**We Are Nourishing Lives.
We Are Building Community.
WE ARE IFCS.**

WHO WE ARE

Since 1964, in collaboration with community partners, Integrated Family Community Services (IFCS) has provided an immediate response to hunger, the most basic need. **IFCS has become a safety net to support families and children during difficult times** by providing food access to those who are hungry or facing food insecurity and other issues associated with poverty.

OUR BEGINNINGS

In 1964, south metro Denver resident Maida Navis noticed that some of her neighbors needed extra help. Working families were not making ends meet, neighborhood children went without necessities, and elderly residents were losing their independence. Mrs. Navis gathered neighborhood leaders for a “Neighbors Helping Neighbors” effort, forming the original **Inter-Faith Task Force for Community Services**. The task force provided services designed to help struggling neighbors achieve independent living.

IFCS TODAY

Sixty years later, **Integrated Family Community Services** has become a well known resource for those experiencing **inequities, food insecurity, and financial emergencies in the community**. Thankfully, the IFCS Food Market has become a staple of assistance for those who need it most.

- In recent years, IFCS Hunger Alleviation Services have **increased by nearly 1000%**
- In our post-pandemic reality, **food insecurity has not slowed, but continues to rise.**
- Visits to the Market @ IFCS are **limited to once per month** in order to provide food for as many households as possible.
- To offer a reliable choice of product, the Market @ IFCS currently has a **smaller variety but increased quantity** of items, and culturally relevant options.

It is the **support of our community that allows IFCS to continue alleviating hunger.**

TOGETHER, WE ARE IFCS!

A MESSAGE FROM
SANDRA BLYTHE-PERRY,
OUR EXECUTIVE DIRECTOR

At Integrated Family Community Services (IFCS), we believe **everyone deserves to be healthy**, and that individual **access to nutrition affects the overall health of our community**. With the past year's stubborn inflation rates, exorbitant food and energy prices, and relentless rental costs, more and more people are struggling to stay in their homes and access nutritious food. For many of our neighbors, **food assistance is crucial for survival**.

IFCS is seeing record-breaking hunger in our post-pandemic reality. **Every day we see upwards of 100 families** visiting our food market. **Nearly 1/3 of these households are new to IFCS each month**.

Tonight, we gather in response to these great needs, and also to *celebrate*. Over the past 60 years, IFCS has changed and adapted to societal and economic circumstances, and **we've grown in response to the growing needs around us**. Many improvements were possible because of **strong partnerships within our community, a dedicated volunteer force, and generous donors** who support IFCS every day.

Tonight, we gather to celebrate **6 decades** of serving **millions of people**. We gather to celebrate you - **your hands and hearts of service, your shared resources, and your partnership in providing life-sustaining support in our community**.

We hope you enjoy this festive evening, knowing how **your partnership in alleviating hunger is changing lives**. Please savor the fine food and beverages, and also the relationships that create a strong community. We're celebrating tonight with much gratitude because we know we wouldn't exist without you. **Together, we are IFCS.**

Happy 60th Anniversary to us!

Sandra Blythe-Perry, Executive Director

One Can Two Can Who Can? You Can!

One Can Feed is a hunger alleviation campaign of **Integrated Family Community Services (IFCS)**, a registered 501(c)3 nonprofit organization in Englewood, Colorado, serving the community since 1964.

IFCS provides basic human services and enrichment programs to low-income people, using community resources, and fosters self-sufficiency while respecting the dignity of each client.

Through a variety of resources IFCS helps individuals and families in the greater Denver metro area. Best-known for our food market, IFCS' services also **nourish lives** in a broader sense through financial assistance, hygiene products, school supplies, holiday gift assistance, and recreation center vouchers.

While monetary donations go the furthest in responding to hunger, we also welcome donations of food and hygiene products. Consider hosting a drive through your neighborhood, company, school, service organization or group. **Yes, You Can!**

We can assist you in finding the best way to support this cause. **Visit ifcs.org/get-involved for more ideas.**

YOUR GUIDE TO

MOBILE BIDDING

- ★ You will receive a text message and/or an email message to access mobile bidding site.
- ★ Select the link in the message, it will open your browser and take you directly to the bidder interface.
- ★ To verify your name, select the “Yes!” button.
- ★ You can bid the next increment, set a max bid, or build a “Watch” list to watch packages that you might be interested in bidding on later.
- ★ Placing a max bid works just like eBay. If your max bid is the highest, the system will automatically bid in your favor until you are outbid or until the silent auction closes.
- ★ To place a straight bid, uncheck the max bidding box to turn the max bid feature off.
- ★ If you are out-bid, you will receive an outbid text message.
- ★ To get back to the main screen, tap the Home icon.
- ★ To go to your list of bids and open items you are currently winning, select the button and select “My List”
- ★ To find out what packages have no bids, select “No Bid Packages”
- ★ The auction will close just before the program begins. Be sure to watch the event timer in the middle of your screen to get your final bids in before the auction closes.
- ★ Please ask any of our Concierge Bidders (wearing bright green lanyards) for help using your smartphone or to place a bid for you.
- ★ A Help Station will be located outside the ballroom, by the glass stations.

TOP OF THE LINE, GLUTEN-FREE, MADE FROM SCRATCH, AND COLORADO BASED!

A rich stew-style chile with chunks of pork, tomatoes, and chiles. A little heat, but not too spicy. This chile compliments all Mexican dishes especially burritos, enchiladas, and huevos rancheros. Excellent as a soup, ingredient for dips, or added to potatoes for a stew. A versatile sauce that can be used with any meal.

Knowing that 1 in 3 Coloradans (33%) are struggling with hunger, we can imagine how many of the people we cross paths with each day are in need of help.

If you know someone struggling to make ends meet...

HELP BUILD A STRONGER COMMUNITY

Everyone has an important role to play!

A well balanced diet:

- Nourishes the mind and body
- Boosts the immune system
- Helps with stress management
- Produces energy
- Reduces obesity
- Prevents illness
- Supports agriculture

In short: fresh, healthy food is #better for us and for our planet!

We all need a little help sometimes.

HELP IFCS HELP OUR COMMUNITY

Integrated Family Community Services (IFCS) partners with the community to alleviate hunger and nourish lives. More than 90 cents out of every dollar goes directly to help those in need, and assists children, families and seniors in climbing out of the downward spiral of poverty.

HELP PLAN OUR 2025 NIBBLES & SIPS

We're in need of 8 volunteers to help plan our 2025 Nibbles & Sips Gala. We'd like to "freshen up" our annual fundraising gala and hope to begin planning in July of 2024. Do you have a heart for the IFCS mission? We'd love to have your help! Contact Todd at toddm@ifcs.org to share your interest!
