We believe in treating everyone with kindness and dignity. This includes respecting diverse perspectives, valuing our employees, and building strong, positive relationships with our partners and clients.

Aspiration

We aspire to set new benchmarks in our industries, always aiming high and pursuing excellence in everything we do.

Chairman

Zaher El-Khatib is a prominent Lebanese businessman and seasoned entrepreneur with over 30 years of success in the Gulf region. Since 1990, he has played a major role in the Kuwaiti market and led several ventures across Kuwait, Qatar, KSA, Oman, Iraq, and Lebanon. As the former managing partner of Kuwait Proteins Company, he laid the groundwork for his broader business achievements. He later founded Moyara Holding to unify and oversee his diverse regional investments, emphasizing strong corporate governance and sustained growth under his leadership.

“

As the founder and owner of Moyara Holding, I am proud to lead a company that stands as a testament to our commitment to growth, innovation, and excellence. Over the past three decades, my journey in the business world has been driven by a relentless pursuit of creating wealth and fostering sustainable success. With a strong belief in the power of a structured corporate environment, I established Moyara Holding to unify and strengthen our diverse portfolio of companies across Kuwait and the GCC region.

At Moyara Holding, we are not just focused on financial success; we are committed to building a legacy of integrity, innovation, and excellence. Our talented employees are the cornerstone of our achievements, and we strive to provide them with a supportive and growth-oriented work environment. As we continue to expand our footprint in the Middle East and GCC, our vision remains clear: to be a leading force in our industry, known for our strategic investments and commitment to excellence.

Together, we will continue to explore new opportunities, embrace challenges, and build a future that is as promising as it is exciting.
