About Us

Shree Radhe Dairy Farm , established in 2021, is a trusted name in the field of organic agricultural products and eco-friendly natural fertilizers. *Founded by Mr. Punit Jhunjhunwala,* the company is committed to promoting sustainable farming practices by providing high-quality cow-based *organic products* that support *soil health and environmentally* responsible agriculture.

With a strong focus on *purity, quality, and sustainability* , we specialize in the manufacturing and supply of *Cow Dung Cakes, Cow Dung Log, Organic Vermicompost, and Cow Dung Manure* Products. Our products are prepared using traditional methods combined with modern quality standards to ensure maximum nutrient value and effectiveness for agricultural use.

At Shree Radhe Dairy Farm , we believe in contributing towards *chemical-free farming* and improving soil fertility through natural solutions. Our organic products are widely used in farming, gardening, landscaping, and eco-friendly agricultural practices.

Vision : To become a leading supplier of organic and sustainable agricultural products while promoting natural farming and environmental balance and also help society.

Mission : To provide high-quality organic solutions that help farmers achieve better yield naturally and encourage eco-friendly agricultural and chemical free practices worldwide.
