Accommodations *(subject to change)*

FORT GARRY HOTEL & SPA

This landmark property in the heart of downtown Winnipeg features high-tech amenities and a mix of contemporary style and Old World elegance.

LAZY BEAR LODGE

A log house builder by trade, Wally Daudrich built Lazy Bear Lodge himself, literally. Drawn to the area by its sense of freedom, he and a partner dragged logs from the forest by snowmobile, crafting them first into a small café, then a small lodge and finally the two-story, modern lodge of today. Even the wood floors and windows were sustainably sourced. The flooring, made of Douglas fir, was recycled from the Canadian National Railway warehouse built in the early 1920s. The windows were once part of an 1800s Hudson Bay Trading Post.

THE GRAND WINNIPEG AIRPORT HOTEL

Located next to the Winnipeg airport terminal, this boutique property provides beautifully appointed accommodations and thoughtful amenities.

Dear Alumni and Friends,

Join fellow alumni and friends for a special opportunity to witness the diverse wildlife and pioneering spirit of the Canadian Arctic in summer.

During summer, visitors can spot polar bears along the local shores before they return to the pack ice when it forms in early winter. Summertime is also when the bears share the area with more than 60,000 beluga whales—who come to feed, mate and give birth in the shallow waters—as well as a wide variety of other wildlife.

This distinguished program features exclusive educational experiences including presentations from Assiniboine Park Zoo and Churchill's Northern Studies Centre.
