhanced Recovery After Surgery (ERAS) protocols for gynaecological surgeries in India.

Medical Qualifications

- + Fellowship in Gynae Oncology, Northampton Cancer Centre, UK, 2022
- + MRCOG, Royal College of Obstetricians and Gynaecologists, London, UK, 2019
- + MS (Obstetrics and Gynaecology), MGM Medical College, Indore, 2015
- + MBBS, GMC, Bhopal, 2011

Past Experience

- + Consultant, Gynae Oncology, Fortis Hospital, Noida
- + Consultant, Gynae Oncology, Oxford University Churchill Hospital, UK

Memberships and Certifications

- + BSCCP Accredited Colposcopist, British Society for Colposcopy and Cervical Pathology
- + Royal College of Obstetricians and Gynaecologists, London
- + Member, General Medical Council, England
- + Member, European Society of Gynaecological Oncology
- + Member, The Association of Gynaecological Robotic Surgeons of India
- + Member, Association of Gynaecologic Oncologists of India

Awards and Accomplishments

- + Gold Medalist and University Topper, MS (Obstetrics and Gynaecology), MGM Medical College, Indore
- + Gold Medalist and University Topper, MBBS, GMC Bhopal

Expertise and Major Diseases Treated

- + Complex gynaecological surgeries
- + Gynae cancer surgeries – uterine, cervical, ovarian, vulvo-vaginal cancers
- + Robotic and advanced laparoscopic gynae and gynae-oncology surgeries
- + Fertility-preserving gynae cancer surgeries

Top-notch endocrinologists specialising in adult and paediatric endocrinology.

End-to-end care for metabolic disorders.

Experts in adrenal, parathyroid and pituitary gland disorders, ensuring precise diagnosis and tailored treatment.

Advanced hormone replacement therapies.

Expertise in the management of thyroid disorders and hormonal imbalances.

Dr. Saurav Shishir Agrawal
Senior Consultant
Endocrinology and Diabetes

About

Dr. Saurav Shishir Agrawal is an accomplished endocrinologist with expertise in adult and paediatric endocrinology and diabetes. A gold medalist in DM, he is also accredited by the Royal College of Physicians, UK, and has authored over 15 research publications in leading international journals. His areas of special interest include diabetes, thyroid disorders, growth and puberty disorders in children, obesity, PCOS, pituitary and adrenal diseases, and osteoporosis.

Medical Qualifications

- + SCE (Endocrinology), Royal College of Physicians, UK, 2021
- + DM (Endocrinology), Medical College, Kolkata, 2020
- + MD (Medicine), PGIMER and Dr RML Hospital, Delhi, 2016
- + MBBS, VMMC and Safdarjung Hospital, Delhi, 2013

Past Experience

- + Senior Consultant, Yatharth Superspeciality Hospitals, Noida and Greater Noida

Awards and Accomplishments

- + Gold Medal in DM (Endocrinology) Exit Examination, 2020
- + First Prize, Young Scholar Award in Endocrinology (North and East Zone), 2020

Memberships & Certifications

- + Endocrine Society, USA
- + Endocrine Society of India
- + Executive Member, Association of Physicians of India (API), Noida

Expertise and Major Diseases Treated

- + Diabetes Mellitus - Type 1, Type 2, Gestational Diabetes
- + Thyroid Disorders - Hypothyroidism, Hyperthyroidism, Thyroid Nodules
- + Paediatric Endocrinology - Growth and Puberty Disorders
- + Obesity, PCOS, Prolactin and Sexual Disorders, Pituitary, Parathyroid, Adrenal Disorders and Osteoporosis

Respiratory & Sleep Medicine

Comprehensive diagnostics with a well-equipped pulmonary function testing laboratory and therapeutic consultation for sleep-related disorders.

State-of-the-art interventional pulmonary suite for basic and advanced pulmonology procedures.

Skilled pool of super-specialised pulmonology team.

Excellence in pulmonary critical care practices and ICU pulmonary procedures.

Dr. Mrinal Sircar

Director
Respiratory and Sleep Medicine

About

Dr. Mrinal Sircar is a highly experienced and distinguished pulmonologist and critical care specialist with over 44 years of clinical expertise in respiratory medicine, sleep medicine, and intensive care. Dr. Sircar has extensive expertise in managing complex and difficult-to-diagnose respiratory disorders. He is proficient in advanced interventional pulmonology procedures including diagnostic and therapeutic bronchoscopy, foreign body removal, tumour debulking, airway stenting, endobronchial ultrasound-guided procedures, electrocautery, cryotherapy, and argon plasma coagulation. His clinical interests include sleep medicine, where he regularly manages patients with sleep-related respiratory disorders through advanced polysomnography and evidence-based treatment approaches. He also has more than 30 years of experience in all aspects of critical care medicine, including respiratory critical care, mechanical ventilation, ECMO, and high-flow oxygen therapies.

Medical Qualifications

- + European Diploma in Adult Respiratory Medicine, European Society of Respiratory Medicine, 2012
- + European Diploma in Intensive Care, European Society of Intensive Care Medicine, 2011
- + DNB (Pulmonology), National Board of Examination, 1991
- + MD (Tuberculosis and Respiratory Diseases), Vallabhbhai Patel Chest Institute, University of Delhi, 1990
- + Diploma in Tuberculosis and Chest Diseases, Vallabhbhai Patel Chest Institute, University of Delhi, 1986

Past Experience

- + Fortis Hospital, Noida
- + Fortis Escorts Hospital and Research Center, Faridabad
- + National Institute of Tuberculosis and Respiratory Diseases, New Delhi
- + ESI Hospital, Noida

Memberships and Certifications

- + Indian Chest Society
- + Indian Society of Critical Care Medicine
- + National College of Chest Physician
- + Association of Physicians of India
- + European Respiratory Society

Awards and Accomplishments

- + Raj Nanda Pulmonary Disease Research Trust Fellowship, pursued at St. James's University Hospital, Leeds, UK
- + Society of Critical Care Medicine Critical Care Symposium Oration Award, New Delhi, 2022

Expertise and Major Diseases Treated

- + Interventional pulmonology including bronchoscopy and EBUS procedures
- + Medical thoracoscopy and pleural disease management
- + Sleep disorders and polysomnography
- + Respiratory and critical care medicine
- + Mechanical ventilation, ECMO, and high-flow oxygen therapy
- + Complex respiratory infections, chronic lung diseases and interstitial lung diseases)

Dr. Pawan Kirtani
Associate Director
Histopathology

About

Dr. Pawan Kirtani is an experienced Oncopathologist with over 17 years of post-MD experience in histopathology. His clinical practice is supported by a strong academic foundation and a keen interest in advancing diagnostic precision through immunopathology and molecular techniques. He has a special interest and recognised expertise in the pathology of soft tissue tumours and immuno-oncology. Dr. Kirtani has worked across major multispeciality hospitals and diagnostic laboratories in Delhi/NCR, gaining extensive exposure to complex oncological cases. He is also a seasoned researcher and author, with multiple publications in high-impact international journals, and contributes to global oncology knowledge through editorial and collaborative roles.

Medical Qualifications

- + MD (Pathology), Kasturba Medical College, Manipal, 2008
- + MBBS, Government Medical College, Miraj, Maharashtra

Past Experience

- + Core Diagnostics, Gurugram, Haryana
- + Aakash Healthcare, New Delhi
- + Manipal Hospital, New Delhi
- + BLK Superspeciality Hospital, New Delhi

Memberships and Certifications

- + Delhi Medical Council
- + International Immuno-Oncology Working Group

Expertise and Major Diseases Treated

- + Oncopathology including Immunohistochemistry and Molecular Pathology
- + Soft Tissue Tumour Pathology
- + Immuno-Oncology

Dr. Shireen Siddiqui
Senior Consultant
Microbiology & Infection Control

About

Dr. Shireen Siddiqui is a highly accomplished microbiologist and infection prevention specialist with over 14 years of experience in India and abroad. She is Certified in Infection Control (CIC) by the Central Board of Infection Control and Epidemiology (CBIC), USA, and has successfully led large-scale infection prevention and control programs in leading tertiary care hospitals. With her expertise in hospital infection control, antimicrobial stewardship, and quality assurance, Dr. Siddiqui has played a pivotal role in building evidence-based infection prevention frameworks, optimising antibiotic use, and training multidisciplinary teams to ensure world-class patient safety. She was a key member of the COVID-19 response team at King Saud Medical City, Riyadh, where she spearheaded critical infection control initiatives.

Medical Qualifications

- + MD (Microbiology), JN Medical College, AMU, Aligarh, 2007
- + MBBS, JN Medical College, AMU, Aligarh, 2003

Past Experience

- + Consultant Microbiologist and Infection Control Officer, Metro Heart Institute with Multispecialty, Faridabad
- + Consultant Microbiologist and Infection Control Officer, King Saud Medical City Hospital, Riyadh, KSA
- + Consultant Microbiologist and Infection Control Officer, Deepak Memorial Hospital (Kailash Group), New Delhi
- + Consultant Microbiologist and Infection Control Officer, Indogulf Hospital, Noida
- + Junior Consultant Microbiologist and Infection Control Officer, Indian Spinal Injuries Centre, New Delhi

Memberships & Certifications

- + Certified in Infection Control, Central Board of Infection Control and Epidemiology (CBIC), USA
- + Member, Antibiotic Stewardship Committee, KSMC, Riyadh
- + Member, UP-UK Association of Medical Microbiologists

Expertise and Major Diseases Treated

- + Comprehensive Hospital Infection Control Programs
- + Antimicrobial Stewardship Strategies
- + Quality Assurance and Policy Development
- + Healthcare Staff Training & Education

Dr. Anurag Mehndiratta
Consultant
Interventional Radiology

About

Dr. Anurag Mehndiratta is a highly skilled Interventional Radiologist with advanced expertise in image-guided, minimally invasive procedures that provide effective alternatives to surgery. He has comprehensive experience across vascular and non-vascular interventions, with a strong clinical focus on hepatobiliary interventions, interventional oncology, portal hypertension and transplant-related procedures. He has extensive experience in peripheral vascular and aortic interventions, including limb salvage procedures, endovascular aortic aneurysm repair and complex venous interventions. His practice also includes dedicated lymphatic interventions for chylous leaks and lymphatic disorders, along with minimally invasive management of venous diseases such as varicose veins, deep vein thrombosis, inferior vena cava obstruction and pulmonary embolism.

Medical Qualifications

- + Visiting Fellowship in Interventional Oncology and Endovascular Interventions, University of Texas Southwestern Medical Center, Dallas, USA, 2025
- + Visiting Fellowship in Peripheral Vascular, Aortic and Lymphatic Interventions, Ajou University Hospital, Republic of Korea, 2025
- + European Board of Interventional Radiology, CIRSE, 2024
- + FRCR (Clinical Radiology), Royal College of Radiologists, United Kingdom, 2022
- + DrNB Endovascular and Interventional Radiology, Medanta - The Medicity, Gurugram, 2021
- + PDCC in Gastro-Radiology and Hepatobiliary Interventions, SGPGIMS, Lucknow, 2021
- + MD Radiodiagnosis, Maulana Azad Medical College, University of Delhi, 2017

Past Experience

- + Medanta - The Medicity, Gurugram
- + Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow
- + Maulana Azad Medical College and Lok Nayak Hospital, New Delhi
- + University College of Medical Sciences and Guru Teg Bahadur Hospital, New Delhi
- + HVS Heart and Vascular Superspeciality Hospitals, Mumbai

Memberships & Certifications

- + European Board Certified, Cardiovascular & Interventional Radiological Society of Europe
- + Society of Interventional Radiology (SIR)
- + Indian Society of Vascular and Interventional Radiology (ISVIR)
- + Asia Pacific Society of Cardiovascular and Interventional Radiology (APSCVIR)

Awards and Accomplishments

- + Research Award, Society of Interventional Radiology (SIR), Nashville, USA

Expertise and Major Diseases Treated

- + Hepatobiliary and Liver Transplant Interventional Radiology
- + Interventional Oncology including Tumour Ablation, TACE and TARE
- + Portal Hypertension including TIPSS and BRTO procedures
- + Aortic and Peripheral Vascular Interventions - Aortic Aneurysms, Dissections, Diabetic Foot
- + Venous Interventions including DVT, Pulmonary embolism, Varicose Veins, Varicocele
- + Embolization- Uterine fibroids, BPH (Prostate), GI Bleed, Knee Osteoarthritis
- + Lymphatic Interventions - Chylous Ascites, Chylous Effusion
- + Image-guided Biopsies and Drainage Procedures
- + Dialysis fistula malfunction - AV Fistuloplasty

Dr. Asif Baliyan
Consultant
Histopathology

About

Dr. Asif Baliyan is a histopathologist with ten years of experience across tertiary hospitals and accredited diagnostic laboratories. He holds the DipRCPath in Histopathology from the Royal College of Pathologists, London, and is trained at GMCH, Chandigarh, in diagnostic histopathology, cytopathology, immunohistochemistry and molecular pathology. His expertise includes FNAC, oncopathology, bone and soft tissue pathology and reporting workflows aligned with national and international laboratory standards. Before joining Medanta, he served as a Consultant Histopathologist at Max Healthcare and managed laboratory operations in an NABL-accredited setting, with a focus on quality assurance.

Medical Qualifications

- + DipRCPath Histopathology, The Royal College of Pathologists, London, 2023
- + DNB Pathology, National Board of Examinations, New Delhi, 2019
- + MD Pathology, Government Medical College and Hospital, Chandigarh, 2016
- + MBBS, CCS University, Meerut, 2012

Past Experience

- + Max Super Speciality Hospital, Vaishali, Ghaziabad
- + Marengo QRG Hospital, Faridabad
- + Focus Imaging and Research Centre, Delhi

Memberships & Certifications

- + Indian Medical Association (IMA)

Expertise and Major Diseases Treated

- + Oncopathology
- + Bone and Soft Tissue Pathology
- + Gastrointestinal and Liver Pathology
- + Gynaecological and Breast Pathology
- + Head and Neck Pathology
- + Neuropathology
- + Cytopathology

Dr. Lakshita Singh
Consultant
Haematopathology

About

Dr. Lakshita Singh is a haematopathologist with advanced training in diagnostic haematopathology from AIIMS, New Delhi. She has extensive experience in flow cytometry, bone marrow interpretation and molecular diagnostics for benign and malignant haematological disorders. Her expertise also includes the diagnostic work-up of bleeding and thrombotic disorders, as well as the integration of morphological, immunophenotypic and molecular findings for accurate disease classification.

Medical Qualifications

- + DM (Haematopathology), All India Institute of Medical Sciences (AIIMS), New Delhi, 2022
- + MD (Pathology), King George's Medical University (KGMU), Lucknow, 2017
- + MBBS, Lala Lajpat Rai Memorial Medical College, Meerut, 2013

Past Experience

- + Max Super Speciality Hospital, Vaishali, Ghaziabad, Uttar Pradesh
- + HCMCT Manipal Hospitals, Dwarka, New Delhi

Memberships & Certifications

- + Indian Society of Haematology and Blood Transfusion
- + The Cytometry Society

Awards and Accomplishments

- + Third Prize, Oral Paper Presentation, 23rd INDO-US Flow Cytometry Workshop by TETC, 2022

Expertise and Major Diseases Treated

- + Singh L. et al. Utility of Serum and Urinary Free Light Chains as Non-invasive Biomarkers of Activity in Lupus Nephritis.
- + Rahman K, Gupta T, Gupta R, Singh L, Chandra D, Sarkar MK et al. Hepatosplenic T-cell Lymphoma Diagnosed Using Flow Cytometry: A Single-centre Study of 12 Cases from North India. J Cancer Res Ther.

Dr. Prashant Kumar Pandey

Director

Transfusion Medicine & Blood Bank

About

Dr. Prashant K. Pandey is a transplant immunologist and transfusion medicine specialist, trained at King George's Medical College and SGPGIMS, Lucknow. He is an expert in therapeutic apheresis, stem cell processing, transplant immunology (HLA typing and compatibility testing), and immunohematological diagnostics for autoimmune hemolytic anemia. Dr. Pandey has led over 25 clinical audits and multiple quality improvement projects, and is actively involved in clinical trials. As a NABH assessor, he has evaluated more than 30 hospitals across India. He has authored over 100 publications in national and international journals and served as Chief Editor of the Jaypee Journal of Medical Education and Research (JJMER).

Medical Qualifications

- + Executive program in healthcare management, IIM-Calcutta, 2022
- + MD, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, 2006
- + MBBS, King George's Medical University, Lucknow, 2003

Past Experience

- + Yatharth Superspeciality Hospital, Greater Noida
- + Jaypee Hospital, Uttar Pradesh
- + Medanta, Gurugram
- + Global Hospital, Bangalore
- + Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow

Memberships and Certifications

- + American society for apheresis
- + Association of advancement of blood and biotherapies
- + Indian Society of Histocompatibility and Immunogenetics (ISHI)
- + Indian Society of Blood Transfusion and Immunohematology (ISBTI)
- + Indian Society of Transfusion Medicine (ISTM)
- + Asian Association of Transfusion medicine (AATM)

Awards and Accomplishments

- + HD Shourie travel fellowship award, ISBTI, 2010
- + Best paper award, ISTM, 2013 and ISTM, 2015
- + Best oral paper award, ASFA, 2020

Expertise and Major Diseases Treated

- + Therapeutic apheresis and desensitisation in ABO-Incompatible solid organ transplants
- + Stem cell harvest and processing in bone marrow transplants
- + Education, research and training in clinical trials
- + Quality assessments and accreditations in healthcare
