MISSION STATEMENT

THE FON DU LAC PARK DISTRICT POLICE IS DEDICATED TO PROVIDING A SAFE AND ENJOYABLE ENVIRONMENT FOR THE RESIDENTS AND VISITORS OF OUR PARKS AND FACILITIES LOCATED IN THE CITY OF EAST PEORIA. WE WORK IN PARTNERSHIP WITH THE EAST PEORIA POLICE DEPARTMENT AND CITIZENS WE SERVE TO ENSURE AND PROMOTE DIGNITY, RESPECT, AND A SAFE AND SECURE ENVIRONMENT FOR ALL OUR VISITORS.

OBJECTIVES

THE OBJECTIVE OF THE FON DU LAC PARK DISTRICT POLICE DEPARTMENT IS TO ENFORCE THE PHILOSOPHY OF "COMMUNITY POLICING" AND TO ENSURE ALL PARK DISTRICT RULES AND REGULATIONS, CITY AND STATE LAWS ARE ENFORCED WITHIN OUR COMMUNITY. WE STRIVE TO MAINTAIN THE HIGHEST DEGREE OF TRAINING OF OUR OFFICERS IN ORDER TO BETTER SERVE THE FON DU LAC PARK DISTRICT AND THE CITY OF EAST PEORIA.

RIVER BOAT PATROLS & RESCUE:

The Fon du Lac Park Police Department provides active patrols and initial law enforcement and rescue response to all types of incidents on the Illinois River within its jurisdiction. In addition, our department works in conjunction with the Illinois Conservation Police, US Coast Guard, and the Tazewell County Sheriffs Department in providing

law enforcement and rescue response through an inter-agency agreement. This agreement increases our ability to more effectively provide security to all ports, infrastructures, and key facilities located along the Illinois River between River Mile Markers 139.6 to 181.3.

The Fon du Lac Park District Police has a 30' Monark boat equipped for quick response to incidents on the river. This vessel is equipped with VHF/UHF radios, a Starcom radio, night vision equipment, river rescue equipment, and defibrillator. The department also has a hovercraft used in areas of the river the boat cannot access.

Fon du Lac Park District and East Peoria Community High School created 6 tennis courts on the site of the multi-purpose courts at Bradley A. Smith Park on Springfield Road through a joint project that began in 2024.

In the spring of 2023, the high school's previous "home" courts, on ICC's campus were destroyed in a storm and since then, the teams have been unable to host matches or tournaments while using the Peoria Country Club for practices. The multi-purpose courts at Bradley A. Smith Park were not up to standards required for competitive tennis. In exchange for priority usage for tennis practices and matches, the School District paid a portion of the rehabilitation costs. The Park District will also have half of the new courts striped for additional pickleball courts. The nets have been installed for the season and are ready to use!

SPRING CREEK PRESERVE

The Fon du Lac Park District's Spring Creek Preserve consists of 262 acres of wooded bluffs, bottomland, and old farm fields and is managed as a natural area with hiking trails. The preserve is home to many species of birds, animals, butterflies, trees, shrubs, and wildflowers. Access is from Spring Creek Road. The parking lot is about 0.2 miles east of the intersection with Highway 116. The park is rather new and is still under development, but a number of hiking trails are now mowed and maintained and are accessible from the parking lot. The trails are marked with signs.

TREE IDENTIFICATION AT SPRING CREEK

The Preserve is a great place to learn about Central Illinois trees, shrubs, and woody vines. As an aid to visitors, forty-seven species have been tagged.

These are readily accessible to hikers, being located along trails and near the parking lot. Locations are shown on the map below. The park district has a tree-identification/information webpage, which can be accessed with the QR code given here. This code appears on each tree tag as well.

CRAWLERS (30 MIN)

Must be a good crawler

Let your little one explore our gym from the ground up! In this parent participation class, we'll focus on activity and fun—standing, cruising, balancing, bouncing, and all things crawling! The goal is to help your *Crawler* grow into a *Walker* while getting comfortable in our facility.

WALKERS (30 MIN)

Must be a good walker

This parent participation class is designed for little ones who are confident walkers and ready to explore with friends! It gives your child the chance to interact with other children, building early social skills that support lifelong development. Your child will continue working on balance, jumping, and getting ready to roll, all while moving, playing, and having fun in a nurturing environment.

RUNNERS (45 MIN) (2-3 YO)

You and your active child (parent participation required) will explore the whole gym, working on rolling, balancing, and jumping! This class is all about fun and movement. Children will begin to follow directions, work well with others, and build strength and fitness while improving their gross motor skills through tumbling.

PRE-SCHOOL (45 MIN) (4-5 YO)

This class helps preschoolers transition from our younger tumble programs into the Beginner level and become confident and comfortable without their parents by their side. Children continue developing coordination, strength, and confidence while practicing foundational skills.

BEGINNER (5-7 YO) (60 MIN)

This class is a starting point for young tumblers or a continuation from our preschool program. Participants build a strong foundation in tumbling through basic skills like rolls, bridges, handstands, and cartwheels. The focus is on developing strength, balance, coordination, confidence, and safe practice through age-appropriate drills and fun activities.

BEGINNER (8&UP) (60 MIN)

This class is for older beginners, either just starting tumbling or continuing from younger programs. Students work on foundational skills such as rolls, bridges, handstands, cartwheels, and round-offs, while building strength, coordination, and confidence. Instruction emphasizes proper form, body control, and safe practice in a structured, encouraging environment.

ADVANCED BEGINNER (60 MIN)

For tumblers who have mastered beginner skills and are ready to advance, this class introduces limbering skills such as back walkover, front limbering, and flexibility exercises. Students continue building strength, coordination, and confidence while practicing proper technique and body control. This level prepares participants for Back Handspring class.

BACK HANDSPRING (60 MIN)

This class is for students who have completed the Advanced Beginner level and are ready to learn back handsprings. Students receive guided spotting, individualized feedback, and structured drills to safely develop back handsprings, build confidence, and prepare for more advanced tumbling skills.

Fon du Lac Park District Tumbling Policies and Procedures

Class Fees, Payment, Pro Rating:

All payments are due at registration. Class attendance will be taken by our instructors. If there are spots available and you sign up for a class after the session has started, we will pro rate the number of classes left in the session. We will not pro rate a session for missed classes. Class sizes are limited so advance registration is highly recommended to keep the day and time you require.

Multi-Class Discounts: (10% off)

This discount is applicable when a student is enrolled in multiple classes for the same session. The first class must be paid at full rate each session before additional classes are discounted.

Multi-Student Discounts: (10% off)

This discount is applicable when additional members of the household are enrolled for the same session (does not have to be the same class or day of the week). The first student must be paid at full rate each session before discount can be applied.

Missed Classes:

Every class will allow 3 spots for make-up. You must go online or call the office (309) 699-3923 and be registered for the makeup spot for that class prior to attending the make-up class. Fon du Lac Park District cannot guarantee make up spot availability.

Refunds:

A refund for withdrawing from a class will only be given for the remaining classes of the session. You cannot be refunded for any previous classes that were missed. If you withdraw your student before the session starts a full refund will be given.

Appropriate Apparel:

Females – leotards, shorts and tight shirts. Males – tank tops or tight shirts and shorts. Everyone needs to bring clean socks or trampoline shoes.

Waiver:

A tumbling waiver must be signed for all new students and renewed on a yearly basis. The waiver must be signed in your DASH by Daysmart Account.

Eastlight Theatre was created by an Intergovernmental Agreement between three local entities: the City of East Peoria, the Fon du Lac Park District, and the East Peoria Community High School.

These three governmental bodies recognized the need to cooperate to assist each other in the achievement of a number of benefits for the community. The City views Eastlight as a means of furthering its goals and quality of life for the individuals of the area by the offering of excellent family entertainment. The Park District views Eastlight as a means of furthering its goals and objectives of providing additional and new means of artistic programming to individuals of the area by the offering of entertainment and the establishment of workshops, seminars, and drama camps. The School District views Eastlight as a means of furthering its goals and objectives of providing further recognition and enhancement to its drama department as well as providing further drama opportunities for its students. These shared goals and objectives inspired these governmental bodies to pool their resources and strengths for the creation of one of the most unique community theatres in the nation. The purpose of Eastlight Theatre is to provide and promote the dramatic arts by delivering performances of the highest theatrical quality; to provide a forum for the performance of new plays and musicals; to contract with "outside" professionals to improve the quality of selected performances; and to initiate an educational program to help develop the artistic and dramatic talents of the tri-county area youth and adults. With the continued support of the City of East Peoria, the Fon du Lac Park District, and East Peoria Community High School, Eastlight Theatre will be around for many years to come.

Once a year, a magical and touching celebration of the human spirit unfolds at Eastlight Theatre in East Peoria,

Illinois. A group of children in a program called The Penguin Project® take to the stage to perform a modified version of a well-known Broadway musical. This production is unique, however, because all of the roles are filled by children with developmental disabilities including Down syndrome, cerebral palsy, autism, intellectual disabilities, learning disabilities, visual impairment, hearing impairment, and other neurological disorders. They are joined on stage by their "peer mentors", a group of children the same age without disabilities, who have volunteered to work with them side-by-side and guide them through 4 months of rehearsals and the final production. By creating unrestricted access to the performing arts, The Penguin Project® demonstrates that the special challenges of a disability need not handicap a child's ability to participate in life's experiences.

SENIOR PROGRAMS

"We don't stop playing when we grow old, we grow old when we stop playing."

More than a catchy phrase, this is a concept to embrace. The longer we 'play', the better we feel physically, spiritually, and emotionally, according to countless studies from organizations such as the National Institute on Aging to AARP. The synonyms for the word play may be more appealing to adults. They include fun, recreation, sport, amusement, enjoyment, and entertainment. So there is the proof, according to Webster. Playing is not reserved for children. It is ageless.

The Fon du Lac Park District is dedicated to the idea that leisure is an important component of life. A large variety of programs and outings are offered every month to give adults opportunities to enjoy leisure time, promote social connections, stimulate the mind, and experience fun. Participants do not have to reside in East Peoria, and adults of all ages can participate.

For outings and day trips, our luxurious 25-passenger mini bus is utilized. Outings originate from the Fon du Lac Park District's Administration Center unless otherwise specified, as do most of the programs and classes.

NEUMANN PARK

All Inclusive Playground

305 Neumann Drive

Adjacent to the Farm Park

This playground is completely 100% handicap accessible with ramped areas to allow for wheelchair traffic in the play structure. An accessible side walk from the parking lot to the playground has been installed as well as play features that can be used by all abilities.

The Fon du Lac Park District, in partnership with Forever Friends Fundraising, built this playground in three phases. Phase I was installed in 2014, followed by Phase II in 2015 and finished up with Phase III in 2016.

FON DU LAC PARK DISTRICT RECEIVED AN OSLAD GRANT

Fon du Lac Park District has been selected to receive a \$600,000.00 Open Space Land Acquisition and Development (OSLAD) grant from the State of Illinois. This grant money will be used for Park improvements and revitalization of Neumann Park in East Peoria.

Neumann Park is the home of our All-Inclusive Playground that was installed from 2014 to 2016 with the partnership of Forever Friends Fundraising. This playground is completely 100% handicap accessible with ramped areas to allow for wheelchair traffic in the play structure. An accessible sidewalk from the parking lot to the playground has been installed as well as play features that can be used by all abilities. With the \$600,000 Open Space Land Acquisition and Development Grant received, the Park District plans to **remove and replace aging infrastructure, install two new pavilions, create an accessible restroom facility, construct a splash pad, and add additional sidewalks, parking, lighting and shade structures.** Our hope is that this project will be completed in Spring of 2026. We are excited to see these improvements happen as well as the impact they will have on our facilities and patrons.

Conceptualization of the Splash Pad to be installed. Final design may vary.
