# Spring Fling Shop Hop: Americana 250

February 28 – March 21, 2026

This year's Spring Fling Shop Hop celebrates Americana 250, a fun and colorful nod to our nation's 250th anniversary.

Due to increased participation from Oklahoma quilt shops, we've extended the shop hop dates to give quilters plenty of time to visit all 17 locations.

## Americana 250 Theme

Each participating quilt shop will feature a house block using fabric from the Lori Holt Americana collection, showcasing retro florals and vintage-inspired designs in classic red, white, and blue.

Shop hoppers may:

- Receive a free pattern at each shop
- Purchase a block kit for \$8.99 + tax
- Choose a finishing kit (prices vary by shop and quilt size)

## How the Shop Hop Works

- Visit each participating quilt shop
- Get your passport stamped at every stop
- Collect blocks and patterns along the way

Shop hoppers who visit all 17 participating quilt shops will have their names entered into a prize drawing.

**Singer Refurbished Featherweight Sewing Machine**  
(Approx. \$450 value)

## Grand Prizes

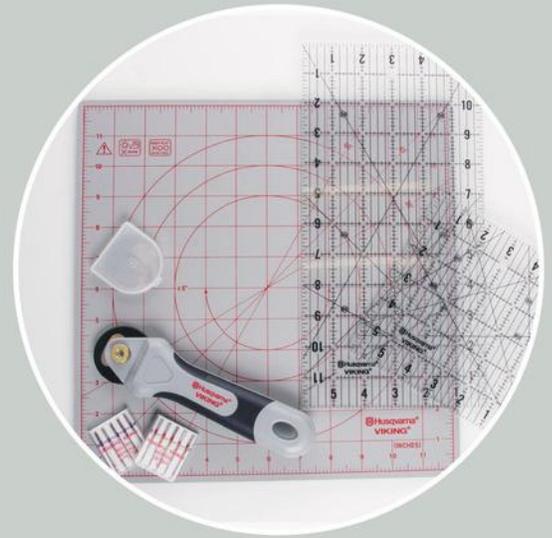

**AccuQuilt Bolt with Starter Kit & Die Catcher**  
(Approx. \$550 value)

# Designer Epic™ | 3

## Nordic Frost Edition Sewing & Embroidery Machine

### Top Features

#### Embroidery Unit

Thoughtful engineering results in reduced noise and vibration for a more relaxing sewing experience. Building on this foundation, the updated embroidery unit features further refinements that enhance stability and smooth operation, along with an ergonomic hoop connection system that makes attaching and removing your hooped project easier than ever.

#### Free-Arm Embroidery<sup>^</sup>

Embroider difficult-to-hoop projects without opening a seam. Simply slip part of your project around the free-arm when attaching the optional Free-Arm Embroidery Hoop.

#### Reversible Hoop Capability<sup>^</sup>

The first in the industry to seamlessly embroider a specialty technique like felting or bobbin work, then continue stitching over that design with conventional embroidery. With the special techniques hoop you don't need to un-hoop your project, saving you time and frustration.

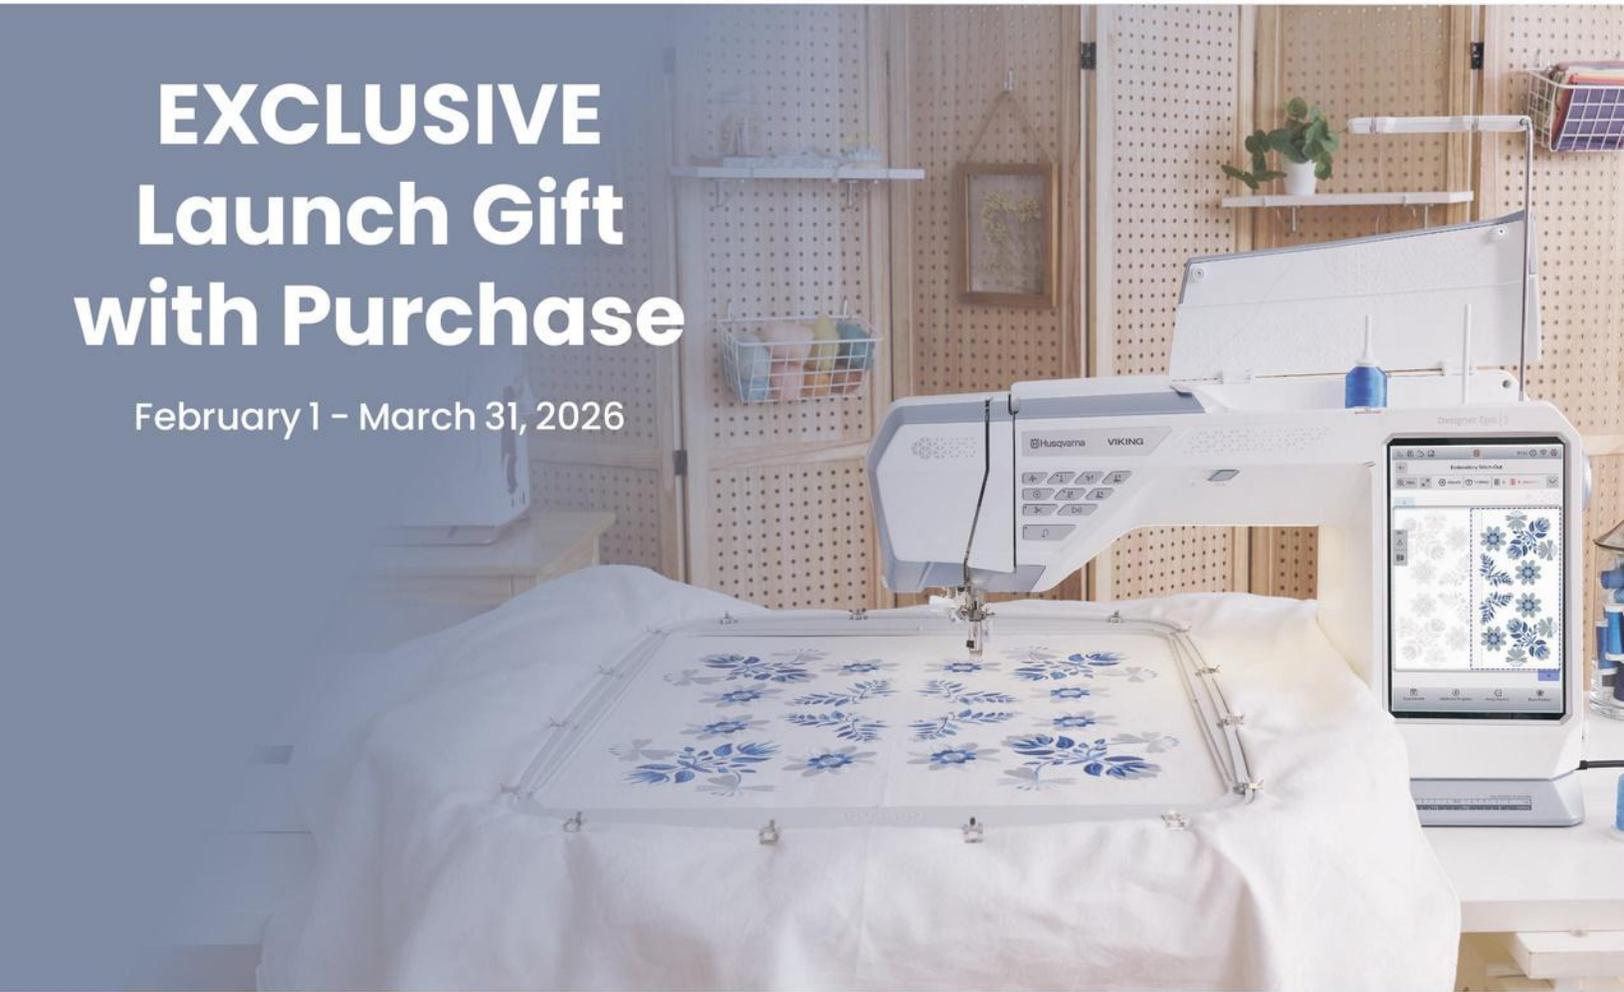

#### Embroidery Projection

Project the image of an embroidery on your hooped fabric for easy placement. See where your embroidery is to generally place a design on your project, or easily match multiple hoopings to create embroideries at the ideal size. You can use the Exact Position feature to fine-tune for absolutely perfect placement.

<sup>^</sup> Optional accessory required
